**SEPARATION AND DISTRIBUTION AGREEMENT**

**THIS SEPARATION AND DISTRIBUTION AGREEMENT** (this "**Agreement**") is entered into as of [●] by and between Western Digital Corporation, a Delaware corporation ("**WDC**"), and Sandisk Corporation, a Delaware corporation and wholly owned Subsidiary of WDC ("**Spinco**") (each, a "**Party**" and together, the "**Parties**"). Capitalized terms not otherwise defined herein shall have the meanings ascribed to such terms inSection 10.

**RECITALS**

**WHEREAS**, WDC, directly and indirectly through its wholly owned Subsidiaries, is engaged in the Flash Business;

**WHEREAS**, the Board of Directors of WDC (the "**WDC Board**") has determined that it is advisable and in the best interests of WDC and WDC's stockholders to separate the Flash Business from the other businesses of WDC (the "**Separation**") and to divest the Flash Business in the manner contemplated by this Agreement and the Ancillary Agreements;

**WHEREAS**, on the terms and subject to the conditions set forth herein, in order to effect such separation, WDC has undertaken the Internal Restructuring and, in connection therewith, will effect the Spinco Contribution and, in exchange therefor, Spinco shall (i) issue to WDC additional shares of Spinco Common Stock and (ii) pay the Spinco Dividend to WDC;

**WHEREAS**, following, and as a result of, the Internal Restructuring and the Spinco Contribution, it is intended that Spinco, through its wholly owned subsidiaries, operate and conduct the Flash Business on a standalone basis;

**WHEREAS**, on the terms and subject to the conditions set forth herein, following the completion of the Internal Restructuring, the Spinco Contribution and the payment of the Spinco Dividend, WDC shall own all of the issued and outstanding shares of Spinco Common Stock and shall effect the distribution of 80.1% of such outstanding shares of Spinco Common Stock to the holders of WDC Common Stock in accordance with Section 3.1 hereof (the "**Distribution**");

**WHEREAS**, following the Distribution, WDC shall retain 19.9% of the outstanding shares of Spinco Common Stock (the "**Retained Stock**") and within twelve (12) months following the Distribution Date effect one or more distributions of the Retained Stock (i) to holders of WDC stock as dividends or in exchange for outstanding shares of WDC stock (any such distribution, a "**Clean-Up Distribution**") and/or (ii) through one or more transfers of the Retained Stock to certain Persons (the "**Debt Exchange Parties**") in exchange for certain debt obligations of WDC (the "**Exchange Debt**") held by the Debt Exchange Parties as principals for their own account (any such distribution, a "**Debt Exchange**" and together with any Clean-Up Distribution, a "**Subsequent Distribution**");

**WHEREAS**, for U.S. federal income Tax purposes, (i) it is intended that the Spinco Contribution, taken together with the Distribution and any Subsequent Distribution, will qualify for non-recognition of gain and loss pursuant to Sections 355, 361 and 368(a)(1)(D) of the Code and (ii) this Agreement constitutes a "plan of reorganization" within the meaning of Section 368 of the Code and Treasury Regulation Section 1.368-2(g); and

**WHEREAS**, the Parties desire to set forth the principal arrangements among them regarding the foregoing transactions and to make certain covenants and agreements specified herein in connection therewith and to prescribe certain conditions relating thereto.

(c) In the event of any inconsistency or conflict that may arise in the application or interpretation of the definitions of "Flash Assets" and "Excluded Assets," the explicit inclusion of an item on any Schedule referred to in either definition shall take priority over any textual provision of either definition that would otherwise operate to include or exclude such Asset from the applicable definition.

(e) The Parties acknowledge and agree that, except for such rights as are otherwise expressly provided in this Agreement or any Ancillary Agreements, none of Spinco or any of the Spinco Subs shall acquire or be permitted to retain any direct or indirect right, title or interest in any Excluded Assets through the Conveyance of all of the authorized and outstanding equity interests in the Spinco Subs and that if any of the Spinco Subs owns, leases or has the right to use any such Excluded Assets, such Excluded Assets shall be Conveyed to WDC as contemplated by Section 1.3.

(b) The Flash Liabilities shall not, in any event, include any of the following Liabilities of WDC or its Subsidiaries (the "**Excluded Liabilities**"):

(i) without limitation of Section 1.6(b)(vii), all Liabilities (including for the avoidance of doubt all Liabilities under or related to any Environmental Laws, including for fines and penalties associated with violations of any Environmental Laws, and for the costs associated with any damage to or restoration of natural resources or any investigation and remediation of environmental media impacted by Hazardous Materials) directly relating to: (A)(1) the investigation or remediation of any Release of Hazardous Materials at, on, under or from any Spinco Real Property (excluding the Milpitas Sites), whether such Release occurred prior to, at or after the Separation Time, and claims for response costs, damages or restoration costs related to same; (2) any violation or alleged violation of Environmental Laws, whether prior to, at or after the Separation Time; (3) any loss of life or injury to Persons due to exposure to asbestos or other Hazardous Materials, whether prior to, at or after the Separation Time; or (4) the off-site disposal, storage, transport, discharge or Release of Hazardous Materials, whether prior to, at or after the Separation Time, in each of cases (A)(1), (A)(2), (A)(3) and (A)(4) to the extent relating to, arising out of, resulting from or otherwise in respect of: (w) the conduct or operation of the non-Flash Business; (x) the ownership, operation or use of the Excluded Assets; (y) any business, operations or activities of a member of the WDC Group (or any legal predecessor thereto or any current or former Affiliate thereof) not related to the Flash Business; or (z) any business or entity that is a Disposed Flash Business (including any real property owned or operated by such a Disposed Flash Business); (B) the investigation or remediation of any Release of Hazardous Materials at, on, under or from the Milpitas Sites, and claims for response costs, damages or restoration costs (1) related to Releases by any member of the WDC Group occurring prior to September 5, 2023 and (2) related to the portion of any Releases occurring on or after September 5, 2023, provided, in the case of clause (B)(2), to the extent said Releases relate to, arise out of, result from or otherwise are in respect of the conduct or operation of any member of the WDC Group not related to the Flash Business at the Milpitas Sites after September 5, 2023; or (C) the Real Property Transfer Obligations, for which WDC is responsible pursuant to Section 6.8;

(d) The Parties acknowledge and agree that none of Spinco or any other member of the Spinco Group shall be required to assume or retain any Excluded Liabilities as a result of the Internal Restructuring, and that if any of the Spinco Subs is liable for any Excluded Liabilities, such Excluded Liabilities shall be assumed by WDC as contemplated by Section 1.3. Any Liability of any member of the WDC Group not included in any of the clauses of Section 1.6(a) shall be an Excluded Liability.

**1.7 Termination of Related Party Agreements; Settlement of Intercompany Accounts**.

(a) Except as set forth in Section 1.8(c), Spinco, on behalf of itself and each other member of the Spinco Group, on the one hand, and WDC, on behalf of itself and each other member of the WDC Group, on the other hand, hereby terminate any and all Contracts, whether or not in writing (it being understood that any guaranteed obligations shall be subject to Section 6.3), entered as of prior to the Separation Time between or among Spinco or any member of the Spinco Group, on the one hand, and WDC or any member of the WDC Group, on the other hand (the "**Related Party Agreements**"), effective as of the Separation Time. No such Contract (including any provision thereof which purports to survive termination) shall be of any further force or effect at or after the Separation Time and all parties shall be released from all Liabilities thereunder other than the Liability to settle any Intercompany Account as provided in Section 1.7(c). From and after the Separation Time, no member of either Group shall have any rights or obligations under any Related Party Agreements, except as specifically provided in: (i) Section 1.7(b) or elsewhere in this Agreement; or (ii) the Ancillary Agreements. Each Party shall, at the reasonable request of the other Party, take, or cause to be taken, such other actions as may be necessary to effect the foregoing.

(b) The provisions of Section 1.7(a) shall not apply to any of the following Contracts (or to any of the provisions thereof):

(i) this Agreement and the Ancillary Agreements (and each other Contract expressly contemplated by this Agreement or any Ancillary Agreement to be entered into or continued by any of the Parties or any of the members of their respective Groups);

(ii) any Contracts to which any Person, other than the Parties and their respective Affiliates, is a party;

(iii) any Contracts between: (A) a Subsidiary of WDC that is in the business of selling or buying products or services to or from third parties and (B) a member of the Spinco Group, and which Contract is related primarily to the provision of such products or services and was or is entered into in the ordinary course of business and on arm's-length terms;

(iv) any other Contracts that this Agreement or any Ancillary Agreement expressly contemplates shall survive the Distribution Date;

(v) any confidentiality or non-disclosure agreements among any members of either Group; and

(vi) any Contracts set forth on Schedule 1.7(b)(vi) (collectively, the "**Excluded Related Party Agreements**"). Notwithstanding anything to the contrary in this Agreement, each Excluded Related Party Agreement shall be governed exclusively by the terms set forth therein and shall not be subject to the terms of this Agreement unless and only to the extent that such Excluded Related Party Agreement expressly states otherwise.

(c) Each Intercompany Account outstanding immediately prior to the Separation will be satisfied and/or settled in full in cash (in each case with no further liability or obligation on Spinco or any member of the Spinco Group) by the relevant members of the WDC Group and the Spinco Group no later than the Distribution Date and prior to the Distribution, in each case in the manner determined by WDC (and any payments in settlement of such Intercompany Accounts shall be taken into account in determining the amount of the Spinco Cash).

**1.8 Delayed Transfers**.

(a) **Obtaining Consents**. The Parties shall cooperate with each other and use their respective commercially reasonable efforts to obtain: (i) the transfer, assignment or reissuance to Spinco or a member of the Spinco Group of all Transferable Permits; (ii) the issuance to Spinco or a member of the Spinco Group of any other Permits of WDC or its Affiliates that are necessary for the ownership or operation of the Flash Business or the Flash Assets that do not constitute Transferable Permits ("**Non-Transferable Permits**"); and (iii) all Consents and Governmental Approvals of all other Persons to the extent necessary to consummate the Internal Restructuring as required by the terms of any Law, license, permit, concession or Contract to which WDC or any of its Subsidiaries is currently a party or by which any of them is bound, subject to the limitations set forth in this Section 1.8; *provided, however*, that with respect to Shared Contracts, Section 1.8(c) shall control; and *provided*, *further*, that if any member of the Spinco Group or any member of the WDC Group is required to make any payments, incur any Liability or offer or grant any accommodation (financial or otherwise, that is not provided for in the underlying Contract) to any third party in connection with any of the actions in clauses (i) through (iii) above, then (A) WDC shall be required to pay any such costs and expenses incurred by either Party on or prior to the Distribution and (B) following the Distribution, each Party shall bear its own such costs and expenses. Other than as provided in the immediately preceding sentence, each of the Parties agrees that it shall not commit, and shall cause its Subsidiaries not to commit, to any third party on behalf of Spinco, WDC or any member of the Spinco Group or WDC Group to make any payments, incur any Liability or offer or grant any accommodation (financial or otherwise, regardless of any provision to the contrary in the underlying Contract, including any requirements for the securing or posting of any bonds, letters of credit or similar instruments, or the furnishing of any guarantees) to any third party to obtain any such Consents that would be a Liability of Spinco, WDC or any member of the Spinco Group or WDC Group after the Separation Time, without the prior express written consent of WDC or Spinco, as applicable. The obligations set forth in this Section 1.8(a) shall terminate upon the twelve (12) month anniversary of the Separation Time or, if the term of a Contract, Permit, Asset or Liability has Expired before the twelve (12) month anniversary of the Separation Time, the obligations set forth in this Section 1.8(a) relating to such Contract, Permit, Asset or Liability shall terminate upon such earlier Expiration.

(b) **Transfer in Violation of Laws or Requiring Consent or Governmental Approval** If and to the extent that the Conveyance to any member of the Spinco Group of any Flash Assets or to any member of the WDC Group of any Excluded Assets would be a violation of applicable Laws or require any Consent or Governmental Approval in connection with the Internal Restructuring (including the transfer, assignment or reissuance of any Transferable Permit or the issuance or reissuance of any Non-Transferable Permit) that has not been obtained at the Separation Time or require that notice be provided to any Person, then, notwithstanding any other provision hereof, the Conveyance to the Spinco Group of such Flash Assets or to the WDC Group of such Excluded Assets (any such Asset, a "**Deferred Asset**") shall automatically be deferred and no Conveyance shall occur until all legal impediments are removed, such Consents or Governmental Approvals have been obtained or such notice requirement(s) have been satisfied; *provided* that the Parties shall (i) use their respective commercially reasonable efforts to promptly remove such legal impediments and obtain such Consents and Governmental Approvals, and (ii) promptly satisfy such notice requirement(s). If the Conveyance of a Deferred Asset would not violate applicable Laws or require any Consent or Governmental Approval immediately following the Distribution, such Conveyance shall be effective immediately following the Distribution, subject to the satisfaction of any applicable notice requirement(s). Notwithstanding the foregoing, any such Deferred Asset shall still be considered a Flash Asset or Excluded Asset, as applicable, and the Person retaining such Asset shall thereafter hold such Asset in trust for the benefit of the Person entitled thereto (in a manner consistent with the obligations set forth in this Section 1.8(b)) until the earlier of the consummation of the Conveyance thereof or the termination of the obligations of the Person retaining such Asset under this Section 1.8(b). To the extent that any Deferred Asset cannot be Conveyed without the Consent or Governmental Approval of any Person which Consent or Governmental Approval has not been obtained prior to the Separation Time despite the Parties' commercially reasonable efforts and compliance with the other provisions hereof, and without limiting the obligation of WDC to obtain consents as provided in this Section 1.8(b), this Agreement will not constitute an agreement to Convey such Deferred Asset if an attempted Conveyance would constitute a breach thereof or violate any Law. The Parties shall use their commercially reasonable efforts to develop and implement mutually acceptable alternative arrangements to place the Person entitled to receive such Deferred Asset in the same position from and after the Separation Time as if such Deferred Asset had been Conveyed as contemplated hereby and so that all the benefits and burdens relating to such Deferred Asset, including possession, use, risk of loss, potential for gain, any Tax Liabilities in respect thereof and dominion, ability to enforce the rights under or with respect to, control and command over such Deferred Asset, inure from and after the Separation Time; *provided, however*, that with respect to Shared Contracts, Section 1.8(c) shall control. Such alternative arrangements may include, among others, the entry into reseller agreements with respect to government Contracts, or the entry into subcontracting, sublicensing, subleasing or other similar agreements. Under any such alternative arrangements, the Party retaining the Deferred Asset will (i) treat such Deferred Asset in the ordinary course of business consistent with past practice, (ii) hold itself out to third parties as agent or nominee on behalf of the other Party and (iii) agree to enforce (at the other Party's cost and at its reasonable request) any and all claims, rights and benefits of such Person against any third parties arising from such Deferred Asset. If and when the legal or contractual impediments the presence of which caused the deferral of transfer of any Deferred Asset pursuant to this Section 1.8(b) are removed or any Consents and/or Governmental Approvals the absence of which caused the deferral of transfer of any Deferred Asset pursuant to this Section 1.8(b) are obtained, the transfer of the applicable Deferred Asset shall be effected in accordance with the terms of this Agreement and/or such applicable Ancillary Agreement. WDC shall be required to pay any costs and expenses incurred by either Party on or prior to the Distribution in connection with this Section 1.8(b). From and after the Distribution, each Party shall bear its own costs and expenses incurred in connection with this Section 1.8(b). The obligations set forth in this Section 1.8(b) relating to any Deferred Asset shall terminate upon the twelve (12) month anniversary of the Separation Time or, if the term of such Deferred Asset has Expired before the twelve (12) month anniversary of the Separation Time, upon such earlier Expiration.

(c) **Shared Contracts**.

(i) With respect to each Shared Contract, the Parties shall, and shall, as applicable, cause the other members of the Spinco Group or the WDC Group to, use commercially reasonable efforts to take one of the following actions, at the election of the WDC Group: (A) replicate the Shared Contract such that there will be two Contracts: (1) a Contract between the counterparty and the applicable member of the Spinco Group with respect to the Flash Business and (2) a Contract between the counterparty and the applicable member of the WDC Group with respect to the non-Flash Business; or (B) partially assign the rights and delegate the duties relating to the (x) Flash Business functions with respect to such Shared Contract to Spinco (or the applicable member of the Spinco Group) or (y) non-Flash Business functions with respect to such Shared Contract to WDC (or the applicable member of the WDC Group), in each case of clauses (A) and (B), so that the Spinco Group will be entitled to the same or reasonably similar rights and interests of, and will be subject to the same or reasonably similar Liabilities under, such Shared Contract to the extent related to the Flash Business, and the WDC Group will be entitled to the same or reasonably similar rights and interests of, and will be subject to the same or reasonably similar Liabilities under, such Shared Contract to the extent not related to the Flash Business (each, a "**Shared Contract Transfer**"). In furtherance of the foregoing, the Parties shall, and shall, as applicable, cause the other members of the Spinco Group or the WDC Group to, use commercially reasonable efforts to take such other actions as are reasonably necessary to consummate each Shared Contract Transfer, including to the extent required by the applicable Shared Contract, sending notices to and/or using commercially reasonable efforts to obtain Consents from the counterparty(ies) to such Shared Contract; *provided, however*, that, notwithstanding the foregoing, if such Shared Contract Transfer is not permitted by the terms of the applicable Shared Contract, or if a necessary Consent is not received from the applicable counterparty(ies) despite the Parties' commercially reasonable efforts, or if such Shared Contract Transfer would impair the benefit the WDC Group or the Spinco Group, as applicable, is able to derive from the applicable portion of such Shared Contract, then WDC and Spinco shall, and shall, as applicable, cause the other members of the WDC Group or the Spinco Group to, use commercially reasonable efforts to (x) provide for an alternative arrangement so that the applicable member of the WDC Group or the Spinco Group, as applicable, will have the same or reasonably similar benefits and burdens of such Shared Contract from and after the Separation Time as though such Shared Contract Transfer had occurred and (y) enter into separate Contracts pursuant to which the applicable members of the WDC Group and the Spinco Group procure such rights and obligations as are necessary such that WDC and Spinco no longer need to avail themselves of the alternative arrangements provided pursuant to clause (x) above. For the avoidance of doubt, neither a Party nor any of its respective Affiliates shall be required to commence any Action with any third party to fulfill its obligations under this Section 1.8(c). Spinco and WDC shall reasonably cooperate in connection with this Section 1.8(c)(i). Upon a Shared Contract Transfer, the resulting Contract that is related to the Flash Business will be a Spinco Contract, and the resulting Contract that is not related to the Flash Business will be an Excluded Asset. All obligations set forth in this Section 1.8(c)(i) shall terminate upon the twelve (12) month anniversary of the Separation Time or, if the term of such Shared Contract has Expired before the twelve (12) month anniversary of the Separation Time, upon such earlier Expiration.

(ii) WDC shall be required to pay any costs and expenses incurred by either Party on or prior to the Distribution in connection with this Section 1.8(c). From and after the Distribution, each Party shall bear its own costs and expenses incurred in connection with this Section 1.8(c).

(iii) Unless otherwise determined by WDC in its sole discretion, each of WDC and Spinco shall, and shall cause the members of its Group to, (A) treat for all Tax purposes the portion of each Shared Contract inuring to the Flash Business or non-Flash Business, as the case may be, as Assets owned by, and/or Liabilities of, as applicable, such Party as of the Separation Time and (B) neither report nor take any Tax position (on a Tax Return or otherwise) inconsistent with such treatment (unless required by applicable Law or good faith resolution of a Tax Contest).

(d) **Real Property**. With respect to any Real Property Interests that will be owned or leased by a member of the Spinco Group but will continue to be used by a member of the WDC Group following the Separation Time, or that will be owned or leased by a member of the WDC Group but will continue to be used by a member of the Spinco Group following the Separation Time, unless otherwise agreed by the applicable parties, the Parties shall, and shall as applicable cause the other members of the Spinco Group or the WDC Group to, (i) with respect to owned Real Property Interests, enter into lease agreements on customary and reasonable market terms in arm's length transactions taking into account the nature, use and location of the real property and (ii) with respect to leased Real Property Interests, use commercially reasonable efforts to enter into sublease agreements on customary and reasonable "back-to-back basis", such that the rent and other material terms under such sublease agreements shall be substantially the same (on a relative basis) as the rent and other material terms in the underlying leases, reflecting (A) adjustments to the rent under each such sublease agreement based on the area subleased relative to the total area under the applicable lease agreement for such Real Property Interest and (B) such commercially reasonable costs that the applicable party may incur as sublandlord in the course of managing such sublease agreements.

**1.9 Novations of Contracts**.

(a) Without limiting the obligations of the Parties under Section 1.8(c), upon WDC's request, Spinco shall, and shall cause its Subsidiaries to, use commercially reasonable efforts to obtain the novation to the applicable member(s) of the Spinco Group of any Spinco Contract or the portion of a Shared Contract allocated to a member of the Spinco Group, or any other Contract (including without limitation, whether replicated, fully assigned or partially assigned) that is assigned (in whole or in part) to a member of the Spinco Group in accordance with this Agreement, whether prior to, at or following the Separation Time (it being understood that such obligations shall apply following the Separation Time regardless of whether any such Spinco Contract or Shared Contract has been Conveyed pursuant to the terms hereof or such Conveyance was deferred in accordance with Section 1.8).

(b) Without limiting the obligations of the Parties under Section 1.8(c), upon Spinco's request, WDC shall, and shall cause its Subsidiaries to, use commercially reasonable efforts to obtain the novation to the applicable member(s) of the WDC Group of any Shared Contract or the portion of a Shared Contract allocated to a member of the WDC Group, or any other Contract (including without limitation, whether replicated, fully assigned or partially assigned) that is assigned (in whole or in part) to a member of the WDC Group in accordance with this Agreement, whether prior to, at or following the Separation Time (it being understood that such obligations shall apply following the Separation Time regardless of whether any such Shared Contract or such other Contract that is assigned (in whole or in part) to a member of the WDC Group has been Conveyed pursuant to the terms hereof or such Conveyance was deferred in accordance with Section 1.8).

From and after the Distribution, each Party shall bear its own costs and expenses incurred as a result of or in connection with the matters set forth in Section 3.1 and this Section 3.2.

(g) Notwithstanding anything to the contrary, without any further action required by any Party, effective as of immediately prior to the Separation Time, all provisions of this Section 3.2, with the exception of Section 3.2(a), Section 3.2(d) (in the event that any such action under "blue sky" Laws has not been taken prior to the Separation Time) and Section 3.2(f), shall automatically terminate and be of no further force and the Parties shall cease to have any rights or obligations thereunder.

**3.5 Subsequent Distributions.**

(a) WDC shall (i) be entitled to retain the Retained Stock until the time of a Subsequent Distribution, and (ii) dispose of the Retained Stock pursuant to one or more Subsequent Distributions within twelve (12) months of the Distribution Date. WDC shall, in its sole and absolute discretion, determine whether to effectuate a Subsequent Distribution through one or more Clean-Up Distributions, Debt Exchanges or combination thereof.

(b) To the extent WDC determines to effectuate a Subsequent Distribution as a Debt Exchange, such Debt Exchange shall be effected by means of an intermediated exchange with the Debt Exchange Parties based on arm's-length terms and conditions, which terms and conditions shall allocate to the Debt Exchange Parties any risk of loss with respect to any Exchange Debt subject to such Debt Exchange and the Retained Stock transferred to any such Debt Exchange Parties pursuant to such Debt Exchange. ## 4. MUTUAL RELEASES; INDEMNIFICATION

### 4.1 Release of Pre-Distribution Date Claims.

(a) **Spinco Release**. Except as provided in Section 4.1(c) and Section 4.4, effective as of the Separation Time, Spinco does hereby, for itself and for each other member of the Spinco Group and (to the extent permitted by applicable Law) all Persons who at any time prior to the Separation Time were directors, officers, partners, managers, employees or agents of any member of the Spinco Group (in their respective capacities as such), in each case, together with their respective heirs, executors, administrators, predecessors, successors and assigns, release and forever discharge each of the WDC Indemnitees from any and all Liabilities whatsoever (including any right of contribution), whether arising under any Contract, by operation of Law or otherwise, existing or arising from any acts or events occurring or failing to occur or alleged to have occurred or to have failed to occur on or before the Separation Time, or any conditions existing or alleged to have existed on or before the Separation Time, including in connection with the transactions and all other activities to implement the Internal Restructuring contemplated by this Agreement or any Ancillary Agreement. Without limitation, the foregoing release includes a release of any rights and benefits with respect to such Liabilities that Spinco and each member of the Spinco Group, and their respective successor and assigns, now has or in the future may have conferred upon them by virtue of any Law which provides that a general release does not extend to claims which a party does not know or suspect to exist in its favor at the time of executing the release, if knowledge of such claims would have materially affected such party's settlement with the obligor. In this connection, Spinco hereby acknowledges that it is aware that factual matters now unknown to it may have given or may hereafter give rise to Liabilities that are presently unknown, unanticipated and unsuspected, and it further agrees that this release has been negotiated and agreed upon in light of that awareness and it nevertheless hereby intends to release the WDC Indemnitees from the Liabilities described in the first sentence of this Section 4.1(a). Notwithstanding the foregoing, the release described in this Section 4.1(a) shall not apply with respect to obligations from and after the Separation Time under or relating to the Contracts referred to in Section 1.7(b)(iii).

(b) **WDC Release**. Except as provided in Section 4.1(c) and Section 4.3, effective as of the Separation Time, WDC does hereby, for itself and for each other member of the WDC Group and (to the extent permitted by applicable Law) all Persons who at any time prior to the Separation Time were directors, officers, partners, managers, employees or agents of any member of the WDC Group (in their respective capacities as such), in each case, together with their respective heirs, executors, administrators, predecessors, successors and assigns, release and forever discharge each of the Spinco Indemnitees from any and all Liabilities whatsoever (including any right of contribution), whether arising under any Contract, by operation of Law or otherwise, existing or arising from any acts or events occurring or failing to occur or alleged to have occurred or to have failed to occur on or before the Separation Time or any conditions existing or alleged to have existed on or before the Separation Time, including in connection with the transactions and all other activities to implement the Internal Restructuring contemplated by this Agreement or any Ancillary Agreement. Without limitation, the foregoing release includes a release of any rights and benefits with respect to such Liabilities that WDC and each member of the WDC Group, and their respective successor and assigns, now has or in the future may have conferred upon them by virtue of any Law which provides that a general release does not extend to claims which a party does not know or suspect to exist in its favor at the time of executing the release, if knowledge of such claims would have materially affected such party's settlement with the obligor. In this connection, WDC hereby acknowledges that it is aware that factual matters now unknown to it may have given or may hereafter give rise to Liabilities that are presently unknown, unanticipated and unsuspected, and it further agrees that this release has been negotiated and agreed upon in light of that awareness and it nevertheless hereby intends to release the Spinco Indemnitees from the Liabilities described in the first sentence of this Section 4.1(b). Notwithstanding the foregoing, the release described in this Section 4.1(b) shall not apply with respect to obligations from and after the Separation Time under or relating to the Contracts referred to in Section 1.7(b)(iii).

(c) **No Impairment**. Nothing contained in Section 4.1(a) or Section 4.1(b) shall: (i) limit or otherwise affect any Person's rights or obligations pursuant to or contemplated by, or ability to enforce, this Agreement or any Ancillary Agreement in each case in accordance with its terms, including (A) the obligation of Spinco to assume and satisfy the Flash Liabilities; (B) the obligation of WDC to retain, assume and satisfy the Excluded Liabilities; (C) the obligations of WDC and its Affiliates to Convey the Flash Assets free and clear of all Liens (other than Permitted Liens) in accordance with this Agreement; and (D) the obligations of WDC and Spinco to perform their obligations and indemnify each other under this Agreement, including pursuant to Section 3.4 and this Section 4, and the Ancillary Agreements and any Liabilities arising out of or resulting herefrom or therefrom; (ii) apply to any Liability the release of which would result in the release of any Person other than a Person expressly released pursuant to Section 4.1(a) or Section 4.1(b); (iii) apply to any Liability or claim that any individual may have under any employment or benefit arrangement; or (iv) release or discharge any Person from, or waive any rights under, any Liability provided in or resulting from (x) any Contract to which any member of the Spinco Group, on the one hand, and any WDC Group, on the other hand, is a party, that does not terminate as of the Distribution Date in accordance with Section 1.7, or (y) fraud (collectively, the Liabilities and obligations referred to in this Section 4.1(c) and the last sentence of Section 4.1(d), the "**Retained Claims**").

(d) **No Actions as to Released Claims**. Following the Separation Time, (i) Spinco shall not, and shall cause each other member of the Spinco Group not to, make any claim or demand, or commence any Action asserting any claim or demand, including any claim of contribution, recovery or any indemnification, against any WDC Indemnitees (in each case, other than in respect of the Retained Claims) and (ii) WDC shall not, and shall cause each other member of the WDC Group not to, make any claim or demand, or commence any Action asserting any claim or demand, including any claim of contribution, recovery or any indemnification, against any Spinco Indemnitees (in each case, other than in respect of the Retained Claims). In addition, (x) nothing in this Section 4.1 shall release Spinco or any other member of the Spinco Group from indemnifying any current or former director, officer, manager, employee or agent of WDC or any other member of the WDC Group who was a director, officer, manager, employee or agent of Spinco or any other member of the Spinco Group prior to the Distribution Date if such Person was entitled to a right of indemnification pursuant to the organizational documents of Spinco or any Spinco Sub or pursuant to any Contract, it being understood that if the underlying obligation giving rise to such right to indemnification is an Excluded Liability retained by WDC or any other member of the WDC Group, WDC shall indemnify Spinco for such Liability (including Spinco's costs to indemnify such director, officer, manager, employee or agent) in accordance with the provisions in Section 4.4 and (y) nothing in this Section 4.1 shall release WDC or any other member of the WDC Group from indemnifying any current or former director, officer, manager, employee or agent of Spinco or any other member of the Spinco Group who was a director, officer, manager, employee or agent of WDC or any other member of the WDC Group prior to the Distribution Date if such Person was entitled to a right of indemnification pursuant to the organizational documents of WDC or any other member of the WDC Group or pursuant to any Contract, it being understood that if the underlying obligation giving rise to such right to indemnification is a Flash Liability retained by Spinco or any other member of the Spinco Group, Spinco shall indemnify WDC for such Liability (including WDC's costs to indemnify such director, officer, manager, employee or agent) in accordance with the provisions in Section 4.3.

**4.2 Survival**. The covenants in this Agreement or any Ancillary Agreement that by their terms are to be performed following the Separation Time will survive each of the Internal Restructuring and the Distribution and will remain in full force and effect in accordance with their terms (unless such Ancillary Agreement expressly provides for separate indemnification therein, in which case any such indemnification claims and survival of such covenants will be made thereunder). For the avoidance of doubt, in the event notice of any claim for indemnification under this Section 4 has been given in accordance with Section 4.6 in good faith with reasonable specificity within the applicable survival period, the representations, warranties, covenants and agreements relating to such claim shall survive with respect to such claim until such claim is finally resolved.

**4.3 Indemnification by the Spinco Group**. From and after the Separation Time, each member of the Spinco Group shall, on a joint and several basis, indemnify, defend (or, where applicable, pay the defense costs for) and hold harmless the WDC Indemnitees from and against, and shall reimburse such WDC Indemnitees with respect to, any and all Losses that proximately result from any of the following items (without duplication):

(a) any Flash Liabilities, including, after the Separation Time, the failure of Spinco or any other member of the Spinco Group or any other Person to pay, perform, fulfill, discharge and, to the extent applicable, comply with, in due course and in full, any such Flash Liabilities; and

(b) any breach of, or failure to perform, by Spinco or any other member of the Spinco Group any covenants or obligations to be performed from and after the Separation Time by such Persons pursuant to this Agreement or the Ancillary Agreements, unless such Ancillary Agreement expressly provides for separate indemnification therein, in which case any such indemnification claims will be made thereunder.

**4.4 Indemnification by WDC**. From and after the Separation Time, WDC shall indemnify, defend (or, where applicable, pay the defense costs for) and hold harmless the Spinco Indemnitees from and against, and shall reimburse such Spinco Indemnitees with respect to, any and all Losses that proximately result from any of the following items (without duplication):

(a) any Excluded Liabilities, including the failure of WDC or any other member of the WDC Group or any other Person to pay, perform, fulfill, discharge and, to the extent applicable, comply with, in due course and in full, any such Excluded Liabilities; and

(b) any breach of, or failure to perform, by WDC or any other member of the WDC Group any covenants or obligations to be performed from and after the Separation Time by such Persons pursuant to this Agreement or the Ancillary Agreements, unless such Ancillary Agreement expressly provides for separate indemnification therein, in which case any such indemnification claims will be made thereunder.

**4.5 Limitations on Indemnification**. No Indemnitee shall be entitled to indemnification more than once with respect to the same matter, whether pursuant to the indemnification provided for in this Section 4 or any other remedy provided under this Agreement, any Ancillary Agreement.

**4.6 Procedures for Indemnification**.

(a) An Indemnitee shall give the Indemnifying Party notice of any matter that an Indemnitee has determined has given or would reasonably be expected to give rise to a right of indemnification under this Agreement (other than a Third-Party Claim, which shall be governed by this Section 4.6) within twenty (20) Business Days of such determination, stating the amount of the Loss claimed, if known, and method of computation thereof, and containing a reference to the provisions of this Agreement in respect of which such right of indemnification is claimed by such Indemnitee or arises; *provided, however*, that the failure to provide such notice shall not release the Indemnifying Party from any of its obligations except and solely to the extent the Indemnifying Party shall have been actually and materially prejudiced as a result of such failure.

(b) If a claim or demand is made against a WDC Indemnitee or a Spinco Indemnitee (each, an "**Indemnitee**") by any Person who is not a Party or an Affiliate of a Party (a "**Third-Party Claim**") as to which such Indemnitee is or reasonably expects to be entitled to indemnification pursuant to this Agreement, such Indemnitee shall promptly (and in any event by no later than thirty (30) calendar days after receipt by such Indemnitee of written notice of the Third-Party Claim) notify the Party that is or may be required pursuant to this Section 4 or pursuant to any Ancillary Agreement to make such indemnification (the "**Indemnifying Party**") in writing, and in reasonable detail, of the Third-Party Claim and provide copies of all notices and documents (including court papers) received by the Indemnitee relating to the Third-Party Claim as of the date of such notice by the Indemnitee to the Indemnifying Party. With respect to notices and documents (including court papers) relating to the Third-Party Claim received by the Indemnitee after the date of such notice by the Indemnitee to the Indemnifying Party, the Indemnitee shall promptly (and in any event by no later than ten (10) Business Days after the Indemnitee's receipt thereof) deliver to the Indemnifying Party copies of such notices and documents. However the failure to provide notice of any such Third-Party Claim or any subsequent notices or documents pursuant to this clause shall not release the Indemnifying Party from any of its obligations except and solely to the extent the Indemnifying Party shall have been actually and materially prejudiced as a result of such failure (except that the Indemnifying Party or Indemnifying Parties shall not be liable for any expenses incurred by the Indemnitee in defending such Third-Party Claim during the period in which the Indemnitee failed to give such notice).

(c) Other than in the case of any Liability being managed by a Party in accordance with any Ancillary Agreement or as provided in Section 4.8(a) and 4.6(d), an Indemnifying Party shall be entitled (but shall not be required) to assume, control the defense of, and, subject to Section 4.6(f), settle any Third-Party Claim, at such Indemnifying Party's own cost and expense and by such Indemnifying Party's own counsel, which counsel must be reasonably acceptable to the applicable Indemnitees, if it gives written notice of its intention to do so and agreement that the Indemnitee is entitled to indemnification under this Section 4 to the applicable Indemnitees within the earlier of (i) thirty (30) calendar days of the receipt of notice from such Indemnitees of the Third-Party Claim and (ii) ten (10) Business Days before the due date for the answer or response to a claim. After such notice from an Indemnifying Party to an Indemnitee of its election to assume the defense of a Third-Party Claim, such Indemnitee shall have the right to employ separate counsel and to participate in (but not control) the defense, compromise or settlement thereof, at its own expense and, in any event, shall reasonably cooperate with the Indemnifying Party in such defense and make available to the Indemnifying Party all witnesses, pertinent and material Information and materials in such Indemnitee's possession or under such Indemnitee's control relating thereto as are reasonably required by the Indemnifying Party; *provided, however*, that such access shall not require the Indemnitee to disclose any information the disclosure of which would, in the reasonable judgment of the Indemnitee, result in the loss of any existing Privileges with respect to such information or violate any applicable Law.

(d) Notwithstanding anything to the contrary in this Section 4.6, in the event that: (i) an Indemnifying Party elects not to assume responsibility for defending a Third-Party Claim; (ii) there exists a conflict of interest or potential conflict of interest, as reasonably determined by counsel for the Indemnitee, between the Indemnifying Party and the applicable Indemnitee(s); (iii) a Third-Party Claim primarily seeks criminal culpability or an order, injunction or other equitable relief or relief for other than money damages against the Indemnitee; or (iv) the party making such Third-Party Claim is a Governmental Authority with (A) regulatory authority over the Indemnitee or any of its material Assets or (B) authority to bring a criminal charge against the Indemnitee, such Indemnitee(s) shall be entitled to assume the defense of such Third-Party Claim, at the Indemnifying Party's expense, with counsel of such Indemnitee's choosing. If the Indemnitee is conducting the defense against any such Third-Party Claim, the Indemnifying Party shall reasonably cooperate with the Indemnitee in such defense and make available to the Indemnitee all witnesses, pertinent and material Information and materials in such Indemnifying Party's possession or under such Indemnifying Party's control relating thereto as are reasonably required by the Indemnitee pursuant to a joint defense agreement to be entered into by Indemnitee and the Indemnifying Party; *provided, however*, that such access shall not require the Indemnifying Party to disclose any information the disclosure of which would, in the reasonable judgment of the Indemnifying Party, result in the loss of any existing Privileges with respect to such information or violate any applicable Law.

(e) No Indemnitee may settle, compromise or admit liability with respect to any Third-Party Claim without the consent of the Indemnifying Party, which consent shall not be unreasonably withheld, conditioned or delayed. If an Indemnifying Party has elected not to assume the defense of the Third-Party Claim, it shall not be a defense to any obligation to pay any amount in respect of such Third-Party Claim that the Indemnifying Party was not consulted in the defense thereof, that such Indemnifying Party's views or opinions as to the conduct of such defense were not accepted or adopted, that such Indemnifying Party does not approve of the quality or manner of the defense thereof or that such Third-Party Claim was incurred by reason of a settlement rather than by a judgment or other determination of liability.

(f) In the case of a Third-Party Claim, no Indemnifying Party shall consent to entry of any judgment or enter into any settlement of the Third-Party Claim without the consent (not to be unreasonably withheld, conditioned or delayed) of the Indemnitee if (i) the effect thereof is to permit any criminal culpability, injunction, declaratory judgment, other order or other non-monetary relief to be entered, directly or indirectly, against any Indemnitee, (ii) such settlement does not release the Indemnitee from all liabilities and obligations with respect to such Third-Party Claim, (iii) such settlement includes an admission of guilt, liability, criminal culpability or violation of Law by or on behalf of the Indemnitee, or (iv) the Indemnifying Party is not obligated to or cannot pay the full amount of Losses arising from such judgment or settlement.

(g) For the avoidance of doubt, the provisions of this Section 4.6 shall not apply to Tax Contests which shall be governed exclusively by the Tax Matters Agreement.

(h) Except as otherwise provided in Section 9.4 or any Ancillary Agreement, following the Separation Time, the indemnification provisions of this Section 4 shall be the sole and exclusive remedy of an Indemnitee for any monetary or compensatory damages or Losses resulting from any breach of this Agreement (including with respect to monetary or compensatory damages or Losses arising out of or relating to, as the case may be, any Flash Liability or Excluded Liability) or any Ancillary Agreement.

(i) Notwithstanding anything to the contrary in this Section 4.6, in the event of any conflict or inconsistency between this Section 4.6(i), and any other provision of Section 4.6, the following provisions shall control with respect to any Third-Party Claim in respect of any Shared Liabilities; *provided*, *however*, that nothing in this Section 4.6(i) shall alter or amend the allocation of responsibilities for Shared Liabilities set forth in Section 1.6. If a Third-Party Claim in respect of any Shared Liabilities is made against a Party, then (A) such Party shall assume the defense of such Third-Party Claim with counsel of such Party's choosing (subject to the approval of the other Party, such approval not to be unreasonably withheld, conditioned or delayed), with both Parties sharing equally the total fees, costs and expenses incurred in connection with such defense, and (B) any Indemnitee affiliated with such Party (other than a member of the WDC Group or Spinco Group) that is or becomes a named party to the same Third-Party Claim shall be represented by the same counsel as such Party; *provided*, *however*, that notwithstanding the foregoing, in the event there is, in the reasonable opinion of the joint counsel referenced herein, a material conflict of interest between or among any of the Persons referenced in this sentence, then each such Person that is subject to any such conflict shall be entitled to their own counsel in connection with such Third-Party Claim, and the expenses of such separate counsel shall be shared equally by the Parties. The Parties shall reasonably cooperate and consult with each other regarding any Third-Party Claim in respect of any Shared Liabilities, including with respect to the defense thereof. Any Indemnitee that is not a member of the WDC Group or Spinco Group shall reasonably cooperate with the Parties regarding any Third-Party Claim in respect of any Shared Liabilities. Each Party shall make available to the other Party all witnesses, pertinent and material Information and materials in such Party's possession or under such Party's control, in each case, to the extent such witnesses, pertinent and material Information and materials are reasonably required in connection with a Third-Party Claim in respect of any Shared Liabilities; *provided, however*, that such access shall be made pursuant to a joint defense agreement; *provided further* that such access shall not require a Party to disclose any information the disclosure of which would, in the reasonable judgment of the such Party, result in the loss of any existing Privileges with respect to such information or violate any applicable Law. Notwithstanding anything to the contrary herein, no Party will settle, compromise or admit liability with respect to any Third-Party Claim regarding any Shared Liability without the consent of the other Party (such consent not to be unreasonably withheld, conditioned or delayed).

**4.7 Calculation of Losses**. The amount of any Loss that is indemnifiable under this Section 4 will be net of any proceeds actually received by the Indemnitee from any third party (net of any deductible or retention amount or any other third-party costs or expenses incurred by the Indemnifying Party in obtaining such recovery) for indemnification for such Loss that actually reduce the amount of the Loss ("**Third-Party Proceeds**"). Accordingly, the amount which any Indemnifying Party is required to pay pursuant to this Section 4 to any Indemnitee pursuant to this Section 4 will be reduced by Third-Party Proceeds theretofore actually recovered by or on behalf of the Indemnitee in respect of the related Loss. If an Indemnitee receives a payment required by this Agreement from an Indemnifying Party in respect of any Loss (an "**Indemnity Payment**") and subsequently receives Third-Party Proceeds, then the Indemnitee will pay to the Indemnifying Party an amount equal to the excess of the Indemnity Payment received over the amount of the Indemnity Payment that would have been due if the Third-Party Proceeds had been received, realized or recovered before the Indemnity Payment was made. The Indemnitee shall use commercially reasonable efforts to seek to collect or recover any Third-Party Proceeds to which the Indemnitee is entitled in connection with any Liability for which the Indemnitee seeks contribution or indemnification pursuant to this Section 4; *provided, however*, that the Indemnitee's inability to collect or recover any such Third-Party Proceeds shall not limit the Indemnifying Party's obligations hereunder.

**4.8 Certain Actions; Substitution; Subrogation**.

(a) **Certain Actions**. Notwithstanding anything to the contrary set forth in Section 4.6, and subject to the provisions of the Tax Matters Agreement, which shall remain exclusive as to Tax matters, and except to the extent there are actual or potential conflicts of interest between WDC and Spinco with respect to a particular Action (i) WDC may elect to have exclusive authority and control over the investigation, prosecution, defense, appeal and settlement of any and all Actions pending at the Separation Time to the extent the Action relates exclusively to an Excluded Asset and/or Excluded Liability and as to which, solely, a member or members of the WDC Group (and not any member of the Spinco Group) is named as a target or defendant thereunder, (ii) Spinco may elect to have exclusive authority and control over the investigation, prosecution, defense, appeal and settlement of any and all Actions pending at the Separation Time to the extent the Action relates exclusively to a Flash Asset and/or Flash Liability and as to which, solely, a member or members of the Spinco Group (and not any member of the WDC Group) is named as a target or defendant thereunder and (iii) WDC and Spinco will have joint authority and control over the investigation, prosecution, defense, appeal and settlement of any and all Actions pending at the Separation Time which relate to or arise out of the Flash Business, the Flash Assets or the Flash Liabilities and as to which a member of the WDC Group (other than Spinco and the Spinco Subs) is named as a target or defendant thereunder, irrespective of whether a member of the Spinco Group is also named as a target or defendant thereunder (such Actions, a "**Joint Control Action**"). Notwithstanding the foregoing, in any Action in which both members of the Spinco Group and members of the WDC Group are named parties or that implicates both the Spinco Group, on the one hand, and the WDC Group, on the other hand, in a material respect, including due to the reasonably foreseeable impact on the business of WDC, on the one hand, or Spinco, on the other hand, then such Action shall be deemed to be a Joint Control Action and WDC and Spinco will have joint authority and control over the investigation, prosecution, defense, appeal and settlement of the action each at their own cost. In connection with any Joint Control Action, the Parties shall reasonably consult with each other on a regular basis with respect to strategy and material developments with respect to such action, and no Party may settle or compromise or consent to the entry of judgment in such Action without the consent of the other Party, which consent shall not be unreasonably withheld, conditioned or delayed. The payment of any settlement or judgment in matters pursuant to which WDC and Spinco have joint authority shall be determined in accordance with the extent to which such settlement relates to a Flash Liability or an Excluded Liability, respectively.

(b) **Substitution**. In the event of an Action that involves solely matters that are indemnifiable and in which the Indemnifying Party is not a named defendant, if either the Indemnitee or the Indemnifying Party so requests, the Parties shall use commercially reasonable efforts to substitute the Indemnifying Party for the named but not liable defendant to be removed from such Action and such defendants shall not be required to make any payments or contribution in connection therewith (regardless if such removal is successful or not). If such substitution or addition cannot be achieved for any reason or is not requested, the rights and obligations of the Parties regarding indemnification and the management of the defense of claims as set forth in this Section 4 shall not be affected.

(c) **Subrogation**. In the event of payment by or on behalf of any Indemnifying Party to or on behalf of any Indemnitee in connection with any Third-Party Claim, such Indemnifying Party shall be subrogated to and shall stand in the place of such Indemnitee, in whole or in part based upon and in proportion to the amount of the Indemnitee's Liability that the Indemnifying Party has paid, as to any events or circumstances in respect of which such Indemnitee may have any right, defense or claim relating to such Third-Party Claim against any claimant or plaintiff asserting such Third-Party Claim or against any other Person. Such Indemnitee shall cooperate with such Indemnifying Party in a reasonable manner, and at the cost and expense of such Indemnifying Party, in prosecuting any subrogated right, defense or claim.

**4.9 Payments**. Indemnification required by this Section 4 shall be made by periodic payments of the amount thereof during the course of the investigation or defense, as and when bills are received or an indemnifiable Loss is incurred. The applicable Indemnitee shall deliver to the Indemnifying Party, upon request, reasonable documentation setting forth the basis for the amount of such payments, including documentation with respect to calculations made and consideration of any Third-Party Proceeds that actually reduce the amount of such indemnifiable Losses; *provided* that the delivery of such documentation shall not be a condition to the payments described in the first sentence of this Section 4.9, but the failure to deliver such documentation may be the basis for the Indemnifying Party to contest whether the applicable Loss or Liability was incurred by the applicable Indemnitee.

**4.10 Non-Applicability to Taxes**. Except as otherwise specifically provided herein, Tax matters shall be exclusively governed by the Tax Matters Agreement and, in the event of any inconsistency between the Tax Matters Agreement and this Agreement, the Tax Matters Agreement shall control. Indemnification for Tax matters (including procedures relating thereto) shall be exclusively governed by the Tax Matters Agreement.

**4.11 Characterization of and Adjustment to Payments**.

(a) In the absence of any change in Tax treatment under the Code or except as otherwise required by other applicable Tax Law, any indemnity payments made under this Agreement shall be reported for Tax purposes by the payor and the recipient as distributions or capital contributions, as appropriate, occurring immediately before the Distribution or as payments of an assumed or retained Liability. Any indemnity payment made under this Agreement shall be increased as necessary so that after making all payments in respect to Taxes imposed on or attributable to such indemnity payment, the recipient receives an amount equal to the sum it would have received had no such Taxes been imposed.

(b) Payments of interest shall be treated as deductible by the payor Party or its relevant Subsidiary and as income to the payee Party or its relevant Subsidiary, as permitted and applicable.

(c) In the case of each of the foregoing, no Party shall take any position inconsistent with such treatment. In the event that a Taxing Authority asserts that a Party's treatment of a payment pursuant to this Agreement should be other than as set forth in this Section 4.11, such Party shall use its commercially reasonable efforts to contest (at the Indemnifying Party's expenses) such challenge.

## 5. ACCESS TO INFORMATION

### 5.1 Access to Personnel and Property.

(a) WDC and Spinco shall use commercially reasonable efforts to preserve all written Information reasonably related to the other Party until the latest of (the "**Preservation Period**") (i) the date on which the Information is no longer required to be retained under the retaining party's record retention policies as in effect immediately prior to the Distribution, including without limitation, pursuant to any litigation hold issued by the retaining party or any of its Subsidiaries prior to the Distribution; (ii) the concluding date of any period as may be required by applicable Law; and (iii) the concluding date of any period during which such Information relates to a pending or threatened Action which is known to the retaining party or its Group in possession of such Information at the time any retention obligation with regard to such Information would otherwise expire; provided that with respect to any pending or threatened Action arising after the Distribution, clause (iii) of this sentence applies only to the extent that the retaining party or its Group in possession of such Information has been notified in writing pursuant to a litigation hold by the other Party of the relevant pending or threatened Action; provided that each Party shall use commercially reasonable efforts to, within a reasonable time following the expiration of the Preservation Period for such Information and upon request of the other Party, purge from its databases, files and other systems or otherwise make unreadable or inaccessible such Information to the extent it is Confidential Information of such other Party; provided, further, that no Party shall be in breach of this Section 5.1(a) if such Party does not have knowledge that certain Information is within its possession, custody or control.

(b) During the Preservation Period, each of WDC and Spinco shall use commercially reasonable efforts to afford to the other and the Representatives of each, at such requesting Party's expense on a time and materials basis, reasonable access during normal business hours, subject to the restrictions for Privileges (as defined below) or Confidential Information set forth in this Agreement and to the requirements of any applicable Law (including, without limitation, any applicable requirements relating to privacy or disclosure of personal information such as a code of conduct or standard of conduct (*provided*, *however*, that the Party restricting any access on the basis of Privilege or requirements of Law shall notify the Party of the access being so restricted and the reasons on which such access is restricted and will arrange for appropriate substitute access or disclosure)), to the personnel, properties, and, in connection with access to such personnel and properties, Information of such Party and its Subsidiaries insofar as such access is reasonably required by the requesting Party (including as may be reasonably necessary to prosecute, maintain or enforce Intellectual Property Rights that are Excluded Assets (in the case of WDC as the requesting Party) or Flash Assets (in the case of Spinco as the requesting Party) in the ordinary course of business), upon the reasonable prior written request by such Party for access to reasonably specific and reasonably identified personnel, properties and Information, and only for the duration such access is reasonably requested and required by the requesting Party, and (x) relates to such requesting Party; (y) relates to, in the case of requests from WDC, the Flash Assets prior to the Separation Time solely as may be reasonably necessary in connection with the prosecution or defense of any Action for which the requesting Party may have Liability under, or may have rights pursuant to the assets Conveyed pursuant to, this Agreement (except for claims, demands or Actions between members of each Group) or the Excluded Assets, and in the case of requests from Spinco, the Excluded Assets prior to the Separation Time solely as may be reasonably necessary in connection with the prosecution or defense of any Action for which the requesting Party may have Liability under, or may have rights pursuant to the assets Conveyed pursuant to, this Agreement (except for claims, demands or Actions between members of each Group) or the Flash Assets; or (z) is reasonably required by a Party to perform its obligations under this Agreement or any Ancillary Agreement to which such Party or any of its Affiliates is a party; *provided, however*, that the Party providing such access may require that such Representatives execute a confidential non-disclosure agreement agreeing to be bound by the provisions of this Section 5, unless such individual is already subject to a non-disclosure agreement containing at least substantially the same terms and conditions as this Section 5 with respect to Confidential Information; *provided, further*, that nothing in this Section 5.1 shall be deemed to grant Spinco or any Spinco Sub, on the one hand, or WDC or any Subsidiary of WDC, on the other hand, any license, easement, servitude or similar right with respect to any real property or Intellectual Property Rights (without limiting the Transitional Trademark License Agreement or the Intellectual Property Cross-License Agreement) that are an Excluded Asset or a Flash Asset, respectively. For the avoidance of doubt, the Tax Matters Agreement, and not this Section 5.1, shall govern access to and the retention and exchange of Tax Returns, schedules and work papers and all material records or other documents relating to Tax matters.

**5.2 Witness Services.** Subject to Section 5.3, during the Preservation Period, each of WDC and Spinco shall use its commercially reasonable efforts to make available to the other, upon reasonable prior written request, its and its Subsidiaries' directors, officers, employees and agents (taking into account the work schedules and other commitments of such Persons) as witnesses to the extent that (a) such Persons may reasonably be required to testify in connection with the prosecution or defense of any Action for which the requesting Party may have Liability under this Agreement or in connection with the Transactions (except for claims, demands or Actions between members of each Group) or the enforcement of any rights included in the Flash Assets (in the case of Spinco as the requesting Party) or the Excluded Assets (in the case of WDC as the requesting Party), including enforcement of Intellectual Property Rights, or the defense of any rights included in the Flash Assets (in the case of Spinco as the requesting Party) or the Excluded Assets (in the case of WDC as the requesting Party), including the defense of Intellectual Property Rights from challenges to the validity, enforceability or ownership thereof and (b) there is no adversity in the Action between the requesting Party and the other Party except for the time and effort required in connection with the services of the officers, directors and employees and agents of the other Party. The reasonable and documented out-of-pocket costs and expenses incurred in the provision of such witnesses shall be paid by the Party requesting the availability of such Person.

**5.3 Privileged Matters**.

(a) The respective rights and obligations of the Parties to maintain, preserve, assert or waive any or all privileges belonging to either Party or its Subsidiaries with respect to the Flash Business or the other businesses of WDC, including the attorney-client and work product privileges (collectively, "**Privileges**"), will be governed by the provisions of thisSection 5.3.

(b) Notwithstanding anything to the contrary contained herein, (i) WDC shall have the sole authority to assert or waive all Privileges with respect to communications and work product that (x) involve, or were made by, any attorney or attorneys representing any party or parties within the WDC Group and/or the Spinco Group, (y) existed at any time at or prior to the Separation Time and (z) either (1) do not relate to the Flash Business, the Flash Assets or the Flash Liabilities, or (2) relate to the consummation of the Transactions, including the negotiation and execution of this Agreement and the Ancillary Agreements (but excluding any Privileges to the extent related to any Shared Liabilities) (the "**WDC Pre-Separation Privileged Materials**") and (ii) Spinco shall have the sole authority to assert or waive all Privileges with respect to communications and work product that (x) involve, or were made by, any attorney or attorneys representing any party or parties within the WDC Group and/or the Spinco Group, (y) existed at any time at or prior to the Separation Time and (z) relate solely to the Flash Business, the Flash Assets and/or the Flash Liabilities (the "**Spinco Pre-Separation Privileged Materials**", and the WDC Pre-Separation Privileged Materials or the Spinco Pre-Separation Privileged Materials, the "**Exclusive Pre-Separation Privileged Materials**").

(c) With respect to communications and work product protected by any Privileges that (x) involve, or were made by, an attorney or attorneys representing any party or parties within the WDC Group and/or the Spinco Group, (y) existed at any time at or prior to the Separation Time, and (z) do not constitute Exclusive Pre-Separation Privileged Materials (the "**Shared Pre-Separation Privileged Materials**"), WDC shall retain all applicable Privileges; *provided*, *however*, that (i) WDC shall not waive any Privilege with respect to Shared Pre- Separation Privileged Materials without the prior written consent of Spinco, such consent not to be unreasonably withheld, and (ii) WDC shall provide Spinco and members of the Spinco Group with reasonable access to such Shared Pre-Separation Privileged Materials. In connection with affording Spinco or any member of the Spinco Group access to such Shared Pre-Separation Privileged Materials, the Parties and their respective Group's shall cooperate with one another to take appropriate steps to preserve the Privileges afforded to such Shared Pre-Separation Privileged Materials, including by entering into a common interest and joint defense agreement or such other steps as may be reasonably necessary in order to preserve the Privileges afforded to such Shared Pre-Separation Privileged Materials.

(d)

(i) Upon receipt by a Party or any of its Affiliates, as the case may be, of any subpoena, discovery or other request from any third party that actually or arguably calls for the production or disclosure of Exclusive Pre-Separation Privileged Materials of the other Party, or if a Party, or any of its Affiliates, as the case may be, obtains knowledge that any current or former employee of such Party or its Affiliates, as the case may be, receives any subpoena, discovery or other request from any third party that actually or arguably calls for the production or disclosure of the other Party's Exclusive Pre-Separation Privileged Materials, such Party will promptly notify the other Party of the existence of the request and, to the extent legally permissible, provide such other Party with prompt written notice of the existence, terms and circumstances surrounding such request or requirement so that such other Party may (A) seek an injunction, protective order or other appropriate remedy or (B) waive compliance with the provisions of this Agreement. Any such communications required to be disclosed shall not be used against the Party to whom such Exclusive Pre-Separation Privileged Materials belong in any claim between the Parties.

(ii) Upon receipt by a Party or any of its Affiliates, as the case may be, of any subpoena, discovery or other request from any third party that actually or arguably calls for the production or disclosure of Shared Pre-Separation Privileged Materials, or if a Party or any of its Affiliates, as the case may be, obtains knowledge that any current or former employee of such Party or its Affiliates, as the case may be, receives any subpoena, discovery or other request from any third party that actually or arguably calls for the production or disclosure of Shared Pre-Separation Privileged Materials, such Party will promptly notify the other Party of the existence of the request and, to the extent legally permissible, provide the other Party with prompt written notice of the existence, terms and circumstances surrounding such request or requirement so that the Parties may (A) seek an injunction, protective order or other appropriate remedy or (B) waive compliance with the provisions of this Agreement. No Shared Pre-Separation Privileged Materials shall be used against either Party in any dispute between the Parties.

(e)

(i) Any attorney-client relationship between any member of the Spinco Group, on the one hand, and any attorney employed by any member of the WDC Group as of the Separation Time, on the other hand, shall automatically terminate at the Separation Time. Each member of the Spinco Group hereby waives any conflict with respect to the continued representation of any member of the WDC Group by such attorney and, if so required, agrees to execute a written waiver of such continued representation.

(ii) Any attorney-client relationship between any member of the WDC Group, on the one hand, and any attorney employed by any member of the Spinco Group as of the Separation Time, on the other hand, shall automatically terminate at the Separation Time. Each member of the WDC Group hereby waives any conflict with respect to the continued representation of any member of the Spinco Group by such attorney and, if so required, agrees to execute a written waiver of such continued representation.

## 6. ADDITIONAL AGREEMENTS

### 6.1 Further Assurances; Cooperation.

(a) Subject to the limitations or other provisions of this Agreement and any Ancillary Agreement: (i) each of the Parties shall use commercially reasonable efforts (subject to, and in accordance with, applicable Law) to take promptly, or cause to be taken promptly, all actions, and to do promptly, or cause to be done promptly, and to assist and cooperate with the other Party in doing, all things reasonably necessary, proper or advisable to consummate and make effective the Transactions and carry out the intent and purposes of this Agreement and the Ancillary Agreements, including (x) using commercially reasonable efforts to obtain satisfaction of the conditions precedent to each Party's obligations hereunder or in any Ancillary Agreement within its reasonable control; (y) performing all covenants and agreements herein or in any Ancillary Agreement applicable to such Party; and (z) executing and delivering any Transfer Document; and (ii) none of the Parties will, without the prior written consent of the other applicable Party, take any action which would reasonably be expected to prevent or materially impede, interfere with or delay the Transactions. Without limiting the generality of the foregoing, where the cooperation of third parties, such as insurers or trustees, would be necessary in order for a Party to completely fulfill its obligations under this Agreement or the Ancillary Agreements, such Party shall use commercially reasonable efforts to cause such third parties to provide such cooperation. Nothing in this Section 6.1 will operate to affect the rights and obligations of the Parties under Section 1 and Section 2.

(b) To the extent that any Ancillary Agreements, or schedules or exhibits thereto (including, for example, the Services Schedule and the Data Processing Addendum referred to in the Transition Services Agreement) are specified to be completed following the date hereof, the Parties shall mutually agree upon the terms, covenants, agreements and contents of such items in good faith, except to the extent a different standard for completion of such item is specified elsewhere in this Agreement or the other Ancillary Agreements, in which case such specifically specified standard for completion shall apply.

**6.2 Removal of Tangible Assets**. Except as may be otherwise provided in the Ancillary Agreements or otherwise agreed to by the Parties, the Parties shall reasonably cooperate, after the Separation Time, with respect to moving or causing to be moved (i) from any facilities of the WDC Group, all tangible Flash Assets and (ii) from any Spinco Real Property, all tangible Excluded Assets, in each case, in a manner so as not to unreasonably interfere with the operations of any member of the WDC Group or Spinco Group and not to cause damage to any facilities or real property.

**6.3 Guarantees**.

(a) Except as otherwise specified in any Ancillary Agreement, on or prior to the Separation Time or as soon as practicable thereafter, (i) Spinco shall (with the reasonable cooperation of the applicable member of the WDC Group) use its commercially reasonable efforts to novate, assign or replace (including by inserting Spinco as replacement guarantor) any Spinco Guarantee in order to remove or otherwise have released any member of the WDC Group that is a guarantor of or obligor for any such Spinco Guarantee and (ii) WDC shall (with the reasonable cooperation of the applicable member of the Spinco Group) use its commercially reasonable efforts to novate, assign or replace (including by inserting WDC as replacement guarantor) any WDC Guarantee in order to remove or otherwise have released any member of the Spinco Group that is a guarantor of or obligor for any such WDC Guarantee (in each case, any such novation, assignment, replacement, removal or release, a "**Guarantee Release**").

(b) On or prior to the Separation Time, to the extent required to obtain a Guarantee Release:

(i) of any Spinco Guarantee, Spinco will use its commercially reasonable efforts to execute a replacement Spinco Guarantee in the form of the existing Spinco Guarantee (after giving effect to the Guarantee Release) or such other form as is agreed to by the relevant parties to such Spinco Guarantee, except to the extent that such replacement Spinco Guarantee contains representations, covenants or other terms or provisions either (A) with which Spinco would be reasonably unable to comply or (B) which would be reasonably expected to be breached; and

(ii) of any WDC Guarantee, WDC will use its commercially reasonable efforts to execute a replacement WDC Guarantee in the form of the existing WDC Guarantee (after giving effect to the Guarantee Release) or such other form as is agreed to by the relevant parties to such WDC Guarantee, except to the extent that such replacement WDC Guarantee contains representations, covenants or other terms or provisions either (A) with which WDC would be reasonably unable to comply or (B) which would be reasonably expected to be breached.

(c) If a Party is unable to obtain a Guarantee Release prior to the Separation Time, then the other Party will: (i) continue to use its commercially reasonable efforts to obtain a Guarantee Release; (ii) indemnify, defend and hold harmless the other Party and its Affiliates against, and reimburse such Party and its Affiliates for, any Losses of such Party and its Affiliates incurred by them because such Party or its Affiliate is required to make any payment required under any such WDC Guarantee or Spinco Guarantee, as applicable; and (iii) agree not to (and to cause members of their respective Groups not to) renew or extend the term of, increase its obligations under, or transfer to a third party, any loan, guarantee, lease, contract or other obligation for which the other Party or member of such Party's Group is or may be liable, without the prior written consent of such other Party, unless all obligations of such other Party and the other members of such Party's Group with respect thereto are thereupon terminated by documentation reasonably satisfactory in form and substance to such Party. Each Party's commercially reasonable efforts with respect to this Section 6.3 shall not require such Party to take any action that would be reasonably expected to expose it or any other member of its Group to any incremental expenses or losses of benefits. Any costs and expenses incurred by the Parties arising out of or related to the matters set forth in this Section 6.3 shall be borne by the Parties in accordance with Section 9.1.

**6.4 Insurance Matters**.

(a) Subject to, and other than as set forth in Section 6.4(b), Spinco acknowledges that from and after the Separation Time: (i) any insurance policies maintained by WDC or its Subsidiaries, including any self-insurance, fronted insurance or captive insurance policy or program (the "**WDC Insurance Policies**"), shall not be available, transferred or assigned to Spinco, the Spinco Subs, the Flash Assets or the Flash Business; (ii) Spinco, the Spinco Subs, the Flash Assets and the Flash Business shall cease to be insured by the WDC Insurance Policies; and (iii) Spinco shall be responsible for securing all insurance it deems appropriate for the operation of Spinco, the Spinco Subs, the Flash Assets and the Flash Business.

(b) From and after the Separation Time, Spinco and the Spinco Subs shall have the right to assert claims under the occurrence-based WDC Insurance Policies covering the period prior to the Separation Time, other than any self-insurance, fronted insurance or captive insurance policy or program ("**Shared WDC Policies**"), arising out of any actual or alleged occurrence occurring prior to the Separation Time relating to Spinco, the Spinco Subs, the Flash Assets or the Flash Business ("**Pre-Separation Spinco Claims**"). Except as provided in this Section 6.4(b), from and after the Separation Time, WDC shall have no obligation to Spinco and the Spinco Subs with respect to or under any of the Shared WDC Policies; *provided* that from and after the Separation Time, WDC shall use commercially reasonable efforts to direct any carriers under the Shared WDC Policies to make any available insurance coverage under the Shared WDC Policies available to Spinco, the Spinco Subs, the Flash Assets and the Flash Business for Pre-Separation Spinco Claims; *provided, further*, that (i) all deductibles, retentions, claims handling fees and similar amounts incurred or payable under any such Shared WDC Policies shall be shared in the same proportion as any insurance proceeds actually received by the WDC Group, on the one hand, and the Spinco Group, on the other hand, with respect to any one claim (or related claims) under the relevant Shared WDC Policy and (ii) Spinco shall be solely responsible for any retrospective premium increases to the extent attributable to any Pre-Separation Spinco Claims; *provided, further*, that any amounts due to WDC under this Section 6.4(b) shall be remitted promptly by Spinco to WDC following WDC's written request.

(c) With respect to Pre-Separation Spinco Claims, Spinco and the Spinco Subs shall be solely responsible for the submission, processing, administration and handling of the Pre-Separation Spinco Claims under the Shared WDC Policies; *provided, however*, that at Spinco's reasonable request and sole cost and expense, WDC shall reasonably cooperate with and assist Spinco and the Spinco Subs in the submission, processing, administration and handling of the Pre-Separation Spinco Claims under the Shared WDC Policies.

(d) Spinco and the Spinco Subs shall keep WDC reasonably apprised of any Pre-Separation Spinco Claims under the Shared WDC Policies, and WDC shall have the right to reasonably monitor any such Pre-Separation Spinco Claims under the Shared WDC Policies.

(e) With respect to all Shared WDC Policies, Spinco and the Spinco Subs agree and covenant not to make any claim or assert any rights against WDC or under the Shared WDC Policies except as expressly provided under this Section 6.4.

(f) Notwithstanding anything in this Agreement, (i) WDC shall not be deemed to have made any representation or warranty as to the availability of any coverage under any Shared WDC Policies; (ii) except for Retained Claims or as provided in Section 4.4, neither WDC nor its Subsidiaries shall be liable to Spinco or the Spinco Subs for any claims, or portions thereof, not covered by an insurer under any Shared WDC Policy for any reason, including any deductibles, retentions, policy terms, conditions, exclusions, limitations or restrictions (including erosion or exhaustion of limits), coverage disputes, failure to timely notice a claim by WDC, Spinco or the Spinco Subs, any defect in such claim or its processing or bankruptcy or insolvency of any insurance carrier; and (iii) WDC shall retain all rights to control the Shared WDC Policies, including the right to erode, exhaust, settle, release, commute, buy back or otherwise resolve disputes with respect to any of the Shared WDC Policies, notwithstanding the right of Spinco and the Spinco Subs to make claims under the Shared WDC Policies in accordance with this Section 6.4.

**6.5 Casualty and Condemnation**(a) . If, between the date hereof and the Separation Time, there shall occur any physical damage to or destruction of, or theft or similar loss of, any of the material tangible Assets described in Section 1.5(a) (a "**Casualty Loss**") or any condemnation or taking by eminent domain by a Governmental Authority of any of the Assets described in Section 1.5(a) (a "**Condemnation Event**"), then: (i) WDC shall use its commercially reasonable efforts to (A) replace or repair (as applicable) the asset or property subject to such Casualty Loss and (B) replace the asset or property that has been condemned or taken such that the operation of the Flash Business can continue in all material respects in the ordinary course consistent with past practices; or (ii) if the Separation is consummated notwithstanding such Casualty Loss or Condemnation Event, and if such damaged, destroyed, stolen, lost or condemned or taken Assets have not been repaired or replaced as of the Separation Time, then, without limiting Spinco's or any member of the Spinco Group's other rights hereunder, promptly after any casualty insurance proceeds, business interruption insurance proceeds or condemnation proceeds payable to WDC or any of its Affiliates with respect to such Casualty Loss or Condemnation Event have been actually collected, WDC shall, or shall cause its Affiliate to, pay to Spinco: (x) the aggregate amount, if any, of such casualty insurance proceeds described above actually paid to WDC or any of its Affiliates in connection with such Casualty Loss; (y) the aggregate amount, if any, of such business interruption insurance proceeds described above actually paid to WDC or any of its Affiliates in connection with such Casualty Loss; and (z) the aggregate amount, if any, of such condemnation proceeds described above actually paid to WDC or any of its Affiliates in connection with such Condemnation Event, in each case, net of any deductible or retention amount or any other costs or expenses incurred in obtaining such recovery. WDC shall, and shall cause its Affiliates to, use commercially reasonable efforts to collect amounts due (if any) under insurance policies or programs in respect of any Casualty Loss or as a result of a Condemnation Event. The amount of any insurance or condemnation proceeds described above actually paid to WDC shall be included as a Flash Asset and not be distributable cash available to WDC or any other member of the WDC Group.

**6.6 Confidentiality**.

(a) For a period of four (4) years following the Separation Time (or such longer period applicable in accordance with the last sentence of this Section 6.6(a) or Section 6.6(b)), the Parties shall hold, and shall cause each of their respective controlled Affiliates to hold, and each of the foregoing shall cause their respective directors, officers, employees, agents, consultants and advisors to hold, in strict confidence, and not to disclose or release or use, for any purpose other than as permitted pursuant to this Agreement or the Ancillary Agreements (including as reasonably necessary to provide or receive services under the Transition Services Agreement), without the prior written consent of the applicable Party concerning its Confidential Information, any and all Confidential Information concerning the other Party or such Party's Group; *provided, however*, that the Parties may disclose, or may permit disclosure of, Confidential Information: (i) to their respective auditors, attorneys, financial advisors, bankers and other appropriate consultants and advisors who have a need to know such information for auditing and other non-commercial purposes and are informed of their obligation to hold such information confidential to the same extent as is applicable to the Parties and in respect of whose failure to comply with such obligations, the applicable Party will be responsible; (ii) if the Parties or any of their respective controlled Affiliates are required or compelled to disclose any such Confidential Information by judicial or administrative process or by other requirements of Law or stock exchange rule; (iii) as required in connection with any legal or other proceeding by one Party against the other Party; or (iv) as necessary in order to permit a Party to prepare and disclose its financial statements, or other disclosures required by Law or applicable stock exchange. Notwithstanding the foregoing, in the event that any demand or request for disclosure of Confidential Information is made pursuant to clause (ii) above, the applicable Party shall promptly notify the Party whose Confidential Information is the subject of such demand or request for disclosure of the existence of such request or demand and, to the extent commercially practicable, shall provide such Party thirty (30) calendar days (or such lesser period as is commercially practicable) to seek an appropriate protective order or other remedy, which the applicable Party will cooperate in obtaining. In the event that such appropriate protective order or other remedy is not obtained, the Party whose Confidential Information is required to be disclosed shall or shall cause the other applicable Party to furnish, or cause to be furnished, only that portion of the Confidential Information that is legally required to be disclosed and shall take commercially reasonable steps to ensure that confidential treatment is accorded such information. With respect to any and all Confidential Information that is a Trade Secret, the confidentiality obligations in this Section 6.6(a) shall continue in full force and effect for as long as such Confidential Information remains a Trade Secret under applicable Law.

(b) The provisions of this Section 6.6 do not limit the obligations of any Party regarding the confidentiality of Confidential Information under any other Contract.

(c) Nothing in this Section 6.6 shall alter or limit any rights or obligations of WDC or Spinco pursuant to the Intellectual Property Cross-License Agreement.

**6.7 Receipt of Communications; Payments**. After the Separation Time, each Party (or any member of its Group) may receive mail, packages and other communications properly belonging to the other Party (or any member of its Group). Accordingly, at all times after the Separation Time, each Party authorizes the other Party to receive and, if necessary to identify the proper recipient in accordance with this Section 6.7, open all mail, packages and other communications received by such Party that belongs to such other Party, and to the extent that they do not relate to the business of the receiving Party, the receiving Party shall promptly deliver such mail, packages or other communications (or, in case the same also relates to the business of the receiving Party or another Party, copies thereof) to such other Party as provided for in Section 9.6; *provided* that the failure to deliver such mail, packages or other communications (or copies thereof) shall not constitute a breach of this Section 6.7 except to the extent that any such Party shall have been actually prejudiced as a result of such failure. The provisions of this Section 6.7 are not intended to, and shall not, be deemed to constitute an authorization by either Party to permit the other to accept service of process on its behalf and no Party is or shall be deemed to be the agent of any other Party for service of process purposes. After the Separation Time, each of Spinco and WDC shall cause the other members of its respective Group and its and any of their respective then-Affiliates to, promptly pay or deliver to the other Party (or their designee) any monies or checks that have been received after the Separation Time to the extent they are (or represent the proceeds of) an Excluded Asset or a Flash Asset, respectively.

**6.8 Real Property Transfer Obligations**. WDC shall, and shall cause its Affiliates to, make all filings and submissions, and take all other steps, required by Law in connection with all Real Property Transfer Obligations, to the extent applicable to any of the transactions contemplated by this Agreement; *provided* that WDC shall, and shall cause its Affiliates to, reasonably consult with Spinco with respect to such filings, submissions and compliance, including reasonably consulting with Spinco on any determination regarding the need to make any filing or submission and providing Spinco with a reasonable opportunity to comment on a draft of any required filing or submission. WDC shall pay any costs relating to, arising out of or resulting from such filings, submissions and compliance with respect to any Real Property Transfer Obligations.

**6.9 Non-Competition**. For a period of forty (40) months from and after the Separation Time (the "**Restricted Period**") and except as otherwise permitted in the Ancillary Agreements or any Contracts set forth in Schedule 1.7(b)(vi), WDC shall not, and shall cause its controlled Affiliates not to, develop, manufacture, market or sell standalone SSDs (whether internal or external SSDs). For the avoidance of doubt, this Section 6.9 shall not apply to HDDs that include Flash Business Products as a component or to Platforms Products.

**6.10 Specified Trademarks**. From and after the Separation Time, WDC (i) shall not, and shall cause its Affiliates not to, use in commerce, prosecute or take any action to maintain, and (ii) shall, and shall cause its Affiliates to, abandon and permit to lapse, the Specified Trademarks.

## 8. DISPUTE RESOLUTION

**8.1 Negotiation**.

(a) Each Party shall appoint a representative who shall be responsible for administering this dispute resolution provision (each, an "**Appointed Representative**"). The Appointed Representatives shall have the authority to resolve any such disputes.

(b) Except as otherwise provided in this Agreement or in any Ancillary Agreement, in the event of a controversy, dispute or claim arising out of, in connection with, or in relation to the interpretation, performance, nonperformance, validity, termination or breach of this Agreement or any Ancillary Agreement or otherwise arising out of, or in any way related to, this Agreement or any Ancillary Agreement or the transactions contemplated hereby or thereby (collectively, the "**Agreement Disputes**"), the Appointed Representatives shall negotiate in good faith for a reasonable period of time to settle such Agreement Dispute; *provided, however*, that: (i) such reasonable period shall not, unless otherwise agreed to by the Parties, exceed thirty (30) calendar days from the time of receipt by a Party; and (ii) the relevant employees from the relevant Parties shall first have tried to resolve the differences between the Parties. Nothing said or disclosed, nor any document produced, in the course of any negotiations, conferences and discussions in connection with efforts to settle an Agreement Dispute that is not otherwise independently discoverable shall be offered or received as evidence or used for impeachment or for any other purpose, but shall be considered as to have been disclosed for settlement purposes.

(c) Unless otherwise agreed in writing, the Parties will continue to provide service and honor all other commitments under this Agreement and each Ancillary Agreement during the course of dispute resolution pursuant to the provisions of this Section 8.1 with respect to all matters not specifically subject to such dispute resolution.

(d) Except as otherwise specifically provided herein, this Section 8.1 shall not apply to Section 3.4.

## 9. MISCELLANEOUS

**9.1 Expenses**. Except as otherwise provided in this Agreement, the Transfer Documents or any Ancillary Agreement, or as otherwise agreed to in writing by the Parties, whether or not the Transactions are consummated, WDC shall bear all costs and expenses of any member of the Spinco Group or WDC Group incurred on or prior to the Distribution in connection with the preparation, execution, delivery and implementation of this Agreement, the Transfer Documents, the Ancillary Agreements and the transactions contemplated hereby and thereby; *provided* that, except as otherwise provided in this Agreement, the Transfer Documents or any Ancillary Agreement, from and after the Distribution, each Party shall bear its own direct and indirect costs and expenses incurred in connection with the preparation, execution, delivery and implementation of this Agreement, the Transfer Documents, the Ancillary Agreements and the transactions contemplated hereby and thereby.

**9.2 Entire Agreement**. This Agreement and the Ancillary Agreements, including any schedules, exhibits and amendments hereto and thereto, and the other agreements and documents referred to herein and therein, shall together constitute the entire agreement between the Parties with respect to the subject matter hereof and thereof and shall supersede all prior negotiations, agreements and understandings, both written and oral, between the Parties with respect to such subject matter hereof and thereof.

**9.3 Governing Law**. This Agreement and the consummation of the Transactions, and any Action (whether at law, in contract, in tort or otherwise) arising out of or relating to this Agreement and the consummation of the Transactions, or the negotiation, validity, interpretation, performance, breach or termination of this Agreement and the consummation of the Transactions, shall be governed by and construed in accordance with the internal law of the State of Delaware, regardless of the law that might otherwise govern under applicable principles of conflicts of law thereof.

**9.4 Specific Performance; Jurisdiction**.

(a) Except as otherwise provided herein, any and all remedies herein expressly conferred upon a Party shall be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by law or equity upon such Party, and the exercise by a Party of any one remedy shall not preclude the exercise of any other remedy. Nothing in this Agreement shall be deemed a waiver by any Party of any right to specific performance or injunctive relief. The Parties understand and agree that the covenants and agreements on each of their parts herein contained are uniquely related to the desire of the Parties and their respective Affiliates to consummate the Transactions, that the Transactions are a unique business opportunity at a unique time for each of WDC and Spinco and their respective Affiliates, and further agree that irreparable damage would occur in the event that any provision of this Agreement were not performed in accordance with its specific terms, and further agree that, although monetary damages may be available for the breach of such covenants and agreements, monetary damages would be an inadequate remedy therefor. It is accordingly agreed that, in addition to any other remedy that may be available to it, including monetary damages, each of the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement exclusively in the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or, if the Delaware Court of Chancery declines to accept jurisdiction over a particular matter, any state or federal court within the State of Delaware). Each of the Parties further agrees that no Party shall be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Section 9.4 and each Party waives any objection to the imposition of such relief or any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

(b) Each of the Parties irrevocably agrees that, subject (except in the case of any legal action or proceeding seeking specific performance) to prior compliance with Section 8.1, any legal action or proceeding with respect to this Agreement and the rights and obligations arising hereunder, or for recognition and enforcement of any judgment in respect of this Agreement and the rights and obligations arising hereunder, brought by the other Party or its successors or assigns, shall be brought and determined exclusively in the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or, if the Delaware Court of Chancery declines to accept jurisdiction over a particular matter, any state or federal court within the State of Delaware). Each of the Parties hereby irrevocably submits with regard to any such action or proceeding for itself and in respect of its property, generally and unconditionally, to the personal jurisdiction of the aforesaid courts and agrees that it will not bring any action relating to this Agreement or any of the transactions contemplated by this Agreement in any court other than the aforesaid courts. Each of the Parties hereby irrevocably waives, and agrees not to assert, by way of motion, as a defense, counterclaim or otherwise, in any action or proceeding with respect to this Agreement: (i) any claim that it is not personally subject to the jurisdiction of the above named courts for any reason other than the failure to serve in accordance with this Section 9.4; (ii) any claim that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise); and (iii) to the fullest extent permitted by applicable Law, any claim that: (x) the suit, action or proceeding in such court is brought in an inconvenient forum; (y) the venue of such suit, action or proceeding is improper; or (z) this Agreement, or the subject matter hereof, may not be enforced in or by such courts (other than by reason of, except in the case of any action or proceeding for specific performance, needing to first comply with the provisions of Section 8.1). In the event that any suit or action is instituted to enforce any provision in this Agreement, the prevailing party in such dispute shall be entitled to recover from the losing party all fees, costs and expenses of enforcing any right of such prevailing party under or with respect to this Agreement, including, without limitation, such reasonable fees and expenses of attorneys and accountants, which shall include, without limitation, all fees, costs and expenses of appeals. The Parties agree that service of any court paper may be made in any manner as may be provided under the applicable Laws or court rules governing service of process in such court. The Parties agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Law.

**9.5 Waiver of Jury Trial**. EACH OF THE PARTIES IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION OR LEGAL PROCEEDING (WHETHER AT LAW, IN CONTRACT, IN TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

**9.6 Notices**. All notices and other communications hereunder shall be in writing and shall be deemed duly delivered: (a) four (4) Business Days after being sent by registered or certified mail, return receipt requested, postage prepaid; (b) one (1) Business Day after being sent for next Business Day delivery, fees prepaid, via a reputable nationwide overnight courier service; (c) if sent by email transmission prior to 6:00 p.m. recipient's local time, upon transmission when receipt is confirmed; or (d) if sent by email transmission after 6:00 p.m. recipient's local time, the Business Day following the date of transmission when receipt is confirmed:

**9.7 Amendments and Waivers**.

(a) This Agreement may be amended or supplemented in any and all respects and any provision of this Agreement may be waived and any such waiver shall be binding upon a Party, only if such waiver is set forth in a writing executed by such waiving Party bound thereby, and any such amendment or supplement shall be effective only if set forth in a writing executed by each of the Parties; and any such waiver, amendment or supplement shall not be applicable or have any effect except in the specific instance in which it is given. No course of dealing between or among any Persons having any interest in this Agreement shall be deemed effective to modify, amend or discharge any part of this Agreement or any rights or obligations of any Party under or by reason of this Agreement.

(b) Notwithstanding the foregoing, no failure on the part of any Party to exercise any power, right, privilege or remedy under this Agreement, and no delay on the part of any Party in exercising any power, right, privilege or remedy under this Agreement, shall operate as a waiver of such power, right, privilege or remedy; and no single or partial exercise of any such power, right, privilege or remedy shall preclude any other or further exercise thereof or of any other power, right, privilege or remedy. The rights and remedies hereunder are cumulative and not exclusive of any rights or remedies that any Party would otherwise have. Any waiver, permit, consent or approval of any kind or character of any breach or default under this Agreement or any such waiver of any provision of this Agreement must satisfy the conditions set forth in Section 9.7(a) and shall be effective only to the extent in such writing specifically set forth.

**9.8 Termination**. This Agreement may be terminated and the Transactions may be abandoned at any time prior to the Separation Time by mutual written consent of the Parties.

**9.9 No Third-Party Beneficiaries**. Except for the provisions of Section 4 with respect to indemnification of Indemnitees, which is intended to benefit and be enforceable by the Persons specified therein as Indemnitees, this Agreement is solely for the benefit of the Parties and their respective successors and permitted assigns and is not intended, and shall not be deemed, to (a) create any agreement of employment with any person, (b) confer on third parties (including any employees of the Parties and their respective Groups) any remedy, claim, reimbursement, claim of action or other right in addition to those existing without reference to this Agreement, or (c) otherwise create any third-party beneficiary hereto.

**9.10 Assignability; Binding Effect**. This Agreement shall be binding upon, and shall be enforceable by and inure solely to the benefit of, the Parties and their respective successors and permitted assigns; *provided, however*, that neither this Agreement nor any Party's rights, interests or obligations hereunder may be assigned or delegated by any such Party, in whole or in part (whether by operation of law or otherwise), without the prior written consent of the other Party, and any attempted assignment or delegation of this Agreement or any of such rights or obligations by any Party without the prior written consent of the other Party shall be void and of no effect. Except as set forth in Section 9.9, nothing in this Agreement, express or implied, is intended to or shall confer upon any Person (other than the Parties and their permitted successors and assigns) any power, right, privilege or remedy of any nature whatsoever under or by reason of this Agreement.

**9.11 Priority of Agreements**. If there is a conflict between any provision of this Agreement and a provision in any of the Ancillary Agreements, the provision of this Agreement will control unless specifically provided otherwise in this Agreement or in the Ancillary Agreement.

**9.12 Survival of Covenants**. The covenants in this Agreement that by their terms are to be performed following the Separation Time will survive each of the Internal Restructuring and the Distribution and will remain in full force and effect in accordance with their terms.

**9.13 Construction**.

(a) For purposes of this Agreement, whenever the context requires: (i) the singular number shall include the plural, and vice versa; (ii) the masculine gender shall include the feminine and neuter genders; (iii) the feminine gender shall include the masculine and neuter genders; and (iv) the neuter gender shall include masculine and feminine genders.

(b) The Parties agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be applied in the construction or interpretation of this Agreement.

(c) As used in this Agreement, the words "include" and "including," and variations thereof, shall not be deemed to be terms of limitation, but rather shall be deemed to be followed by the words "without limitation."

(d) As used in this Agreement, the words "hereof," "herein," "hereto" and "hereunder" and words of similar import shall refer to this Agreement as a whole and not to any particular provision of this Agreement.

(e) The measure of a period of one (1) month or year for purposes of this Agreement will be the date of the following month or year corresponding to the starting date; and, if no corresponding date exists, then the end date of such period being measured will be the next actual date of the following month or year (for example, one month following February 18 is March 18 and one month following March 31 is May 1).

(f) As used in this Agreement, the word "extent" in the phrase "to the extent" shall mean the degree to which a subject or other thing extends, and such phrase shall not mean simply "if."

(g) As used in this Agreement, the word "will" shall be deemed to have the same meaning and effect as the word "shall."

(m) Any payment to be made pursuant hereto shall be made in U.S. dollars and by wire transfer of immediately available funds.

(n) As used in this Agreement, references to "$" in this report are to the lawful currency of the United States of America.

**9.14 Severability**. Any term or provision of this Agreement which is invalid or unenforceable in any situation in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement in any other jurisdiction or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, such provision shall be interpreted to be only so broad as is enforceable. If a final judgment of a court of competent jurisdiction declares that any term or provision of this Agreement is invalid or unenforceable, the Parties agree that the court making such determination shall have the power to limit such term or provision, to delete specific words or phrases or to replace such term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall be valid and enforceable as so modified. In the event such court does not exercise the power granted to it in the prior sentence, the Parties agree to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable term or provision.

**9.15 Counterparts**. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument and shall become effective when counterparts have been signed by each of the Parties and delivered to the other Party, it being understood that all Parties need not sign the same counterpart. This Agreement may be executed and delivered by facsimile transmission, by electronic mail in "portable document format" (".pdf") form or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, or by a combination of such means. The exchange of a fully executed Agreement (in counterparts or otherwise) by facsimile or electronic transmission shall be treated in all manner and respects as an original agreement and shall be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person.

At the request of any Party, the other Party shall re-execute original forms thereof and deliver them to the requesting Party. No Party shall raise the use of a facsimile machine or other electronic means to deliver a signature or the fact that any signature was transmitted or communicated through the use of a facsimile machine or other electronic means as a defense to the formation of a Contract, and each such Party forever waives any such defense.

**9.16 Plan of Reorganization**. This Agreement shall constitute a "plan of reorganization" within the meaning of Section 368 of the Code and Treasury Regulation Section 1.368-2(g).

In the event that no inspector is so appointed or designated or any inspector so appointed or designated is unable to act at a meeting of stockholders, the person presiding at the meeting shall appoint one or more inspectors to act at the meeting. Each inspector, before entering upon the discharge of his or her duties, shall take and sign an oath to execute faithfully the duties of inspector prescribed by applicable law with strict impartiality and according to the best of his or her ability. The inspector may appoint or retain other persons or entities to assist the inspector in the performance of the duties of inspector. The inspector or inspectors so appointed or designated shall (i) ascertain the number of shares of capital stock of this Corporation outstanding and the voting power of each such share, (ii) determine the shares of capital stock of this Corporation represented at the meeting and the validity of proxies and ballots, (iii) count all votes and ballots, (iv) determine and retain for a reasonable period a record of the disposition of any challenges made to any determination by the inspectors, and (v) certify their determination of the number of shares of capital stock of this Corporation represented at the meeting and such inspectors' count of all votes and ballots. Such certification and report shall specify such other information as may be required by law. In determining the validity and counting of proxies and ballots cast at any meeting of stockholders of this Corporation, the inspectors may consider such information as is permitted by applicable law. No person who is a candidate for an office at an election may serve as an inspector at such election.

**2.10** ***Fixing Date for Determination of Stockholder of Record.*** In order that this Corporation may determine the stockholders entitled to notice of or to vote at any meeting of stockholders or any adjournment thereof or entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any other change, conversion or exchange of stock or for the purpose of any other lawful action, the Board may fix a record date, which record date shall not precede the date upon which the resolution fixing the record date is adopted by the Board, and which record date: (1) in the case of determination of stockholders entitled to vote at any meeting of stockholders or adjournment thereof, shall, unless otherwise required by law, not be more than sixty (60) nor less than ten (10) days before the date of such meeting; and (2) in the case of any other action, shall not be more than sixty (60) days prior to such other action. If no record date is fixed: (1) the record date for determining stockholders entitled to notice of or to vote at a meeting of stockholders shall be at the close of business on the day next preceding the day on which notice is given, or, if notice is waived, at the close of business on the day next preceding the day on which the meeting is held; and (2) the record date for determining stockholders for any other purpose shall be at the close of business on the day on which the Board adopts the resolution relating thereto. A determination of stockholders entitled to notice of or to vote at a meeting of stockholders shall apply to any adjournment of the meeting; provided, however, that the Board may fix a new record date for the adjourned meeting.

**2.11** ***Stockholder Proposals and Nominations.***

(a) Annual Meetings of Stockholders.

(i) Nominations of persons for election to the Board and the proposal of business to be considered by the stockholders may be made at an annual meeting of stockholders only (A) pursuant to this Corporation's notice of meeting (or any supplement thereto), (B) by or at the direction of the Board or any committee thereof, which the Board has authorized to do so, or (C) by any stockholder of this Corporation who was a stockholder of record of this Corporation at the time the notice provided for in this Section 2.11 or Section 2.14 is delivered to the Secretary of this Corporation, who is entitled to vote at the meeting and complies with the notice procedures set forth in this Section 2.11 or Section 2.14, as applicable, and to the extent that Rule 14a-19 under the Exchange Act (as defined below) applies, has complied with Rule14a-19 under the Exchange Act. Subject to Section 2.11(a)(iv) and except as otherwise required by law, clause (C) of this Section 2.11(a) shall be the exclusive means for a stockholder to make nominations or propose other business (other than matters properly brought pursuant to applicable provisions of federal law, including the Securities Exchange Act of 1934 (as amended from time to time, the "Exchange Act")) and the rules and regulations of the Securities and Exchange Commission thereunder before an annual meeting of stockholders. The number of nominees a stockholder may nominate for election at an annual meeting of stockholders shall not exceed the number of directors to be elected at such annual meeting.

(ii) Except as otherwise required by law, for nominations or other business to be properly brought before an annual meeting by a stockholder pursuant to clause (C) of Section 2.11(a)(i), the stockholder must have given timely notice thereof in writing to the Secretary of this Corporation with the information contemplated by this Section 2.11(a)(ii) including, where applicable, delivery to this Corporation of timely and completed questionnaires as contemplated by this Section 2.11(a)(ii), and any such proposed business other than the nominations of persons for election to the Board must be a proper matter for stockholder action under the General Corporation Law. To be timely, a stockholder's

notice shall be delivered to the Secretary at the principal office of this Corporation on a date not later than the close of business on the ninetieth (90th) day nor earlier than the close of business on the one hundred twentieth (120th) day prior to the first anniversary of the preceding year's annual meeting (provided, however, that in the event that there was no annual meeting in the prior year or the date of the annual meeting is more than thirty (30) days before or after such anniversary date of the prior year's annual meeting, notice by the stockholder must be so delivered not earlier than the close of business on the one hundred twentieth (120th) day prior to such annual meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such annual meeting or the tenth day following the day on which public announcement of the date of such meeting is first made by this Corporation). In no event shall the public announcement of an adjournment or postponement of an annual meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above. For the avoidance of doubt, a stockholder shall not be entitled to make additional or substitute nominations following the expiration of the time periods set forth in these Bylaws. Such stockholder's notice shall set forth (A) (x) as to each person whom the stockholder proposes to nominate for election or reelection as a director: (1) all information relating to such person that is required to be disclosed in solicitations of proxies for election of directors in an election contest, or is otherwise required, in each case pursuant to and in accordance with Section 14(a) of the Exchange Act and the rules and regulations promulgated thereunder, (2) such person's written consent to being named as a nominee in any proxy statement relating to the annual meeting and to serving as a director if elected, and (3) include a completed and signed questionnaire, representation and agreement required by Section 2.11(c) of these Bylaws; and (y) a description of all direct and indirect compensation and other material monetary arrangements, agreements or understandings during the past three (3) years, and any other material relationship, if any, between or concerning such stockholder, any stockholder and the beneficial owner or any of their respective affiliates or associates, on the one hand, and the proposed nominee or any of his or her affiliates or associates, on the other hand; (B) as to any other business that the stockholder proposes to bring before the meeting, a brief description of the business desired to be brought before the meeting, the text of the proposal or business (including the text of any resolutions proposed for consideration and in the event that such business includes a proposal to amend these Bylaws, the language of the proposed amendment), the reasons for conducting such business at the meeting and any material interest in such business of such stockholder and the beneficial owner, if any, on whose behalf the proposal is made; and (C) as to the stockholder giving the notice and the beneficial owner, if any, on whose behalf the nomination or proposal is made (1) the name and address of such stockholder, as they appear on this Corporation's books, and of such beneficial owner, (2) the class (and, if applicable, series) and number of shares of capital stock of this Corporation which are owned beneficially and of record by such stockholder and such beneficial owner as of the date of the notice, and a representation that the stockholder will notify this Corporation in writing within five (5) business days after the record date for such meeting of the class (and, if applicable, series) and number of shares of capital stock of this Corporation owned of record by the stockholder and such beneficial owner as of the record date for the meeting, (3) a description of any agreement, arrangement or understanding, including without limitation any agreements that would be required to be disclosed pursuant to Item 5 or Item

6 of Exchange Act Schedule 13D (regardless of whether the requirement to file a Schedule 13D is applicable to the stockholder or beneficial owner), with respect to the nomination or proposal between or among such stockholder and/or such beneficial owner, any of their respective affiliates or associates, and any others acting in concert with any of the foregoing (including, in the case of a nomination, the nominee), and a representation that the stockholder will notify this Corporation in writing within five (5) business days after the record date for such meeting of any such agreement, arrangement or understanding in effect as of the record date for the meeting, (4) a description of any agreement, arrangement or understanding (including any derivative or short positions, profit interests, options, warrants, convertible securities, stock appreciation or similar rights, hedging transactions, and borrowed or loaned shares) involving such stockholder or beneficial owner that is in effect as of the date of the stockholder's notice, whether or not such instrument or right shall be subject to settlement in underlying shares of capital stock of this Corporation, the effect or intent of which is to mitigate loss to, manage risk or benefit from share price changes for, or increase or decrease the voting power of, such stockholder or such beneficial owner, with respect to securities of this Corporation, or which provides, directly or indirectly, the opportunity to profit or share in any profit derived from any decrease in the price or value of the shares of capital stock of this Corporation, and the class (and, if applicable, series) and number of shares of this Corporation's capital stock that relate to such agreements, arrangements or understandings and a representation that the stockholder will notify this Corporation in writing within five (5) business days after the record date for such meeting of any such agreement, arrangement or understanding of this nature in effect as of the record date for the meeting, (5) a description of any proxy (other than a revocable proxy or consent given in response to a solicitation made pursuant to, and in accordance with, Section 14(a) of the Exchange Act by way of a solicitation statement filed on Schedule 14A), agreement, arrangement, understanding or relationship in effect as of the date of the notice pursuant to which such stockholder or such beneficial owner has or shares a right to vote or direct any third party to vote any shares of capital stock of this Corporation and a representation that the stockholder will notify this Corporation in writing within five (5) business days after the record date for such meeting of any proxy, agreement, arrangement, understanding or relationship of this nature in effect as of the record date for the meeting, (6) a representation that the stockholder is a holder of record of stock of this Corporation entitled to vote at such meeting, will continue to be a stockholder of record of this Corporation entitled to vote at such meeting through the date of such meeting and intends to appear in person or by proxy at the meeting to propose such business or nomination, (7) a representation whether the stockholder or the beneficial owner, if any, intends or is part of a group which intends, (x) with respect to a proposal of business other than a nomination, to deliver a proxy statement and/or form of proxy to holders of at least the percentage of this Corporation's outstanding voting stock required to approve or adopt the proposal or, (y) with respect to a nomination, to solicit proxies in support of director nominees other than persons nominated by or at the direction of the Board or any committee thereof from holders representing at least 67% of the voting power of the shares entitled to vote in the election of directors, (8) any direct or indirect material legal, economic or financial interest of the stockholder or any beneficial owner in the outcome of any vote to be taken at any annual or special meeting of stockholders of this Corporation or any other entity with respect to any matter that is substantially related,

directly or indirectly, to any nomination proposed by any stockholder pursuant to this Section 2.11 and (9) any other information relating to such stockholder and beneficial owner, if any, required to be disclosed in a proxy statement or other filing required to be made in connection with solicitations of proxies for, as applicable, the proposal and/or for the election of directors in an election contest pursuant to and in accordance with Section 14(a) of the Exchange Act and the rules and regulations promulgated thereunder. This Corporation may require any proposed nominee to furnish such other information as it may reasonably require to determine the eligibility of such proposed nominee to serve as a director of this Corporation. A stockholder shall further update and supplement its notice of any nomination to be brought before a meeting, if necessary, so that the information provided or required to be provided in such notice pursuant to this Section 2.11(a)(ii) shall be true and correct (i) as of the record date for the meeting and (ii) as of the date that is ten (10) business days prior to the meeting or any adjournment, recess, rescheduling or postponement thereof. Such update and supplement shall be delivered to the Secretary of this Corporation not later than three (3) business days after the later of the record date or the date notice of the record date is first publicly announced (in the case of the update and supplement required to be made as of the record date for the meeting) and not later than seven (7) business days prior to the date for the meeting, if practicable (or, if not practicable, on the first practicable date prior to the meeting), or any adjournment, recess, rescheduling or postponement thereof (in the case of the update and supplement required to be made as of ten (10) business days prior to the meeting or any adjournment, recess, rescheduling or postponement thereof); provided, however, that this Corporation shall not be required to include in its proxy materials any successor, substitute or replacement nominee for director if a stockholder's notice is not timely pursuant to this Section 2.11(a)(ii) with respect to such successor, substitute or replacement nominee for director. For the avoidance of doubt, any information provided in such update or supplement shall not be deemed to cure any deficiencies in a notice previously delivered pursuant to this Section 2.11(a)(ii) and shall not extend the time period for delivery of notice pursuant to this Section 2.11(a)(ii). If a stockholder giving notice fails to provide such update or supplement within the required time period, the information as to which such update or supplement relates may be deemed not to have been provided in accordance with this Section 2.11(a)(ii). The information required to be included in a notice pursuant to this Section 2.11(a)(ii) shall not include any ordinary course business activities of any broker, dealer, commercial bank, trust company or other nominee who is directed to prepare and submit the notice required by this Section 2.11(a)(ii) on behalf of a beneficial owner of the shares held of record by such broker, dealer, commercial bank, trust company or other nominee and who is not otherwise affiliated or associated with such beneficial owner.

(iii) Subject to the Certificate of Incorporation, Section 2.11(a)(iv) and applicable law, only persons nominated in accordance with procedures stated in this Section 2.11 shall be eligible for election as and to serve as members of the Board and the only business that shall be conducted at an annual meeting of stockholders is the business that has been brought before the meeting in accordance with the procedures set forth in this Section 2.11. The chair of the meeting shall have the power and the duty to determine whether a nomination or any proposal has been made according to the procedures stated in this Section 2.11 and, if any nomination or proposal does not comply with this Section 2.11, unless otherwise required by law, the nomination or proposal shall be disregarded.

(iv) All provisions of this Section 2.11 are subject to, and nothing in this Section 2.11 shall in any way limit the exercise, or the method or timing of the exercise of, the rights of any person granted by this Corporation to nominate directors, which rights may be exercised without compliance with the provisions of this Section 2.11.

(v) Without limiting any other provisions and requirements of this Section 2.11, unless otherwise required by law, if (A) any stockholder provides notice pursuant to Rule 14a-19(b) under the Exchange Act (for the avoidance of doubt, such notice must be delivered within the time period provided for in Section 2.11(a)(ii) to be considered timely) and (B) such stockholder subsequently either (1) notifies this Corporation that such stockholder no longer intends to solicit proxies in support of director nominees other than this Corporation's nominees in accordance with Rule 14a-19 under the Exchange Act or (2) fails to comply with the requirements of Rule 14a-19(a)(2) or Rule 14a-19(a)(3) under the Exchange Act, then such stockholder's nominations shall be deemed null and void and this Corporation shall disregard any proxies or votes solicited for such stockholders' nominees. Upon request by this Corporation, if any stockholder provides notice pursuant to Rule 14a-19(b) under the Exchange Act, such stockholder shall deliver to this Corporation, no later than five (5) business days prior to the applicable meeting, reasonable evidence that it has met the requirements of Rule 14a-19(a)(3) under the Exchange Act.

(vi) Any stockholder directly or indirectly soliciting proxies from other stockholders must use a proxy card color other than white, which shall be reserved for exclusive use by this Corporation.

(b) Special Meetings of Stockholders. Only such business shall be conducted at a special meeting of stockholders as shall have been brought before the meeting pursuant to this Corporation's notice of meeting. Nominations of persons for election to the Board may be made at a special meeting of stockholders at which directors are to be elected pursuant to this Corporation's notice of meeting (i) by or at the direction of the Board or any committee thereof which the Board has authorized to do so or (ii) provided that the Board has determined that directors shall be elected at such meeting, by any stockholder of this Corporation who is a stockholder of record at the time the notice provided for in this Section 2.11 is delivered to the Secretary of this Corporation, who is entitled to vote at the meeting upon such election and who complies with the notice procedures set forth in this Section 2.11. In the event this Corporation calls a special meeting of stockholders for the purpose of electing one or more directors to the Board, any such stockholder entitled to vote in such election of directors may nominate a person or persons (as the case may be) for election to such position(s) as specified in this Corporation's notice of meeting, if the stockholder's notice required by Section 2.11(a)(ii) shall be delivered to the Secretary at the principal office of this Corporation not earlier than the close of business on the one hundred twentieth (120th) day prior to such special meeting and not later than the close of business on the later of the ninetieth (90th) day prior to such special meeting or the tenth (10th) day following the day on which public announcement is first made of the date of the special meeting and of the nominees proposed by the Board to be elected at such meeting. In no event, however, may the number of nominees a stockholder may nominate for election at any such special meeting of stockholders exceed the number of directors to be elected at such special meeting. In addition, in no event shall the public announcement of an adjournment or postponement of a special meeting commence a new time period (or extend any time period) for the giving of a stockholder's notice as described above.

(c) Submission of Questionnaire, Representation and Agreement. To be eligible to be a nominee for election or reelection as a director of this Corporation, the candidate for nomination must have previously delivered (in accordance with the time periods prescribed for delivery of notice under this Section 2.11 or Section 2.14, as applicable, with respect to any director nominee nominated for election by a stockholder), to the Secretary at the principal office of this Corporation, (i) a completed written questionnaire (in a form provided by this Corporation) with respect to the background, qualifications, stock ownership and independence of such proposed nominee and (ii) a written representation and agreement (in a form provided by this Corporation) that such candidate for nomination (A) is not and, if elected as a director during his or her term of office, will not become a party to (1) any agreement, arrangement or understanding with, and has not given and will not give any commitment or assurance to, any person or entity as to how such proposed nominee, if elected as a director of this Corporation, will act or vote on any issue or question (a "Voting Commitment") that has not been disclosed to this Corporation or (2) any Voting Commitment that could limit or interfere with such proposed nominee's ability to comply, if elected as a director of this Corporation, with such proposed nominee's fiduciary duties under applicable law, (B) is not, and will not become a party to, any agreement, arrangement or understanding with any person or entity other than this Corporation with respect to any direct or indirect compensation or reimbursement for service as a director that has not been disclosed therein, (C) if elected as a director of this Corporation, will comply with all applicable corporate governance, conflict of interest, confidentiality, stock ownership and trading and other policies and guidelines of this Corporation applicable to directors and in effect during such person's term in office as a director (and, if requested by any candidate for nomination, the Secretary of this Corporation shall provide to such candidate for nomination all such policies and guidelines then in effect) and (D) consents (if applicable) to being named as a nominee in any proxy statement relating to the special meeting, and currently intends to serve as a director for the full term for which such person is standing for election.

(d) General.

(i) Except as otherwise expressly provided in any applicable rule or regulation promulgated under the Exchange Act, only such persons who are nominated in accordance with the procedures set forth in this Section 2.11 or in Section 2.14 shall be eligible to be elected at an annual or special meeting of stockholders of this Corporation to serve as directors and only such business shall be conducted at a meeting of stockholders as shall have been brought before the meeting in accordance with the procedures set forth in this Section 2.11. Except as otherwise provided by law, the chair of the meeting shall have the power and duty (A) to determine whether a nomination or any business proposed to be brought before the meeting was made or proposed, as the case may be, in accordance with the foregoing procedures (including whether the stockholder or beneficial owner, if any, on whose behalf the nomination or proposal is made solicited (or is part of a group which solicited) or did not so solicit, as the case may be, proxies or votes in support of such stockholder's nominee or proposal in compliance with such stockholder's representation as required by Section 2.11(a)(ii)(C)(7)) and (B) if any proposed nomination or business was not made or proposed in compliance with this Section 2.11 or 2.14, as applicable, to

declare that such nomination shall be disregarded or that such proposed business shall not be transacted. Notwithstanding the foregoing provisions of this Section 2.11, unless otherwise required by law, if the stockholder does not provide the information with respect to which such stockholder represented under Section 2.11(a)(ii)(C) it would notify this Corporation in writing within five (5) business days after the record date for the meeting of stockholders or if the stockholder (or a qualified representative of the stockholder) does not appear at the annual or special meeting of stockholders of this Corporation to present a nomination or proposed business, such nomination shall be disregarded and such proposed business shall not be transacted, notwithstanding that proxies in respect of such vote may have been received by this Corporation. For purposes of this Section 2.11, to be considered a qualified representative of the stockholder, a person must be a duly authorized officer, manager or partner of such stockholder or must be authorized by a writing executed by such stockholder or an electronic transmission delivered by such stockholder to act for such stockholder as proxy at the meeting of stockholders and such person must produce such writing or electronic transmission, or a reliable reproduction of the writing or electronic transmission, at the meeting of stockholders prior to the making of such nomination or proposal at such meeting.

(ii) For purposes of this Section 2.11, "public announcement" shall include disclosure in a press release reported by the Dow Jones News Service, Associated Press or comparable national news service or in a document publicly filed by this Corporation with the Securities and Exchange Commission pursuant to Section 13, 14 or 15(d) of the Exchange Act and the rules and regulations promulgated thereunder.

(iii) Notwithstanding the foregoing provisions of this Section 2.11, a stockholder shall also comply with all applicable requirements of the Exchange Act and the rules and regulations thereunder with respect to the matters set forth in this Section 2.11 (including, where applicable, Rule 14a-19 of the Exchange Act); provided, however, that any references in these Bylaws to the Exchange Act or the rules and regulations promulgated thereunder are not intended to and shall not limit any requirements applicable to nominations or proposals as to any other business to be considered pursuant to this Section 2.11 (including Section 2.11(a)(i)(C) and (b)), and compliance with paragraphs Section 2.11(a)(i)(C) and (b) shall be the exclusive means for a stockholder to make nominations or submit other business (other than business other than nominations brought properly under and in compliance with Rule 14a-8 of the Exchange Act, as may be amended from time to time, and other than as provided in Section 2.14). Nothing in this Section 2.11 shall be deemed to affect any rights (A) of stockholders to request inclusion of proposals or nominations in this Corporation's proxy statement pursuant to applicable rules and regulations promulgated under the Exchange Act or (B) of the holders of any series of Preferred Stock to elect directors pursuant to any applicable provisions of the Certificate of Incorporation.

**2.12** ***Conduct of Meetings***. The date and time of the opening and the closing of the polls for each matter upon which the stockholders will vote at a meeting shall be announced at the meeting by the person presiding over the meeting. The Board may adopt by resolution such rules and regulations for the conduct of the meeting of stockholders as it shall deem appropriate. Except to the extent inconsistent with such rules and regulations as adopted by the Board, the person

presiding over any meeting of stockholders shall have the right and authority to postpone, convene and (for any reason or no reason) to recess and/or adjourn the meeting, to prescribe such rules, regulations and procedures and to do all such acts as, in the judgment of such presiding person, are appropriate for the proper conduct of the meeting. Such rules, regulations or procedures, whether adopted by the Board or prescribed by the presiding person over the meeting, may include, without limitation, the following: (a) the establishment of an agenda or order of business for the meeting; (b) rules and procedures for maintaining order at the meeting and the safety of those present (including, without limitation, rules and procedures for removal of disruptive persons from the meeting); (c) limitations on attendance at or participation in the meeting to stockholders entitled to vote at the meeting, their duly authorized and constituted proxies or such other persons as the presiding person of the meeting shall, in his or her discretion, determine; (d) restrictions on entry to the meeting after the time fixed for the commencement thereof; and (e) limitations on the time allotted to questions or comments by participants. The presiding person at any meeting of stockholders, in addition to making any other determinations that may be appropriate to the conduct of the meeting (including, without limitation, determinations with respect to the administration and/or interpretation of any of the rules, regulations or procedures of the meeting, whether adopted by the Board or prescribed by the person presiding over the meeting), shall, if the facts warrant, determine and declare to the meeting that a matter or business was not properly brought before the meeting and if such presiding person should so determine, such presiding person shall so declare to the meeting and any such matter or business not properly brought before the meeting shall not be transacted or considered. Unless and to the extent determined by the Board or the person presiding over the meeting, meetings of stockholders shall not be required to be held in accordance with the rules of parliamentary procedure.

**2.13** ***Organization***. Meetings of stockholders shall be presided over by the Board Chair, or in his or her absence by the Board Vice Chair, if any, or in his or her absence, by the Chief Executive Officer or, in his or her absence, by a person designated by the Board, or in the absence of such designation by a person chosen by a majority vote of the stockholders present in person or represented by proxy at the meeting. The Secretary shall act as secretary of the meeting, but in his or her absence the person presiding over the meeting may appoint any person to act as secretary of the meeting.

**2.14** ***Proxy Access***.

(a) Inclusion of Nominee in Proxy Materials. Whenever the Board solicits proxies with respect to the election of directors at an annual meeting of stockholders, subject to the provisions of this Section 2.14, this Corporation shall include in its proxy materials for such annual meeting, in addition to any persons nominated for election by the Board or a committee appointed by the Board, the name, together with the Required Information (as defined below), of any person nominated for election (a "Stockholder Nominee") to the Board by a stockholder, or by a group of no more than twenty (20) stockholders, that has satisfied (individually or, in the case of a group, collectively) all applicable conditions and has complied with all applicable procedures set forth in this Section 2.14 (an "Eligible Stockholder," which shall include an eligible stockholder group), and that expressly elects at the time of providing the notice required by this Section 2.14 (the "Nomination Notice") to have its nominee included in this Corporation's proxy materials for such annual meeting pursuant to this Section 2.14.

(b) Required Information. For purposes of this Section 2.14, the "Required Information" that this Corporation will include in its proxy materials is (i) the information concerning the Stockholder Nominee and the Eligible Stockholder that is required to be disclosed in this Corporation's proxy statement by the rules and regulations of the Securities and Exchange Commission promulgated under the Exchange Act; and (ii) if the Eligible Stockholder so elects, a Supporting Statement (as defined below).

(c) Delivery of Nomination Notice. To be timely, a stockholder's Nomination Notice must be delivered to, or mailed to and received by, the Secretary at the principal office of this Corporation, not later than the close of business on the one hundred twentieth (120th) day nor earlier than the one hundred fiftieth (150th) day prior to the first anniversary of the release date of this Corporation's proxy materials for its most recent annual meeting of stockholders (provided, however, that in the event that the date of the annual meeting is more than thirty (30) days before or more than seventy (70) days after the first anniversary of the preceding year's annual meeting), or if no annual meeting was held in the preceding year, to be timely, the Nomination Notice must be so delivered, or mailed and received, not earlier than the one hundred fiftieth (150th) day prior to the date of such annual meeting and not later than the close of business on the later of the one hundred twentieth (120th) day prior to the date of such annual meeting or the tenth (10th) day following the day on which public disclosure of the date of such annual meeting was first made by this Corporation. In no event shall any adjournment or postponement of an annual meeting or any public announcement thereof commence a new time period (or extend any time period) for the giving of a Nomination Notice as described above.

(d) Maximum Number of Stockholder Nominees.

(i) The maximum aggregate number of Stockholder Nominees nominated by all Eligible Stockholders that will be included in this Corporation's proxy materials with respect to an annual meeting of stockholders shall not exceed the greater of (i) two or (ii) twenty percent (20%) of the number of directors in office as of the last day on which a Nomination Notice may be delivered pursuant to this Section 2.14, or if such amount is not a whole number, the closest whole number below twenty percent (20%); provided, however, that this number shall be reduced by (1) any Stockholder Nominee whose name was submitted by an Eligible Stockholder for inclusion in this Corporation's proxy materials pursuant to this Section 2.14 but either is subsequently withdrawn or that the Board decides to nominate for election and (2) the number of incumbent directors who were Stockholder Nominees at any of the preceding two annual meetings (including any individual covered under clause (1) above) and whose election at the upcoming annual meeting is being recommended by the Board. In the event that one or more vacancies for any reason occurs on the Board after the deadline set forth in Section 2.14(c) above but before the date of the annual meeting and the Board resolves to reduce the size of the Board in connection therewith, the maximum number shall be calculated based on the number of directors in office as so reduced.

(ii) Any Eligible Stockholder submitting more than one Stockholder Nominee for inclusion in this Corporation's proxy materials pursuant to this Section 2.14 shall rank such Stockholder Nominees based on the order in which the Eligible Stockholder desires such Stockholder Nominees be selected for inclusion in this Corporation's proxy materials.

In the event that the number of Stockholder Nominees submitted by Eligible Stockholders pursuant to this Section 2.14 exceeds the maximum number of nominees provided for pursuant to subsection (d)(i) above, the highest ranking Stockholder Nominee who meets the requirements of this Section 2.14 of each Eligible Stockholder will be selected for inclusion in this Corporation's proxy materials until the maximum number is reached, going in order by the number (largest to smallest) of shares of common stock of this Corporation each Eligible Stockholder disclosed as Owned (as defined below) in its respective Nomination Notice submitted to this Corporation pursuant to this Section 2.14. If the maximum number is not reached after the highest ranking Stockholder Nominee who meets the requirements of this Section 2.14 of each Eligible Stockholder has been selected, this process will continue with the next highest ranked nominees as many times as necessary, following the same order each time, until the maximum number is reached.

(e) Ownership. For purposes of this Section 2.14, an Eligible Stockholder shall be deemed to "Own" only those outstanding shares of common stock of this Corporation as to which the stockholder possesses both (i) the full voting and investment rights pertaining to the shares and (ii) the full economic interest in (including the opportunity for profit and risk of loss on) such shares; provided that the number of shares calculated in accordance with clauses (i) and (ii) shall not include any shares (x) sold by such stockholder or any of its affiliates in any transaction that has not been settled or closed, including any short sale, (y) borrowed by such stockholder or any of its affiliates for any purpose, or purchased by such stockholder or any of its affiliates subject to an agreement to resell, or (z) subject to any option, warrant, forward contract, swap, contract of sale, or other derivative or similar agreement entered into by such stockholder or any of its affiliates, whether any such instrument or agreement is to be settled with shares or with cash based on the notional amount or value of shares of common stock of this Corporation, in any such case which instrument or agreement has, or is intended to have, or if exercised would have, the purpose or effect of (1) reducing in any manner, to any extent or at any time in the future, such stockholder's or its affiliates' full right to vote or direct the voting of any such shares, and/or (2) hedging, offsetting or altering to any degree any gain or loss realized or realizable from maintaining the full economic ownership of such shares by such stockholder or affiliate. A stockholder shall "Own" shares held in the name of a nominee or other intermediary so long as the stockholder retains the right to instruct how the shares are voted with respect to the election of directors and possesses the full economic interest in the shares. A stockholder's Ownership of shares shall be deemed to continue during any period in which (i) the person has loaned such shares, provided that the person has the power to recall such loaned shares on no longer than five (5) business days' notice and includes with the Nomination Notice an agreement that it (A) will promptly recall such loaned shares upon being notified by this Corporation that any of its Stockholder Nominees will be included in this Corporation's proxy materials and (B) will continue to hold such recalled shares through the date of the annual meeting; or (ii) the person has delegated any voting power by means of a proxy, power of attorney or other instrument or arrangement that is revocable at any time by the person. The terms "Owned," "Owning" and other variations of the word "Own" shall have correlative meanings. Whether outstanding shares of common stock of this Corporation are "Owned" for purposes of this Section 2.14 shall be determined by the Board or any committee thereof, which determination shall be conclusive and binding on this Corporation and its stockholders. For purposes of this Section 2.14, the term "affiliate" or "affiliates" shall have the meaning ascribed thereto under the rules and regulations of the Securities and Exchange Commission promulgated under the Exchange Act.

(f) Eligible Stockholder. In order to make a nomination pursuant to this Section 2.14, an Eligible Stockholder or group of up to twenty (20) Eligible Stockholders must have Owned (as defined above) continuously for at least three (3) years at least the number of shares of common stock of this Corporation that shall constitute three percent (3%) or more of the voting power of the outstanding common stock of this Corporation (the "Required Shares") as of (i) the date on which the Nomination Notice is delivered to, or mailed to and received by, the Secretary in accordance with this Section 2.14, (ii) the record date for determining stockholders entitled to vote at the annual meeting, and (iii) the date of the annual meeting. For purposes of this Section 2.14, two or more funds or trusts that are (A) under common management and investment control, (B) under common management and funded primarily by the same employer, or (C) a "group of investment companies," as such term is defined in Section 12(d)(1)(G)(ii) of the Investment Company Act of 1940, as amended (each, a "Qualifying Fund"), shall be treated as one stockholder or beneficial owner.

No person may be a member of more than one group of persons constituting an Eligible Stockholder under this Section 2.14. If a group of stockholders aggregates Ownership of shares in order to meet the requirements under this Section 2.14, (i) all shares held by each stockholder constituting their contribution to the foregoing three percent (3%) threshold must have been held by that stockholder continuously for at least three (3) years and through the date of the annual meeting, and evidence of such continuous Ownership shall be provided as specified in subsection 2.14(g) below, (ii) each provision in this Section 2.14 that requires the Eligible Stockholder to provide any written statements, representations, undertakings, agreements or other instruments or to meet any other conditions shall be deemed to require each stockholder (including each individual fund) that is a member of such group to provide such statements, representations, undertakings, agreements or other instruments and to meet such other conditions (except that the members of such group may aggregate their shareholdings in order to meet the three percent (3%) Ownership requirement of the "Required Shares" definition) and (iii) a breach of any obligation, agreement or representation under this Section 2.14 by any member of such group shall be deemed a breach by the Eligible Stockholder.

(g) Information to be Provided by Eligible Stockholder. Within the time period specified in this Section 2.14 for providing the Nomination Notice, an Eligible Stockholder making a nomination pursuant to this Section 2.14 must provide the following information in writing to the Secretary at the principal office of this Corporation:

(i) one or more written statements from the Eligible Stockholder (and from each other record holder of the shares and intermediary through which the shares are or have been held during the requisite three (3)-year holding period) specifying the number of shares of common stock of this Corporation that the Eligible Stockholder Owns, and has continuously Owned for three (3) years preceding the date of the Nomination Notice, and the Eligible Stockholder's agreement to provide, within five (5) business days after the later of the record date for the annual meeting and the date on which the record date is first publicly disclosed by this Corporation, written statements from the Eligible Stockholder, record holder and intermediaries verifying the Eligible Stockholder's continuous Ownership of the Required Shares through the record date, provided that statements meeting the requirements of Schedule 14N will be deemed to fulfill this requirement;

(ii) the written consent of each Stockholder Nominee to being named in the proxy statement as a nominee and to serving as a director if elected, together with the information and representations that would be required to be set forth in a stockholder's notice of a nomination pursuant to Section 2.11;

(iii) a copy of the Schedule 14N that has been or is concurrently being filed by such Eligible Stockholder with the Securities and Exchange Commission as required by Rule 14a-18 under the Exchange Act, as such rule may be amended;

(iv) the details of any relationship that existed within the past three (3) years and that would have been described pursuant to Item 6(e) of Schedule 14N (or any successor item) if it existed on the date of submission of Schedule 14N;

(v) a representation and undertaking (1) that the Eligible Stockholder (A) did not acquire, and is not holding, securities of this Corporation for the purpose or with the effect of influencing or changing control of this Corporation, (B) has not nominated and will not nominate for election to the Board at the annual meeting any person other than the Stockholder Nominee(s) being nominated by it pursuant to this Section 2.14, (C) has not engaged and will not engage in, and has not and will not be a "participant" in another person's, "solicitation" within the meaning of Rule 14a-1(l) under the Exchange Act in support of the election of any individual as a director at the annual meeting other than its Stockholder Nominee(s) or a nominee of the Board, (D) has not distributed and will not distribute to any stockholder any form of proxy for the annual meeting other than the form distributed by this Corporation, and (E) will Own the Required Shares through the date of the annual meeting of stockholders; (2) that the facts, statements and other information in all communications with this Corporation and its stockholders are and will be true and correct in all material respects and do not and will not omit to state a material fact necessary in order to make the statements made, in light of the circumstances under which they were made, not misleading; and (3) as to whether or not the Eligible Stockholder intends to maintain qualifying Ownership of the Required Shares (as set forth in Section 2.14(f)) for at least one year following the annual meeting;

(vi) in the case of a nomination by a group of stockholders that together is an Eligible Stockholder, the designation by all group members of one group member that is authorized to receive communications, notices and inquiries from this Corporation and to act on behalf of all such members with respect to the nomination and all matters related thereto, including any withdrawal of the nomination, and the acceptance by such group member of such designation;

(vii) an undertaking that the Eligible Stockholder agrees to (A) assume all liability stemming from any legal or regulatory violation arising out of the Eligible Stockholder's communications with the stockholders of this Corporation or out of the information that the Eligible Stockholder provided to this Corporation, (B) indemnify and hold harmless this Corporation and each of its directors, officers and employees individually against any liability, loss or damages in connection with any threatened or pending action, suit or proceeding, whether legal, administrative or investigative, against this Corporation or any of its directors, officers or employees arising out of any nomination,

solicitation or other activity by the Eligible Stockholder in connection with its efforts to elect the Stockholder Nominee(s) pursuant to this Section 2.14, (C) comply with all other laws, rules and regulations applicable to any actions taken pursuant to this Section 2.14, including the nomination and any solicitation in connection with the annual meeting of stockholders, and (D) with respect to any shares held or controlled by the Eligible Stockholder, to the extent that cumulative voting would otherwise be permitted, agrees not to cumulate votes in favor of the election of any Stockholder Nominee(s) nominated by such Eligible Stockholder; and

(viii) in the case of a Qualifying Fund whose share Ownership is counted for purposes of qualifying as an Eligible Stockholder, documentation from the Qualifying Fund reasonably satisfactory to the Board that demonstrates that it meets the requirements of a Qualifying Fund set forth in Section 2.14(f) above.

(h) Supporting Statement. The Eligible Stockholder may provide to the Secretary, at the time the information required by this Section 2.14 is provided, a written statement for inclusion in this Corporation's proxy statement for the annual meeting of stockholders, not to exceed five hundred (500) words, in support of the Stockholder Nominee(s)' candidacy (the "Supporting Statement"). Notwithstanding anything contained in this Section 2.14 to the contrary, this Corporation may omit from its proxy materials any information or Supporting Statement (or portion thereof) that it, in good faith, believes (i) is not true in all material respects or omits a material statement necessary to make such information or Supporting Statement (or portion thereof) not misleading; (ii) directly or indirectly impugns the character, integrity or personal reputation of, or directly or indirectly makes charges concerning improper, illegal or immoral conduct or associations, without factual foundation, with respect to, any person; or (iii) would violate any applicable law, rule, regulation or listing standard. Nothing in this Section 2.14 shall limit this Corporation's ability to solicit against and include in its proxy materials its own statements relating to any Eligible Stockholder or Stockholder Nominee.

(i) Representations and Agreement of the Stockholder Nominee. Within the time period specified in this Section 2.14 for delivering the Nomination Notice, a Stockholder Nominee must deliver to the Secretary the questionnaire and all representations and agreements required by a candidate for nomination pursuant to Section 2.11(c). This Corporation may request such additional information (a) as may be reasonably necessary to permit the Board or any committee thereof to determine if each Stockholder Nominee is independent under the listing standards of the principal U.S. exchange upon which this Corporation's common stock is listed, any applicable rules of the Securities and Exchange Commission and any publicly disclosed standards used by the Board in determining and disclosing the independence of this Corporation's directors (the "Applicable Independence Standards") and otherwise to determine the eligibility of each Stockholder Nominee to serve as a director of this Corporation, or (b) that could be material to a reasonable stockholder's understanding of the independence, or lack thereof, of each Stockholder Nominee.

(j) True, Correct and Complete Information. In the event that any information or communications provided by any Eligible Stockholder or Stockholder Nominee to this Corporation or its stockholders is not, when provided, or thereafter ceases to be, true, correct and complete in all material respects (including omitting a material fact necessary to make the statements made, in light of the circumstances under which they were made, not misleading), such Eligible Stockholder or Stockholder Nominee, as the case may be, shall promptly notify the Secretary and provide the information that is required to make such information or communication true, correct, complete and not misleading; it being understood that providing any such notification shall not be deemed to cure any such defect or limit this Corporation's right to omit a Stockholder Nominee from its proxy materials pursuant to this Section 2.14. In addition, any person providing any information to this Corporation pursuant to this Section 2.14 shall further update and supplement such information, if necessary, so that all such information shall be true and correct as of the record date for the annual meeting and as of the date that is ten (10) business days prior to the annual meeting or any adjournment or postponement thereof, and such update and supplement (or a written certification that no such updates or supplements are necessary and that the information previously provided remains true and correct as of the applicable date) shall be delivered to, or mailed to and received by, the Secretary at the principal office of this Corporation not later than five (5) business days after the later of the record date for the annual meeting and the date on which the record date is first publicly disclosed by this Corporation (in the case of any update and supplement required to be made as of the record date), and not later than seven (7) business days prior to the date of the annual meeting or any adjournment or postponement thereof (in the case of any update and supplement required to be made as of ten (10) business days prior to the annual meeting).

(k) Limitation on Stockholder Nominees. Any Stockholder Nominee who is included in this Corporation's proxy materials for a particular annual meeting of stockholders, but withdraws from or becomes ineligible or unavailable for election at such annual meeting, will be ineligible to be a Stockholder Nominee pursuant to this Section 2.14 for the next two (2) annual meetings of stockholders.

(l) Exceptions. Notwithstanding anything in this Section 2.14 to the contrary, this Corporation shall not be required to include, pursuant to this Section 2.14, any Stockholder Nominee in its proxy materials for any meeting of stockholders (i) if the Eligible Stockholder who has nominated such Stockholder Nominee has engaged in or is currently engaged in, or has been or is a "participant" in another person's, "solicitation" within the meaning of Rule 14a-1(l) under the Exchange Act in support of the election of any individual as a director at the meeting other than its Stockholder Nominee(s) or a nominee of the Board, (ii) if this Corporation receives notice pursuant to Section 2.14 that any stockholder intends to nominate any nominee for election to the Board at such meeting, (iii) who is not independent under the Applicable Independence Standards, as determined by the Board or any committee thereof, (iv) whose nomination or election as a member of the Board would cause this Corporation to be in violation of these Bylaws, the Certificate of Incorporation, the rules and listing standards of the principal exchanges upon which this Corporation's shares of common stock are listed or traded, or any applicable law, rule or regulation, (v) who is or has been, within the past three (3) years, an officer or director of a competitor, as defined in Section 8 of the Clayton Antitrust Act of 1914, (vi) who is a named subject of a pending criminal proceeding (excluding traffic violations and other minor offenses) or has been convicted in such a criminal proceeding within the past ten (10) years, (vii) who is subject to any order of the type specified in Rule 506(d) of Regulation D promulgated under the Securities Act of 1933, as amended, (viii) if such Stockholder Nominee or the applicable Eligible Stockholder shall have provided information to this Corporation in respect to such nomination that was untrue in any material respect or omitted to state a material fact necessary in order to make

the statement made, in light of the circumstances under which it was made, not misleading, as determined by the Board, (ix) if such Stockholder Nominee or the applicable Eligible Stockholder otherwise contravenes any of the agreements or representations made by such Stockholder Nominee or Eligible Stockholder or fails to comply with its obligations pursuant to this Section 2.14, or (x) if the applicable Eligible Stockholder ceases to be an Eligible Stockholder for any reason, including but not limited to not Owning the Required Shares through the date of the applicable annual meeting of stockholders.

(m) Disqualifications. Notwithstanding anything in this Section 2.14 to the contrary, if (i) a Stockholder Nominee is determined not to satisfy the eligibility requirements of this Section 2.14 or any other provision of this Corporation's Bylaws, Certificate of Incorporation, Corporate Governance Guidelines or other applicable regulation at any time before the annual meeting (whether or not already included in this Corporation's proxy materials for the annual meeting), (ii) a Stockholder Nominee and/or the applicable Eligible Stockholder shall have breached any of its obligations, agreements or representations or fails to comply with its obligations under this Section 2.14, (iii) the applicable Eligible Stockholder (or a qualified representative thereof) does not appear at the annual meeting of stockholders to present any nomination pursuant to this Section 2.14, (iv) a Stockholder Nominee dies, becomes disabled or otherwise becomes ineligible or unavailable for election at the annual meeting, or (v) the applicable Eligible Stockholder otherwise ceases to be an Eligible Stockholder for any reason, including but not limited to not Owning the Required Shares through the date of the applicable annual meeting of stockholders, in each of clauses (i) through (v) as determined by the Board, any committee thereof or the person presiding at the annual meeting, (x) this Corporation may omit or, to the extent feasible, remove the information concerning such Stockholder Nominee and the related Supporting Statement from its proxy materials and/or otherwise communicate to its stockholders that such Stockholder Nominee will not be eligible for election at the annual meeting, (y) this Corporation shall not be required to include in its proxy materials any successor or replacement nominee proposed by the applicable Eligible Stockholder or any other Eligible Stockholder and (z) the Board or the person presiding at the annual meeting shall declare such nomination to be invalid and such nomination shall be disregarded notwithstanding that proxies in respect of such vote may have been received by this Corporation.

(n) Filing Obligation. The Eligible Stockholder (including any person who Owns shares of common stock of this Corporation that constitute part of the Eligible Stockholder's Ownership for purposes of satisfying Section 2.14(e) hereof) shall file with the Securities and Exchange Commission any solicitation or other communication with this Corporation's stockholders relating to the meeting at which the Stockholder Nominee will be nominated, regardless of whether any such filing is required under Regulation 14A of the Exchange Act or whether any exemption from filing is available for such solicitation or other communication under Regulation 14A of the Exchange Act.

## ARTICLE III
## Board of Directors

**3.1** ***General Powers***. Subject to the requirements of the General Corporation Law, the property, business and affairs of this Corporation shall be managed by the Board.

**3.2** ***Number and Term of Office***. The Board shall consist of one or more directors, the number thereof to be determined from time to time by resolution of the Board. Directors need not be stockholders. Each of the directors of this Corporation shall hold office until his or her successor shall have been duly elected and shall qualify or until he or she shall resign or shall have been removed in the manner provided in these Bylaws.

**3.3** ***Election of Directors***.

(a) The Governance Committee of the Board shall recommend to the Board, Board nominees for election and/orre-election to the Board at the annual meeting of stockholders and candidates to fill vacancies on the Board in between annual meetings of stockholders. The Board of Directors shall consider the candidates recommended by the Governance Committee of the Board when recommending to the stockholders Board nominees for election and/or re-election to the Board at the annual meeting of stockholders and when filling vacancies on the Board in between annual stockholder meetings.

(b) The directors shall be elected annually by the stockholders of this Corporation. Except as otherwise provided in Section 3.5 below, each director shall be elected by the vote of a majority of the votes cast with respect to such director's election at any annual or special meeting for the election of directors at which a quorum is present. If, however, as of the tenth (10th) day preceding the date the notice of the meeting is first mailed for such meeting to the stockholders of this Corporation, the number of nominees exceeds the number of directors to be elected (a "Contested Election"), the nominees receiving the greatest number of votes of the shares represented in person or by proxy at the meeting and entitled to vote on the election of directors, up to the number of directors to be elected, shall be the directors. For purposes of this Section 3.3, a "majority of the votes cast" means that the number of shares voted "for" a nominee must exceed the number of votes cast "against" that nominee (with "abstentions" and "broker non-votes" not counted as a vote cast either "for" or "against" that director's election).

(c) If an incumbent director is not reelected but would otherwise remain in office until his or her successor is elected and qualified, the director shall offer to tender his or her resignation to the Board, which may be conditioned upon acceptance of such resignation by the Board. If a resignation is so conditioned, the Governance Committee of the Board, or such other committee designated by the Board pursuant to Section 3.15 below, will evaluate any such resignation in light of the best interests of this Corporation and its stockholders and will make a recommendation to the Board on whether to accept or reject such resignation or whether other action should be taken with respect thereto. In making its recommendation, such committee may consider any factors it deems relevant, including the director's qualifications, the director's past and expected future contributions to this Corporation, the overall composition of the Board and whether accepting the tendered resignation would cause this Corporation to fail to satisfy or otherwise comply with any applicable rule or regulation (including listing requirements of The Nasdaq Stock Market LLC and the federal securities laws). The Board will act on the resignation, taking into account the recommendation of such committee, and this Corporation will publicly disclose (by a press release and filing an appropriate disclosure with the Securities and Exchange Commission) the Board's decision regarding the resignation and, if such resignation is rejected, the rationale behind the decision within ninety (90) days from the date of the certification of the election results. The director who tenders his or her resignation will not participate in the decision of the Board or Board committee.

(d) If the Board accepts a director's resignation pursuant to this Bylaws, or if a nominee for director is not elected and the nominee is not an incumbent director, then the Board may fill the resulting vacancy in accordance with the provisions of these Bylaws or may decrease the size of the Board in accordance with the provisions of these Bylaws.

(e) If no directors receive the requisite majority vote at an annual or special meeting held for the election of directors that is not a Contested Election, the incumbent Board will nominate a new slate of directors and hold a special meeting for the purpose of electing those nominees within one hundred eighty (180) days after the certification of the stockholder vote at the prior meeting. In this circumstance, the incumbent Board will continue to serve until new directors are duly elected and qualified.

**3.4** ***Resignations***. Any director of this Corporation may resign at any time by giving notice in writing or by electronic transmission to the Board or to the Secretary of this Corporation. Any such resignation shall take effect at the time specified therein, or, if the time be not specified, it shall take effect immediately upon its receipt by the Board or the Secretary; and unless otherwise specified therein, the acceptance of such resignation shall not be necessary to make it effective.

**3.5** ***Vacancies***. Except as otherwise provided in the Certificate of Incorporation, any vacancy in the Board, whether because of death, resignation, disqualification, an increase in the number of directors, or any other cause, may be filled by vote of the majority of the remaining directors, although less than a quorum, or by a plurality of the votes cast at a meeting of stockholders. Each director so chosen to fill a vacancy shall hold office until his or her successor shall have been elected and shall qualify or until he or she shall resign or shall have been removed in the manner provided in these Bylaws. If there are no directors in office, then an election of directors may be held in the manner provided by the General Corporation Law.

**3.6** ***Place of Meeting, Etc***. The Board may hold any of its meetings at such place or places within or without the State of Delaware as the Board may from time to time by resolution designate or as shall be designated by the person or persons calling the meeting or in the notice or a waiver of notice of any such meeting. Directors may participate in any regular or special meeting of the Board by means of conference telephone or other communications equipment pursuant to which all persons participating in the meeting of the Board can hear each other, and such participation shall constitute presence in person at such meeting.

**3.7** ***Annual Meeting***. The Board shall meet as soon as practicable after each annual election of directors and notice of such first meeting shall not be required, provided a quorum shall be present; or such meeting may be held at such time and place as shall be specified in a notice given as hereinafter provided for special meetings of the Board, or as shall be specified in a waiver given by each person entitled to notice.

**3.8** ***Regular Meetings***. Regular meetings of the Board shall be held at such times and places as the Board shall from time to time by resolution determine. If any day fixed for a regular meeting shall be a legal holiday at the place where the meeting is to be held, then the meeting shall be held at the same time and place on the next succeeding business day not a legal holiday.

**3.9** ***Special Meetings; Notice***. Special meetings of the Board for any purpose or purposes may be called at any time by the Board Chair, the Chief Executive Officer, the Secretary or any two directors. Notice of a special meeting of the Board shall be given by the person or persons calling the meeting at least twenty-four (24) hours before the special meeting. Except as otherwise provided herein or permitted by applicable law, notices to any director may be in writing and delivered personally or may be given by telephone or by any means of electronic transmission (including, without limitation, electronic mail or calendar invitation by electronic mail) directed to an address for receipt by such director of electronic transmissions appearing on the books of this Corporation. Unless otherwise stated in the notice thereof, any and all business may be transacted at a special meeting of the Board.

**3.10** ***Quorum and Manner of Acting***. Except as otherwise provided in these Bylaws, the Certificate of Incorporation or by law, the presence of a majority of the authorized number of directors shall be required to constitute a quorum for the transaction of business at any meeting of the Board, and all matters shall be decided at any such meeting, a quorum being present, by the affirmative votes of a majority of the directors present.

In the absence of a quorum, a majority of directors present at any meeting may adjourn the same from time to time until a quorum shall be present. Notice of any adjourned meeting need not be given. The directors shall act only as a Board, and the individual directors shall have no power as such.

**3.11** ***Action by Consent***. Any action required or permitted to be taken at any meeting of the Board or of any committee thereof may be taken without a meeting if all members of the Board or of such committee, as the case may be, consent thereto in writing or by electronic transmission. Any such consent may be documented, signed and delivered in any manner permitted by Section 116 of the General Corporation Law. After any such action is taken, the consent or consents relating thereto shall be filed with the minutes of proceedings of the Board or committee in the same paper or electronic form as the minutes are maintained.

**3.12** ***Removal of Directors***. Except as otherwise provided by the Certificate of Incorporation or applicable law, any director may be removed at any time, either with or without cause, by the affirmative vote of the stockholders then entitled to vote at an election of directors having a majority of the voting power of this Corporation given at an annual meeting or a special meeting of the stockholders called for such purpose.

**3.13** ***Compensation***. The directors shall receive only such compensation for their services as directors as may be allowed by resolution of the Board. The Board may also provide that this Corporation shall reimburse each such director for any expense incurred by such director on account of his or her attendance at any meetings of the Board or committees of the Board. Neither the payment of such compensation nor the reimbursement of such expenses shall be construed to preclude any director from serving this Corporation or its subsidiaries in any other capacity and receiving compensation therefor.

**3.14** ***Board Chair and Board Vice Chair.*** This Corporation shall have a Board Chair and, at its discretion, a Board Vice Chair. Any such Board Chair or Board Vice Chair may be an officer of this Corporation if determined by the Board in its discretion. The Board Chair, and in his or her absence the Board Vice Chair, shall preside at all meetings of the stockholders and of the Board. The Board Chair or Board Vice Chair shall have other such other powers and duties as may be from time to time be assigned to him or her by the Board or as may be prescribed by the Bylaws.

**3.15** ***Committees***.

(a) The Board may appoint one or more committees, each consisting of one or more directors, and delegate to such committees any of the authority of the Board permitted by law except with respect to:

(i) the approval or adoption, or the making of a recommendation to the stockholders with respect to, any action or matter that is required under the General Corporation Law to be submitted to the stockholders;

(ii) the filling of vacancies on the Board or on any committee;

(iii) except as otherwise required by law or the rules and regulations of any nationally recognized securities exchange on which shares of this Corporation's stock are traded, the fixing of compensation of the directors for serving on the Board or on any committee;

(iv) the amendment or repeal of these Bylaws or the adoption of new Bylaws;

(v) the amendment or repeal of any resolution of the Board which by its express terms is not amendable or repealable;

(vi) distribution to the stockholders of this Corporation except at a rate or in a periodic amount or within a price range determined by the Board; or

(vii) the appointment of other committees of the Board or the members thereof.

(b) Any such committee must be appointed by resolution adopted by the Board and may be designated an Executive Committee or by such other name as the Board shall specify. The Board may designate one or more directors as alternate members of any committee, who may replace any absent member at any meeting of the committee. The Board shall have the power to prescribe the manner in which proceedings of any such committee shall be conducted. In the absence of any such prescription, such committee shall have the power to prescribe the manner in which its proceedings shall be conducted. Unless the Board or such committee shall provide, the regular and special meetings of any such committee shall be governed by the provisions of this Article applicable to meetings and actions of the Board. Minutes shall be kept of each meeting of such committee and filed with the Secretary of this Corporation.

**3.16** ***Executive Committee***. The passage of any resolution of the committee designated by the Board as the Executive Committee shall, in addition to any other limitations prescribed by the Board in accordance with the provisions of Section 3.15, require the affirmative vote of a majority of directors present and voting on such resolution who are not employees of this Corporation.

**3.17** ***Rights of Inspection***. Every director shall have the right to examine this Corporation's stock ledger, a list of its stockholders and its other books and records for a purpose reasonably related to the director's position as a director. The Court of Chancery of the State of Delaware is vested with the exclusive jurisdiction to determine whether a director is entitled to the inspection sought.

**3.18** ***Organization***. Meetings of the Board shall be presided over by the Board Chair, or in his or her absence by the Board Vice Chair, if any, or in his or her absence by the Chief Executive Officer if such person is a member of the Board, or in his or her absence by a chair chosen at the meeting. The Secretary shall act as secretary of the meeting, but in his or her absence the chair of the meeting may appoint any person to act as secretary of the meeting.

(a) The officers of this Corporation shall consist of a Chief Executive Officer, a Secretary and a Chief Financial Officer. At the discretion of the Board, the Board Chair may be an officer of this Corporation.

(b) In addition to the officers specified in Section 4.1(a), the Board may appoint such additional officers as the Board may deem necessary or desirable, including a President, one or more Vice Presidents, one or more Assistant Secretaries, a Treasurer and one or more Assistant Treasurers, each of whom shall hold office for such period, have such authority and perform such duties as the Board may from time to time determine. The Secretary shall give, or shall cause to be given, in conformity with these Bylaws, notice of all meetings of the stockholders and of the Board and of any committees thereof requiring notice. The Secretary shall keep the seal of this Corporation in safe custody and shall have such other powers and shall perform such other duties as may from time to time be assigned to him or her by the Board. No officer shall be prevented from receiving compensation by reason of the fact that such officer is also a director of this Corporation or any of its subsidiaries. Nothing contained herein shall preclude any officer from serving this Corporation or any of its subsidiaries, in any other capacity and receiving compensation therefor.

## ARTICLE V

**5.1** ***Execution of Contracts***. The Board, except as in these Bylaws otherwise provided, may authorize any officer or officers, agent or agents, to enter into any contract or execute any instrument in the name of and on behalf of this Corporation, and such authority may be general or confined to specific instances. Unless so authorized by the Board or by these Bylaws, no officer, agent or employee shall have any power or authority to bind this Corporation by any contract or engagement or to pledge its credit or to render it liable for any purpose or in any amount.

**5.2** ***Checks, Drafts, Etc***. All checks, drafts or other orders for payment of money, notes or other evidence of indebtedness, issued in the name of or payable to this Corporation, shall be signed or endorsed by such person or persons and in such manner as, from time to time, shall be determined by resolution of the Board. Each authorized person shall give such bond, if any, as the Board may require.

**5.3** ***Deposits***. All funds of this Corporation not otherwise employed shall be deposited from time to time to the credit of this Corporation in such banks, trust companies and other depositories as the Board may select, or as may be selected by any officer or officers, assistant or assistants, agent or agents, or attorney or attorneys of this Corporation to whom such power shall have been delegated by the Board. **5.4** ***General and Special Bank Accounts***. The Board may from time to time authorize the opening and keeping of general and special bank accounts with such banks, trust companies or other depositories as the Board may select or as may be selected by any officer or officers, assistant or assistants, agent or agents, or attorney or attorneys of this Corporation to whom such power shall have been delegated by the Board. The Board may make such special rules and regulations with respect to such bank accounts, not inconsistent with the provisions of these Bylaws, as it may deem expedient.

## ARTICLE VI
## Shares and Their Transfer

**6.1** ***Certificates of Stock; Uncertificated Shares***.

(a) The shares of stock of this Corporation shall be represented by certificates, provided that the Board may provide by resolution or resolutions that some or all of any or all classes or series of its stock shall be uncertificated shares. Any such resolution shall not apply to shares represented by a certificate until such certificate is surrendered to this Corporation. Notwithstanding the adoption of any resolution providing for uncertificated shares, every holder of stock represented by certificates and upon request every holder of uncertificated shares shall be

entitled to have a certificate, in such form as the Board shall prescribe, signed by, or in the name of this Corporation by any two authorized officers of this Corporation (it being understood that each of the Board Chair, the Board Vice Chair, the Chief Executive Officer, the Chief Financial Officer, the President, a Vice President, the Treasurer, an Assistant Treasurer, the Secretary or an Assistant Secretary shall be an authorized officer for such purpose), representing the number of shares registered in certificate form. Any of or all of the signatures on the certificates may be by facsimile. In case any officer, transfer agent or registrar who has signed, or whose facsimile signature has been placed upon, any such certificate shall have ceased to be such officer, transfer agent or registrar before such certificate is issued, such certificate may nevertheless be issued by this Corporation with the same effect as though the person who signed such certificate, or whose facsimile signature shall have been placed thereupon, were such officer, transfer agent or registrar at the date of issue.

(b) A record shall be kept of the respective names of the persons, firms or corporations owning the stock represented by certificates or registered in uncertificated form, the number and class of shares represented by such certificates or registered in uncertificated form, and in case of cancellation, the respective dates of cancellation. Every certificate surrendered to this Corporation for exchange or transfer shall be cancelled, and, where the shares are to be represented by certificates, no new certificate or certificates shall be issued in exchange for any existing certificate until such existing certificate shall have been so cancelled, except in cases provided for in Section 6.4. Uncertificated shares shall be cancelled and issuance of new equivalent uncertificated shares shall be made to the person entitled thereto and the transaction shall be recorded upon the books of this Corporation.

**6.2** ***Transfers of Stock***. Shares of capital stock of this Corporation shall be transferable in the manner prescribed by law and in these Bylaws. Shares of capital stock of this Corporation shall only be transferred on the books of this Corporation by the holder of record thereof or by such holder's attorney duly authorized in writing, upon surrender to this Corporation of the certificate or certificates representing such shares endorsed by the appropriate person or persons (or, with respect to uncertificated shares, by delivery of duly executed instructions or in any other manner permitted by applicable law), with such evidence of the authenticity of such endorsement or execution, transfer, authorization, and other matters as this Corporation may reasonably require, and accompanied by all necessary stock transfer stamps.

**6.3** ***Regulations***. Subject to the provisions of the Certificate of Incorporation and these Bylaws, the Board may make such additional rules and regulations as it may deem expedient concerning the issue, transfer and registration of certificates representing shares of the stock of this Corporation or uncertificated shares.

**6.4** ***Lost, Stolen, Destroyed, and Mutilated Certificates***. In any case of loss, theft, destruction, or mutilation of any certificate of stock, another may be issued in its place upon proof of such loss, theft, destruction, or mutilation and upon the giving of a bond of indemnity to this Corporation in such form and in such sum as the Board may direct; provided, however, that a new certificate may be issued without requiring any bond when, in the judgment of the Board, it is proper to do so.

**ARTICLE VII**
**Indemnification**

**7.1** ***Scope of Indemnification***. This Corporation shall indemnify and hold harmless, to the fullest extent permitted by applicable law as it presently exists or may hereafter be amended, any person (a "Covered Person") who was or is made or is threatened to be made a party or is otherwise involved in any action, suit or proceeding, whether civil, criminal, administrative or investigative (a "proceeding"), by reason of the fact that he or she, or a person for whom he or she is the legal representative, is or was a director or officer of this Corporation or, while a director or officer of this Corporation, is or was serving at the request of this Corporation as a director, officer, member, manager, partner, employee or agent of another corporation or of a partnership, limited liability company, joint venture, trust, other enterprise or nonprofit entity, including service with respect to employee benefit plans, against all liability and loss suffered and expenses (including attorneys' fees) actually and reasonably incurred by such Covered Person in connection with such proceeding. Notwithstanding the preceding sentence, except as otherwise provided in Section 7.6, this Corporation shall be required to indemnify a Covered Person pursuant to this Article VII in connection with a proceeding (or part thereof) commenced by such Covered Person only if the commencement of such proceeding (or part thereof) by the Covered Person was authorized in the specific case by the Board.

**7.2** ***Advancement of Expenses***. This Corporation shall to the fullest extent not prohibited by applicable law pay the expenses (including attorneys' fees) incurred by a Covered Person in defending any proceeding in advance of its final disposition, provided, however, that, to the extent required by law, such payment of expenses in advance of the final disposition of the proceeding shall be made only upon receipt of an undertaking by the Covered Person to repay all amounts advanced if it should be ultimately determined that the Covered Person is not entitled to be indemnified under this Article VII or otherwise.

**7.3** ***Other Rights and Remedies***. The rights conferred on any Covered Person by this Article VII shall not be exclusive of any other rights which such Covered Person may have or hereafter acquire under any statute, provision of the Certificate of Incorporation, these Bylaws, agreement, vote of stockholders or disinterested directors or otherwise.

**7.4** ***Continuation of Indemnification and Advancement of Expenses***. The indemnification and advancement of expenses provided by, or granted pursuant to, this Article VII shall, unless otherwise provided when authorized or ratified, continue as to a person who has ceased to be a director or officer and shall inure to the benefit of the heirs, executors and administrators of such a person.

**7.5** ***Insurance***. Upon resolution passed by the Board, this Corporation may purchase and maintain insurance on behalf of any person who is or was a director, officer, employee or agent of this Corporation or, while a director, officer, employee or agent of this Corporation, is or was serving at the request of this Corporation as a director, officer, member, manager, partner, employee or agent of another corporation, partnership, limited liability company, joint venture, trust or other enterprise against any liability asserted against such person and incurred by such person in any such capacity, or arising out of such person's status as such, whether or not this Corporation would have the power to indemnify such person against such liability under the provisions of this Article. For purposes of this Section 7.5, insurance shall include any insurance provided directly or indirectly (including pursuant to any fronting or reinsurance arrangement) by or through a captive insurance company in accordance with the requirements of Section 145(g) of the General Corporation Law.

**7.6** ***Claims***. If a claim for indemnification (following the final disposition of such action, suit or proceeding) under this Article VII is not paid in full within forty-five (45) days after a written claim therefor by the Covered Person has been received by this Corporation or if a claim for any advancement of expenses under this Article VII is not paid in full within thirty (30) days after this Corporation has received a statement or statements requesting such amounts to be advanced, the Covered Person shall thereupon (but not before) be entitled to file suit to recover the unpaid amount of such claim and, if successful in whole or in part, shall be entitled to be paid the expense of prosecuting such claim to the fullest extent permitted by law. In any such action, this Corporation shall have the burden of proving that the Covered Person is not entitled to the requested indemnification or advancement of expenses under applicable law.

**7.7** ***Amendment or Repeal***. Any right to indemnification and advancement of expenses of any person covered by the provisions of this Article VII arising hereunder shall not be eliminated or impaired by an amendment to or repeal of these Bylaws after the occurrence of the act or omission that is the subject of the proceeding for which indemnification or advancement of expenses is sought.

**7.8** ***Other Indemnification and Advancement of Expenses***. This Article VII shall not limit the right of this Corporation, to the extent and in the manner permitted by law, to indemnify and to advance expenses to persons other than Covered Persons when and as authorized by appropriate corporate action.

## ARTICLE VIII

Attendance of a person at a meeting (whether in person or by proxy in the case of a meeting of stockholders) shall constitute a waiver of notice of such meeting, except when the person attends a meeting for the express purpose of objecting, at the beginning of the meeting, to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at nor the purpose of any regular or special meeting of the stockholders, directors, or members of a committee of directors need be specified in a waiver of notice.

**8.4** ***Form of Records***. Any records maintained by this Corporation in the regular course of its business, including its stock ledger, books of account, and minute books, may be kept on, or by means of, or be in the form of, any information storage device or method, or one or more electronic networks or databases (including one or more distributed networks or databases), provided that the records so kept can be converted into clearly legible paper form within a reasonable time.

**8.5** ***Amendments***. These Bylaws may be altered, amended or repealed, and new Bylaws may be adopted, (i) by the Board, by vote of a majority of the number of directors then in office as directors, or (ii) by the stockholders, provided that notice of such proposed amendment, modification, repeal or adoption is given in the notice of the meeting of the stockholders called for the purpose of acting upon any proposed amendment, modification, release or adoption. To the extent permitted by law, any Bylaws made or altered by the stockholders may be altered or repealed by either the Board or the stockholders.

**8.6** ***Representation of Other Corporations***. The Chief Executive Officer, the President, any Vice President, or the Secretary or any Assistant Secretary of this Corporation are each authorized to vote, represent and exercise on behalf of this Corporation all rights incident to any and all shares of or other equity interests in any other corporation or entity standing in the name of this Corporation. The authority herein granted to said officers to vote or represent on behalf of this Corporation any and all shares or equity interests held by this Corporation in any other corporation or entity may be exercised either by such officers in person or by any person authorized so to do by proxy or power of attorney duly executed by said officers.

All other contracts, agreements, certificates or instruments to be executed on behalf of this Corporation may be executed using a facsimile or other form of electronic signature to the fullest extent permitted by applicable law.

**8.8** ***Reliance on Books, Reports and Records***. Each director and each member of any committee designated by the Board shall, in the performance of his or her duties, be fully protected in relying in good faith upon the books and records of this Corporation and upon such information, opinions, reports or statements presented to this Corporation by any of its officers, agents or employees, or committees of the Board so designated, or by any other person or entity as to matters which such director or committee member reasonably believes are within such other person's or entity's professional or expert competence and that has been selected with reasonable care by or on behalf of this Corporation.

SECTION 3. Services Provided.

3.1 Agreement to Provide Services.

3.1.1 Services. Pursuant to the terms and conditions of this TSA and the applicable Service Schedules, Service Provider will, or will, in accordance with Section 6.5, cause one or more of its Affiliates or third-party contractors to, provide the Services described in each Service Schedule to Service Recipient in accordance with the service standards set forth in Section 6.1. Unless otherwise agreed by the Parties in a Service Schedule, Service Provider shall not be required to provide any Service in a location other than where such Service was performed as of immediately prior to the Closing. Service Recipient agrees that the Services are for the sole use and benefit of Service Recipient and its Affiliates, in each case, solely with respect to the Flash Business or the WDC Business, as applicable, conducted at Closing. Service Recipient shall not resell any of the Services to any Person whatsoever and shall not permit the receipt or use of the Services by any Person other than for the conduct of the Flash Business or the WDC Business, as applicable, in the ordinary course consistent with past practice. Subject to Section 3.1.2, for the avoidance of doubt, except as set forth in a Service Schedule executed by each Party, neither Service Provider nor any of its Affiliates shall be obligated to provide any other services to Service Recipient or any of its Affiliates.

3.1.2 Omitted Services. If either Party (a) identifies a service that (i) WDC provided to the Flash Business as of immediately prior to Closing that Spinco reasonably needs in order for the Flash Business to continue to operate in substantially the same manner in which the Flash Business operated as of immediately prior to Closing and such service was not set forth on the Service Schedules (other than an Excluded Service) or (ii) the Flash Business provided to WDC as of immediately prior to Closing that WDC reasonably needs in order for the WDC Business to continue to operate in substantially the same manner in which the WDC Business operated as of immediately prior to Closing, and such service was not set forth on the Service Schedules (other an Excluded Service); *provided* that in each case of (i) and (ii), the requesting Party or its Affiliates do not have the ability or resources to perform the service or to obtain such service from a third party without undue hardship or expense (the services referenced in clause (i) and clause (ii), the "Omitted Services"), and (b) provides a written change request (in the form agreed by the Parties) to the other Party requesting such Omitted Service within ninety (90) days after the Closing, then such other Party shall negotiate in good faith to provide such Omitted Service, as applicable; *provided* that the actual Fees associated with any such Omitted Services will be determined in a manner consistent with the manner used to determine the compensation for similar Services; *provided, however*, that neither Party shall be obligated to provide any Omitted Service if it does not, in its reasonable judgment, have adequate resources to provide such Omitted Service. Without limiting the foregoing, Service Recipient shall bear all of Service Provider's internal and external fully burdened costs and expenses, including Out-of-Pocket Costs, incurred in connection with the provision of the Omitted Services. The Parties shall document any such addition of an Omitted Service in

a Service Schedule. Such Service Schedule shall describe in reasonable detail the nature, scope, Service Term and other terms applicable for any such Omitted Services. Each such Service Schedule shall be deemed part of this TSA as of the date of such agreement and the Omitted Services set forth therein shall be deemed "Services" provided under this TSA, in each case subject to the terms and conditions of this TSA.

3.1.3 Service Adjustments. After the Distribution, if Service Provider or Service Recipient desires to adjust any Services or change the manner in which Services are provided (such adjustments and changes other than the addition of Omitted Services, "Service Adjustments"), then such Service Provider or Service Recipient, as applicable, will provide a written change request (in the form agreed to by the Parties) to the other Party, and the Parties shall negotiate in good faith to make such Service Adjustments; *provided, however*, that Service Provider shall not be obligated to provide any Service Adjustment if the Service Provider and Service Recipient are unable to reach agreement on the terms thereof (including with respect to compensation therefor) unless such Service Adjustment is required by a change in any Legal Requirements applicable to such Services. If the Parties agree to any Service Adjustment, then the Parties shall document such terms in an amendment to the applicable Service Schedule. Each amended Service Schedule, as agreed to in writing by the Parties, shall be deemed part of this TSA as of the date of such agreement and the Service Adjustments set forth therein shall be deemed "Services" provided under this TSA, in each case subject to the terms and conditions of this TSA.

3.2 Points of Contact; Disputes.

3.2.1 Points of Contact. With respect to the Services on a Service Schedule, each of Service Provider and Service Recipient has named a point of contact on such Service Schedule. Such points of contact shall be the initial points of contact with respect to any matters with respect to the day-to-day provision of such Services, including attempting to resolve any issues that may arise during the performance of such Services. Any reference in this TSA to the cooperation of the Parties, or the use of good faith efforts to negotiate between the Parties or any other contact or communication between the Parties, shall be deemed to be an obligation of such points of contact on behalf of the Parties and for communication to be, in the first instance, between the respective points of contact of Service Provider and Service Recipient and, if requested by a Party, the applicable functional leaders of each Party shall participate in such negotiation (e.g., if the Services subject to the Dispute (as defined below) concern IT, then the functional heads of the Parties for such IT services shall participate). The Parties' points of contact and functional leaders shall perform their responsibilities as described above in a manner consistent with the Governance Framework, including with respect to governance structure, responsibilities, meeting cadence and reporting. If a material dispute arises that the points of contacts are not able to resolve within ten (10) Business Days (or such longer period as the points of contact may mutually agree), the terms in Section 3.2.2 shall apply. The points of contact may delegate authority to other Service Provider or Service Recipient personnel (as applicable) to act as initial points of contact with respect to certain Services or categories of Services as appropriate; *provided* that such personnel shall be of sufficient authority to be able to make decisions in the ordinary course under this Agreement and to serve as an effective channel for escalations.

3.2.2 Disputes. Subject to and without prejudice to either Party's right to seek immediate specific performance at any time, in the event of any material dispute between the Parties relating to the Services or this TSA that is not resolved by the Parties' respective points of contact ("Dispute"), the points of contact may escalate the Dispute to senior management of the Parties, which for WDC shall initially be **[•]**, and for Spinco shall initially be **[•]**. Within five (5) Business Days of the receipt by a Party of a notice from the other Party of the existence of a Dispute (the "Dispute Notice"), the receiving Party shall submit a written response to the other Party (the "Dispute Response"). Both the Dispute Notice and the Dispute Response shall include (i) a statement of the disputing Party's position with regard to the Dispute and a summary of arguments supporting that position; and (ii) the name and title of the senior executive who will represent that Party in attempting to resolve the Dispute pursuant to this Section 3.2.2. Within five (5) Business Days of receipt of the Dispute Response, the designated executives shall meet (including by teleconference or video conference) and attempt to resolve the Dispute. All communications made in connection with this clause shall be protected to the same extent as provided in Rule 408 of the Federal Rules of Evidence, confidential and shall not be referred to, or admissible for any purpose, in any subsequent proceedings. If any Dispute is not resolved within twenty (20) Business Days of receipt of the Dispute Notice (or within such longer period as to which the Parties have agreed in writing), then the Parties may pursue all available remedies in accordance with Section 12.5. Each Party agrees that it will, unless otherwise directed or if rendered impracticable by the other Party, continue performing its other undisputed obligations under this TSA while any dispute is being resolved until the expiration or termination of the Agreement Term, and any disputed Service shall continue to be provided by the Service Provider unless suspended for non-payment in accordance with Section 4.5 or an act or omission of Service Recipient directly or indirectly renders such disputed Service impracticable to reasonably perform.

SECTION 4. Compensation.

4.1 Compensation for Services. Subject to the terms and conditions in this TSA, the compensation to be paid by Service Recipient to Service Provider for each Service set forth in a Service Schedule during the Agreement Term (as defined below) shall equal the Fees set forth in the applicable Service Schedule with respect to such Service. Subject to any thresholds set forth in the Service Schedules, a Party may request that Fees for a particular Service (less any administrative mark-up or, if applicable, extension-related escalator) be adjusted to more closely reflect the actual costs being incurred to provide such Service. The Parties shall discuss such request in good faith, but Fees shall not be adjusted unless mutually agreed by the Parties. Except as otherwise set forth in a Service Schedule, for any Service where the price for the Service is expressed as a time-based rate (such as a specified dollar amount per month), if such Services are provided for only a portion of the specified time period, the Services will be deemed provided for the full time period for purposes of determining the Fees under this TSA.

4.2 Out-of-Pocket Costs and Expenses. Unless otherwise set forth on a Service Schedule, the Fees set forth in the Service Schedules are exclusive of any third-party costs that may be incurred by Service Provider or any of its Affiliates to provide such Services in the ordinary course. Such third-party costs may include (a) expenses related to travel (including long-distance and local transportation, accommodation and meal expenses and other incidental expenses) of Service Provider's or its Affiliates' personnel incurred to provide the Services to the extent such expenses are reimbursable under the then-existing policies of Service Provider or its Affiliates, (b) all third-party consultant and third-party service provider fees incurred to provide the Services and (c) any other incremental out-of-pocket, third-party costs incurred to provide the Services (collectively, such incremental out-of-pocket costs, the "Out-of-Pocket Costs"). All of the foregoing shall be charged and invoiced by Service Provider to Service Recipient on a straight pass-through basis, monthly in arrears in accordance with Section 4.4; *provided, however*, that the aggregate amount of any third-party costs, including Out-of-Pocket Costs, payable by Service Recipient hereunder shall not exceed $50,000 per month without the prior written consent of Service Recipient, which consent shall not be unreasonably withheld, conditioned or delayed.

4.3 Taxes. The Fees set forth in the Service Schedules are exclusive of Taxes. Service Recipient will pay and be liable for any and all sales, service, value added or similar Taxes imposed on, sustained, incurred, levied and measured by: (a) the cost, value or price of Services provided by Service Provider under this TSA; or (b) Service Provider's cost in acquiring property or services used or consumed by Service Provider in providing Services under this TSA (collectively, the "Sales and Service Taxes"); *provided, however*, that (a) in the case of any value-added Taxes, Service Recipient shall not be obligated to pay such Taxes unless Service Provider has issued to Service Recipient a valid value-added Tax invoice in respect thereof, and (b) in the case of all Sales and Service Taxes, Service Recipient shall not be obligated to pay such Taxes if and to the extent Service Recipient has provided any valid exemption certificates or other applicable documentation that would eliminate or reduce the obligation to collect or pay such Taxes, to the extent permitted by applicable law. Sales and Service Taxes payable by Service Recipient but required to be remitted by Service Provider shall be reimbursed by Service Recipient to Service Provider (who shall remit such amounts to the appropriate taxing authority) in accordance with Section 4.4 or as otherwise mutually agreed in writing by the Parties. At Service Recipient's reasonable request and at Service Recipient's expense, the Parties shall cooperate in good faith to reduce or eliminate any Sales and Service Taxes; *provided, further*, that, (x) Service Provider will, at Service Recipient's reasonable request and at Service Recipient's expense, reasonably cooperate with Service Recipient in Service Recipient's pursuit of the refund of any Sales and Service Taxes, and (y) in the event that Service Provider receives a refund of any Sales and Service Taxes previously remitted to an appropriate taxing authority, Service Provider shall promptly surrender such refund to Service Recipient.

4.3.1 Each of Service Provider and Service Recipient shall pay and be responsible for all other Taxes applicable to each of them, including Taxes based on their own respective net income or profits or assets.

4.3.2 Payments for Services or other amounts under this TSA shall be made net of any required withholding, and to the extent such required amount is withheld or deducted and paid over to the applicable taxing authority, such amount shall be treated for all purposes of this TSA as having been paid to the Person in respect of which such withholding or deduction was made. Notwithstanding the foregoing, if Service Provider reasonably believes that a reduced rate of withholding applies or Service Provider is exempt from withholding, then Service Provider will notify Service Recipient and Service Recipient will, to the extent permitted by applicable law, apply such reduced rate of withholding or no withholding at such time as Service Provider has provided Service Recipient with evidence reasonably satisfactory to Service Recipient that a reduced rate of or no withholding is required (and that all necessary administrative provisions or requirements have been completed). The Parties shall cooperate in good faith to reduce or eliminate the need to withhold with respect to payments under this TSA. Service Recipient shall timely remit any amounts withheld to the appropriate taxing authority and shall provide Service Provider with a receipt or other documentation evidencing such payment, including the amount paid and the applicable taxing authority to which payment was made. Service Recipient shall not be required in any circumstances to pursue any refund of Taxes withheld and paid over to a taxing authority; *provided, however*, that (a) Service Recipient will, at Service Provider's reasonable request and at Service Provider's expense, cooperate with Service Provider in Service Provider's pursuit of such refund of Taxes, and (b) in the event that Service Recipient receives a refund of any amounts previously withheld from payments to Service Provider and remitted, Service Recipient shall promptly surrender such refund to Service Provider.

4.3.3 Each of Service Provider and Service Recipient shall promptly notify the other of any deficiency claim or similar notice by a taxing authority with respect to Sales and Service Taxes or withholding on any amount payable under this TSA, and shall provide the other with such information as reasonably requested from time to time, and shall fully cooperate with the Service Provider or Service Recipient, as applicable, in connection with: (a) the reporting of such Sales and Service Taxes or withholding; (b) any audit relating to such Sales and Service Taxes or withholding; and (c) any assessment, refund, claim or proceeding relating to such Sales and Service Taxes or withholding.

4.3.4 Except as otherwise specifically provided in this TSA, Tax matters shall be exclusively governed by the Tax Matters Agreement, and in the event of any inconsistency between the Tax Matters Agreement and this TSA, the Tax Matters Agreement shall control. The procedures relating to indemnification for Tax matters shall be exclusively governed by the Tax Matters Agreement.

4.4 Terms of Payment. Within fifteen (15) days following the end of each month where Services are provided, Service Provider will invoice Service Recipient for the applicable Fees of each Service provided in such month according to the Fee schedule set forth in the applicable Service Schedule together with, subject to the last sentence of Section 4.2, any Out-of-Pocket Costs, and, subject to Section 4.3, Sales and Service Taxes. Service Provider shall include in such invoices, in reasonable detail, the additional amounts, such as Sales and Service Taxes and/or Out-of-Pocket Costs incurred in such month, that are payable in addition to the prices for the Services. Within ninety (90) days after receipt of an invoice submitted in good faith or, if the Service Recipient issues payments on a monthly basis ("Monthly Payment Cycle"), on the date of the next Monthly Payment Cycle following ninety (90) days after receipt of such invoice, Service Recipient shall pay the undisputed amounts in such invoice by wire transfer in immediately available funds (or such other means as the Parties may mutually agree in writing). All amounts due for Services rendered pursuant to this TSA shall be billed and paid in United States dollars or the applicable currency for such Services set forth on the applicable Service Schedule hereto.

4.5 Late Payment. In the event that Service Recipient fails to timely pay any invoiced amounts not subject to a pending dispute pursuant to and in accordance with Section 4.4, Service Provider may suspend performance of the particular Service (and, if applicable, its related Bundled Services) for which payment has not been timely received after providing twenty (20) Business Days' written notice of non-payment, such notice to be provided to Service Recipient senior management set forth in Section 3.2.2. In the event a good faith dispute is raised by Service Recipient during such twenty (20) Business Days period, the provisions of Section 3.2.1 and Section 3.2.2 shall apply. Service Provider's right to suspend performance of a particular Service for failure to make timely payment in accordance with Section 4.4 and this Section 4.5 are in addition to the rights set forth in Section 5.5.

SECTION 5. Term and Termination.

5.1 Term of TSA and Services. Except as expressly provided otherwise in this Section 5 or elsewhere in this TSA or in the Service Schedule, the term of this TSA shall commence at the Effective Time and end at 11:59 p.m. Pacific Time on the date that is two (2) years after the Effective Date (such period, the "Agreement Term"). Service Provider (or its Affiliates) shall provide each of the Services for the Service Term set forth in the Service Schedule for such Service (plus any extension pursuant to Section 5.2). If the Service Schedule for a Service does not set forth a Service Term, the Service Term for such Service shall end on the date that is six (6) months after the Effective Date. For the avoidance of doubt, in no event will Service Provider or any of its Affiliates be required to provide a Service beyond its Service Term (as it may be extended in accordance with Section 5.2). The Parties acknowledge and agree that it is their objective to have all Services and all related transition activities completed as soon as possible, with the stated goal of accelerating transition activities, where practical.

5.2 Service Term Extension. Notwithstanding anything to the contrary in this TSA, or the Service Schedules, in no event shall Service Provider or any of its Affiliates have any obligation to provide any Services beyond the Agreement Term. Subject to the foregoing, Service Recipient may upon written notice of no less than sixty (60) days (or, solely with respect to Services with initial Service Terms that are three (3) months or less, thirty (30) days) prior to the end of the then-current Service Term request an extension of such Service Term. Upon receipt of a timely request for the extension of a Service Term in accordance with this Section 5.2, solely for any Service which is not designated as "Non-extendable" in the Service Schedules, the applicable Service Term shall be extended for a single extension period of three (3) months or such shorter period set forth in such request; *provided* that (a) as set forth on the Service Schedules, a surcharge shall be added to the Fees payable by Service Recipient for such extended Service, (b) any consents required in connection with extending a Service shall be sought by Service Provider in accordance with this TSA and (c) if Service Recipient requests to extend a Service that is interdependent with other Services, as indicated in the Service Schedule for such Service (any Services so indicated in their respective Service Schedules as being interdependent, "Bundled Services"), then Service Recipient must also extend such interdependent Services, to the extent necessary.

5.3 Termination of Individual Services by Service Recipient for Convenience Service Recipient may, at any time after the Effective Date, terminate any individual Service provided under this TSA on a Service-by-Service basis upon written notice to Service Provider identifying the particular Service or Bundled Services to be terminated and the effective date of such termination ("Termination Notice"), which date shall not be earlier than sixty (60) days after Service Provider's receipt of such Termination Notice, unless Service Provider otherwise agrees in writing. Notwithstanding the foregoing, except with the prior written consent of Service Provider, Service Recipient shall not be able to terminate any individual Service that is a Bundled Service or for which there are any other Bundled Services, without also terminating its Bundled Services. If Service Recipient has requested termination of any particular Service or Bundled Services and has not withdrawn such request pursuant to Section 5.3.1, Service Provider shall have no obligation to provide such Service or Bundled Services after the applicable date of termination of such Service or Bundled Services.

5.3.1 Service Recipient shall reimburse Service Provider for Early Termination Costs, if any, and if and to the extent set forth on the Service Schedules, resulting from any such early termination, and Service Provider shall use commercially reasonable efforts to mitigate any such Early Termination Costs; *provided* that, within thirty (30) days after Service Recipient's written request identifying the applicable Services and expected termination dates, Service Provider shall provide to Service Recipient a good faith estimate of the amounts of Early Termination Costs resulting from such early termination of such Services and Service Recipient may withdraw its request to terminate such Services no later than five (5) days after Service Provider provides such estimate.

5.4 Termination of Agreement. This TSA shall terminate on the earliest to occur of: (a) the last date of the Agreement Term; (b) the date on which the provision of all Services have been completed or terminated pursuant to Section 5.3; and (c) the date on which this TSA is terminated pursuant to Section 5.6.

5.5 Termination for Cause. Subject to Section 6.3, if either Party materially breaches this TSA and such Party does not cure such breach within twenty (20) Business Days after the later of (a) receiving reasonably detailed written notice thereof from the non-breaching Party and (b) completion of a dispute resolution procedure with respect to such breach in accordance with Section 3.2.2, the non-breaching Party may terminate this TSA, in whole or in part with respect to the Service(s) to which the breach relates and any Bundled Service(s), immediately following the expiration of such twenty (20)-day period by providing written notice of termination to the Party in breach. Notwithstanding the foregoing, if any such material breach is not reasonably curable within twenty (20) Business Days, but the breaching Party has (i) provided, within the twenty (20) Business Days period after written notice has been delivered, a remedial plan to cure such breach that is reasonably satisfactory to the non-breaching Party, and (ii) is making a bona fide effort to cure such breach in accordance with such plan; then such termination may be delayed upon mutual agreement for a time period to be agreed by both Parties in order to permit the breaching Party a reasonable period of time to cure such breach. In connection with any breach or alleged breach due to late payment, this Section 5.5 shall not limit the provisions of Sections 4.4–4.5.

5.6 Termination Upon Insolvency. This TSA may be terminated, effective immediately upon written notice, by either Party if the other Party files, or has filed against it, a petition for voluntary or involuntary bankruptcy or pursuant to any other insolvency law or makes or seeks to make a general assignment for the benefit of its creditors or applies for or consents to the appointment of a trustee, receiver or custodian for it or a substantial part of its property.

5.7 Effect of Termination; Survival. In the event of the expiration or any termination of this TSA, Service Provider shall be entitled to all amounts due for the provision of Services rendered prior to the date of termination and such amounts will be determined in accordance with the prices set forth in the applicable Service Schedule(s) and will be invoiced and paid by Service Recipient in accordance with the terms in this TSA. The following Sections shall survive the termination or expiration of this TSA: Section 1 and Section 2 (in each case as necessary to interpret any surviving provision hereunder), Section 4 (solely with respect to amounts accrued prior to the termination or expiration of this TSA), thisSection 5.7, Section 6.8, Section 6.10, Section 6.13, Section 8.2, Section 9, Section 10, Section 11, and Section 12.

SECTION 6. Certain Covenants.

6.1 Standard for Service. Subject to the terms and conditions of this TSA (includingSection 6.3), Service Provider agrees (a) to perform (or to cause its applicable Affiliate(s) or third-party service provider(s) to perform) any Services that it provides hereunder at substantially the same levels as those Services were

provided by Service Provider as of immediately prior to the Closing without giving effect to modification of business practice due to preparation for the Separation and with substantially the same quality of service, degree of care and level of service at which the same or similar services were provided by or on behalf of such Service Provider as of immediately prior to Closing or, if not so previously provided, then substantially similar to those which are applicable to similar services provided to Service Provider's Affiliates or other business units and (b) upon receipt of written notice from Service Recipient identifying any outage, interruption or other failure of a Service, to respond to such outage, interruption or other failure of such Service in a manner that is substantially similar to the manner in which such Service Provider or its Affiliates responds with respect to internally provided services. The Parties acknowledge that an outage, interruption or other failure of any Service shall not be deemed a breach of this Section 6.1 so long as the applicable Service Provider complies with the foregoing clause (b).

6.2 No Violation of Laws. Neither Service Provider nor its Affiliates (nor third-party service providers) shall be required to provide all or any part of any particular Service or Services to the extent that providing such Service or Services would require (based on the advice of counsel) Service Provider or its Affiliates to violate any applicable Legal Requirements. If Service Provider is or becomes aware of any such potential violation (as determined based on the advice of counsel) on the part of such Service Provider, such Service Provider shall promptly send a written notice to Service Recipient of any such potential violation. Upon Service Recipient's request and at Service Recipient's cost and expense, Service Provider shall use commercially reasonable efforts to try to perform the affected Service in a manner that would not violate the applicable Legal Requirement.

6.3 Cooperation. It is understood that it will require significant efforts of all Parties to implement this TSA and to ensure performance hereunder at the agreed-upon level and on the agreed-upon timeframe (subject to all the terms and conditions of this TSA). The Parties will reasonably cooperate (acting in good faith) to effect a smooth and orderly transition of the performance of the Services provided hereunder from Service Provider and its Affiliates to Service Recipient and/or its Affiliates (including, as may be agreed by the Parties, with respect to the assignment or transfer of the rights and obligations under any third-party contracts relating to the Services). Such cooperation shall include the provision of such reasonable access to each Party to the other Party's personnel and records as shall be reasonably necessary to facilitate the transition of the Services, including reasonable administrative support and general assistance with knowledge transfer from Service Provider and at the Service Recipient's cost (or if such conduct or activity is included in a Service, then at the cost set forth therefor in the Service Schedule). In addition, Service Recipient and its Affiliates shall not take any action (or fail to take any action) that would interfere with the ability of Service Provider or its Affiliates to provide the Services or that would materially increase the Fees therefor (without an undertaking by the Service Recipient to cover such increase). If a failure of Service Recipient to act in accordance with this Section 6.3 prevents or inhibits the provision of a Service hereunder, Service Provider or its Affiliates shall be relieved of its obligations to provide such Service, to the extent affected until the failure has been remedied.

6.4 Means of Providing Services.

6.4.1 Subject to Section 3.1.3 and Section 6.1 and Service Provider's obligation to perform the Services in accordance with the terms of this TSA and the Service Schedule, Service Provider shall determine the means and resources used to provide the Services. Without limiting the foregoing, Service Provider or its Affiliates may elect to modify or replace at any time (a) its policies and procedures; (b) any Affiliates and/or third parties that provide any Services; (c) the location from which any Service is provided; or (d) the intellectual property rights, information technology, products and services used to provide the Services.

6.4.2 Service Recipient acknowledges that Service Provider may be providing similar services, and/or services that involve the same resources as those used to provide the Services, to its internal organizations, Affiliates and to third parties, and the provision of such similar services, in and of itself, shall in no way be deemed to be a breach of Service Provider's obligations hereunder.

6.4.3 Subject to Section 6.1 and any limitations with respect to outages specified in any Service Schedule, Service Provider or its Affiliates may suspend the provision of the Services (or any part thereof), from time to time, to enable the performance of routine or emergency maintenance to the assets used in connection with the provision of the Services that are required to provide the Services; *provided* that (a) Service Provider shall provide Service Recipient with reasonable prior notice of such suspension and the anticipated duration of the suspension, in each case to the extent practicable; and (b) Service Provider shall use commercially reasonable efforts to carry out the applicable maintenance and resume the provision of the applicable Services as soon as reasonably practicable.

6.5 Authorized Service Providers. Except as otherwise specified in a Service Schedule with respect to the Services under such Service Schedule, but without limiting the obligations of the Service Provider under Section 6.1, Service Provider or any of its Affiliates may, as it deems necessary or appropriate in providing the Services, (a) use the personnel of Service Provider or its Affiliates (it being understood that such personnel can perform the Services on behalf of Service Provider or its Affiliates on a full-time or part-time basis, as reasonably determined by Service Provider or its Affiliates in accordance with the obligations under this TSA relating to the provision of the Services, including Section 6.1); (b) employ the services of third parties who are in the business of providing such Services; *provided* that (i) Service Provider's use of a third party to perform the Services does not relieve Service Provider of its obligations pursuant to this TSA including with respect to Section 6.1, even during any transition of Services from Service Provider to such third party and (ii) Service Provider shall use the same degree of care in selecting any such third party as it would if such third party were being retained to provide similar services to Service Provider, but in no event less than a reasonable degree of care; or (c) require the assignee or transferee of Service Provider or its Affiliates of the relevant personnel or assets pursuant to Section 12.8 to provide the applicable Services.

6.5.1 In performing the Services, employees and representatives of Service Provider and its Affiliates shall, as between the Parties, be under the direction, control and supervision of Service Provider or its Affiliates (and not Service Recipient) and, as between the Parties, Service Provider or its Affiliates shall have the sole right and obligation to exercise all authority and control with respect to the employment (including termination of employment), assignment and compensation of such employees and representatives. Service Recipient acknowledges and agrees that, except as set forth on the Service Schedules, it has no right hereunder to require that Service Provider or its Affiliates perform the Services hereunder with specifically identified employees or, subject to clause (b) of Section 6.5, above, third parties and that the assignment of employees or, subject toclause (b) of Section 6.5, above, third parties to perform such Services shall be determined in the sole discretion of Service Provider; *provided* that if Service Provider intends to transition performance of a Service to a third party that is being performed by its or its Subsidiaries' employees, Service Provider shall provide Service Recipient ten (10) Business Days' prior written notice of such transition; *provided, further*, that Service Provider will use commercially reasonable efforts to limit the disruption to Service Recipient in the transition of the Services to different personnel (whether employees or third parties).

6.6 Relationship of the Parties. Nothing contained in this TSA shall be construed as creating a partnership, joint venture, joint employer, agency, trust or similar relationship among or between the Parties, each Party being individually responsible only for its obligations as set forth in this TSA. Service Provider and its Affiliates shall provide the Services hereunder in the capacity of an independent contractor and not as an employee, agent or joint venture counterparty of Service Recipient. Without limiting the foregoing, (a) Service Recipient shall not have, or hold itself out as having, any power or authority to bind Service Provider to any contract, undertaking or other engagement with any third party and (b) Service Provider shall not have, or hold itself out as having, any power or authority to bind Service Recipient to any contract, undertaking or other engagement with any third party.

6.7 Treatment of Employees.

6.7.1 Except as set forth in any Service Schedule, the Employee Matters Agreement or any other Ancillary Agreement, employees of Service Recipient involved in the receipt of the Services shall remain as the employees of Service Recipient, and Service Recipient shall be solely responsible for the payment and provision of all wages, bonuses, severance, workers' compensation insurance, unemployment insurance, employment taxes, commissions and employee benefit plans, programs or arrangements relating to such employees.

6.7.2 Except as set forth in the Employee Matters Agreement or any other Ancillary Agreement, employees of Service Provider and its Affiliates involved in the provision and administration of the Services shall remain as the employees of Service Provider and its Affiliates, and Service Provider and its Affiliates shall be solely responsible for the payment and provision of all wages, bonuses, severance, workers' compensation insurance, unemployment insurance, employment taxes, commissions and employee benefit plans, programs or arrangements relating to such employees.

6.8 No Violation of Third-Party Agreements. If Service Provider reasonably believes that the provision of any Services will result in a violation of any third-party agreement or that a third party's consent, authorization or approval is necessary to provide the Services, then Service Provider will notify Service Recipient and the Parties shall cooperate in good faith to procure for Service Recipient, at Service Recipient's cost and expense, any applicable licenses, enter into any appropriate agreement or obtain the necessary consent, authorization or approval in order to allow the Services to be provided in accordance with the terms set forth herein. All costs incurred as a result of the cooperation of the Parties pursuant to the immediately preceding sentence shall be borne by Service Recipient, except for any costs associated with any third-party consent, approval, license, agreement or other authorization that Service Provider reasonably should have known prior to Closing would be necessary (which costs shall be borne by Service Provider).

6.9 Information Provided by Service Recipient. Service Recipient will provide (or will cause to be provided) to Service Provider complete and accurate data and information to the extent available to the Service Recipient and to the extent necessary for Service Provider or its Affiliates to provide the Services. Service Provider and its Affiliates may rely on the completeness and accuracy of such data and information in connection with the provision of the Services to Service Recipient. Neither Service Provider nor its Affiliates will be liable or responsible for any failure to provide a Service in compliance with this TSA as a result of such data or information provided by Service Recipient being incomplete or inaccurate and Service Recipient will be responsible and liable therefor.

6.10 No License. Without limiting any rights granted under the SDA (or any Ancillary Agreement other than this TSA thereunder), Service Provider and its Affiliates are not granting, and nothing hereunder shall be deemed to grant, any license under any intellectual property or proprietary rights of Service Provider and its Affiliates, and Service Provider and its Affiliates shall retain all right, title and interest in and to all such intellectual property and proprietary rights.

6.11 Import/Export.

6.11.1 With respect to all transactions for which Service Provider will provide Services pursuant to this TSA, Service Recipient shall be solely responsible for compliance by it with respect to the carrying out of its obligations hereunder with all applicable U.S. and non-U.S. laws and regulations relating to export controls, sanctions and imports, including the Export Administration Regulations ("EAR") maintained by the

U.S. Department of Commerce's Bureau of Industry and Security, sanctions laws administered by the U.S. Department of the Treasury's Office of Foreign Assets Control or by the U.S. Department of State, and import regulations administered by U.S. Customs and Border Protection. Service Recipient and Service Provider shall use commercially reasonable means to supply each other on a timely basis with documentation and assistance required to complete the export and/or importation process associated with the provision or receipt of Services, as applicable. Any performance obligation arising under this TSA is contingent upon prior receipt by Service Recipient and/or its Affiliates of all necessary government authorization, and Service Provider shall not be liable for any breach, non-performance or delay in performance resulting from the failure by Service Recipient or its Affiliates to obtain any such authorization. Notwithstanding the terms of Section 10 of this TSA, Service Recipient agrees to reimburse Service Provider for reasonable and documented out-of-pocket expenses actually incurred by Service Provider for responding to any government-initiated audit related to export and/or import transactions, including the cross-border provision of services under this TSA. Notwithstanding Section 10, Service Recipient shall be liable for any surcharges, penalties or damages assessed or incurred for violations of sanctions, export and/or import-related laws and regulations applicable to transactions for which Service Provider will provide Services under this TSA, except for violations caused by any deliberate and willful act or omissions of Service Provider.

6.11.2 Notwithstanding the foregoing, Service Provider shall not be required to undertake or perform any obligation set forth in Section 6.11.1 if Service Provider (or one of its Affiliates) did not undertake or perform the applicable activity prior to Closing and Service Provider shall not be responsible for undertaking or performing any such obligation to a greater degree and extent than, or for incurring any expenses in connection therewith greater than, that undertaken, performed or incurred prior to Closing.

6.12 Transition Planning. Service Recipient shall, as soon as reasonably practicable following the Effective Date, and in any event no later than **[•]**, provide in writing to Service Provider a draft transition plan with respect to transfer or termination of the Services (the "Transition Plan"), which Transition Plan shall describe Service Recipient's proposed transition activities and any transition assistance Service Recipient requests from Service Provider in connection with such transfer or termination. Service Provider will review and comment on the Transition Plan and the Parties shall reasonably cooperate with each other to create a final Transition Plan. The Transition Plan shall provide for a completion date that is no later than the last date of the Agreement Term. Without limiting the obligations of the Service Provider under an applicable Service Schedule, the Service Provider shall reasonably cooperate with and offer such commercially reasonable assistance to the Service Recipient at Service Recipient's cost as set forth therefor in the Service Schedule (or if not set forth in the Service Schedule, then at Service Recipient's cost), as is necessary to implement the Service Recipient's final Transition Plan and the transfer of responsibility for the provision of the Services to Service Recipient or a new provider.

6.13 Ownership of Business Data. For the purposes of this TSA, the term "Business Data" shall mean any and all business, accounting, personnel and customer-related data or other similar records, data and information, in each case, to the extent exclusively related to the business of Service Recipient that is generated, collected or serviced in connection with the Services (including data that is associated with the services set forth on a Service Schedule). The Parties hereby agree that any and all such Business Data shall be owned exclusively by the Service Recipient, and Service Provider (on its own behalf and on behalf of each of its Affiliates who may provide Services hereunder) hereby assigns and agrees to assign (and shall cause each Affiliate who provides Services hereunder) to Service Recipient all Intellectual Property Rights in such Business Data. Service Provider and its Affiliates shall not make any use of Business Data for any reason other than to provide Services hereunder or as required by applicable Legal Requirements.

SECTION 7. Force Majeure. Except for the obligation to pay for Services already provided, neither Party nor any of their respective Affiliates (nor any Person acting on its or their behalf) shall bear any responsibility or liability for any Losses arising out of any delay, inability to perform or interruption of its performance of obligations under this TSA due to events beyond the reasonable control of such Party, including acts of God, acts of Governmental Authority, acts of the public enemy or due to terrorism, war, epidemic, pandemic, riot, flood, civil unrest, insurrection, strike or labor difficulty, severe weather conditions, lack of or shortage of electrical power, systemic malfunctions of equipment or software programs or any other similar event outside of the reasonable control of Service Provider or its Affiliates or any applicable third-party service provider (any such cause or event, hereinafter referred to as a "Force Majeure Event"). In such event, the obligations hereunder of such Party in providing the impacted Service or performing its obligations under this TSA shall be suspended for such time as its performance is suspended or delayed on account thereof but only to the extent that the Force Majeure Event prevents such Party or its Affiliates from performing its duties and obligations hereunder. During the duration of the Force Majeure Event, such Party shall use all commercially reasonable efforts to avoid or remove such Force Majeure Event and shall use all commercially reasonable efforts to resume its performance under this TSA with the least practicable delay. A Force Majeure Event shall not toll or otherwise extend the Agreement Term. Service Recipient shall not be obligated to pay Service Provider for Services with respect to the period when Service Provider is not providing such Services due to a Force Majeure Event and Service Recipient waives all claims for damages related thereto.

SECTION 8. Representations and Warranties.

8.1 Authorization. Each of WDC and Spinco represents and warrants that (a) it has the requisite power and authority to execute and deliver this TSA and to perform the transactions contemplated hereby; (b) all corporate or limited liability company, as the case may be, action on the part of such party necessary to approve or to authorize the execution and delivery of this TSA and the performance

of the transactions contemplated hereby to be performed by it has been duly taken; and (c) assuming the due execution hereof by the other Party hereto, this TSA is a valid and binding obligation of such party, enforceable in accordance with its terms, subject to the effect of principles of equity and the applicable bankruptcy, insolvency or other similar laws, now or hereafter in effect, affecting creditors' rights generally and other customary qualifications.

8.2 DISCLAIMER. EXCEPT AS EXPRESSLY SET FORTH HEREIN OR IN ANY OTHER TRANSACTION DOCUMENT, EACH PARTY (ON BEHALF OF ITSELF AND ITS AFFILIATES) (A) ACKNOWLEDGES AND AGREES THAT THE SERVICES ARE PROVIDED "AS IS," (B) ASSUMES ALL RISKS AND LIABILITIES ARISING FROM OR RELATING TO ITS USE OF, AND RELIANCE UPON, THE SERVICES, AND (C) ACKNOWLEDGES AND AGREES THAT EXCEPT AS EXPRESSLY SET FORTH HEREIN OR IN ANY OTHER TRANSACTION DOCUMENT, SERVICE PROVIDER MAKES NO REPRESENTATIONS OR WARRANTIES IN RESPECT OF THE SERVICES OR ANY FACILITIES, RESOURCES OR ITEMS TO BE DELIVERED OR PROVIDED TO SERVICE RECIPIENT OF ANY KIND, NATURE OR DESCRIPTION, EXPRESS OR IMPLIED, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE OR NON-INFRINGEMENT, AND SERVICE PROVIDER HEREBY EXPRESSLY DISCLAIMS THE SAME.

SECTION 9. Indemnification.

9.1 Service Recipient Indemnification Obligation. Subject to Section 10 of this TSA, Service Recipient shall defend, indemnify and hold harmless Service Provider and its Affiliates, and its and their respective directors, partners, officers, employees and agents (each, a "Service Provider Indemnified Party"), against any and all Losses suffered, sustained, incurred or paid arising from or relating to breach by Service Recipient of its obligations under this TSA.

9.2 Service Provider Indemnification Obligation. Subject to Section 10 of this TSA, Service Provider shall defend, indemnify and hold harmless Service Recipient and its Affiliates, and its and their respective directors, partners, officers, employees and agents (each, a "Service Recipient Indemnified Party"), against any and all Losses suffered, sustained, incurred or paid arising from or relating to breach by Service Provider of its obligations under this TSA.

9.3 Indemnification Notice and Procedures. The indemnification procedures set forth in [Sections 4.6–4.8 andSections 4.10-11] of the SDA and the Tax Matters Agreement shall apply *mutatis*, *mutandis* to the indemnified and indemnifying parties hereunder as if fully set forth herein.

SECTION 10. Limitation of Liability.

10.1 NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS TSA, EXCEPT FOR LOSSES ARISING FROM (A) ACTUAL AND INTENTIONAL FRAUD, GROSS NEGLIGENCE AND WILLFUL MISCONDUCT, AND (B) KNOWING AND INTENTIONAL VIOLATION OF APPLICABLE LAWS, NO PARTY (INCLUDING ITS RESPECTIVE AFFILIATES AND SUBCONTRACTORS, AS APPLICABLE) SHALL BE LIABLE FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, SPECIAL, EXEMPLARY OR PUNITIVE DAMAGES (INCLUDING LOST OR ANTICIPATED REVENUES, LOSS OF PROFITS, LOST OR ANTICIPATED SAVINGS, LOSS OF BUSINESS OPPORTUNITY OR INJURY TO GOODWILL RELATING TO THE SAME AND ATTORNEY'S FEES) ARISING FROM ANY CLAIM RELATING TO THIS AGREEMENT OR ANY OF THE SERVICES TO BE PROVIDED HEREUNDER OR THE PERFORMANCE OF OR FAILURE TO PERFORM ITS OBLIGATIONS UNDER THIS AGREEMENT, WHETHER SUCH CLAIM IS BASED ON WARRANTY, CONTRACT, TORT (INCLUDING NEGLIGENCE OR STRICT LIABILITY) OR OTHERWISE, AND REGARDLESS OF WHETHER SUCH DAMAGES ARE FORESEEABLE OR AN AUTHORIZED REPRESENTATIVE OF THE OTHER PARTY IS ADVISED OF THE POSSIBILITY OR LIKELIHOOD OF SUCH DAMAGES.

10.2 NOTWITHSTANDING ANYTHING TO THE CONTRARY IN THIS AGREEMENT AND EXCLUDING AMOUNTS DUE UNDER SECTION 4, EXCEPT FOR LOSSES ARISING FROM (A) ACTUAL AND INTENTIONAL FRAUD, GROSS NEGLIGENCE AND WILLFUL MISCONDUCT, (B) KNOWING AND INTENTIONAL VIOLATION OF APPLICABLE LAWS, (C) BREACHES OF SECTION 11 (*CONFIDENTIALITY*), AND (D) INDEMNIFICATION OBLIGATIONS UNDER SECTION 9 (*INDEMNIFICATION*), NO PARTY'S TOTAL LIABILITY (INCLUDING ITS RESPECTIVE AFFILIATES AND SUBCONTRACTORS' LIABILITY, AS APPLICABLE) FOR LOSSES ARISING UNDER THIS TSA SHALL EXCEED THE AGGREGATE AMOUNT OF FEES PAID UNDER THIS AGREEMENT, REGARDLESS OF WHETHER SUCH DAMAGES ARE FORESEEABLE OR AN AUTHORIZED REPRESENTATIVE OF THE OTHER PARTY IS ADVISED OF THE POSSIBILITY OR LIKELIHOOD OF SUCH DAMAGES.

SECTION 11. Confidentiality.

11.1 Duty of Confidentiality. With respect to any non-public information disclosed by a Party (or its Affiliates or representatives) (the "Disclosing Party") to the other Party (or its Affiliates or representatives) (the "Receiving Party") after Closing for the purpose of this TSA which non-public information is either marked or otherwise identified as confidential or proprietary or would reasonably be considered confidential or proprietary in light of the nature of the information (collectively, the "TSA Confidential Information"), the Receiving Party agrees that (i) it will keep such TSA Confidential Information confidential, using at least the

same degree of care used to protect its own confidential or proprietary information, but not less than reasonable care, to prevent the disclosure or accessibility to others of the Disclosing Party's TSA Confidential Information and (ii) it will use the Disclosing Party's TSA Confidential Information only for the purpose of performing its obligations under this TSA. The Receiving Party shall limit dissemination of and access to the Disclosing Party's TSA Confidential Information to only such of its Affiliates, advisers, employees, agents or contactors (including, in the case of Service Provider, any third party engaged to provide the Services hereunder) or consultants who have a need to know for the purpose of this TSA; *provided* that (1) any third party to which TSA Confidential Information is provided by a Receiving Party is subject to confidentiality and non-use obligations with respect to such TSA Confidential Information at least as protective as the obligations set forth herein and (2) the Receiving Party shall be responsible for any breach of such obligations by any such third party to the same extent as if the Receiving Party had breached its confidentiality and non-use obligations hereunder. The Parties' confidentiality obligations with respect to non-public information of one Party in the possession of the other Party as of Closing shall be governed by the SDA and not this Section 11 of the TSA.

11.2 Exclusions. 12.2 Entire Agreement. This TSA, including any schedules and amendments hereto and thereto, and the other agreements and documents referred to herein and therein, shall together constitute the entire agreement between the Parties with respect to the subject matter hereof and thereof and shall supersede all prior negotiations, agreements and understandings, both written and oral, between the Parties with respect to such subject matter hereof and thereof. The Service Schedules to this TSA shall be deemed incorporated in this TSA and shall form a part of it.

12.3 Amendment and Waivers.

12.3.1 This TSA may be amended or supplemented in any and all respects and any provision of this TSA may be waived and any such waiver shall be binding upon a Party, only if such waiver is set forth in a writing executed by such waiving Party bound thereby, and any such amendment or supplement shall be effective only if set forth in a writing executed by each of the Parties; and any such waiver, amendment or supplement shall not be applicable or have any effect except in the specific instance in which it is given. No course of dealing between or among any Persons having any interest in this TSA shall be deemed effective to modify, amend or discharge any part of this TSA or any rights or obligations of any Party under or by reason of this TSA.

12.3.2 Notwithstanding the foregoing, no failure on the part of any Party to exercise any power, right, privilege or remedy under this TSA, and no delay on the part of any Party hereto in exercising any power, right, privilege or remedy under this TSA, shall operate as a waiver of such power, right, privilege or remedy; and no single or partial exercise of any such power, right, privilege or remedy shall preclude any other or further exercise thereof or of any other power, right, privilege or remedy. The rights and remedies hereunder are cumulative and not exclusive of any rights or remedies that any Party would otherwise have. Any waiver, permit, consent or approval of any kind or character of any breach or default under this TSA or any such waiver of any provision of this TSA must satisfy the conditions set forth in Section 12.3.1 and shall be effective only to the extent in such writing specifically set forth.

12.4 Severability. Any term or provision of this TSA which is invalid or unenforceable in any situation in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this TSA in any other jurisdiction or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If any provision of this TSA is so broad as to be unenforceable, such provision shall be interpreted to be only so broad as is enforceable. If a final judgment of a court of competent jurisdiction declares that any term or provision of this TSA is invalid or unenforceable, the Parties agree that the court making such determination shall have the power to limit such term or provision, to delete specific words or phrases or to replace such term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this TSA shall be valid and enforceable as so modified. In the event such court does not exercise the power granted to it in the prior sentence, the Parties agree to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable term or provision.

12.5 Governing Law; Specific Performance; Forum; Waiver of Jury Trial.

12.5.1 This TSA and the consummation of the transactions contemplated hereby, and any Action (whether at law, in contract, in tort or otherwise) arising out of or relating to this TSA and the consummation of the transactions contemplated hereby, or the negotiation, validity, interpretation, performance, breach or termination of this TSA and the consummation of the transactions contemplated hereby, shall be governed by and construed in accordance with the internal law of the State of Delaware regardless of the law that might otherwise govern under applicable principles of conflicts of law thereof. In addition, each of the Parties irrevocably agrees that, subject (except in the case of any legal action or proceeding seeking specific performance) to prior compliance with Section 3.2, any legal action or proceeding with respect to this TSA and the rights and obligations arising hereunder, or for recognition and enforcement of any judgment in respect of this TSA and the rights and obligations arising hereunder, brought by any other Party or its respective successors or assigns, shall be brought and determined exclusively in the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or, if the Delaware Court of Chancery declines to accept jurisdiction over a particular matter, any state or federal court within the State of Delaware). Each of the Parties hereby irrevocably submits with regard to any such action or proceeding for itself and in respect of its property, generally and unconditionally, to the personal jurisdiction of the aforesaid courts and agrees that it will not bring any action relating to this TSA or any of the transactions contemplated by this TSA in any court other than the aforesaid courts. Each of the Parties hereby irrevocably waives, and agrees not to assert, by way of motion, as a defense, counterclaim or otherwise, in any action or proceeding with respect to this TSA: (a) any claim that it is not personally subject to the jurisdiction of the above named courts for any reason other than the failure to serve in accordance with this Section 12.5; (b) any claim that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise); and (c) to the fullest extent permitted by applicable Legal Requirements, any claim that: (i) the suit, action or proceeding in such court is brought in an inconvenient forum; (ii) the venue of such suit, action or proceeding is improper; or (iii) this TSA, or the subject matter hereof, may not be enforced in or by such courts (other than by reason of, except in the case of any action or proceeding for specific performance, needing to first comply with the provisions of Section 3.2). The Parties agree that service of any court paper may be made in any manner as may be provided under the applicable Legal Requirements or court rules governing service of process in such court. The Parties agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Legal Requirements. EACH OF THE PARTIES HEREBY IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION OR LEGAL PROCEEDING (WHETHER AT LAW, IN CONTRACT, IN TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS TSA OR THE TRANSACTIONS CONTEMPLATED HEREBY.

12.5.2 Each of the Parties acknowledges and agrees that any other Party to this TSA would be damaged irreparably and suffer unreasonable hardship in the event that any term or provision of this Agreement is not performed in accordance with its specific terms or is otherwise breached or violated. Accordingly, each of the Parties agrees that, any other Party may, by posting a bond or other undertaking, without regard to compliance with Section 3.2, seek an injunction or injunctions to prevent breaches or violations of the provisions of this TSA and to seek to enforce specifically this TSA and the terms and provisions hereof and thereof in any claim instituted in any court with jurisdiction over the Parties or their assets in addition to any and all other rights and other remedies at law or in equity and all such rights and remedies will be cumulative.

12.6.6 As used in this TSA, the word “extent” in the phrase “to the extent” shall mean the degree to which a subject or other thing extends, and such phrase shall not mean simply “if.”

This TSA may be executed and delivered by facsimile transmission, by electronic mail in “portable document format” (“.pdf”) form or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, or by combination of such means. The exchange of a fully executed agreement (in counterparts or otherwise) by facsimile or electronic transmission shall be treated in all manner and respects as an original agreement and shall be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person.

12.8 Assignability; Binding Effect. This TSA shall be binding upon, and shall be enforceable by and inure solely to the benefit of, the Parties and their respective successors and permitted assigns. Neither this TSA nor any Party’s rights, interests or obligations hereunder may be assigned or delegated by any such Party, in whole or in part (whether by operation of law or otherwise), without the prior written consent of the other Parties; *provided, however*, that (a) Service Provider may freely assign its rights under this TSA, in whole or in part, and its rights and obligations hereunder (x) to an Affiliate of Service Provider, or (y) in connection with a sale or restructuring of any of its businesses or assets to which this TSA relates, (b) the rights of Service Recipient hereunder may be assigned in part for a relevant

Service to its Affiliate who is the intended recipient of such Services and (c) any Party may assign this TSA in whole in connection with a merger transaction in which such party is not the surviving entity. Except as set forth in the preceding sentence, any attempted assignment or delegation of this TSA or any of such rights or obligations by any Party without the prior written consent of the other Party shall be void and of no effect. Except as set forth in Section 12.9, nothing in this TSA, express or implied, is intended to or shall confer upon any Person (other than the Parties and their permitted successors and assigns) any power, right, privilege or remedy of any nature whatsoever under or by reason of this TSA.

12.9 No Third-Party Beneficiaries. Except for the provisions of Section 9 with respect to indemnification of indemnified parties, which is intended to benefit and be enforceable by the Persons specified therein as indemnified parties, this TSA is solely for the benefit of the Parties and their respective successors and permitted assigns, and is not intended, and shall not be deemed, to (x) create any agreement of employment with any person, (y) confer on third parties (including any employee of the Flash Business, the Service Recipient or Service Provider) any remedy, claim, reimbursement, claim of action or other right in addition to those existing without reference to this TSA, or (z) otherwise create any third-party beneficiary hereto.

(a) Allocation of Taxes Relating to Joint Returns.

(i) In the case of any Joint Return that relates solely to a Pre-Distribution Period, Spinco and WDC shall each pay and be responsible for fifty percent (50%) of any and all Taxes that are due with respect to or required to be reported on any such Joint Return (including any increase in such Taxes as a result of a Final Determination).

(ii) In the case of any Joint Return that relates to a Straddle Period and with respect to which a member of the WDC Group is the common parent: (A) Spinco shall pay and be responsible for fifty percent (50%) of any and all Taxes that are (I) due with respect to or required to be reported on any such Joint Return and (II) allocable to a Pre-Distribution Period in accordance with Section 2.1(c) (including any increase in such Taxes as a result of a Final Determination), and (B) WDC shall pay and be responsible for all other Taxes that are due with respect to or required to be reported on any such Joint Return (including any increase in such Taxes as a result of a Final Determination).

(iii) In the case of any Joint Return that relates to a Straddle Period and with respect to which a member of the Spinco Group is common parent: (A) WDC shall pay and be responsible for fifty percent (50%) of any and all Taxes that are (I) due with respect to or required to be reported on any such Joint Return and (II) allocable to a Pre-Distribution Period in accordance with Section 2.1(c) (including any increase in such Taxes as a result of a Final Determination), and (B) Spinco shall pay and be responsible for all other Taxes that are due with respect to or required to be reported on any such Joint Return (including any increase in such Taxes as a result of a Final Determination).

(iv) Notwithstanding anything herein to the contrary, in the case of any Joint Return that relates to a Straddle Period with respect to which (A) a member of the WDC Group is the common parent, WDC shall be responsible for one hundred percent (100%) of any Taxes reflected on such Joint Return that are imposed with respect to amounts required to be included in income under Section 951(a) or Section 951A of the Code; and (B) a member of the Spinco Group is the common parent, Spinco shall be responsible for one hundred percent (100%) of any Taxes reflected on such Joint Return that are imposed with respect to amounts required to be included in income under Section 951(a) or Section 951A of the Code.

(b) Allocation of Taxes Relating to Separate Returns. Except as otherwise provided herein:

(i) Spinco shall pay and be responsible for any and all Taxes due with respect to or required to be reported on any Spinco Separate Return (including any increase in such Taxes as a result of a Final Determination) for all Tax Periods.

(ii) WDC shall pay and be responsible for any and all Taxes due with respect to or required to be reported on any WDC Separate Return (including any increase in such Taxes as a result of a Final Determination) for all Tax Periods.

(c) In the case of any Joint Return for any Straddle Period:

(i) The amount of any Tax with respect to such Straddle Period that is based on or measured by income, sales, use, receipts, or other similar items shall be allocated between the Pre-Distribution Period and Post-Distribution Period based on the Closing of the Books Method.

(ii) The amount of any Tax with respect to a Straddle Period other than Taxes described in Section 2.2(c)(i) shall be allocated between the Pre-Distribution Period and the Post-Distribution Period by multiplying the total amount of such Tax for the entire Straddle Period by a fraction, the numerator of which is the number of calendar days in the Straddle Period ending on, and including, the Distribution Date, and the denominator of which is the number of calendar days in the entire Straddle Period, and allocating the result to the Pre-Distribution Period and the remainder of such Tax to the Post-Distribution Period.

(d) The amount of Taxes allocable to Spinco or WDC pursuant to Section 2.1(a) with respect to any Joint Return for any Tax Period shall not be less than zero. For the avoidance of doubt, WDC shall not be required to make any payment to Spinco, nor shall Spinco be required to make any payment to WDC, to the extent that Tax Items of a member of the WDC Group or of the Spinco Group, as the case may be, may reduce the aggregate Taxes owed with respect to any Joint Return.

2.3 Allocation of Employment Taxes. Liability for Employment Taxes shall be determined pursuant to the Employee Matters Agreement.

2.4 Tax Refunds.

(a) To the extent that a Party is allocated the liability for a given Tax pursuant to Exhibit A, such Party shall be entitled to any Refunds arising in a Pre-Distribution Period directly or indirectly from the Adjustment giving rise to the liability for such Tax, computed on a "with and without" basis.

(b) Except as set forth in Section 2.4(a), WDC shall be entitled to all Refunds of Taxes the liability for which is allocated to WDC pursuant to this Agreement, and Spinco shall be entitled to all Refunds of Taxes the liability for which is allocated to Spinco pursuant to this Agreement. This Section 2.4(b) shall be applied looking solely to the allocation of the Tax for which a Refund is received, regardless of whether an Adjustment to a separate Tax may have impacted the presence or amount of such Refund.

(c) Spinco shall pay to WDC any Refund received by Spinco or any member of the Spinco Group that is allocable to WDC pursuant to this Section 2.4 no later than fifteen (15) Business Days after the receipt of such Refund. WDC shall pay to Spinco any Refund received by WDC or any member of the WDC Group that is allocable to Spinco pursuant to this Section 2.4 no later than fifteen (15) Business Days after the receipt of such Refund. For purposes of this Section 2.4, any Refund that arises as a result of an offset, credit, or other similar benefit in respect of Taxes other than a receipt of cash shall be deemed to be received on the earlier of (i) the date on which a Tax Return is filed claiming such offset, credit, or other similar benefit and (ii) the date on which payment of the Tax which would have otherwise been paid absent such offset, credit, or other similar benefit is due (determined without taking into account any applicable extensions).

(d) In the event that Refund received after the date hereof is later disallowed or reduced in whole or in part, resulting in a Tax liability, such Tax shall be allocated amongst the Parties in the same manner as such underlying Refund was allocated.

2.5 Prior Agreements. Except as set forth in this Agreement and in consideration of the mutual indemnities and other obligations of this Agreement, any and all prior Tax sharing or allocation agreements or practices between any member of the WDC Group and any member of the Spinco Group shall be terminated with respect to the Spinco Group and the WDC Group as of the Distribution Date. No member of either the Spinco Group or the WDC Group shall have any continuing rights or obligations under any such agreement.

WDC shall prepare and file when due (taking into account any applicable extensions), or shall cause to be prepared and filed, all Joint Returns for which a member of the WDC Group is the common parent and all WDC Separate Returns, including any amended Joint Returns or amended WDC Separate Returns. WDC shall be the "Preparing Party" with respect to Tax Returns described in this Section 3.1.

3.2 Spinco's Responsibility. Spinco shall prepare and file when due (taking into account any applicable extensions), or shall cause to be prepared and filed, all Tax Returns required to be filed by or with respect to members of the Spinco Group other than those Tax Returns which WDC is required to prepare and file under Section 3.1, including any amended Tax Returns. Spinco shall be the "Preparing Party" with respect to Tax Returns described in this Section 3.2.

3.3 Right to Review Tax Returns. To the extent that the positions taken on any Tax Return (i) reasonably relate to matters for which the Reviewing Party has an indemnification obligation to the Preparing Party or (ii) would reasonably be expected to materially affect the Tax position of the Reviewing Party, the Preparing Party shall (x) prepare the portions of such Tax Return that relate to such indemnification obligation or Tax position and (y) provide a draft of such portion of such Tax Return to the Reviewing Party for its review and comment at least thirty (30) Business Days prior to the due date for such Tax Return. The Reviewing Party shall thereafter have fifteen (15) Business Days to review such portion of such Tax Return and provide reasonable comments, if any, on such portion of such Tax Return to the Preparing Party, provided, however, that the Reviewing Party shall provide any comments it may have to the Preparing Party no later than two (2) Business Days prior to the due date for such Tax Return (taking into account any applicable extensions). The Parties shall negotiate in good faith to resolve any disputes relating to the review of a Tax Return pursuant to this Section 3.3. Any disputes that the Parties are unable to resolve shall be resolved by the Accounting Firm pursuant to Article IX. In the event that any dispute is not resolved (whether pursuant to good faith negotiations among the Parties or by the Accounting Firm) prior to the due date for the filing of any Tax Return (taking into account any applicable extensions), such Tax Return shall be timely filed by the Preparing Party and the Parties shall amend such Tax Return as necessary to reflect the resolution of such dispute in a manner consistent with such resolution. Notwithstanding the foregoing, in the case of a WDC Consolidated Tax Return, the covenants and obligations set forth in this Section 3.3 shall not apply.

3.4 Cooperation. The Parties shall provide, and shall cause their Affiliates to provide, assistance and cooperation to one another in accordance with Article VII with respect to the preparation and filing of Tax Returns, including providing information required to be provided in Article VIII. Notwithstanding anything to the contrary in this Agreement, WDC shall not be required to disclose to Spinco any consolidated, combined, unitary, or other similar Joint Return of which a member of the WDC Group is the common parent or any information related to such a Joint Return other than information relating solely to the Spinco Group; provided that WDC and Spinco shall each provide such additional information to the other Party as is reasonably required for such other Party to determine the Taxes for which it is liable pursuant to Article II.

3.5 Tax Reporting Practices. Except as provided in Section 3.6 or as otherwise agreed among the Parties, with respect to any Separate Return including matters for which the Reviewing Party has an indemnification obligation to the Preparing Party, such Tax Return shall be prepared in a manner consistent with past practices, accounting methods, elections and conventions ("Past Practices") used with respect to the Tax Returns in question, and to the extent any items are not covered by Past Practices, in accordance with reasonable Tax accounting practices selected by the Preparing Party.

3.6 Reporting of the Transactions. The Tax treatment of any step in or portion of the Internal Restructuring, Spinco Contribution, and Distribution shall be reported on each applicable Tax Return consistently with the Tax-Free Status of the Transactions, taking into account the jurisdiction in which such Tax Returns are filed. If WDC determines, in its sole discretion, that a protective election under Section 336(e) of the Code shall be made with respect to the Distribution, Spinco agrees to take any such action that is necessary to effect such election, including any corresponding election with respect to any of its Subsidiaries, as determined by WDC. If such a protective election is made, this Agreement shall be amended in such a manner as is determined by WDC in its good faith discretion to compensate WDC for any Tax benefits realized by Spinco as a result of such election.

3.7 Payment of Taxes.

(a) With respect to any Tax Return required to be filed pursuant to this Agreement, the Preparing Party shall remit or cause to be remitted to the applicable Taxing Authority in a timely manner any Taxes due in respect of any such Tax Return.

(b) In the case of any Tax Return for which the Party that is not the Preparing Party is obligated pursuant to this Agreement to pay all or a portion of the Taxes reported as due on such Tax Return, the Preparing Party shall notify the other Party, in writing, of its obligation to pay such Taxes and, in reasonably sufficient detail, its calculation of the amount due by such other Party and the Party receiving such notice shall pay such amount to the Preparing Party upon the later of five (5) Business Days prior to the date on which such payment is due and fifteen (15) Business Days after the receipt of such notice.

(c) With respect to any estimated Taxes, the Party that is or will be the Preparing Party with respect to any Tax Return that will reflect (or otherwise give credit for) such estimated Taxes shall remit or cause to be remitted to the applicable Taxing Authority in a timely manner any estimated Taxes due. In the case of any estimated Taxes for which the Party that is not the Preparing Party is obligated pursuant to this Agreement to pay all or a portion of the Taxes that will be reported as due on any Tax Return that will reflect (or otherwise give credit for) such estimated Taxes, the Preparing Party shall notify the other Party, in writing, of its obligation to pay such estimated Taxes and, in reasonably sufficient detail, its calculation of the amount due by such other Party and the Party receiving such notice shall pay such amount to the Preparing Party upon the later of five (5) Business Days prior to the date on which such payment is due and fifteen (15) Business Days after the receipt of such notice.

3.8 Amended Returns and Carrybacks.

(a) Spinco shall not, and shall not permit any member of the Spinco Group to, file or allow to be filed any request for an Adjustment for any Tax Period (or portion thereof) ending on or before the Distribution Date (including for the avoidance of doubt, the portion of any Straddle Period ending at the end of the day on the Distribution Date) without the prior written consent of WDC, such consent to be exercised in WDC's sole discretion.

(b) Spinco shall, and shall cause each member of the Spinco Group to, make any available elections to waive the right to carry back any Tax Attribute (i) from a Tax Period or portion thereof ending after the Distribution Date to a Joint Return in respect of a Tax Period or portion thereof ending on or before the Distribution Date and (ii) from a Tax Period or portion thereof ending after the Distribution Date to a Joint Return in respect of a Tax Period or portion thereof ending on or before the Distribution Date.

(c) Spinco shall not, and shall cause each member of the Spinco Group not to, without the prior written consent of WDC, make any affirmative election to carry back any Tax Attribute (i) from a Tax Period or portion thereof ending after the Distribution Date to a Joint Return in respect of a Tax Period or portion thereof ending on or before the Distribution Date or (ii) from a Tax Period or portion thereof ending after the Distribution Date to a Joint Return in respect of a Tax Period or portion thereof ending on or before the Distribution Date, in each case, such consent to be exercised in WDC's sole discretion.

(d) Receipt of consent by Spinco or a member of the Spinco Group from WDC pursuant to the provisions of thisSection 3.8 shall not limit or modify Spinco's continuing indemnification obligation pursuant to Article V.

3.9 Tax Attributes. WDC shall in good faith advise Spinco in writing of the amount, if any of any Tax Attributes, which WDC determines, in its good faith discretion, shall be allocated or apportioned to the Spinco Group under applicable Law. Spinco and all members of the Spinco Group shall prepare all Tax Returns in accordance with such written notice. Spinco agrees that it shall not dispute WDC's allocation or apportionment of Tax Attributes. For the avoidance of doubt, WDC shall not be required to create or cause to be created any books and records or reports or other documents based thereon (including, without limitation, "earnings & profits studies," "basis studies" or similar determinations) that it does not maintain or prepare in the ordinary course of business in order to comply with this Section 3.9.

WDC, on behalf of itself and all other members of the WDC Group, hereby confirms and agrees to comply with any and all covenants and agreements in the Tax Materials applicable to WDC or any member of the WDC Group or the Non-Flash Business.

(b) Spinco, on behalf of itself and all other members of the Spinco Group, hereby represents and warrants that (i) it has examined the Tax Materials and (ii) the facts presented and representations that have been or will be made therein, to the extent descriptive of or otherwise relating to Spinco or any member of the Spinco Group or the Flash Business, were or will be, at the time presented or represented and from such time until and including the Distribution Date, true, correct, and complete in all material respects. Spinco, on behalf of itself and all other members of the Spinco Group, hereby confirms and agrees to comply with any and all covenants and agreements in the Tax Materials applicable to Spinco or any member of the Spinco Group or the Flash Business.

(c) Each of WDC, on behalf of itself and all other members of the WDC Group, and Spinco, on behalf of itself and all other members of the Spinco Group represents and warrants that it knows of no fact (after due inquiry) that may cause the Tax treatment of the Internal Restructuring, Spinco Contribution or Distribution to be other than the Tax-Free Status of the Transactions.

(d) Each of WDC, on behalf of itself and all other members of the WDC Group, and Spinco, on behalf of itself and all other members of the Spinco Group represents and warrants that it has no plan or intent to take any action which is inconsistent with any statements or representations made in the Tax Materials.

4.2 Restrictions Relating to the Distribution .

(a) Spinco, on behalf of itself and all other members of the Spinco Group, hereby covenants and agrees that no member of the Spinco Group will take, fail to take, or permit to be taken: (i) any action where such action or failure to act would be inconsistent with or cause to be untrue any statement, information, covenant or representation in the Tax Materials or (ii) any action which constitutes a Spinco Disqualifying Action.

(b) During the Restricted Period, Spinco:

(i) shall continue and cause to be continued the Active Trade or Business, taking into account Section 355(b)(3) of the Code, as conducted immediately prior to the Distribution;

(ii) shall not voluntarily dissolve or liquidate itself (including any action that is a liquidation for U.S. federal income tax purposes);

(iii) shall not (1) enter into any Proposed Acquisition Transaction or, to the extent Spinco has the right to prohibit any Proposed Acquisition Transaction, permit any Proposed Acquisition Transaction to occur, (2) redeem or otherwise repurchase (directly or through an Affiliate) any stock, or rights to acquire stock except to the extent such repurchases satisfy Section 4.05(1)(b) of Revenue Procedure 96-30 (as in effect prior to the amendment of such Revenue Procedure by Revenue Procedure 2003-48), (3) amend its certificate of incorporation (or other organizational documents), or take any other action, whether through a stockholder vote or otherwise, affecting the relative voting rights of its capital stock (including through the conversion of any capital stock into another class of capital stock), (4) merge or consolidate with any other Person or

(5) take any other action or actions (including any action or transaction that would be reasonably likely to be inconsistent with any representation made in the Tax Certificates) which in the aggregate would, when combined with any other direct or indirect changes in ownership of Spinco capital stock pertinent for purposes of Section 355(e) of the Code, have the effect of causing or permitting one or more Persons (whether or not acting in concert) to acquire directly or indirectly stock representing a fifty-percent or greater interest in Spinco or would reasonably be expected to result in a failure to preserve the Tax-Free Status of the Transactions;

(iv) shall not and shall not permit any member of the Spinco Group, to sell, transfer, or otherwise dispose of or agree to, sell, transfer or otherwise dispose (including in any transaction treated for federal income tax purposes as a sale, transfer or disposition) of assets (including, any shares of capital stock of a Subsidiary) that, in the aggregate, constitute more than 20% of the consolidated gross assets of Spinco or the Spinco Group. The foregoing sentence shall not apply to (1) sales, transfers, or dispositions of assets in the ordinary course of business, (2) any cash paid to acquire assets from an unrelated Person in an arm's-length transaction, (3) any assets transferred to a Person that is disregarded as an entity separate from the transferor for federal income tax purposes or (4) any mandatory or optional repayment (or pre-payment) of any indebtedness of Spinco or any member of the Spinco Group. The percentages of gross assets or consolidated gross assets of Spinco or the Spinco Group, as the case may be, sold, transferred, or otherwise disposed of, shall be based on the fair market value of the gross assets of Spinco and the members of the Spinco Group as of the Distribution Date. For purposes of this Section 4.2(b)(iv), a merger of Spinco or one of its Subsidiaries with and into any Person that is not a wholly owned Subsidiary of Spinco shall constitute a disposition of all of the assets of Spinco or such Subsidiary; and

(v) shall not take, and shall not permit any Affiliate to take, any action in violation of the restrictions set forth onExhibit B.

(c) Notwithstanding the restrictions imposed by Sections 4.2(a) and 4.2(b), Spinco or a member of the Spinco Group may take any of the actions or transactions described therein if Spinco either (i) obtains an Unqualified Tax Opinion or Post-Distribution Ruling, in each case, in form and substance reasonably satisfactory to WDC or (ii) obtains the prior written consent of WDC waiving the requirement that Spinco obtain an Unqualified Tax Opinion or Post-Distribution Ruling, such waiver to be provided in WDC's sole and absolute discretion. WDC's evaluation of an Unqualified Tax Opinion or Post-Distribution Ruling may consider, among other factors, the appropriateness of any underlying assumptions, representations, and covenants made in connection with such opinion. Spinco shall bear all costs and expenses of securing any such Unqualified Tax Opinion or Post-Distribution Ruling and shall reimburse WDC for all reasonable out-of-pocket expenses that WDC or any of its Affiliates may incur in good faith in seeking to obtain or evaluate any such Unqualified Tax Opinion or Post-Distribution Ruling. Neither the delivery of an Unqualified Tax Opinion or Post-Distribution Ruling nor WDC's waiver of Spinco's obligation to deliver an Unqualified Tax Opinion or Post-Distribution Ruling shall limit or modify Spinco's continuing indemnification obligation pursuant to Article V.

## ARTICLE V

5.1 Indemnity Obligations.

(a) WDC shall indemnify and hold harmless Spinco from and against, and will reimburse Spinco for, without duplication: (i) all liability for Taxes allocated to WDC pursuant to Article II, together with WDC' allocable portion of all accounting, legal and other professional fees, and court costs incurred in connection with such Taxes or any other out-of-pocket costs incurred in connection with such Taxes, (ii) all Taxes andTax-Related Losses arising out of, based upon, or relating or attributable to any breach of or inaccuracy in, or failure to perform, as applicable, any representation, covenant, or obligation of any member of the WDC Group pursuant to this Agreement, (iii) the amount of any Refund received by any member of the WDC Group that is allocated to Spinco pursuant to Section 2.4(a) and (iv) any Distribution Taxes and Tax-Related Losses, except to the extent attributable to a Spinco Disqualifying Action.

(b) Spinco shall indemnify and hold harmless WDC from and against, and will reimburse WDC for, without duplication: (i) all liability for Taxes allocated to Spinco pursuant to Article II, together with Spinco's allocable portion of all accounting, legal and other professional fees, and court costs incurred in connection with such Taxes or any other out-of-pocket costs incurred in connection with such Taxes, (ii) all Taxes andTax-Related Losses arising out of, based upon, or relating or attributable to any breach of or inaccuracy in, or failure to perform, as applicable, any representation, covenant, or obligation of any member of the Spinco Group pursuant to this Agreement, (iii) the amount of any Refund received by any member of the Spinco Group that is allocated to WDC pursuant to Section 2.4(a) and (iv) any Distribution Taxes and Tax-Related Losses attributable to a Spinco Disqualifying Action (regardless of whether the conditions set forth in Section 4.2(c) are satisfied).

(c) To the extent that any Tax orTax-Related Loss is subject to indemnity pursuant to both Sections 5.1(a) and 5.1(b), responsibility for such Tax or Tax-Related Loss shall be shared by WDC and Spinco according to relative fault. For purposes ofSection 5.1(a)(i) and Section 5.1(b)(i), a Party's allocable portion of fees or costs shall be equal to the percentage allocation of the underlying Tax to such Party under Article II.

5.2 Indemnification Payments.

(a) Except as otherwise provided in this Agreement, if either Party (the "Indemnitee") is required to pay to a Taxing Authority a Tax or to another Person a payment in respect of a Tax that the other Party (the "Indemnifying Party") is liable for under this Agreement, including as the result of a Final Determination, the Indemnitee shall notify the Indemnifying Party, in writing, of its obligation to pay such Tax and, in reasonably sufficient detail, its calculation of the amount due by such Indemnifying Party to the Indemnitee, including any Tax-Related Losses attributable thereto. The Indemnifying Party shall pay such amount, including any Tax-Related Losses attributable thereto, to the Indemnitee no later than the later of (i) five (5) Business Days prior to the date on which such payment is due to the applicable Taxing Authority or (ii) fifteen (15) Business Days after the receipt of notice from the other Party.

(b) If, as a result of any change or redetermination made with respect to Sections 2.1 or 2.2, any amount previously allocated to and borne by one Party pursuant to the provisions of Article II is thereafter allocated to the other Party, then, no later than fifteen (15) Business Days after such change or redetermination, such other Party shall pay to such Party the amount previously borne by such Party which is allocated to such other Party as a result of such change or redetermination.

5.3 Payment Mechanics.

(a) All payments under this Agreement shall be made by WDC directly to Spinco and by Spinco directly to WDC; provided, however, that if the Parties mutually agree with respect to any such indemnification payment, any member of the WDC Group, on the one hand, may make such indemnification payment to any member of the Spinco Group, on the other hand, and vice versa. All indemnification payments shall be treated in the manner described in Section 5.4.

(b) In the case of any payment of Taxes made by a Preparing Party or Indemnitee pursuant to this Agreement for which such Preparing Party or Indemnitee, as the case may be, has received a payment from the other Party, such Preparing Party or Indemnitee shall provide to the other Party a copy of any official government receipt received with respect to the payment of such Taxes to the applicable Taxing Authority (or, if no such official governmental receipts are available, executed bank payment forms or other reasonable evidence of payment).

5.4 Treatment of Payments. In the absence of any change in Tax treatment under the Code or except as otherwise required by other applicable Tax Law, any Tax indemnity payments made under this Agreement shall be reported for Tax purposes by the payor and the recipient as distributions or capital contributions, as appropriate, occurring immediately before the Distribution (but only to the extent the payment does not relate to a Tax allocated to the payor in accordance with Section 1552 of the Code or the Treasury Regulations thereunder or Treasury Regulation Section 1.1502-33(d) (or under corresponding principles of other applicable Tax Laws)) or as payments of an assumed or retained liability. Any Tax indemnity payment made under this Agreement shall be increased as necessary so that after making all payments in respect to Taxes imposed on or attributable to such indemnity payment, the recipient receives an amount equal to the sum it would have received had no such Taxes been imposed.

## ARTICLE VI

## TAX CONTESTS

6.1 Notice. Each Party shall notify the other Party in writing within fifteen (15) days after receipt by such Party or any member of its Group of a written communication from any Taxing Authority with respect to any pending or threatened audit, claim, dispute, suit, action, proposed assessment or other proceeding (a "Tax Contest") concerning any Taxes for which the other Party may be liable pursuant to this Agreement, and thereafter shall promptly forward or make available to such Party copies of notices and communications relating to such Tax Contest.

6.2 Separate Returns. In the case of any Tax Contest with respect to any Separate Return, the Party having the liability pursuant to Article II hereof for the Tax that is the subject of such Tax Contest shall have the sole responsibility and right to control the prosecution of such Tax Contest, including the exclusive right to communicate with agents of the applicable Taxing Authority and to control, resolve, settle, or agree to any deficiency, claim, or adjustment proposed, asserted, or assessed in connection with or as a result of such Tax Contest.

6.3 Joint Returns. Subject to Section 6.6, in the case of any Tax Contest with respect to any Joint Return, (a) WDC shall have the sole responsibility and right to control the prosecution of such Tax Contest to the extent it relates to a Joint Return for which a member of the WDC Group is the common parent and (b) Spinco shall have the sole responsibility and right to control the prosecution of such Tax Contest to the extent it relates to a Joint Return for which a member of the Spinco Group is the common parent, in each case, including the exclusive right to communicate with agents of the applicable Taxing Authority and to control, resolve, settle, or agree to any deficiency, claim, or adjustment proposed, asserted, or assessed in connection with or as a result of such Tax Contest.

6.4 Tax Contests Related to the Tax-Free Status of the Transactions. Notwithstanding Section 6.2 or Section 6.3, WDC shall have the sole responsibility and right to control the prosecution of any Tax Contest that relates to the Tax-Free Status of the Transactions (each, a "Tax-Free Status Tax Contest").

6.5 Obligation of Continued Notice. During the pendency of any Tax Contest or threatened Tax Contest, each of the Parties shall provide prompt notice to the other Party of any written communication received by it or a member of its respective Group from a Taxing Authority regarding any Tax Contest for which it is indemnified by the other Party hereunder or for which it may be required to indemnify the other Party hereunder. Such notice shall attach copies of the pertinent portion of any written communication from a Taxing Authority and contain factual information (to the extent known) describing any asserted Tax liability in reasonable detail and shall be accompanied by copies of any notice and other documents received from any Taxing Authority in respect of any such matters. Such notice shall be provided in a reasonably timely fashion; provided, however, that in the event that timely notice is not provided, a Party shall be relieved of its obligation to indemnify the other Party only to the extent that such delay results in actual increased costs or actual prejudice to such other Party.

6.6 Settlement Rights. Notwithstanding anything herein to the contrary, unless waived by the Parties in writing, in connection with any potential adjustment in a Tax Contest as a result of which adjustment the Non-Controlling Party may reasonably be expected to become liable to make any indemnification payment to the Controlling Party under this Agreement: (i) the Controlling Party shall keep the Non-Controlling Party informed in a timely manner of all actions taken or proposed to be taken by the Controlling Party with respect to such potential adjustment in such Tax Contest; (ii) the Controlling Party shall timely provide the Non-Controlling Party with copies of any correspondence or filings submitted to any Tax Authority or judicial authority in connection with such potential adjustment in such Tax Contest; (iii) the

Controlling Party shall defend such Tax Contest diligently and in good faith; (iv) the Controlling Party shall consult with the Non-Controlling Party and offer the Non-Controlling Party a reasonable opportunity to comment before submitting any written materials prepared or furnished in connection with such potential adjustment in such Tax Contest; and (v) the Controlling Party shall not settle such Tax Contest without the Non-Controlling Party's prior written consent (such consent not to be unreasonably withheld, conditioned or delayed). In the case of a Tax-Free Status Tax Contest, Spinco (at its sole expense) shall have the right to attend, any formally scheduled meetings with Tax Authorities or hearings or proceedings before any judicial authorities in connection with any potential adjustment in a Tax-Free Status Tax Contest pursuant to which the Spinco may reasonably be expected to become liable to make any indemnification payment to WDC under this Agreement. The failure of the Controlling Party to take any action specified in the preceding sentence with respect to the Non-Controlling Party shall not relieve the Non-Controlling Party of any liability and/or obligation which it may have to the Controlling Party under this Agreement except to the extent that the Non-Controlling Party was actually harmed by such failure, and in no event shall such failure relieve the Non-Controlling Party from any other liability or obligation which it may have to the Controlling Party.

## ARTICLE VII

## COOPERATION

7.1 General.

(a) Each Party shall fully cooperate, and shall cause all members of such Party's Group to fully cooperate, with all reasonable requests in writing from the other Party, or from an agent, representative or advisor to such Party, in connection with the preparation and filing of any Tax Return, claims for Refunds, the conduct of any Tax Contest, and calculations of amounts required to be paid pursuant to this Agreement, in each case, related or attributable to or arising in connection with Taxes of either Party or any member of either Party's Group covered by this Agreement and the establishment of any reserve required in connection with any financial reporting (a "Tax Matter"). Such cooperation shall include the provision of any information reasonably necessary or helpful in connection with a Tax Matter and shall include, without limitation, at each Party's own cost:

(i) the provision of any Tax Returns of either Party or any member of either Party's Group, books, records (including information regarding ownership and Tax basis of property), documentation and other information relating to such Tax Returns, including accompanying schedules, related work papers, and documents relating to rulings or other determinations by Taxing Authorities;

(ii) the execution of any document (including any power of attorney) in connection with any Tax Contest of either Party or any member of either Party's Group, or the filing of a Tax Return or a Refund claim of either Party or any member of either Party's Group;

(iii) the use of the Party's reasonable best efforts to obtain any documentation in connection with a Tax Matter; and

(iv) the use of the Party's reasonable best efforts to obtain any Tax Returns (including accompanying schedules, related work papers, and documents), documents, books, records or other information in connection with the filing of any Tax Returns of any of either Party or any member of either Party's Group.

Each Party shall make its employees and facilities available, without charge, on a mutually convenient basis to facilitate such cooperation. In the event that a member of the WDC Group, on the one hand, or a member of the Spinco Group, on the other hand, suffers a Tax detriment as a result of a Transfer Pricing Adjustment, the Parties shall cooperate pursuant to this Section 7 to seek any competent authority relief that may be available with respect to such Transfer Pricing Adjustment.

7.2 Consistent Treatment. Unless and until there has been a Final Determination to the contrary, each Party agrees not to take any position on any Tax Return, in connection with any Tax Contest or otherwise that is inconsistent with (a) the treatment of payments between the WDC Group and the Spinco Group as set forth in Section 5.4, or (b) the Tax-Free Status of the Transactions.

## ARTICLE VIII

## RETENTION OF RECORDS; ACCESS

8.1 Retention of Records. For so long as the contents thereof may become material in the administration of any matter under applicable Tax Law, but in any event until the later of (i) sixty (60) days after the expiration of any applicable statutes of limitation (including any waivers or extensions thereof) and (ii) seven years after the Distribution Date, the Parties shall retain records, documents, accounting data and other information (including computer data) necessary for the preparation and filing of all Tax Returns (collectively, "Tax Records") in respect of Taxes of any member of either the WDC Group or the Spinco Group for any Pre-Distribution Period, Straddle Period, or Post-Distribution Period or for any Tax Contests relating to such Tax Returns. At any time after the Distribution Date that the WDC Group proposes to destroy such records or documents, it shall first notify the Spinco Group in writing and the Spinco Group shall be entitled to receive such records or documents proposed to be destroyed. At any time after the Distribution Date that the Spinco Group proposes to destroy such records or documents, it shall first notify the WDC Group in writing and the WDC Group shall be entitled to receive such records or documents proposed to be destroyed. The Parties will notify each other in writing of any waivers or extensions of the applicable statute of limitations that may affect the period for which the foregoing records or other documents must be retained.

8.2 Access to Tax Records. The Parties and their respective Affiliates shall make available to each other for inspection and copying during normal business hours upon reasonable notice all Tax Records (and, for the avoidance of doubt, any pertinent underlying data accessed or stored on any computer program or information technology system) in their possession and shall permit the other Party and its Affiliates, authorized agents and representatives and any

representative of a Taxing Authority or other Tax auditor direct access, during normal business hours upon reasonable notice to any computer program or information technology system used to access or store any Tax Records, in each case to the extent reasonably required by the other Party in connection with the preparation of Tax Returns or financial accounting statements, audits, litigation, or the resolution of items pursuant to this Agreement. The Party seeking access to the records of the other Party shall bear all costs and expenses associated with such access, including any professional fees.

## ARTICLE IX

## DISPUTE RESOLUTION

In the event of any dispute between the Parties as to any matter covered by this Agreement, the Parties shall appoint a nationally recognized independent public accounting firm (the "Accounting Firm") to resolve such dispute. In this regard, the Accounting Firm shall make determinations with respect to the disputed items based solely on representations made by WDC and Spinco and their respective representatives, and not by independent review, and shall function only as an expert and not as an arbitrator and shall be required to make a determination in favor of one Party only. The Parties shall require the Accounting Firm to resolve all disputes no later than thirty (30) days after the submission of such dispute to the Accounting Firm, but in no event later than the due date for the payment of Taxes or the filing of the applicable Tax Return, if applicable, and agree that all decisions by the Accounting Firm with respect thereto shall be final and conclusive and binding on the Parties. The Accounting Firm shall resolve all disputes in a manner consistent with this Agreement and, to the extent not inconsistent with this Agreement, in a manner consistent with the Past Practices of WDC and its Subsidiaries, except as otherwise required by applicable Law. The Parties shall require the Accounting Firm to render all determinations in writing and to set forth, in reasonable detail, the basis for such determination. The fees and expenses of the Accounting Firm shall be borne equally by the Parties.

## ARTICLE X

## MISCELLANEOUS PROVISIONS

10.1 Effective Date. This Agreement shall be effective as of the date hereof. For the avoidance of doubt, this Agreement shall not apply to payments of Taxes (including estimated Taxes) made, or Tax Returns filed, prior to the date hereof, except as expressly set forth herein.

10.2 Entire Agreement. This Agreement, including any exhibits and amendments hereto, and the other agreements and documents expressly referred to herein, shall together constitute the entire agreement among the Parties with respect to the subject matter hereof and thereof and shall supersede all prior negotiations, agreements and understandings, both written and oral, among or between any of the Parties with respect to such subject matter hereof.

10.3 Governing Law. This Agreement and the consummation of the Transactions, and any Action (whether at law, in contract, in tort or otherwise) arising out of or relating to this Agreement and the consummation of the Transactions, or the negotiation, validity, interpretation, performance, breach or termination of this Agreement and the consummation of the Transactions, shall be governed by and construed in accordance with the internal law of the State of Delaware, regardless of the law that might otherwise govern under applicable principles of conflicts of law thereof.

10.4 Specific Performance; Jurisdiction.

(a) Except as otherwise provided herein, any and all remedies herein expressly conferred upon a Party shall be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by law or equity upon such party, and the exercise by a Party of any one remedy shall not preclude the exercise of any other remedy. Nothing in this Agreement shall be deemed a waiver by any Party of any right to specific performance or injunctive relief. The Parties understand and agree that the covenants and agreements on each of their parts herein contained are uniquely related to the desire of the Parties and their respective Affiliates to consummate the Transactions, that the Transactions are a unique business opportunity at a unique time for each of WDC and Spinco and their respective Affiliates, and further agree that irreparable damage would occur in the event that any provision of this Agreement were not performed in accordance with its specific terms, and further agree that, although monetary damages may be available for the breach of such covenants and agreements, monetary damages would be an inadequate remedy therefor. It is accordingly agreed that, in addition to any other remedy that may be available to it, including monetary damages, each of the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement exclusively in the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or, if the Delaware Court of Chancery declines to accept jurisdiction over a particular matter, any state or federal court within the State of Delaware). Each of the Parties further agrees that no Party shall be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Section 9.4 and each Party waives any objection to the imposition of such relief or any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

(b) Each of the Parties irrevocably agrees that, subject (except in the case of any legal action or proceeding seeking specific performance) to prior compliance with Article IX, any legal action or proceeding with respect to this Agreement and the rights and obligations arising hereunder, or for recognition and enforcement of any judgment in respect of this Agreement and the rights and obligations arising hereunder, brought by any other Party or its successors or assigns, shall be brought and determined exclusively in the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or, if the Delaware Court of Chancery declines to accept jurisdiction over a particular matter, any state or federal court within the State of Delaware). Each of the Parties hereby irrevocably submits with regard to any such action or proceeding for itself and in respect of its property, generally and unconditionally, to the personal jurisdiction of the aforesaid courts and agrees that it will not bring any action relating to this Agreement or any of the transactions contemplated by this Agreement in any court other than the aforesaid courts. Each of the Parties hereby irrevocably waives, and agrees not to assert, by way of motion, as a defense, counterclaim or otherwise, in any action or proceeding with respect to this Agreement: (i) any claim that it is not personally subject to the jurisdiction of the above named courts for any reason other than the failure to serve

in accordance with this Section 10.4; (ii) any claim that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise); and (iii) to the fullest extent permitted by the applicable Law, any claim that: (x) the suit, action or proceeding in such court is brought in an inconvenient forum; (y) the venue of such suit, action or proceeding is improper; or (z) this Agreement, or the subject matter hereof, may not be enforced in or by such courts (other than by reason of, except in the case of any action or proceeding for specific performance, needing to first comply with the provisions of Article IX). In the event that any suit or action is instituted to enforce any provision in this Agreement, the prevailing Party in such dispute shall be entitled to recover from the losing Party all fees, costs and expenses of enforcing any right of such prevailing Party under or with respect to this Agreement, including, without limitation, such reasonable fees and expenses of attorneys and accountants, which shall include, without limitation, all fees, costs and expenses of appeals. The Parties agree that service of any court paper may be made in any manner as may be provided under the applicable Laws or court rules governing service of process in such court. The Parties agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Law.

10.5 Waiver of Jury Trial. EACH OF THE PARTIES IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION OR LEGAL PROCEEDING (WHETHER AT LAW, IN CONTRACT, IN TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

10.6 Notices. All notices and other communications hereunder shall be in writing and shall be deemed duly delivered: (a) four (4) Business Days after being sent by registered or certified mail, return receipt requested, postage prepaid; (b) one (1) Business Day after being sent for next Business Day delivery, fees prepaid, via a reputable nationwide overnight courier service; (c) if sent by email transmission prior to 6:00 p.m. recipient's local time, upon transmission when receipt is confirmed; or (d) if sent by email transmission after 6:00 p.m. recipient's local time, the Business Day following the date of transmission when receipt is confirmed:

10.7 Amendments and Waivers.

(a) This Agreement may be amended or supplemented in any and all respects and any provision of this Agreement may be waived and any such waiver shall be binding upon a Party, only if such waiver is set forth in a writing executed by such waiving Party bound thereby, and any such amendment or supplement shall be effective only if set forth in a writing executed by each of the Parties; and any such waiver, amendment or supplement shall not be applicable or have any effect except in the specific instance in which it is given. No course of dealing between or among any Persons having any interest in this Agreement shall be deemed effective to modify, amend or discharge any part of this Agreement or any rights or obligations of any Party under or by reason of this Agreement.

(b) Notwithstanding the foregoing, no failure on the part of any Party to exercise any power, right, privilege or remedy under this Agreement, and no delay on the part of any Party in exercising any power, right, privilege or remedy under this Agreement, shall operate as a waiver of such power, right, privilege or remedy; and no single or partial exercise of any such power, right, privilege or remedy shall preclude any other or further exercise thereof or of any other power, right, privilege or remedy. The rights and remedies hereunder are cumulative and not exclusive of any rights or remedies that any Party would otherwise have. Any waiver, permit, consent or approval of any kind or character of any breach or default under this Agreement or any such waiver of any provision of this Agreement must satisfy the conditions set forth in Section 10.7(a) and shall be effective only to the extent in such writing specifically set forth.

10.8 Termination. This Agreement shall terminate without further action upon termination of the Separation Agreement. If so terminated, no Party shall have any Liability of any kind to the other Parties or any other Person on account of this Agreement, except as provided in the Separation Agreement.

10.9 No Third-Party Beneficiaries. Except as specifically provided in the Separation Agreement or any Ancillary Agreement, this Agreement is solely for the benefit of the Parties and their respective successors and permitted assigns and is not intended, and shall not be deemed, to (a) create any agreement of employment with any person, (b) confer on third parties (including any employees of the Parties and their respective Groups) any remedy, claim, reimbursement, claim of action or other right in addition to those existing without reference to this Agreement, or (c) otherwise create any third-party beneficiary hereto.

10.10 Assignability; Binding Effect. This Agreement shall be binding upon, and shall be enforceable by and inure solely to the benefit of, the Parties and their respective successors and permitted assigns; provided, however, that neither this Agreement nor any Party's rights, interests or obligations hereunder may be assigned or delegated by any such Party, in whole or in part (whether by operation of law or otherwise), without the prior written consent of the other Party, and any attempted assignment or delegation of this Agreement or any of such rights or obligations by any Party without the prior written consent of the other Party shall be void and of no effect. Except as set forth in Section 10.9, nothing in this Agreement, express or implied, is intended to or shall confer upon any Person (other than the Parties and their permitted successors and assigns) any power, right, privilege or remedy of any nature whatsoever under or by reason of this Agreement.

10.11 Survival. The representations, warranties, covenants, and agreements set forth in this Agreement shall be unconditional and absolute and shall remain in effect without limitation as to time.

10.12 Construction.

(a) For purposes of this Agreement, whenever the context requires: (i) the singular number shall include the plural, and vice versa; (ii) the masculine gender shall include the feminine and neuter genders; (iii) the feminine gender shall include the masculine and neuter genders; and (iv) the neuter gender shall include masculine and feminine genders.

(b) The Parties agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting Party shall not be applied in the construction or interpretation of this Agreement.

(c) As used in this Agreement, the words “include” and “including,” and variations thereof, shall not be deemed to be terms of limitation, but rather shall be deemed to be followed by the words “without limitation.”

(d) As used in this Agreement, the words “hereof,” “herein,” “hereto” and “hereunder” and words of similar import shall refer to this Agreement as a whole and not to any particular provision of this Agreement.

(e) The measure of a period of one (1) month or year for purposes of this Agreement will be the date of the following month or year corresponding to the starting date; and, if no corresponding date exists, then the end date of such period being measured will be the next actual date of the following month or year (for example, one month following February 18 is March 18 and one month following March 31 is May 1).

(f) As used in this Agreement, the word “extent” in the phrase “to the extent” shall mean the degree to which a subject or other thing extends, and such phrase shall not mean simply “if.”

(g) As used in this Agreement, the word “will” shall be deemed to have the same meaning and effect as the word “shall.”

(h) As used in this Agreement, the terms “or,” “any” or “either” are not exclusive and shall be deemed to be “and/or.”

(i) As used in this Agreement, references to “written” or “in writing” include in electronic form.

(j) As used in this Agreement, references to the “date hereof” are to the date of this Agreement.

(k) Except as otherwise indicated, all references in this Agreement to "Sections," "Exhibits" and "Schedules" are intended to refer to Sections of this Agreement and Exhibits or Schedules to this Agreement.

(l) The table of contents and the section and other headings and subheadings contained in this Agreement and the Exhibits hereto are for convenience of reference only, shall not be deemed to be a part of this Agreement and shall not be referred to in connection with the construction, meaning or interpretation of this Agreement. The preamble and the recitals set forth at the beginning of this Agreement are incorporated by reference into and made a part of this Agreement.

(m) Any payment to be made pursuant hereto shall be made in U.S. dollars and by wire transfer of immediately available funds.

(n) As used in this Agreement, references to "U.S. dollars" and "$" in this report are to the lawful currency of the United States of America.

10.13 Severability. Any term or provision of this Agreement which is invalid or unenforceable in any situation in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement in any other jurisdiction or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, such provision shall be interpreted to be only so broad as is enforceable. If a final judgment of a court of competent jurisdiction declares that any term or provision of this Agreement is invalid or unenforceable, the Parties agree that the court making such determination shall have the power to limit such term or provision, to delete specific words or phrases or to replace such term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall be valid and enforceable as so modified. In the event such court does not exercise the power granted to it in the prior sentence, the Parties agree to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable term or provision.

10.14 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument and shall become effective when counterparts have been signed by each of the Parties and delivered to the other Party, it being understood that all Parties need not sign the same counterpart. This Agreement may be executed and delivered by facsimile transmission, by electronic mail in "portable document format" (".pdf") form or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, or by a combination of such means. The exchange of a fully executed Agreement (in counterparts or otherwise) by facsimile or electronic transmission shall be treated in all manner and respects as an original agreement and shall be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person.

At the request of any Party, the other Party shall re-execute original forms thereof and deliver them to the requesting Party. No Party shall raise the use of a facsimile machine or other electronic means to deliver a signature or the fact that any signature was transmitted or communicated through the use of a facsimile machine or other electronic means as a defense to the formation of a contract, and each such Party forever waives any such defense.

(b) Effective as of the Distribution Date, unless otherwise specified in this Agreement, WDC shall, or shall cause one or more members of the WDC Group to, assume or retain, as applicable, and pay, perform, fulfill and discharge, in due course in full, all of the WDC Employee Liabilities, and WDC and the applicable members of the WDC Group shall be responsible for such WDC Employee Liabilities in accordance with their respective terms regardless of when or where such WDC Employee Liabilities arose or arise, or whether the facts on which they are based occurred prior to or subsequent to the Separation Time, regardless of where or against whom such WDC Employee Liabilities are asserted or determined or whether asserted or determined prior to the date hereof (in each case except to the extent satisfied prior to the Separation Time).

SECTION 2.5 Collective Bargaining Agreements.

(a) Notwithstanding anything in this Agreement to the contrary, prior to the Separation Time, WDC and Spinco shall, to the extent required by applicable Law, take or cause to be taken all actions that are necessary (if any) for Spinco or a member of the Spinco Group to (i) continue to maintain or to assume and honor any Collective Bargaining Agreements that relate to Spinco Employees; (ii) assume and honor any obligations of the WDC Group under Collective Bargaining Agreements that are maintained outside of the United States in accordance with industry or regulatory standards, as such obligations relate to Spinco Employees; and (iii) continue to maintain or to assume and honor any pre-existing collective bargaining relationships (in each case including obligations that arise in respect of the period both before and after the date of employment by the Spinco Group) in respect of any Spinco Employees and any Employee Representatives.

SECTION 2.7 Amendment Authority. Without limiting the generality of Section 9.6, this Agreement is solely for the benefit of the WDC Group and the Spinco Group, and nothing in this Agreement, express or implied, (i) is intended to confer any rights, benefits, remedies, obligations or Liabilities under this Agreement upon any Person, including any Spinco Employee, Spinco Independent Contractor or other current or former employee, officer, director, contractor or other service provider of the WDC Group or Spinco Group, other than the Parties and their respective successors and assigns or (ii) shall constitute the adoption or establishment of, or an amendment or other modification to any Benefit Arrangement or any other compensation or employee benefit plan or arrangement of the WDC Group or Spinco Group.

(b) With respect to each Automatic Transfer Employee, their employment shall not be terminated upon the Spinco Transfer Date or WDC Transfer Date, as applicable, but rather the rights, powers, duties, liabilities and obligations of WDC or Spinco (or the appropriate member of the WDC Group or Spinco Group), as applicable, to such employees with respect to their material terms of employment in force immediately before the Separation Date shall be transferred to the appropriate member of the Spinco Group at the Spinco Transfer Date or the WDC Group at the WDC Transfer Date, as applicable, but only to the extent required by, and only then in accordance with, applicable Law, and Spinco agrees to take all actions reasonably necessary to cause the Spinco Employees to be so employed and WDC agrees to take all actions reasonably necessary to cause such WDC Employees to be so employed.

To the extent a WDC Employee objects, rejects or refuses to transfer to WDC or a member of the WDC Group in accordance with applicable Law, then, subject to applicable Law, such employee shall remain employed by Spinco, or the applicable member of the Spinco Group, and shall no longer be considered a WDC Employee to the extent permitted by Law, and Spinco shall retain the Liabilities associated with such WDC Employee, provided that any such Liabilities do not arise as a direct result of a breach of this Agreement, the Separation Agreement, or applicable Law by any member of the WDC Group or any substantial change or proposal to make a substantial change to the working conditions of such WDC Employee to their material detriment. For the avoidance of doubt, Spinco shall assume and retain all Liabilities arising out of, relating to or resulting from the failure of a Spinco Employee to transfer employment to a member of the Spinco Group as a direct result of a breach of this Agreement or the Separation Agreement by any member of the Spinco Group, and WDC shall assume and retain all Liabilities arising out of, relating to or resulting from the failure of a WDC Employee to transfer employment to a member of the WDC Group as a direct result of a breach of this Agreement or the Separation Agreement by any member of the WDC Group. In the case of any Delayed Transfer Spinco Employee who remains employed by the WDC Group, or any or any Delayed Transfer WDC Employee who remains employed by the Spinco Group, in each case, after the Separation Date as a result of clause (B) or (C) of the definition of Delayed Transfer Spinco Employee or Delayed Transfer WDC Employee, as applicable, the Parties will cooperate in good faith (i) in respect of the provision of such employee's services to the Spinco Group or WDC Group, as applicable, after the Separation Time and the allocation of costs associated with such services and (ii) to facilitate such employee's transfer of employment to the Spinco Group or WDC Group, as applicable, as soon as practicable following the Separation Time. The employment of such Delayed Transfer Spinco Employees shall transfer to the Spinco Group, and the employment of such Delayed Transfer WDC Employees shall transfer to the WDC Group, in each case, in accordance with applicable Law on the Spinco Delayed Transfer Date or WDC Delayed Transfer Date, as applicable. References to "Closing," "Closing Date," "Distribution

For the avoidance of doubt, except as otherwise specified in this Agreement, Spinco or a member of the Spinco Group shall assume (and shall reimburse WDC or a member of the WDC Group, as applicable, for) all Spinco Employee Liabilities pertaining to a Delayed Transfer Spinco Employee as of the Spinco Delayed Transfer Date, and WDC or a member of the WDC Group shall assume (and shall reimburse Spinco or a member of the Spinco Group, as applicable, for) all WDC Employee Liabilities pertaining to a Delayed Transfer WDC Employee as of the WDC Delayed Transfer Date.

Immediately as of the Separation Date, Spinco shall assume all immigration-related liabilities and responsibilities with respect to such employees.

(g) To the extent necessary for any Spinco Employee to perform services in connection with such Spinco Employee's employment or other service relationship with Spinco or any of its Affiliates, WDC or the applicable WDC Subsidiary shall, and does hereby automatically, effective as of the Separation Date, (i) release or cause to be released each Spinco Employee from any existing non-competition, non-solicitation, no-hire, confidentiality or other similar obligation owed to WDC or any of the WDC Subsidiaries solely to the extent necessary for such Spinco Employee to perform such services to a member of the Spinco Group, and (ii) to the extent permitted by Law, take reasonable steps to affect the transfer and assignment of such non-competition, non-solicitation, no-hire, confidentiality or other similar obligation to a member of the Spinco Group.

SECTION 2.10 Information and Consultation.

(a) WDC shall and shall cause its Subsidiaries and each member of the Spinco Group that is to employ any Spinco Employee to comply with all requirements and obligations to inform, consult or otherwise notify any WDC Employees, any Spinco Employees or any Employee Representatives in relation to the Separation, the Distribution, and any other consequence of the transactions contemplated by the Separation Agreement, whether required pursuant to any Collective Bargaining Agreement, the Transfer Regulations or other applicable Law, provided, that Spinco shall provide the Information, within reason, as reasonably requested in writing by WDC in sufficient time to enable WDC and the applicable members of the WDC Group to meet their information and consultation requirements pursuant to the Transfer Regulations, any Collective Bargaining Agreement or otherwise, provided, further, that any such requests are timely received.

(b) Spinco shall and shall cause its Subsidiaries to comply with all requirements and obligations to inform, consult or otherwise notify any Spinco Group employees or any representatives of them in relation to this Agreement and any other consequence of the transactions contemplated by this Agreement whether required pursuant to any Collective Bargaining Agreement applicable to Spinco Group employees, the Transfer Regulations or other applicable Law, provided, that WDC shall provide the Information, within reason, as requested by Spinco in sufficient time to enable Spinco and the applicable members of the Spinco Group to meet their information and consultation requirements pursuant to the Transfer Regulations, any Collective Bargaining Agreement or otherwise, provided, further, that any such requests are timely received.

SECTION 2.11 Certain Requirements. Notwithstanding anything in this Agreement to the contrary, if the terms of a Collective Bargaining Agreement or applicable Law require that any assets or Liabilities be retained by the WDC Group or transferred to or assumed by the Spinco Group in a manner that is different from that set forth in this Agreement, such retention, transfer or assumption shall be made in accordance with the terms of such Collective Bargaining Agreement or applicable Law and shall not be made as otherwise set forth in this Agreement, but shall remain subject to any Party's obligation to reimburse any other Party as set forth in Section 2.2(d).

SECTION 2.12 Sharing of Information. On and after the date hereof and in each case to the extent permitted by applicable Law, WDC shall, and shall cause each member of the WDC Group to use commercially reasonable efforts to (i) share any materials and documents with Spinco that are reasonably determined by WDC to be necessary to permit Spinco to effectuate the provisions of this Agreement and (ii) make available Spinco Employees to Spinco for purposes of making any communications to such Spinco Employees relating to the provisions of this Agreement; provided, that WDC shall be permitted to approve in advance any such written or oral communications and have a representative present at any meeting between Spinco and a Spinco Employee that occurs prior to the Separation Time.

SECTION 2.13 Employee Non-Solicitation.

(a) The Parties agree that, from and after the date hereof until the date that is two (2) years after the Distribution Date, they shall not, and shall cause their Subsidiaries and controlled Affiliates not to, without the prior written consent of WDC or Spinco, as applicable, directly or indirectly, (i) solicit for employment or engagement any employees of the other Party, or their Subsidiaries or Affiliates, as applicable, or (ii) encourage or in any other manner persuade or attempt to encourage or persuade any employees of the other Party, or their Subsidiaries or Affiliates, as applicable, to leave the service of the other Party, or their Subsidiaries or Affiliates, as applicable, or in any way interfere with the relationship between the other Party and their Subsidiaries or Affiliates, as applicable; provided, however, in each case, that (A) the placement of any general mass solicitation or advertising that is not targeted at employees of the other Party or its Subsidiaries or Affiliates shall not be considered a violation of this Section 2.13, and this Section 2.13 shall not preclude a Party or its Subsidiaries or Affiliates from soliciting or hiring any employee of the other Party or their Subsidiaries or Affiliates, as applicable, in each case, whose employment was involuntarily terminated by the other Party prior to such solicitation or hiring; provided, further, that nothing in this Section 2.13 shall require either Party, or their Subsidiaries or Affiliates to take any action or refrain from taking any action if such action or inaction would violate applicable Law.

SECTION 2.14 Continuation of Salary, Bonus and Benefits Generally. Subject to the terms of any applicable Law or Collective Bargaining Agreement, during the period commencing on the Distribution Date and ending on December 31, 2025 (the "Continuation Period"), Spinco shall, or shall cause the applicable member of the Spinco Group to, use commercially reasonable efforts to provide to each Spinco Employee for so long as such Spinco Employee remains employed by Spinco or any member of the Spinco Group during the Continuation Period: (i) an annual base salary or base wage rate and annual target cash incentive compensation opportunities (excluding change-in-control, retention, long-term cash incentive and equity and equity-related opportunities), in each case, that are no less favorable than such annual base salary or base wage rate and target cash incentive compensation opportunities (excluding change-in-control, retention, long-term cash incentive and equity and equity-related opportunities) provided to the Spinco Employee immediately prior to the Distribution, (ii) severance pay and benefits at levels that are no less favorable than the levels of such severance pay and benefits as in effect for such Spinco Employee immediately prior to the Distribution and (iii) retirement and health and welfare benefits (excluding retiree medical and welfare programs and defined benefit pension plans) that are substantially comparable, in the aggregate, to those provided to Spinco Employees immediately prior to the Distribution.

## ARTICLE III

## DEFINED CONTRIBUTION PLANS

SECTION 3.1 401(k) Plan Participation.

(a) Effective as of the Separation Time, (i) the active participation of each Spinco Employee who is a participant in a WDC 401(k) Plan shall automatically cease and no Spinco Employee shall thereafter accrue any benefits under any such WDC 401(k) Plan and (ii) WDC shall cause each such Spinco Employee to become fully vested in such Spinco Employee's account balances under such WDC 401(k) Plan.

(b) Effective as of the Separation Time, Spinco shall, or shall cause a member of the Spinco Group to, have in effect a defined contribution retirement plan that is tax-qualified under Section 401(a) of the Code and includes a qualified cash or deferred arrangement within the meaning of Section 401(k) of the Code, with terms that, as of the Separation Time, are substantially comparable to those provided to Spinco Employee under the WDC 401(k) Plan immediately prior to the Separation Time (the "Spinco 401(k) Plan"). Each Spinco Employee who, as of immediately prior to the Separation Time, was a participant in the WDC 401(k) Plan shall automatically be enrolled in the Spinco 401(k) Plan as of the Separation Time, applying the same salary deferral elections that were in effect with respect to such Spinco Employee under the WDC 401(k) Plan immediately prior to the Separation Time, unless such Spinco Employee affirmatively elects otherwise. Each Spinco Employee who is not a participant in the WDC 401(k) Plan immediately prior to the Separation Time shall be permitted to enroll in the Spinco 401(k) Plan on or after the Separation Time in accordance with the terms of the Spinco 401(k) Plan.

(c) Spinco shall, or shall cause the appropriate member of the Spinco Group to cause the Spinco 401(k) Plan to provide each Spinco Employee with full credit for such Spinco Employee's service with WDC or any of WDC's Affiliates or predecessors prior to the Separation Time for purposes of eligibility and vesting under the Spinco 401(k) Plan.

(d) To the extent applicable, as soon as practicable on or after the Separation Time, WDC shall take all measures needed to cause the transfer to the Spinco 401(k) Plan of all of the assets and liabilities of the WDC 401(k) Plan that are attributable to Spinco Employees, including without limitation, all promissory notes and receivables in respect of plan loans to Spinco Employees under the WDC 401(k) Plan that remain outstanding as of the Separation Time and accrued liabilities arising out of any applicable qualified domestic relations order. Spinco shall direct the trustees of the Spinco 401(k) Plan to accept such transfer of assets and liabilities from the WDC 401(k) Plan. Such transfer of assets and liabilities shall be made in accordance with the applicable requirements of Sections 411(d)(6) and 414(l) of the Code, Treasury Regulation Section 1.414(l)-1 and ERISA Section 208.

(e) Spinco Group and WDC shall cooperate to take any and all commercially reasonable measures needed to effect the transition to the Spinco 401(k) Plan of all outstanding loans under the WDC 401(k) Plan with respect to Spinco Employees so as to prevent, to the extent reasonably possible, a deemed distribution or loan offset with respect to such outstanding loans. Such actions may include, for example, amending the WDC 401(k) Plan to permit a Spinco Employee to continue to make scheduled loan payments to the WDC 401(k) Plan after the Separation Time, but before the WDC 401(k) Plan assets and liabilities are transferred to the Spinco 401(k) Plan, and adopting administrative procedures to facilitate such loan payments.

(f) All contributions payable to the WDC 401(k) Plan before the Separation Time with respect to employee deferrals, matching contributions and employer contributions for Spinco Employees, determined in accordance with the terms and provisions of the WDC 401(k) Plan (notwithstanding any last-day-of-year employment requirements or hours of service requirements) shall be paid by WDC to the WDC 401(k) Plan prior to the date of the asset transfer described in Section 3.1(c).

(g) On and after the date on which assets are transferred from the WDC 401(k) Plan to the Spinco 401(k) Plan in accordance with Section 3.1(c), Spinco or a member of the Spinco Group shall be solely and exclusively responsible for all 401(k) accounts of the Spinco Employees and the Liabilities and assets associated with such accounts or in any way related to the Spinco 401(k) Plan, whether accrued before, on or after the Separation Time.

(h) WDC or a member of the WDC Group shall be solely and exclusively responsible for all accounts and the Liabilities under the WDC 401(k) Plan in respect of participants who are not Spinco Employees and assets associated with such accounts or in any way related to the WDC 401(k) Plan, whether accrued before, on or after the Separation Time.

(i) WDC shall indemnify, defend and hold harmless the Spinco Indemnitees for any Losses or Liabilities related to or arising under any WDC 401(k) Plan to the extent related to any act or omission or operation of such WDC 401(k) Plan occurring prior to the Separation Time (including any Losses or Liabilities under such WDC 401(k) Plan arising out of, relating to or resulting from any violation of applicable Laws or Collective Bargaining Agreement by any member of the WDC Group).

SECTION 3.2 Non-U.S. Savings Plan Participation.

(a) Subject to any Collective Bargaining Agreement and applicable Law or unless otherwise agreed upon by the Parties, including pursuant to any transition services agreement, effective as of the Separation Time, the participation of each Spinco Employee who is a participant in a WDC Non-U.S. Savings Plan shall automatically cease and no Spinco Employee shall thereafter accrue any benefits under any such WDC Non-U.S. Savings Plan.

(b) Unless otherwise agreed upon by the Parties, with respect to each WDC Non-U.S. Savings Plan listed on Schedule 3.2(b) hereto (collectively, the "Transferor WDC Non-U.S. Savings Plans"), Spinco shall, or shall cause a member of the Spinco Group to, establish or maintain one or more plans in which each Spinco Employee who participated in such Transferor WDC Non-U.S. Savings Plan immediately prior to the Separation Time will be eligible to participate as of the Separation Time, with (i) terms (excluding employer contributions) substantially comparable to the terms of the applicable WDC Non-U.S. Savings Plan as in effect immediately prior to the Separation Time or (ii) if applicable, terms as required by an applicable Collective Bargaining Agreement or applicable Law (such plan or plans, the "Spinco Non-U.S. Savings Plans"). Where permissible under applicable Law, unless otherwise agreed to by the Parties, WDC shall cause the Transferor WDC Non-U.S. Savings Plans to transfer (and Spinco shall, or shall cause the appropriate member of the Spinco Group to, cause the Spinco Non-U.S. Savings Plans to accept a transfer of) (i) Liabilities in respect of the obligations to or otherwise in respect of Spinco Employees under the Transferor WDC Non-U.S. Savings Plans and (ii) any assets held by or on behalf of WDC that correspond to the Liabilities so transferred. Except as otherwise agreed by the Parties, such transfer shall be effected in accordance with applicable Law and local custom and practice.

(c) Notwithstanding anything set forth in Section 3.2(b) and subject to any applicable Law, Collective Bargaining Agreement or transition services agreement among the Parties, effective as of the Separation Time, Spinco shall, or shall cause the appropriate member of the Spinco Group to, assume sponsorship of, and shall assume all assets and benefit Liabilities relating to any WDC Non-U.S. Savings Plan set forth on Schedule 3.2(c) hereto, in which all or a majority of the participants immediately prior to the Separation Time are Spinco Employees (each, a "Transferred WDC Non-U.S. Savings Plan").

(d) Spinco shall, or shall cause the appropriate member of the Spinco Group to be responsible for any and all Liabilities relating solely to Spinco Employees with respect to the Spinco Non-U.S. Savings Plans and any Transferred WDC Non-U.S. Savings Plans (other than Liabilities for benefit payments arising prior to the Distribution Date, Liabilities thereunder arising out of, relating to or resulting from any violation of applicable Laws or Collective Bargaining Agreement by any member of the WDC Group).

(e) Except as specifically provided in this Section 3.2, no member of the Spinco Group shall have any Liability with respect to any WDC Non-U.S. Savings Plan or other WDC Benefit Arrangement that is a defined contribution retirement plan.

(f) WDC shall retain all accounts and all assets and Liabilities relating to the WDC Non-U.S. Savings Plans in respect of each participant other than a Spinco Employee.

## ARTICLE IV

## HEALTH AND WELFARE PLANS

SECTION 4.1 Health and Welfare Plan Participation.

(a) Subject to any Collective Bargaining Agreement and applicable Law or unless otherwise agreed upon by the Parties, including pursuant to any transition services agreement, effective as of the Separation Time, the active participation of each Spinco Employee who is a participant in a WDC Welfare Plan shall automatically cease and no Spinco Employee shall thereafter accrue any benefits under any such WDC Welfare Plan.

(b) With respect to each WDC Welfare Plan listed on Schedule 4.1(b) hereto (collectively, the "Retained Welfare Plans"), Spinco shall, or shall cause a member of the Spinco Group to, use commercially reasonable efforts to establish or maintain one or more Spinco Welfare Plans in which each Spinco Employee who participated in such Retained Welfare Plan immediately prior to the Separation Time will be eligible to participate as of the Separation Time, with terms substantially comparable in the aggregate to the terms of the applicable WDC Welfare Plan as in effect immediately prior to the Separation Time, except as otherwise required by an applicable Collective Bargaining Agreement or applicable Law. Spinco shall, or shall cause the appropriate member of the Spinco Group to use commercially reasonable efforts to cause (i) all pre-existing condition exclusions and actively-at-work requirements of each Spinco Welfare Plan to be waived for such Spinco Employees and their covered dependents to the extent such provisions were already satisfied by such Spinco Employee under the applicable Retained Welfare Plan, and (ii) any eligible expenses incurred by such Spinco Employees their covered dependents during the portion of the plan year of the Retained Welfare Plan ending on the date such Spinco Employee's participation in the corresponding Spinco Welfare Plan begins to be taken into account under such Spinco Welfare Plan for purposes of satisfying all deductible, coinsurance and maximum out-of-pocket requirements applicable to such Spinco Employees and their covered dependents for the applicable plan year as if such amounts had been paid in accordance with the Spinco Welfare Plan.

(c) Subject to applicable Law and any Collective Bargaining Agreement or transition services agreement among the Parties, effective as of the Separation Time, Spinco or the appropriate Spinco Group member shall assume sponsorship of, and shall assume all assets and Liabilities relating to, each WDC Welfare Plan set forth on Schedule 4.1(c) hereto, in which all or a majority of the participants immediately prior to the Separation Time are Spinco Employees (each, a "Rollover Welfare Plan"); provided that if any such Rollover Welfare Plan is a self-insured, the WDC Group shall provide a summary of the associated assets and Liabilities for such plan as of a date no more than thirty (30) days prior to the Separation Date.

SECTION 4.2 Certain Liabilities.

(a) With respect to employee welfare and fringe benefits, (i) WDC shall fully perform, pay and discharge, under the WDC Welfare Plans, all claims of Spinco Employees that are incurred but not paid prior to or as of the Distribution Date and (ii) Spinco shall, or shall cause the appropriate member of the Spinco Group to fully perform, pay and discharge, under the Spinco Welfare Plans, after the Distribution Date, all claims of Spinco Employees that are incurred after the Distribution Date under the applicable Spinco Benefit Arrangement.

(b) For purposes of this Section 4.2, a claim or Liability is deemed to be incurred (i) with respect to medical, dental, vision and/or prescription drug benefits, upon the rendering of health services giving rise to such claim or Liability, (ii) with respect to life insurance, accidental death and dismemberment and business travel accident insurance, upon the occurrence of the event giving rise to such claim or Liability and (iii) with respect to disability benefits, upon the first date of the event resulting in the individual's disability, as determined by the disability benefit insurance carrier or claim administrator, giving rise to such claim or Liability.

SECTION 4.3 Time-Off Benefits.

(a) To the extent any Spinco Employee is required, under any Collective Bargaining Agreement or by applicable Law, to be paid in connection with the transfer of employment with the Spinco Group or the Distribution for any vacation time, paid time off and other time-off benefits as such Spinco Employee had with the WDC Group as of immediately before the Spinco Transfer Date, WDC shall, or shall cause another member of the WDC Group to, (i) pay such Spinco Employee the amounts owed and the associated Employment Taxes, unless as otherwise agreed between the Spinco Employee and WDC, or another member of the WDC Group, as applicable and in accordance with applicable Law, and (ii) subject to the following sentence, retain all Liabilities with respect to such amounts, including with respect to Tax withholding, reporting, remitting or payment obligations or any regulatory filing obligation in connection therewith.

(b) Unless otherwise required by Section 4.3(a), (A) Spinco shall, or shall cause the appropriate member of the Spinco Group to credit each Spinco Employee as of the Spinco Transfer Date with the amount of accrued but unused vacation time, paid time off and other time-off benefits as such Spinco Employee had with the WDC Group as of immediately before the Spinco Transfer Date, (B) Spinco shall, or shall cause the appropriate member of the Spinco Group to cause each Spinco Employee to be eligible to use any accrued but unused vacation time, paid time off and other time-off benefits as such Spinco Employee had with the WDC Group as of immediately before the Spinco Transfer Date, (C) to the extent in excess of the amount that would have been available to the Spinco Employee had the Spinco Employee's service with the WDC Group been treated as service with the Spinco Group, Spinco shall, or shall cause the appropriate member of the Spinco Group to pay any Spinco Employee for any excess amount of vacation time, paid time off and other time-off benefits not used in accordance with the foregoing clause (B), subject to applicable Law, and (D) as of the Spinco Transfer Date, each Spinco Employee shall be subject to Spinco's or the appropriate member of the Spinco Group's vacation policy (prorated as of the Spinco Transfer Date) for the year in which the Spinco Transfer Date occurs, subject to applicable Law and any Collective Bargaining Agreement; provided, however, that Spinco shall provide Spinco Employees with credit for employment service with the WDC Group for purposes of determining each Spinco Employee's eligibility for and future accruals of vacation days under the Spinco's or the appropriate member of the Spinco Group's vacation policy; and provided further, that such service shall not be recognized to the extent such recognition would result in the duplication of benefits under any Spinco Group policies. Subject to Section 4.3(a), time-off benefits for Spinco Employees will be fully equivalent to those provided by the Spinco Group to similarly situated employees of the Spinco Group in the applicable jurisdiction as of the date hereof.

(c) To the extent any WDC Employee is required, under any Collective Bargaining Agreement or by applicable Law, to be paid in connection with the transfer of employment with the WDC Group or the Distribution for any vacation time, paid time off and other time-off benefits as such WDC Employee had with the Spinco Group as of immediately before the WDC Transfer Date, Spinco shall, or shall cause another member of the Spinco Group to, comply with such requirements in the same manner and subject to the same requirements as set forth in Sections 4.3(a) and (b) above with respect to Spinco Employees.

Each such award shall be subject to the same terms and conditions (including with respect to vesting conditions, settlement dates and method of settlement) after the Separation Time as the terms and conditions applicable to the corresponding WDC RSU Award immediately prior to the Separation Time; provided, however, that certain restrictions may be imposed on any such Post-Separation WDC RSU Award or Spinco RSU Award after the Separation Time if necessary and appropriate to comply with applicable Law; and further provided, however, that from and after the Separation Time:

(iii) Each Spinco Converted PSU Award shall be assumed under the applicable Spinco Equity Incentive Plan and remain subject to substantially the same terms and conditions (including with respect to vesting conditions, settlement dates and method of settlement) after the Separation Time as the terms and conditions applicable to the corresponding WDC PSU Award immediately prior to the Separation Time, but excluding any performance-based vesting conditions that were applicable to the WDC PSU Award immediately prior to the Separation Time; provided, however, that certain restrictions and/or different terms may be imposed on any such Spinco Converted PSU Award after the Separation Time if necessary and appropriate to comply with applicable Law and/or to avoid undue cost or administrative burden.

Each Spinco LTI Cash Award shall be subject to the same terms, vesting conditions, settlement dates and method of settlement and other terms and conditions as were in effect immediately prior to the Separation Time for the corresponding WDC LTI Cash Award; provided, that all payment obligations thereunder shall be assumed by Spinco.

SECTION 6.5 Treatment upon Separation and a Change in Control.

(a) After the Separation Time, for any award adjusted under this Article VI, any reference to a "change in control," "change of control" or similar definition in an award agreement, severance plan or equity incentive plan applicable to such award (x) with respect to Post-Separation WDC Equity Awards, shall be deemed to refer to a "change in control," "change of control" or similar definition as set forth in the applicable Post-Separation WDC Equity Award agreement, WDC Severance Plan or WDC Equity Incentive Plan, as applicable (a "WDC

Change in Control"), and (y) with respect to Spinco Equity Awards, shall be deemed to refer to a "change in control," "change of control" or similar definition as set forth in the applicable Spinco Equity Award agreement, Spinco Severance Plan or Spinco Equity Incentive Plan, as applicable (a "Spinco Change in Control").

(b) Neither the Separation, the Distribution nor any employment transfer described herein shall constitute a termination of employment or service for purposes of any WDC Equity Award, Post-Separation WDC Equity Award or Spinco Equity Award, as applicable. In addition, an individual's continuous employment or service with the Spinco Group shall be treated as continuous employment or service with the WDC Group with respect to any Post-Separation WDC Equity Award held by a VP+ Spinco Employee. Further, if the original WDC Equity Award held by a VP+ Spinco Employee was subject, as of immediately prior to the Distribution, to accelerated vesting provisions (i) by reference to a termination of employment or service with the WDC Group and/or (ii) in connection with a WDC Change in Control, in each case, as set forth in the applicable WDC Severance Plan, then the corresponding Post-Separation WDC Equity Award and Spinco Equity Award held by such VP+ Spinco Employee shall be subject to the same vesting acceleration provisions upon his or her termination of employment or service with the relevant member of the Spinco Group and/or in connection with a Spinco Change in Control, in each case, as shall be set forth in the applicable Spinco Severance Plan; provided that in no event shall the treatment of the Post-Separation WDC Equity Awards be more favorable under the applicable Spinco Severance Plan than the treatment that would have been provided under the applicable WDC Severance Plan prior to the Separation Time.

(c) Notwithstanding the foregoing, in the event of a Spinco Change in Control, (i) if any Spinco Equity Award then held by any VP+ Spinco Employee is not assumed or substituted by a successor corporation or a parent or subsidiary thereof ("Successor Corporation"), then each such Spinco Equity Award and corresponding Post-Separation WDC Equity Award (that relates to the same original WDC Equity Award) shall accelerate and vest in its entirety on a date prior to the effective time of such Spinco Change in Control as determined by the administrator of the applicable Spinco Equity Incentive Plan, and (ii) if Spinco Equity Awards are assumed or substituted by a Successor Corporation, then each such Spinco Equity Award and corresponding Post-Separation WDC Equity Award (that relates to the same original WDC Equity Award) shall be subject to the vesting acceleration provisions under the applicable Spinco Severance Plan upon the holder's termination of employment or service following the Spinco Change in Control. The Spinco Change in Control shall have no impact on any Post-Separation WDC DSU Award.

(d) In the event of a WDC Change in Control (i) any Post-Separation WDC Equity Award then held by any VP+ Spinco Employee shall vest in full and (ii) any Spinco Equity Award then held by any VP+ Spinco Employee shall remain subject to the terms of any Spinco Equity Award agreement, Spinco Severance Plan or Spinco Equity Incentive Plan, as applicable.

SECTION 6.6 Spinco Equity Incentive Plans. Effective as of the Separation Time, Spinco shall have adopted an equity incentive plan and such other plans (the "Spinco Equity Incentive Plans"), which shall permit the grant and issuance of the Spinco Equity Awards denominated in shares of Spinco Common Stock, in addition to the Spinco LTI Cash Awards, as described in this Article VI.

SECTION 6.7 Employee Stock Purchase Plan. Prior to the date hereof, the administrator of the WDC ESPP shall have taken all actions necessary and appropriate, to the extent permissible by applicable Law, and in accordance with such applicable Law: (a) to amend the WDC ESPP, prior to the Distribution Date, such that each Exercise Period that would otherwise be in progress as of immediately prior to the Distribution Date shall be shortened and a new Exercise Date shall be set by the administrator of the WDC ESPP (or its delegee) to occur upon the day that is ten (10) trading days prior to the Distribution Date in accordance with the terms of the WDC ESPP, as of which date the Exercise Period and related Offering Period then in progress will terminate; provided, however, that with respect any Exercise Period commencing on or after December 1, 2024, in the sole discretion of WDC, such Exercise Period may be terminated effective as of the day prior to the Distribution Date, and without setting a new Exercise Date, in which case the payroll deductions credited to the participants' accounts for that Exercise Period will be returned to them on or as soon as practicable following the Distribution Date in accordance with the terms of the WDC ESPP; (b) to terminate the participation of Spinco Employees in the WDC ESPP effective no later than immediately prior to the Separation Time; and (c) to commence a new Offering Period and payroll deductions and other contributions by WDC Employees as soon as reasonably practicable after the Distribution Date, on such date as may be determined by the administrator of the WDC ESPP. Effective as of or before the Distribution Date, Spinco shall adopt an employee stock purchase plan in a form substantially similar to the WDC ESPP (the "Spinco ESPP"), and the Spinco Employees shall be eligible to participate in the Spinco ESPP effective no later than the Distribution Date, or such other date as may be determined by the administrator of the Spinco ESPP; provided, however, that Spinco may (a) delay implementation of the Spinco ESPP in one or more countries to the extent necessary to complete those actions and undertakings that Spinco, in its sole discretion, determines to be necessary or advisable to comply with applicable Law; or (b) elect to not offer the Spinco ESPP in certain non-U.S. jurisdictions for legal, regulatory or tax issues or requirements and/or to avoid undue cost or administrative burden.

SECTION 6.8 Necessary Actions. The Parties shall, as soon as practicable after the date hereof and in no event later than the Business Day prior to the Distribution Date, take all actions as may be necessary to implement the provisions of this Article VI, including adopting any necessary resolutions and making any required plan amendments and award modifications and obtaining any required consents from Spinco Employees.

SECTION 6.9 Awards Granted in Certain Non-U.S. Jurisdictions. Notwithstanding the foregoing provisions of this Article VI, the provisions of this Article VI may be modified by the Parties to the extent necessary or advisable to address legal, regulatory or tax issues or requirements and/or to avoid undue cost or administrative burden arising out of the application of this Article VI to equity-based incentive compensation awards subject to non-U.S. Laws. For the avoidance of doubt, the Parties may provide for different adjustments with respect to or impose different terms on some or all Spinco Equity Awards or WDC Equity Awards to the extent that the Parties deem such adjustments necessary and appropriate. Any adjustments made by the Parties shall be deemed to have been incorporated by reference herein as if fully set forth above and shall be binding on the Parties and their respective Subsidiaries and Affiliates.

SECTION 6.10 SEC Registration. All shares of Spinco Common Stock to be issued in respect of the Spinco Equity Awards shall be subject to an effective registration statement on Form S-8 (or another appropriate form) maintained by Spinco. Spinco shall use commercially reasonable efforts to keep such registration statement effective (and maintain the current status of the prospectus required thereby) for so long as any such Spinco Equity Awards remain outstanding.

SECTION 6.11 Tax and Regulatory Compliance for Post-Separation WDC Equity Awards. To the extent any member of the Spinco Group is subject to Tax withholding, reporting, remitting or payment obligations or any regulatory filing obligation in connection with the Post-Separation WDC Equity Awards, the Parties agree to cooperate to ensure that such obligations are met and that any Employment Taxes payable by any member of the WDC Group or Spinco Group in connection with such awards shall be paid by WDC. The Parties hereby acknowledge and agree that (i) the members of the WDC Group shall be solely responsible for all obligations relating to reporting of Taxes to the appropriate Governmental Authority and remitting the amounts of any such Taxes required to be withheld (including any Employment Taxes) to the appropriate Governmental Authority in connection with the exercise, vesting or settlement of any such Post-Separation WDC Equity Awards, and no member of the Spinco Group shall have any Liability with respect thereto and (ii) Tax deductions relating to the Post-Separation WDC Equity Awards shall be retained by WDC. The obligations of the members of the WDC Group and the Spinco Group to provide Information to the other party in order to allow the administration of the Post-Separation WDC Equity Awards pursuant to this Article VI are set forth in Article VIII.

SECTION 6.12 Compliance. In the event that the treatment specified in this Article VI hereof does not comply with applicable Law or results in adverse Tax consequences to the Parties or any Spinco Employees, the Parties agree to negotiate in good faith alternative treatment or other resolution that complies with applicable Law and does not result in adverse Tax consequences to the Parties or any Spinco Employees, subject to any Party's obligation to reimburse any other Party as set forth in Section 2.2(d).

## ARTICLE VII

## ADDITIONAL COMPENSATION MATTERS

SECTION 7.1 Workers' Compensation Liabilities. Effective as of the Separation Time, Spinco shall assume all Liabilities for Spinco Employees related to any and all workers' compensation claims and coverage, arising under any law of any state, territory, or possession of the U.S. or the District of Columbia, and arising prior to, at or after the Separation Time, and Spinco shall be fully responsible for the administration of all such claims. If Spinco is unable to assume any such Liability or the administration of any such claim because of the operation of applicable state law or for any other reason, WDC shall retain such Liabilities and Spinco shall reimburse and otherwise fully indemnify WDC for all such Liabilities, including the costs of administering the plans, programs or arrangements under which any such Liabilities have accrued or otherwise arisen.

SECTION 7.2 Code Section 409A. Notwithstanding anything in this Agreement to the contrary, the Parties agree to negotiate in good faith regarding the need for any treatment different from that otherwise provided herein with respect to the payment of compensation to ensure that the treatment of such compensation does not cause the imposition of a Tax under Section 409A of the Code. In no event, however, will any Party be liable to another in respect of any Taxes imposed under, or any other costs or Liabilities relating to, Section 409A of the Code.

SECTION 7.3 Payroll Matters. In the case of each Spinco Employee, the employer of such individual as of immediately before the Separation Date shall be responsible for paying (and the W-2 and other payroll reporting obligations for) the payroll amount due to such individual for the payroll period (or portion thereof) ending on the Separation Date, unless otherwise agreed to by WDC and Spinco (or the appropriate member of the Spinco Group).

SECTION 7.4 Cash Incentives

(a) Subject to applicable Law, cash incentives payable under the WDC Cash Incentive Plans in respect of the first half of the fiscal year during which the Distribution Date occurs (the "Mid-Year Cash Incentives") shall be determined as of the Separation Time based on actual performance results and level of performance achieved (or actual commissions earned, as applicable) in respect of the first half of such fiscal year (including, if applicable, the portion of any performance period relating to the first half of such fiscal year) measured against the applicable targets under the applicable WDC Cash Incentive Plan.

(b) To the extent earned in accordance with Section 7.4(a), the Mid-Year Cash Incentives shall be paid to the eligible WDC Employees and Spinco Employees no later than at the time or times WDC otherwise would have paid such Mid-Year Cash Incentives in the ordinary course of business, subject to the terms and conditions of the applicable WDC Cash Incentive Plan (including, to the extent required, the employees' continued employment with the WDC Group or Spinco Group, as applicable, through the applicable payment date). The WDC Group shall be solely responsible for funding, paying, and discharging all obligations relating to any Mid-Year Cash Incentives that any WDC Employee is eligible to receive under any WDC Cash Incentive Plan, and no member of the Spinco Group shall have any obligations with respect thereto. The Spinco Group shall be solely responsible for funding, paying, and discharging all obligations relating to any Mid-Year Cash Incentives that any Spinco Employee is eligible to receive under any WDC Cash Incentive Plan at the time or times WDC otherwise would have paid such Mid-Year Cash Incentives in the ordinary course of business, and no member of the WDC Group shall have any obligations with respect thereto[; provided, however, that pursuant to the Separation Agreement, WDC shall pay to Spinco (or an appropriate member of the Spinco Group) a cash payment equal to the aggregate Mid-Year Cash Incentives accrued, or expected to accrue, with respect to the Spinco Employees as of the Separation Time, as well as an additional amount equal to the employer portion of Employment Taxes required to be paid with respect to such amount (and Spinco or the appropriate member of the Spinco Group shall timely pay such taxes to the appropriate Governmental Authority).]

(c) Subject to applicable Law, and notwithstanding anything to the contrary herein, cash incentives for Spinco Employees in respect of the second half of the fiscal year during which the Distribution Date occurs (the "Remaining Cash Incentives") shall accrue at each Spinco Employee's target incentive award percentage (under the applicable WDC Cash Incentive Plan or otherwise) based on payroll for the portion of the second half of the fiscal year that occurs up to the Separation Time. The Spinco Group shall be solely responsible for funding, paying, and discharging all obligations relating to any Remaining Cash Incentives that any Spinco Employee is eligible to receive (under any Spinco Cash Incentive Plan or otherwise), to the extent earned following the Separation Time, and no member of the WDC Group shall have any obligations with respect thereto[; provided, however, that pursuant to the Separation Agreement, WDC shall pay to Spinco (or an appropriate member of the Spinco Group) a cash payment equal to the aggregate Remaining Cash Incentives accrued, or expected to accrue, with respect to the Spinco Employees as of the Separation Time, as well as an additional amount equal to the employer portion of Employment Taxes required to be paid with respect to such amount (and Spinco or the appropriate member of the Spinco Group shall timely pay such taxes to the appropriate Governmental Authority).]

(d) On or following the Distribution Date, WDC shall determine appropriate performance measures to be used for the remainder of the fiscal year for eligible WDC Employees under the WDC Cash Incentive Plans or such other plans as may be adopted by WDC for the grant of cash incentives to WDC Employees following the Distribution Date.

(e) Effective as of the Separation Time, Spinco (or the appropriate member of the Spinco Group) shall have adopted a cash incentive plan and such other plans (the "Spinco Cash Incentive Plans"), which shall permit the grant of cash incentives to Spinco Employees following the Distribution Date with terms substantially comparable to the terms of the WDC Cash Incentive Plans as in effect immediately prior to the Separation Time. Further, at any time following the Distribution Date, Spinco (or the appropriate member of the Spinco Group) shall determine, in compliance with applicable Law and any applicable Collective Bargaining Agreement, those Spinco Cash Incentive Plans in which the Spinco Employees will be eligible to participate and appropriate performance measures to be used for the remainder of the fiscal year during which the Distribution Date occurs.

SECTION 7.5 Severance Plans

(a) Effective as of the Separation Time, Spinco (or the appropriate member of the Spinco Group) shall have adopted a severance plan and such other plans (the "Spinco Severance Plans") for the benefit of eligible Spinco Employees containing terms substantially similar to those set forth in the WDC Severance Plans. Further, following the Separation Time, Spinco (or the appropriate member of the Spinco Group) shall determine, in compliance with applicable Law and any applicable Collective Bargaining Agreement, those Spinco Severance Plans in which the Spinco Employees will be eligible to participate.

(b) Following the Separation Time, the WDC Group shall be solely responsible for funding, paying and discharging all obligations relating to any severance benefits that any WDC Employee or Former WDC Employee is eligible to receive under any WDC Severance Plan and no member of the Spinco Group shall have any obligations with respect

thereto. Further, following the Separation Time, the Spinco Group shall be solely responsible for funding, paying and discharging all obligations relating to any severance benefits that any Spinco Employee is eligible to receive under any Spinco Severance Plan and no member of the WDC Group shall have any obligations with respect thereto.

(c) The Parties hereto agree that none of the transactions contemplated by the Separation Agreement or any of the Ancillary Agreements, including this Agreement, shall constitute a "change in control," "change of control" or similar term, as applicable, within the meaning of any WDC Benefit Arrangement or Spinco Benefit Arrangement relating to severance benefits, including under any WDC Severance Plan or Spinco Severance Plan.

(d) To the extent permitted by applicable Law, it is intended that the WDC Employees and Spinco Employees shall not experience a termination of employment or service solely as a result of the transactions contemplated by the Separation Agreement or any of the Ancillary Agreements, including any employment transfers contemplated by this Agreement. WDC shall cause each WDC Severance Plan to be interpreted and administered consistent with such intent and shall have taken all actions necessary or appropriate prior to the Separation Time to clarify that WDC Employees and Spinco Employees shall not be entitled to any severance payments or benefits under any WDC Severance Plan as a result of such transactions or transfers, as applicable.

SECTION 7.6 Additional Matters. See Schedule 7.6 hereto.

## ARTICLE VIII

the Information (whether relating to employee records or otherwise) that is shared with another Party in accordance with this Section 8.1. The Parties also hereby agree to enter into any business associate agreements that may be required for the sharing of any Information pursuant to this Agreement to comply with the requirements of HIPAA. The Parties shall use their best efforts to secure Consents from employees, former employees and their respective dependents to the extent required by Law or otherwise to permit the Parties to share Information as contemplated in this Section 8.1. WDC shall indemnify, defend and hold harmless the Spinco Indemnitees for any Losses or Liabilities related to or resulting from the failure by any member of the WDC Group to provide timely and accurate Information prior to, at or after the Distribution Date in accordance with this Agreement. The Spinco Group shall indemnify, defend and hold harmless the WDC Indemnitees for any Losses or Liabilities related to or resulting from the failure to provide timely and accurate Information by any member of the Spinco Group, following the Distribution Date. Nothing in this Section 8.1 shall be construed to govern any matters of Privilege, which such matters shall be governed by Section 5.3 of the Separation Agreement.

SECTION 8.2 Commercially Reasonable Efforts/Cooperation. (i) Each of the Parties shall use commercially reasonable efforts (subject to, and in accordance with applicable Law) to take promptly, or cause to be taken promptly, all actions, and to do promptly, or cause to be done promptly, and to assist and cooperate with the other Parties in doing, all things reasonably necessary, proper or advisable to consummate and make effective the transactions contemplated by and carry out the intent and purposes of this Agreement, including adopting plans or plan amendments and using commercially reasonable efforts to obtain satisfaction of the conditions precedent to each Party's obligations hereunder within its reasonable control and to perform all covenants and agreements herein applicable to such Party and (ii) none of the Parties will, without the prior written consent of any other applicable Party, take any action which would reasonably be expected to prevent or materially impede, interfere with or delay the transactions contemplated by this Agreement. Without limiting the generality of the foregoing provisions of this Section 8.2, (A) where the cooperation of third parties, such as insurers or trustees, would be necessary in order for a Party to completely fulfill its obligations under this Agreement, such Party shall use commercially reasonable efforts to cause such third parties to provide such cooperation, (B) each of the Parties shall cooperate on any issue relating to the transactions contemplated by this Agreement for which the other Party seeks a determination letter or private letter ruling from the IRS, an advisory opinion from the Department of Labor or any other filing, consent or approval with respect to or by a Governmental Authority, (C) each of the Parties shall cooperate in connection with any audits of any Benefit Arrangement or payroll services with respect to which such Party may have Information, (D) each of the Parties shall cooperate in coordinating each of their respective payroll systems and to implement the actions contemplated pursuant to this Agreement, including under Section 6.5, Section 7.3 and Section 7.4, and (E) each of the Parties shall cooperate in good faith in connection with the notification and consultation with works councils, labor unions and other employee representatives of employees of the Spinco Group.

SECTION 8.3 Employer Rights. Without limiting Section 2.7 or Section 2.8 and except as otherwise expressly provided in this Agreement (including Section 2.3), nothing in this Agreement shall prohibit any Party or any of their respective Affiliates from amending, modifying or terminating any of their respective Benefit Arrangements at any time within their sole discretion.

SECTION 8.4 Consent of Third Parties. If any provision of this Agreement is dependent on the Consent of any third party and such Consent is withheld, the Parties shall use their commercially reasonable efforts to implement the applicable provisions of this Agreement to the fullest extent practicable. If any provision of this Agreement cannot be implemented due to the failure of such third party to consent, the Parties shall negotiate in good faith to implement the provision (as applicable) in a mutually satisfactory manner.

SECTION 8.5 Access to Employees. On and after the Separation Time, WDC and Spinco shall, and shall cause each of their respective Affiliates to, use their commercially reasonable efforts to make available to each other those of their employees who may reasonably be needed in order to defend or prosecute any legal or administrative Action (other than a legal action between or among any of the Parties) to which any employee, director or Benefit Arrangement of the WDC Group or Spinco Group is a party and which relates in any way to their respective employment or to their respective Benefit Arrangements prior to the Separation Time. The Party to whom an employee is made available in accordance with this Section 8.5 shall pay or reimburse the other Party for all reasonable expenses which may be incurred by such employee in connection therewith, including all reasonable travel, lodging, and meal expenses.

SECTION 9.4 Amendments and Waivers.

(a) This Agreement may be amended or supplemented in any and all respects and any provision of this Agreement may be waived and any such waiver shall be binding upon a Party, only if such waiver is set forth in a writing executed by such waiving party bound thereby, and any such amendment or supplement shall be effective only if set forth in a writing executed by each of the Parties; and any such waiver, amendment or supplement shall not be applicable or have any effect except in the specific instance in which it is given. No course of dealing between or among any Persons having any interest in this Agreement shall be deemed effective to modify, amend or discharge any part of this Agreement or any rights or obligations of any Party under or by reason of this Agreement.

(b) Notwithstanding the foregoing, no failure on the part of any Party to exercise any power, right, Privilege or remedy under this Agreement, and no delay on the part of any Party in exercising any power, right, Privilege or remedy under this Agreement, shall operate as a waiver of such power, right, Privilege or remedy; and no single or partial exercise of any such power, right, Privilege or remedy shall preclude any other or further exercise thereof or of any other power, right, Privilege or remedy. The rights and remedies hereunder are cumulative and not exclusive of any rights or remedies that any Party would otherwise have. Any waiver, permit, consent or approval of any kind or character of any breach or default under this Agreement or any such waiver of any provision of this Agreement must satisfy the conditions set forth in Section 9.4(a) and shall be effective only to the extent in such writing specifically set forth.

SECTION 9.5 Early Termination. This Agreement shall terminate without further action at any time before the Distribution upon termination of the Separation Agreement. If so terminated, no Party shall have any Liability of any kind to the other Parties or any other Person on account of this Agreement, except as provided in the Separation Agreement, it being understood that this Section 9.5 shall not be deemed to limit or modify the provisions of Section 9.8 of the Separation Agreement (Termination).

SECTION 9.6 No Third-Party Beneficiaries. Except for the provisions of Section 3.1(i) and Section 8.1 with respect to indemnification of Spinco Indemnitees or WDC Indemnitees, as applicable, which are intended to benefit and be enforceable by the Persons specified therein as indemnitees, this Agreement is solely for the benefit of the Parties, and their respective successors and permitted assigns, and is not intended, and shall not be deemed, to (a) be construed as an amendment, waiver, or creation of any agreement of employment with any person, any Employee Benefit Plan or other employee benefit plan, (b) limit in any way the right of the WDC Group, Spinco Group or any of their respective Affiliates, to amend or terminate any Employee Benefit Plan at any time, (c) create any right to employment, continued employment, or any term or condition of employment with the WDC Group, Spinco Group or any of their respective Affiliates, (d) confer on third parties (including any employees of the Parties and their respective Affiliates) any remedy, claim, reimbursement, claim of action or other right in addition to those existing without reference to this Agreement, or (e) otherwise create any third-party beneficiary hereto.

SECTION 9.7 Assignability; Binding Effect. This Agreement shall be binding upon, and shall be enforceable by and inure solely to the benefit of, the Parties and their respective successors and permitted assigns; provided, however, that neither this Agreement nor any Party's rights, interests or obligations hereunder may be assigned or delegated by any such Party, in whole or in part (whether by operation of law or otherwise), without the prior written consent of the other Parties, and any attempted assignment or delegation of this Agreement or any of such rights or obligations by any Party without the prior written consent of the other Parties shall be void and of no effect. Except as set forth in Section 9.6, nothing in this Agreement, express or implied, is intended to or shall confer upon any Person (other than the Parties) any power, right, Privilege or remedy of any nature whatsoever under or by reason of this Agreement.

SECTION 9.8 Severability. Any term or provision of this Agreement which is invalid or unenforceable in any situation in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement in any other jurisdiction or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, such provision shall be interpreted to be only so broad as is enforceable. If a final judgment of a court of competent jurisdiction declares that any term or provision of this Agreement is invalid or unenforceable, the Parties agree that the court making such determination shall have the power to limit such term or provision, to delete specific words or phrases or to replace such term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall be valid and enforceable as so modified. In the event such court does not exercise the power granted to it in the prior sentence, the Parties agree to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable term or provision.

SECTION 9.9 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument and shall become effective when counterparts have been signed by each of the Parties and delivered to the other Parties, it being understood that all Parties need not sign the same counterpart. This Agreement may be executed and delivered by facsimile transmission, by electronic mail in "portable document format" (".pdf") form or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, or by combination of such means. The exchange of a fully executed Agreement (in counterparts or otherwise) by facsimile or electronic transmission shall be treated in all manner and respects as an original agreement and shall be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person.

At the request of any Party, the other Parties shall re-execute original forms thereof and deliver them to the requesting Party. No Party shall raise the use of a facsimile machine or other electronic means to deliver a signature or the fact that any signature was transmitted or communicated through the use of a facsimile machine or other electronic means as a defense to the formation of a Contract, and each such Party forever waives any such defense.

SECTION 9.10 Dispute Resolution. Any controversy, dispute or claim arising out of, in connection with, or in relation to the interpretation, performance, nonperformance, validity, termination or breach of this Agreement or otherwise arising out of, or in any way related to this Agreement or the transactions contemplated hereby or thereby shall be subject to the dispute resolutions procedures set forth in Sections 8.1 and 9.4 of the Separation Agreement.

SECTION 9.11 Waiver of Jury Trial. EACH OF THE PARTIES IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION OR LEGAL PROCEEDING (WHETHER AT LAW, IN CONTRACT, IN TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

9.7 Entire Agreement. This Agreement, including any schedules and amendments hereto and thereto, and the other agreements and documents referred to herein and therein, shall together constitute the entire agreement between the Parties with respect to the subject matter hereof and thereof and shall supersede all prior negotiations, agreements and understandings, both written and oral, between the Parties with respect to such subject matter hereof and thereof.

9.8 Amendment and Waiver.

(a) This Agreement may be amended or supplemented in any and all respects and any provision of this Agreement may be waived*provided, however,* that any such waiver shall be binding upon a Party, only if such waiver is set forth in a writing executed by such waiving Party bound thereby, and any such amendment or supplement shall be effective only if set forth in a writing executed by each of the Parties; and any such waiver, amendment or supplement shall not be applicable or have any effect except in the specific instance in which it is given. No course of dealing between or among any Persons having any interest in this Agreement shall be deemed effective to modify, amend, supplement or discharge any part of this Agreement or any rights or obligations of any Party under or by reason of this Agreement.

(b) Notwithstanding the foregoing, no failure on the part of any Party to exercise any power, right, privilege or remedy under this Agreement, and no delay on the part of any Party in exercising any power, right, privilege or remedy under this Agreement, shall operate as a waiver of such power, right, privilege or remedy; and no single or partial exercise of any such power, right, privilege or remedy shall preclude any other or further exercise thereof or of any other power, right, privilege or remedy. The rights and remedies hereunder are cumulative and not exclusive of any rights or remedies that any Party would otherwise have. Any waiver, permit, consent or approval of any kind or character of any breach or default under this Agreement or any such waiver of any provision of this Agreement must satisfy the conditions set forth in Section 9.8(a) and shall be effective only to the extent in such writing specifically set forth.

9.9 Severability. Any term or provision of this Agreement which is invalid or unenforceable in any situation in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement in any other jurisdiction or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, such provision shall be interpreted to be only so broad as is enforceable. If a final judgment of a court of competent jurisdiction declares that any term or provision of this Agreement is invalid or unenforceable, the Parties agree that the court making such determination shall have the power to limit such term or provision, to delete specific words or phrases or to replace such term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall be valid and enforceable as so modified. In the event such court does not exercise the power granted to it in the prior sentence, the Parties agree to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable term or provision.

9.10 Governing Law; Specific Performance; Forum.

(a) This Agreement and the consummation of the transactions contemplated hereby, and any Action (whether at law, in contract, in tort or otherwise) arising out of or relating to this Agreement and the consummation of the transactions contemplated hereby, or the negotiation, validity, interpretation, performance, breach or termination of this Agreement and the consummation of the transactions contemplated hereby, shall be governed by and construed in accordance with the internal law of the State of Delaware, regardless of the law that might otherwise govern under applicable principles of conflicts of law thereof.

(b) Except as otherwise provided herein, any and all remedies herein expressly conferred upon a Party shall be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by law or equity upon such Party, and the exercise by a Party of any one remedy shall not preclude the exercise of any other remedy. Nothing in this Agreement shall

be deemed a waiver by any Party of any right to specific performance or injunctive relief. The Parties understand and agree that the covenants and agreements on each of their parts herein contained are uniquely related to the desire of the Parties and their respective Affiliates to consummate the transactions contemplated hereby, that the transactions contemplated hereby are a unique business opportunity at a unique time for each of WDS and Spinco and their respective Affiliates, and further agree that irreparable damage would occur in the event that any provision of this Agreement were not performed in accordance with its specific terms, and further agree that, although monetary damages may be available for the breach of such covenants and agreements, monetary damages would be an inadequate remedy therefor. It is accordingly agreed that, in addition to any other remedy that may be available to it, including monetary damages, each of the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement exclusively in the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or, if the Delaware Court of Chancery declines to accept jurisdiction over a particular matter, any state or federal court within the State of Delaware). Each of the Parties further agrees that no Party shall be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Section 9.10 and each Party waives any objection to the imposition of such relief or any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

(c) Each of the Parties irrevocably agrees that any legal action or proceeding with respect to this Agreement and the rights and obligations arising hereunder, or for recognition and enforcement of any judgment in respect of this Agreement and the rights and obligations arising hereunder, brought by the other Party or its respective successors or assigns, shall be brought and determined exclusively in the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or, if the Delaware Court of Chancery declines to accept jurisdiction over a particular matter, any state or federal court within the State of Delaware). Each of the Parties hereby irrevocably submits with regard to any such action or proceeding for itself and in respect of its property, generally and unconditionally, to the personal jurisdiction of the aforesaid courts and agrees that it will not bring any action relating to this Agreement or any of the transactions contemplated by this Agreement in any court other than the aforesaid courts. Each of the Parties hereby irrevocably waives, and agrees not to assert, by way of motion, as a defense, counterclaim or otherwise, in any action or proceeding with respect to this Agreement: (i) any claim that it is not personally subject to the jurisdiction of the above named courts for any reason other than the failure to serve in accordance with this Section 9.10; (ii) any claim that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise); and (iii) to the fullest extent permitted by applicable Law, any claim that: (x) the suit, action or proceeding in such court is brought in an inconvenient forum; (y) the venue of such suit, action or proceeding is improper; or (z) this Agreement, or the subject matter hereof, may not be enforced in or by such courts. In the event that any suit or action is instituted to enforce any provision in this Agreement, the prevailing party in such dispute shall be entitled to recover from the losing party all fees, costs and expenses of enforcing any right of such prevailing party under or with respect to this Agreement, including, without limitation, such reasonable fees and expenses of attorneys and accountants, which shall include, without limitation, all fees, costs and expenses of appeals. The Parties agree that service of any court paper may be made in any manner as may be provided under the applicable Laws or court rules governing service of process in such court. The Parties agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Law.

9.11 Waiver of Jury Trial. EACH OF THE PARTIES IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION OR LEGAL PROCEEDING (WHETHER AT LAW, IN CONTRACT, IN TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

9.12 Construction; Interpretation.

(a) For purposes of this Agreement, whenever the context requires: (i) the singular number shall include the plural, and vice versa; (ii) the masculine gender shall include the feminine and neuter genders; (iii) the feminine gender shall include the masculine and neuter genders; and (iv) the neuter gender shall include masculine and feminine genders.

(b) The Parties agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be applied in the construction or interpretation of this Agreement.

(c) As used in this Agreement, the words “include” and “including,” and variations thereof, shall not be deemed to be terms of limitation, but rather shall be deemed to be followed by the words “without limitation.”

(d) As used in this Agreement, the words “hereof,” “herein,” “hereto” and “hereunder” and words of similar import shall refer to this Agreement as a whole and not to any particular provision of this Agreement.

(e) The measure of a period of one (1) month or year for purposes of this Agreement will be the date of the following month or year corresponding to the starting date; and, if no corresponding date exists, then the end date of such period being measured will be the next actual date of the following month or year (for example, one month following February 18 is March 18 and one month following March 31 is May 1).

(f) As used in this Agreement, the word “extent” in the phrase “to the extent” shall mean the degree to which a subject or other thing extends, and such phrase shall not mean simply “if.”

(g) As used in this Agreement, the word “will” shall be deemed to have the same meaning and effect as the word “shall.”

(h) As used in this Agreement, the terms “or,” “any” or “either” are not exclusive and shall be deemed to be “and/or.”

(i) As used in this Agreement, references to “written” or “in writing” include in electronic form.

(j) As used in this Agreement, references to the "date hereof" are to the date of this Agreement.

(k) Except as otherwise indicated, all references in this Agreement to "Sections," "Articles" and "Schedules" are intended to refer to Sections or Articles of this Agreement and Schedules to this Agreement.

(l) As used in this Agreement, the terms "or," "any" or "either" are not exclusive.

(m) Except as otherwise indicated, all references in this Agreement to "Sections" and "Schedules" are intended to refer to Sections of this Agreement and Schedules to this Agreement.

(n) The section and other headings and subheadings contained in this Agreement are for convenience of reference only, shall not be deemed to be a part of this Agreement and shall not be referred to in connection with the construction, meaning or interpretation of this Agreement. The preamble and the recitals set forth at the beginning of this Agreement are incorporated by reference into and made a part of this Agreement.

(o) Any payment to be made pursuant hereto shall be made in U.S. dollars and by wire transfer of immediately available funds.

(p) All references to statutes shall include all regulations promulgated thereunder, and all references to statutes and related regulations shall include all amendments of the same and any successor or replacement statutes and regulations.

9.13 Counterpart Execution. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument and shall become effective when counterparts have been signed by each of the Parties and delivered to the other Party, it being understood that all Parties need not sign the same counterpart. This Agreement may be executed and delivered by facsimile transmission, by electronic mail in "portable document format" (".pdf") form or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, or by combination of such means. The exchange of a fully executed Agreement (in counterparts or otherwise) by facsimile or electronic transmission shall be treated in all manner and respects as an original agreement and shall be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person. At the request of any Party, the other Party shall re-execute original forms thereof and deliver them to the requesting Party. No Party shall raise the use of a facsimile machine or other electronic means to deliver a signature or the fact that any signature was transmitted or communicated through the use of a facsimile machine or other electronic means as a defense to the formation of a contract and each such Party forever waives any such defense.

9.14 No Third-Party Rights. Except as specifically provided in the SDA or any Ancillary Agreement, this Agreement is solely for the benefit of the Parties and their respective successors and permitted assigns and is not intended, and shall not be deemed, to (a) create any agreement of employment with any person, (b) confer on third parties (including any employees of the Parties and their respective Groups) any remedy, claim, reimbursement, claim of action or other right in addition to those existing without reference to this Agreement, or (c) otherwise create any third-party beneficiary hereto.

9.15 Ancillary Agreement. The Parties hereby acknowledge and agree that nothing in this Agreement (including any breach hereof) shall affect any obligation of any Party under the SDA or the other Ancillary Agreements.

9.16 Early Termination. This Agreement shall terminate without further action at any time before the Distribution upon termination of the SDA. If so terminated, no Party shall have any Liability of any kind to the other Party or any other Person on account of this Agreement, except as provided in the SDA, it being understood that this Section 9.16 shall not be deemed to limit or modify the provisions of Section 9.8 of the SDA (Termination).

9.17 Survival. The covenants in this Agreement that by their terms are to be performed following the Separation Time will survive each of the Internal Restructuring and the Distribution and will remain in full force and effect in accordance with their terms.

## II. TRADEMARK LICENSE TO SPINCO

2.1 Limited Transitional Trademark License Grant.

(a) Subject to the terms and conditions of this Agreement, WDC and its Affiliates, as applicable, hereby grant to Spinco and its Affiliates a worldwide, non-exclusive, non-transferable, license to use the WDC Group Licensed Trademarks for a period of three (3) years (unless otherwise specified in Section 9.15 (Survival) in the event that this Agreement terminates)(such period, including any authorized extension thereof, the "**Spinco General Trademark License Term**") solely in the manner in which they have been used during the twelve (12)-month period prior to the Effective Date in connection with the Flash Business, in furtherance of Spinco's efforts to rebrand, establish and develop its independent activities in the Flash Business and transition its operations following WDC's divestment of Spinco under the SDA; *provided* that Spinco and its Affiliates shall not, without express prior written permission from the WDC Group in accordance with Section 2.5, use any WDC Group Licensed Trademarks on any publicly facing or widely distributed branding, press materials, marketing collateral or the like.

(b) The licenses granted pursuant to this Section 2.1 shall be royalty-free for the first twelve (12) months following the Effective Date (such period, including any authorized extension thereof, the "**Spinco Royalty-Free Period**"). If, despite Spinco's and its Affiliates' best efforts to complete a rebranding and cease use of the WDC Group Licensed Trademarks, the Spinco Group has not completed such rebranding before the expiration of the Spinco Royalty-Free Period, Spinco may, no later than thirty (30) days prior to the one (1)-year anniversary of the Effective Date, provide written notice to WDC of its desire to extend the Spinco Royalty-Free Period for specific, identified products for which Spinco and its Affiliates were not able to complete rebranding and cease use of the WDC Group Licensed Trademarks. Upon timely receipt of such notice, the Spinco Royalty-Free Period shall, *one time only*, be extended for a period of six (6) months with respect to such specific, identified products (provided, for the avoidance of doubt, that any such extension of the Spinco Royalty-Free Period shall not operate as an extension of the Spinco General Trademark License Term). After the Spinco Royalty-Free Period, the licenses granted pursuant to this Section 2.1 shall be royalty-bearing in accordance with Section 4.1.

(c) Spinco and its Affiliates shall have the right, following the expiration of the Spinco General Trademark License Term, to continue selling and distributing its existing inventory of Licensed Products bearing the WDC Group Licensed Trademarks as of the date of such expiration for a period of four (4) months following such expiration (unless otherwise specified in Section 9.15 (Survival) in the event that this Agreement terminates) (such period, the "**Spinco Sell-Off Period**"), under and subject to the same terms and conditions applicable to the license granted in Section 2.1(a) during the Spinco General Trademark License Term (except as otherwise set forth in this sentence).

(d) Spinco and its Affiliates shall have the right, following the expiration of the Spinco General Trademark License Term, to continue making the existing Internal Uses (but no public-facing or other use in connection with marketing, promotion or sales of Internal Trademark Products) of the WDC Group Licensed Trademarks in connection with Internal Trademark Products until, on a product-by-product basis, the earlier of (i) the end-of-life (EOL) of each such Internal Trademark Product and (ii) the Internal Product Term (unless otherwise specified in Section 9.15 (Survival) in the event that this Agreement terminates) (such period, the "**Spinco Internal-Use Trademark Term**"), under and subject to the same terms and conditions applicable to the license granted in Section 2.1(a) during the Spinco General Trademark License Term (except as otherwise set forth in this sentence); *provided* that Spinco shall (and shall cause its Affiliates to) complete a rebranding and cease all such Internal Uses as soon as reasonably practicable. For the avoidance of doubt, Internal Uses shall be subject to the consideration set forth in Section 2.1(f) but shall not be subject to royalties under Section 4.1.

(e) The licenses granted in this Section 2.1 shall be sublicensable only to Spinco's third-party contractors, customers, partners and vendors, solely in connection with the aforementioned permitted purpose; *provided* that Spinco shall first obtain WDC's prior written approval of any such third-party contractor prior to any grant of sublicense thereto; *provided, further,* that, for the avoidance of doubt, the foregoing consent requirement shall not apply with respect to grants of sublicenses under written, executed contracts existing as of the Effective Date. Spinco shall in any event be responsible hereunder for its sublicensees' compliance with the terms and restrictions herein contained.

(f) In consideration for the right to make Internal Uses with respect to the WDC Group Licensed Trademarks in connection with Internal Trademark Products as expressly set forth in this Article II, Spinco shall pay WDC a one-time payment of three million dollars ($3,000,000), to be invoiced within thirty (30) days of the Effective Date and paid within ninety (90) days of the Effective Date, notwithstanding any provision hereof that would mandate a different timing for invoice or payment.

2.2 Ownership. Spinco acknowledges that, as between the Parties, (i) the WDC Group is the sole owner of all right, title and interest in and to the WDC Group Licensed Trademarks and all related goodwill and (ii) all goodwill accruing from Spinco and its Affiliates' use of the WDC Group Licensed Trademarks will inure solely to the benefit of the WDC Group. Spinco covenants that it will not do or cause to be done, and that it shall cause its Affiliates to not do or cause to be done, any act or omission to impair, dilute or tarnish the WDC Group Licensed Trademarks or the right, title, interest or goodwill of the WDC Group in the WDC Group Licensed Trademarks. In connection with the use of the WDC Group Licensed Trademarks, Spinco shall not, and it shall cause its Affiliates to not, represent, in any manner, that a member of the Spinco Group has any ownership interest in the WDC Group Licensed Trademarks.

2.3 Quality of Products. Spinco acknowledges that the WDC Group Licensed Trademarks indicate to the public that the goods and services covered under the WDC Group Licensed Trademarks are of a commercially consistent high quality and standard. Accordingly, Spinco agrees that it and its Affiliates' and sublicensee's use of the WDC Group Licensed Trademarks pursuant to this Agreement shall be in a manner that does not have any detrimental impact on the WDC Group's reputation or the goodwill associated with WDC Group's business

or the WDC Group Licensed Trademarks. Spinco and its Affiliates acknowledge and agree that the level of quality of the goods and services produced bearing the WDC Group Licensed Trademarks shall at all times comply with WDC's requirements with respect thereto. Spinco shall, and shall cause its Affiliates and sublicensee to, in its and their use of the WDC Group Licensed Trademarks, adhere to a general level of quality that is consistent with or better than that used with respect to all goods, services and business operations using or associated with the WDC Group Licensed Trademarks in the twelve (12) months prior to the Effective Date.

2.4 Quality Guidelines. Without limiting Section 2.3, Spinco shall, and shall cause its Affiliates and sublicensees to, adhere to the trademark brand or style guidelines related to the WDC Group Licensed Trademarks (collectively, the "**WDC Guidelines**"); *provided* that WDC gives Spinco reasonable advance written notice of any changes to the WDC Guidelines previously provided, and further provided that Spinco shall not be in breach of this paragraph for failure to conform with such changes to prior WDC Guidelines so long as it is actively exercising good faith, commercially reasonable efforts to bring the affected goods and services into compliance.

2.5 Prior Approval. Spinco shall, and shall cause its Affiliates and sublicensees to, only use the WDC Group Licensed Trademarks upon receiving prior written approval by WDC, and only in the manner, form, and medium and for the purpose so approved; *provided* that prior written approval shall not be required to use (i) a previously approved one of the WDC Group Licensed Trademarks (ii) that has been used previously on approved material (iii) in a form, manner and medium that are the same, in all material respects, as in the previous use subject to WDC's prior written approval. For the avoidance of doubt, any existing uses in commerce of the WDC Group Licensed Trademarks as of the Effective Date are deemed to have been approved for purposes of this Section 2.5.

2.6 Compliance with Law. Spinco shall, and shall cause its Affiliates and sublicensees to, comply with all applicable Laws in connection with its and their operations and its and their use of the WDC Group Licensed Trademarks, including using all WDC Group Licensed Trademark legends, notices and markings as required by applicable Law. Without limiting the generality of the foregoing, Spinco shall not, and shall cause its Affiliates and sublicensees to not, use the WDC Group Licensed Trademarks: (i) in connection with any fraudulent, defamatory, deceptive, or otherwise tortious purpose; or (ii) in any manner which constitutes false endorsement, false advertisement, false designation of origin, unfair competition or any other violation of Law governing consumer protection.

2.7 Quarterly Review. Once per calendar quarter during the license term set forth inSection 2.1, WDC shall conduct a quarterly review of goods and services using the WDC Group Licensed Trademarks. The schedule, specifications and procedures for such quarterly review shall be as set forth in Schedule 2.7 attached hereto and incorporated by reference. In connection with such reviews, Spinco and its Affiliates and sublicensees shall provide samples of the applicable goods and services for review and written approval by WDC, and WDC shall have the right to test, inspect and subsequently approve or reject such samples based on their conformity or nonconformity with the applicable WDC Guidelines. Such samples shall be identical in quality, performance, character and form to the goods and services intended for general sale and distribution. In the event that WDC rejects such samples during the applicable quarterly review, Spinco and its Affiliates and sublicensees shall revise, improve or otherwise submit new samples that conform to the applicable WDC Guidelines, and WDC shall have the

right to approve or reject such new samples according to the same procedures as for the initial samples. Spinco and its Affiliates and sublicensees shall not finalize, reproduce, distribute, display or otherwise use any goods and services bearing the WDC Group Licensed Trademarks that have been rejected in writing by WDC during a quarterly review due to material nonconformity with the applicable WDC Guidelines; *provided* that Spinco shall not be in breach of this paragraph for failure to conform to the WDC Guidelines so long as it is actively exercising good faith, commercially reasonable efforts to promptly bring the affected goods and services into compliance.

2.8 Cooperation. For as long as any such Trademarks are licensed hereunder, the Parties shall fully cooperate with each other in their efforts to maintain and enforce WDC's rights in the WDC Group Licensed Trademarks; *provided* that all reasonable, documented costs and expenses incurred by Spinco and its Affiliates and sublicensees in fulfilling its and their obligations hereunder shall be borne by Spinco, unless otherwise agreed in writing by the Parties. With respect to any action, suit, opposition or other proceeding (collectively, "**Proceeding**") alleging the infringement, dilution, tarnishment, unfair competition or passing off by a third party of, or with respect to the WDC Group Licensed Trademarks, or contesting the validity of the WDC Group Licensed Trademarks or the WDC Group's ownership thereof (each a "**WDC Trademark Claim**"), WDC shall have primary responsibility therefor and shall assume, conduct and direct the prosecution and/or defense of such Proceeding, as applicable, utilizing counsel and other resources of its own choosing; *provided* that Spinco shall, and shall cause its Affiliates and sublicensees to, upon request by WDC, provide reasonable assistance, including the provision of evidence, witnesses, information, communications, documentation and declarations in furtherance of WDC's conduct of the Proceeding, and to make its and their relevant personnel, records and facilities reasonably available in connection with such assistance, each at Spinco's expense. For as long as any such Trademarks are licensed hereunder, each Party will promptly notify the other Party of its receipt or firsthand knowledge of any active or threatened WDC Trademark Claim. In addition, Spinco and its Affiliates and sublicensees shall promptly notify WDC of any third-party acts or other circumstances that come to its and their attention which are reasonably likely to result in a future WDC Trademark Claim. Spinco and its Affiliates and sublicensees shall promptly (i) notify WDC of any material developments with respect to a Proceeding; and (ii) deliver to WDC a copy of all pleadings, correspondence and other material documents respecting a Proceeding. Spinco and its Affiliates and sublicensees shall not enter into any settlement, release, waiver, quitclaim or similar disposition of any Proceeding or WDC Trademark Claim without first obtaining WDC's prior written authorization, and any purported agreement or understanding made by Spinco or its Affiliates or sublicensees to such effect in absence of such written authorization shall be void.

2.9 Marking. Unless otherwise expressly specified in the WDC Guidelines or in writing by WDC, Spinco shall, and shall cause its Affiliates and sublicensees to, cause the designation of "®" to be placed adjacent to the versions of the WDC Group Licensed Trademarks that are federally registered and "TM" or "SM" as appropriate, for any versions of the WDC Group Licensed Trademarks that are not federally registered, in connection with each use or display of the WDC Group Licensed Trademarks in connection with goods and services in the United States. In foreign jurisdictions, Spinco shall, and shall cause its Affiliates and sublicensees to, follow local rules and Laws, and apply the applicable trademark notices as designated by each such foreign jurisdiction, unless otherwise expressly specified in the WDC Guidelines or in writing by WDC.

2.10 Certain Agreed-Upon Restrictions. Spinco and its Affiliates and sublicensees shall not, on its or their own behalf, or on behalf of any other party, in any country or jurisdiction, register or attempt to register, or otherwise attempt to acquire any rights or ownership interests in or to, any of the WDC Group Licensed Trademarks or any other service mark, trademark, trade dress, design or trade name which is identical or confusingly similar to any of the WDC Group Licensed Trademarks without WDC's prior written consent. Spinco and its Affiliates and sublicensees shall not contest or assist any other party in contesting the validity of the WDC Group Licensed Trademarks or the WDC Group's ownership thereof.

2.11 Effects of Termination. Upon termination of the license rights granted in Section 2.1, all rights to use the WDC Group Licensed Trademarks shall expire and Spinco and its Affiliates and sublicensees shall immediately cease any and all use of the WDC Group Licensed Trademarks.

2.12 Reservation of Rights by WDC. All rights not expressly granted by WDC in this Article II are reserved by WDC. Without limiting the generality of the foregoing sentence, the Parties acknowledge and agree that nothing in this Agreement shall be construed or interpreted as a grant, by implication or otherwise, of any license to the WDC Group's Intellectual Property Rights other than the licenses expressly set forth in Section 2.1. Other than as expressly provided in Section 2.1(e), the Spinco Group shall not have the right to grant any sublicenses hereunder.

2.13 Suspension of Rights Under WDC Group Licensed Trademarks. Without limiting Section 9.7, if Spinco materially breaches any of its obligations under Section 2.3, Section 2.4, Section 2.5, Section 2.6, Section 2.7 or Section 2.9, then, for as long as such breach is ongoing, WDC may, upon written notice, suspend the licenses and rights granted by WDC under Section 2.1(a), Section 2.1(c) and Section 2.1(d) with respect to the applicable Trademarks, products or services, until such time as such material breach has been cured.

2.14 Derivative Mark Discussion. At Spinco's request no earlier than six (6) months prior to the end of the Spinco General Trademark License Term, the Parties will meet and confer in good faith to negotiate a royalty-bearing license for the use of a "BLACK" derivative mark or any other mark derived from a WDC Group Licensed Trademark to be used by the Spinco Group for a limited period as part of a brand-transition plan.

## III. TRADEMARK LICENSE TO WDC

3.1 Limited Transitional Trademark License Grant.

(a) Subject to the terms and conditions of this Agreement, Spinco and its Affiliates, as applicable, hereby grant to WDC and its Affiliates a worldwide, non-exclusive, non-transferable, license to use the Spinco Group Licensed Trademarks for a period of three (3) years (unless otherwise specified in Section 9.15 (Survival) in the event that this Agreement terminates) (such period, including any authorized extension thereof, the "**WDC General Trademark License Term**") solely in the manner in which they have been used during the

twelve (12)-month period prior to the Effective Date in connection with the WDC Retained Business, in furtherance of WDC's efforts to rebrand, establish and develop its independent activities in the WDC Retained Business and transition its operations following WDC's divestment of Spinco under the SDA; *provided* that WDC and its Affiliates shall not, without express written permission from the Spinco Group in accordance with Section 3.5, use any Spinco Group Licensed Trademarks on any publicly facing or widely distributed branding, press materials, marketing collateral or the like.

(b) The licenses granted pursuant to this Section 3.1 shall be royalty-free for the first twelve (12) months following the Effective Date (such period, including any authorized extension thereof, the "**WDC Royalty-Free Period**"). If, despite WDC's and its Affiliates' best efforts to complete a rebranding and cease use of the Spinco Group Licensed Trademarks, the WDC Group has not completed such rebranding before the expiration of the WDC Royalty-Free Period, WDC may, no later than thirty (30) days prior to the one (1)-year anniversary of the Effective Date, provide written notice to Spinco of its desire to extend the WDC Royalty-Free Period for specific, identified products for which WDC and its Affiliates were not able to complete rebranding and cease use of the Spinco Group Licensed Trademarks. Upon timely receipt of such notice, the WDC Royalty-Free Period shall, *one time only*, be extended for a period of six (6) months with respect to such specific, identified products (provided, for the avoidance of doubt, that any such extension of the WDC Royalty-Free Period shall not operate as an extension of the WDC General Trademark License Term). After the WDC Royalty-Free Period, the licenses granted pursuant to this Section 3.1 shall be royalty-bearing in accordance with Section 4.1.

(c) WDC and its Affiliates shall have the right, following the expiration of the WDC General Trademark License Term, to (i) continue selling and distributing its existing inventory of products bearing the Spinco Group Licensed Trademarks as of the date of such expiration for a period of four (4) months following such expiration (unless otherwise specified in Section 9.15 (Survival) in the event that this Agreement terminates) (such period, the "**WDC Sell-Off Period**"), under and subject to the same terms and conditions applicable to the license granted in Section 3.1(a) during the WDC General Trademark License Term (except as otherwise set forth in this sentence).

(d) The licenses granted in this Section 3.1 shall be sublicensable only to WDC's third-party contractors, customers, partners and vendors, solely in connection with the aforementioned permitted purpose; *provided* that WDC shall first obtain Spinco's prior written approval of any such third-party contractor prior to any grant of sublicense thereto; *provided, further,* that, for the avoidance of doubt, the foregoing consent requirement shall not apply with respect to grants of sublicenses under contracts existing as of the Effective Date. WDC shall in any event be responsible hereunder for its sublicensees' compliance with the terms and restrictions herein contained.

3.2 Ownership. WDC acknowledges that, as between the Parties, (i) the Spinco Group is the sole owner of all right, title and interest in and to the Spinco Group Licensed Trademarks and all related goodwill and (ii) all goodwill accruing from WDC and its Affiliates' use of the Spinco Group Licensed Trademarks will inure solely to the benefit of Spinco. WDC covenants that it will not do or cause to be done, and that it shall cause its Affiliates to not do or

cause to be done, any act or omission to impair, dilute or tarnish the Spinco Group Licensed Trademarks or the right, title, interest or goodwill of the Spinco Group in the Spinco Group Licensed Trademarks. In connection with the use of the Spinco Group Licensed Trademarks, WDC shall not, and it shall cause its Affiliates to not, represent, in any manner, that a member of the WDC Group has any ownership interest in the Spinco Group Licensed Trademarks.

3.3 Quality of Products. WDC acknowledges that the Spinco Group Licensed Trademarks indicate to the public that the goods and services covered under the Spinco Group Licensed Trademarks are of a commercially consistent high quality and standard. Accordingly, WDC agrees that it and its Affiliates' and sublicensee's use of the Spinco Group Licensed Trademarks pursuant to this Agreement shall be in a manner that does not have any detrimental impact on the Spinco Group's reputation or the goodwill associated with the Spinco Group's business or the Spinco Group Licensed Trademarks. WDC and its Affiliates acknowledge and agree that the level of quality of the goods and services produced bearing the Spinco Group Licensed Trademarks shall at all times comply with Spinco's requirements with respect thereto. WDC shall, and shall cause its Affiliates and sublicensee to, in its and their use of the Spinco Group Licensed Trademarks, adhere to a general level of quality that is consistent with or better than that used with respect to all goods, services and business operations using or associated with the Spinco Group Licensed Trademarks in the twelve (12) months prior to the Effective Date.

3.4 Quality Guidelines. Without limiting Section 3.3, WDC shall, and shall cause its Affiliates and sublicensees to, adhere to the trademark brand or style guidelines related to the Spinco Group Licensed Trademarks (collectively, the "**Spinco Guidelines**"); *provided* that Spinco gives WDC reasonable advance written notice of any changes to the Spinco Guidelines previously provided, and further provided that WDC shall not be in breach of this paragraph for failure to conform with such changes to prior Spinco Guidelines so long as it is actively exercising good faith, commercially reasonable efforts to bring the affected goods and services into compliance.

3.5 Prior Approval. WDC shall, and shall cause its Affiliates and sublicensees to, only use the Spinco Group Licensed Trademarks upon receiving prior written approval by Spinco, and only in the manner, form, and medium and for the purpose so approved; *provided* that prior written approval shall not be required to use (i) a previously approved one of the Spinco Group Licensed Trademarks (ii) that has been used previously on approved material (iii) in a form, manner and medium that are the same, in all material respects, as in the previous use subject to Spinco's prior written approval. For the avoidance of doubt, any existing uses in commerce of the Spinco Group Licensed Trademarks as of the Effective Date are deemed to have been approved for purposes of this Section 3.5.

3.6 Compliance with Law. WDC shall, and shall cause its Affiliates and sublicensees to, comply with all applicable Laws in connection with its and their operations and its and their use of the Spinco Group Licensed Trademarks, including using all Spinco Group Licensed Trademark legends, notices and markings as required by applicable Law. Without limiting the generality of the foregoing, WDC shall not, and shall cause its Affiliates and sublicensees to not, use the Spinco Group Licensed Trademarks: (i) in connection with any fraudulent, defamatory, deceptive, or otherwise tortious purpose; or (ii) in any manner which constitutes false endorsement, false advertisement, false designation of origin, unfair competition or any other violation of Law governing consumer protection.

3.7 Quarterly Review. Once per calendar quarter during the license term set forth inSection 3.1, Spinco shall conduct a quarterly review of goods and services using the Spinco Group Licensed Trademarks. The schedule, specifications and procedures for such quarterly review shall be as set forth in Schedule 3.7 attached hereto and incorporated by reference. In connection with such reviews, WDC and its Affiliates and sublicensees shall provide samples of the applicable goods and services for review and written approval by Spinco, and Spinco shall have the right to test, inspect and subsequently approve or reject such samples based on their conformity or nonconformity with the applicable Spinco Guidelines. Such samples shall be identical in quality, performance, character and form to the goods and services intended for general sale and distribution. In the event that Spinco rejects such samples during the applicable quarterly review, WDC and its Affiliates and sublicensees shall revise, improve or otherwise submit new samples that conform to the applicable Spinco Guidelines, and Spinco shall have the right to approve or reject such new samples according to the same procedures as for the initial samples. WDC and its Affiliates and sublicensees shall not finalize, reproduce, distribute, display or otherwise use any goods and services bearing the Spinco Group Licensed Trademarks that have been rejected in writing by Spinco during a quarterly review due to material nonconformity with the applicable Spinco Guidelines; *provided* that WDC shall not be in breach of this paragraph for failure to conform to the Spinco Guidelines so long as it is actively exercising good faith, commercially reasonable efforts to promptly bring the affected goods and services into compliance.

3.8 Cooperation. For as long as any such Trademarks are licensed hereunder, the Parties shall fully cooperate with each other in their efforts to maintain and enforce Spinco's rights in the Spinco Group Licensed Trademarks; *provided* that all reasonable, documented costs and expenses incurred by WDC and its Affiliates and sublicensees in fulfilling its and their obligations hereunder shall be borne by WDC, unless otherwise agreed in writing by the Parties. With respect to any Proceeding alleging the infringement, dilution, tarnishment, unfair competition or passing off by a third party of, or with respect to the Spinco Group Licensed Trademarks, or contesting the validity of the Spinco Group Licensed Trademarks or the Spinco Group's ownership thereof (each a "**Spinco Trademark Claim**"), Spinco shall have primary responsibility therefor and shall assume, conduct and direct the prosecution and/or defense of such Proceeding, as applicable, utilizing counsel and other resources of its own choosing; *provided* that WDC shall, and shall cause its Affiliates and sublicensees to, upon request by Spinco, provide reasonable assistance, including the provision of evidence, witnesses, information, communications, documentation and declarations in furtherance of Spinco's conduct of the Proceeding, and to make its and their relevant personnel, records and facilities reasonably available in connection with such assistance, each at WDC's expense. For as long as any such Trademarks are licensed hereunder, each Party will promptly notify the other Party of its receipt or firsthand knowledge of any active or threatened Spinco Trademark Claim. In addition, WDC and its Affiliates and sublicensees shall promptly notify Spinco of any third-party acts or other circumstances that come to its and their attention which are reasonably likely to result in a future Spinco Trademark Claim. WDC and its Affiliates and sublicensees shall promptly (i) notify Spinco of any material developments with respect to a Proceeding; and (ii) deliver to Spinco a copy of all pleadings, correspondence and other material documents respecting a Proceeding. WDC and its Affiliates and sublicensees shall not enter into any settlement, release, waiver, quitclaim or similar disposition of any Proceeding or Spinco Trademark Claim without first obtaining Spinco's prior written authorization, and any purported agreement or understanding made by WDC or its Affiliates or sublicensees to such effect in absence of such written authorization shall be void.

3.9 Marking. Unless otherwise expressly specified in the WDC Guidelines or in writing by Spinco, WDC shall, and shall cause its Affiliates and sublicensees to, cause the designation of "®" to be placed adjacent to the versions of the Spinco Group Licensed Trademarks that are federally registered and "TM" or "SM" as appropriate, for any versions of the Spinco Group Licensed Trademarks that are not federally registered, in connection with each use or display of the Spinco Group Licensed Trademarks in connection with goods and services in the United States. In foreign jurisdictions, WDC shall, and shall cause its Affiliates and sublicensees to, follow local rules and Laws, and apply the applicable trademark notices as designated by each such foreign jurisdiction, unless otherwise expressly specified in the WDC Guidelines or in writing by Spinco.

3.10 Certain Agreed-Upon Restrictions. WDC and its Affiliates and sublicensees shall not, on its or their own behalf, or on behalf of any other party, in any country or jurisdiction, register or attempt to register, or otherwise attempt to acquire any rights or ownership interests in or to, any of the Spinco Group Licensed Trademarks or any other service mark, trademark, trade dress, design or trade name which is identical or confusingly similar to any of the Spinco Group Licensed Trademarks without Spinco's prior written consent. WDC and its Affiliates and sublicensees shall not contest or assist any other party in contesting the validity of the Spinco Group Licensed Trademarks or the Spinco Group's ownership thereof.

3.11 Effects of Termination. Upon termination of the license rights granted in Section 3.1, all rights to use the Spinco Group Licensed Trademarks shall expire and WDC and its Affiliates and sublicensees shall immediately cease any and all use of the Spinco Group Licensed Trademarks.

3.12 Reservation of Rights by Spinco. All rights not expressly granted by Spinco in this Article III are reserved by Spinco. Without limiting the generality of the foregoing sentence, the Parties acknowledge and agree that nothing in this Agreement shall be construed or interpreted as a grant, by implication or otherwise, of any license to the Spinco Group's Intellectual Property Rights other than the licenses expressly set forth in Section 3.1. Other than as expressly provided in Section 3.1(d), the WDC Group shall not have the right to grant any sublicenses hereunder.

3.13 Suspension of Rights Under Spinco Group Licensed Trademarks. Without limiting Section 9.7, if Spinco materially breaches any of its obligations under Section 3.3, Section 3.4, Section 3.5, Section 3.6, Section 3.7 or Section 3.9, then, for as long as such breach is ongoing, Spinco may, upon written notice, suspend the licenses and rights granted by Spinco under Section 3.1(a) and Section 3.1(c) with respect to the applicable Trademarks, products or services, until such time as such material breach has been cured.

## IV. PAYMENT OBLIGATIONS AND FORM OF PAYMENTS

4.1 Earned Royalty. Starting after the Spinco Royalty-Free Period or the WDC Royalty-Free Period, as applicable, each Party (as "**Licensee**") shall, subject to Section 9.15(c) and Section 9.15(d), according to the terms and conditions of this Article IV, pay to the other Party (as "**Licensor**") a royalty (the "**Earned Royalty**") of four percent (4%) of Net Sales. Notwithstanding anything to the contrary herein, without limiting Section 2.1(f), no Earned Royalties shall accrue or be payable with respect to any Licensed Product solely as a result of an Internal Use of a Trademark in accordance with the terms and conditions of this Agreement.

4.2 Taxes. Earned Royalties and any other sums payable under this Agreement are exclusive of any taxes, including any direct or indirect taxes, customs duties, levies, fees, excises, tariffs, claims, counterclaims, deductions and demands, and must be paid free and clear of all deductions and withholdings whatsoever, unless the deduction or withholding is required by applicable Law. If any deduction or withholding is required by Law (the "**Withholding Taxes**"), Licensee shall (a) remit Withholding Taxes to the appropriate tax authority, (b) provide all original receipts or necessary documentation evidencing payment to the relevant government to Licensor, (c) cooperate with Licensor as reasonably requested to support foreign tax credits Licensor may claim attributable to Withholding Taxes, and (d) indemnify Licensor for any foreign tax credits disallowed by a tax authority, including any associated interest and penalties, solely attributable to Licensee's failure to timely provide the documentation required hereunder. The Parties shall cooperate in good faith to minimize any required deduction or withholding, to the extent consistent with applicable Law.

4.3 Royalty Statements. No later than three (3) weeks following the end of each Quarterly Period, Licensee shall submit or cause to be submitted to Licensor a true and correct statement in writing that includes the following information relevant to the calculation of such Earned Royalties:

(a) the Quarterly Period for which the Earned Royalties were calculated;

(b) the number of Licensed Products sold during such Quarterly Period;

(c) the Net Sales during such Quarterly Period;

(d) the amount of any applicable and documented excise, sale, use or value added taxes, other than income taxes, paid by Licensee due to the sale of the Licensed Products during such Quarterly Period, deductible or due to be deducted from the amount of Earned Royalties due and payable; and

(e) the total net amount of Earned Royalties due and payable for such Quarterly Period.

4.4 Invoicing; Manner of Payment. Promptly following receipt of a royalty statement pursuant to Section 4.3, Licensor shall issue an invoice to Licensee for the amounts due thereunder. Earned Royalties and any other sums payable under this Agreement must be paid within ninety (90) days after the receipt of an invoice from Licensor therefor, in U.S. dollars by wire transfer to a bank account to be designated in writing by Licensor. For the purpose of converting the local currency in which any royalties arise into U.S. dollars, the rate of exchange to be applied will be the rate of exchange in effect for the date when the relevant payment first becomes due as reported in the Wall Street Journal. For the avoidance of doubt, issuing an invoice or accepting a payment does not preclude Licensor from subsequently challenging (a) the validity or accuracy of any royalty statement or (b) the amount of Earned Royalties due and payable hereunder.

4.5 Late Payments. In the event Licensor does not receive payments due under this Agreement by the due date, Licensee shall pay to Licensor interest on the overdue payment from the date such payment was due to the date of actual payment at a rate of 1.5% per month, or if lower, the maximum amount permitted under Law.

4.6 Records and Audits. Licensee shall (and shall cause its Affiliates to) keep complete and accurate books and records showing the description, price, quantity, and date of manufacture and sale, distribution or supply of all Licensed Products manufactured, sold or distributed. Such books and records must be kept separate from any books and records not relating solely to the Licensed Products and be available during normal business hours for inspection and audit by Licensor's authorized representative, who may take copies of or extracts from the same. If any such inspection or audit shows that any payment is deficient, (a) Licensee shall immediately pay Licensor the deficient amount, including interest calculated in accordance with Section 4.5, and (b) if such payment is found deficient by more than five percent (5%), Licensee shall bear the cost of the audit or inspection and reimburse Licensor for any professional charges incurred. Such inspection and audit right of Licensor remains in effect for a period of two (2) years after the termination of this Agreement.

## V. TERM AND TERMINATION

The term of this Agreement shall commence as of the Effective Date and shall, unless earlier terminated, continue until the expiration of the last to expire of the Spinco Sell-Off Period (if any), WDC Sell-Off Period (if any), Spinco General Trademark License Term, WDC General Trademark License Term and Spinco Internal-Use Trademark Term (if any), as set forth in Section 2.1 and Section 3.1 according to the terms and conditions of this Agreement. This Agreement may be terminated by either Party immediately upon written notice if the other Party materially breaches this Agreement and the breaching Party fails to cure such breach within thirty (30) days of receipt of a written notice specifying the nature of such breach; *provided* that if the existence of any such material breach is the subject of a good faith Dispute between the Parties, then this Agreement shall not be terminable prior to the resolution of the Second-Level Negotiation Period, in accordance with Section 9.7.

## VI. REPRESENTATIONS AND WARRANTIES

6.1 Mutual Representations and Warranties. Each Party represents and warrants to the other Party that (a) it has all requisite power and authority to execute and deliver this Agreement, to perform its obligations hereunder and to consummate the transactions contemplated hereby, (b) the execution, delivery and performance of this Agreement has been duly authorized by all requisite corporate action on the part of such Party, (c) this Agreement has been duly and validly executed and delivered by such Party and constitutes legal, valid and binding obligations of such Party enforceable against such Party, except as such enforceability may be limited by bankruptcy, insolvency, moratorium and other similar applicable Laws affecting creditors' rights generally and by general principles of equity and (d) it has the right to grant the licenses granted by such Party pursuant to this Agreement.

6.2 Disclaimer of Representations and Warranties. EXCEPT AS EXPRESSLY SET FORTH IN SECTION 6.1 ABOVE AND EXCEPT AS SET FORTH IN THE SDA, (a) NEITHER WDC NOR SPINCO MAKES ANY REPRESENTATION OR WARRANTY OF ANY KIND, EXPRESS OR IMPLIED, WITH RESPECT TO ANY SUBJECT MATTER OF THIS AGREEMENT (INCLUDING THE WDC GROUP LICENSED TRADEMARKS AND THE SPINCO GROUP LICENSED TRADEMARKS), (b) WDC SPECIFICALLY DISCLAIMS ANY EXPRESS OR IMPLIED WARRANTIES OF NON-INFRINGEMENT, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE WDC GROUP LICENSED TRADEMARKS AND (c) SPINCO SPECIFICALLY DISCLAIMS ANY EXPRESS OR IMPLIED WARRANTIES OF NON-INFRINGEMENT, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE WITH RESPECT TO THE SPINCO GROUP LICENSED TRADEMARKS. WITHOUT LIMITING THE FOREGOING, EXCEPT AS SET FORTH IN THE SDA, EACH PARTY SPECIFICALLY DISCLAIMS ANY WARRANTY THAT ANY OF THE THIRD-PARTY INTELLECTUAL PROPERTY RIGHTS USED IN THE FLASH BUSINESS OR THE WDC RETAINED BUSINESS ARE SUBLICENSABLE TO THE OTHER PARTY OR ITS AFFILIATES OR SUBSIDIARIES, AS APPLICABLE.

## VII. INDEMNIFICATION AND LIMITATION OF LIABILITY

7.1 Indemnification. Each Party (the "**Indemnifying Party**") shall indemnify, defend and hold harmless the other Party and its Affiliates and its and their officers, directors, employees, agents, successors and assigns (collectively, "**Indemnified Parties**") from and against any and all Losses (as defined in the SDA) arising out of, relating to or resulting from any third-party claims based on (a) the Indemnifying Party's breach of Article II or Article III this Agreement; (b) in the context of the Indemnifying Party as a licensee of Trademarks hereunder, use of such licensed Trademarks by or on behalf of the Indemnifying Party or its Affiliates or sublicensees after the Effective Date; or (c) in the context of the Indemnifying Party as a licensee of Trademarks hereunder, any products or services of the Indemnifying Party or its Affiliates bearing or commercialized in connection with such licensed Trademarks after the Effective Date, except, in each case, to the extent that such Losses are caused by compliance with the WDC Guidelines or the express written instructions of WDC pursuant to the terms and conditions of Article II (in the case of Spinco as the Indemnifying Party) or by the Spinco Guidelines or the express written instructions of Spinco pursuant to Article III (in the case of WDC as the Indemnifying Party) or are subject to indemnification by the other Party pursuant to this Article VII or the SDA.

7.2 Indemnification Procedures. Upon an Indemnified Party's receipt of a claim subject to the Indemnifying Party's obligations under this Article VII, the Indemnified Party shall notify the Indemnifying Party in writing of such receipt; *provided* that any failure to so notify shall not relieve the Indemnifying Party of its indemnification obligations hereunder, except to the extent the Indemnifying Party is materially prejudiced by such failure. In addition, (i) the Indemnifying Party will assume the defense of any such Indemnifiable Claim, and the

Indemnified Party shall reasonably assist and cooperate with such defense, at the Indemnifying Party's cost and expense; and (ii) the Indemnifying Party must obtain the prior written approval of the Indemnified Party prior to entering into any settlement of any indemnifiable claim hereunder which involves the admission of any guilt, liability or wrongdoing on behalf of the Indemnified Party.

7.3 SUBJECT TO THE TERMS AND CONDITIONS OF THE SDA, NOTWITHSTANDING ANYTHING ELSE IN THIS AGREEMENT OR OTHERWISE, EXCEPT WITH RESPECT TO A PARTY'S INDEMNIFICATION OBLIGATIONS SET FORTH IN SECTION 7.1 OR A BREACH OF SECTION 9.1 OR ARTICLE VIII, IN NO EVENT SHALL A PARTY OR ITS AFFILIATES BE LIABLE WITH RESPECT TO THE SUBJECT MATTER OF THIS AGREEMENT UNDER ANY CONTRACT, NEGLIGENCE, STRICT LIABILITY OR OTHER LEGAL OR EQUITABLE THEORY FOR ANY (a) CONSEQUENTIAL, INDIRECT, INCIDENTAL OR SPECIAL DAMAGES OR (b) LOST PROFITS OR LOST BUSINESS, IN THE CASE OF EACH OF (a) AND (b), EVEN IF THE REMEDIES PROVIDED FOR IN THIS AGREEMENT FAIL OF THEIR ESSENTIAL PURPOSE AND EVEN IF EITHER PARTY HAS BEEN ADVISED OF THE POSSIBILITY OR PROBABILITY OF SUCH DAMAGES.

**VIII. CONFIDENTIALITY**

8.1 Confidential Information. "**Confidential Information**" means any confidential and proprietary information of a Party, including know-how, trade secrets, algorithms, source code, specifications, methods of processing, techniques, research, development, inventions (whether or not patentable and whether or not reduced to practice), data, ideas, concepts, drawings, designs and schematics.

8.2 Confidentiality Obligations. Each Party (the "**Receiving Party**") that receives or otherwise obtains under this Agreement any Confidential Information of the other Party (the "**Disclosing Party**") shall, and shall cause its Affiliates to, (a) keep the Disclosing Party's Confidential Information confidential and not disclose or make available any of the Disclosing Party's Confidential Information to any third party without the prior written consent of the Disclosing Party (except in accordance with subclause (d) or subclause (e) in this Section 8.2 or in accordance with Section 8.4), (b) use the Disclosing Party's Confidential Information only as necessary to perform its obligations and exercise its rights under this Agreement, (c) use at least the same degree of care in keeping the Disclosing Party's Confidential Information confidential as it uses for its own Confidential Information of a similar nature (but in no event less than a reasonable degree of care), (d) limit access to the Disclosing Party's Confidential Information to its Affiliates and its authorized sublicensees who have a need to access or know such Confidential Information for the purpose of exercising such Affiliate's rights under this Agreement; *provided* that such Affiliate or sublicensee (other than any customer or end user of either Party) is bound in writing to confidentiality obligations at least as protective of the Disclosing Party's Confidential Information as the confidentiality provisions of this Agreement, and (e) limit access to the Disclosing Party's Confidential Information to its directors, employees, agents, consultants, advisors, Affiliates, sublicensees and contractors ("**Representatives**") who have a need to access or know such Confidential Information for the purpose of the Receiving Party's exercise of its rights under this Agreement; *provided* that such Representatives are bound in writing to confidentiality obligations at least as protective of the Disclosing Party's Confidential Information as the confidentiality provisions of this Agreement.

8.3 Exceptions. The Receiving Party shall not be obligated under Section 8.2 above with respect to any information the Receiving Party can document (a) is or, through no improper action or inaction by the Receiving Party or any of its Representatives, becomes generally available and known to the public, (b) was rightfully in its possession or known by it without any obligation of confidentiality prior to receipt from the Disclosing Party, (c) was rightfully disclosed to it without restriction by a third party that, to the Receiving Party's knowledge, was authorized to make such disclosure, (d) was independently developed by the Receiving Party without the use of or reference to any Confidential Information of the Disclosing Party or (e) is disclosed by the Disclosing Party to a third party without restriction on such third party's rights to disclose or use the same.

8.4 Disclosure Required by Law. In the event the Receiving Party is requested or required by Law or judicial process to disclose any Confidential Information of the Disclosing Party, the Receiving Party shall, if legally permitted, provide reasonable advance written notice to the Disclosing Party of such request or requirement so that the Disclosing Party may seek confidential treatment of such Confidential Information prior to its disclosure (whether through protective orders or otherwise). If, in the absence of a protective order, other confidential treatment or waiver under this Agreement, the Receiving Party is advised by its legal counsel that it is legally required to disclose such Confidential Information, the Receiving Party may disclose such Confidential Information without liability under this Article VIII; *provided, however*, that the Receiving Party exercises commercially reasonable efforts to obtain reliable assurances that confidential treatment will be accorded any such Confidential Information prior to its disclosure and discloses only the minimum amount of such Confidential Information necessary to comply with such legal requirement.

8.5 Disclosure in Connection with Due Diligence. A Party may provide this Agreement to any third party (subject to appropriate confidentiality obligations) if required to do so in connection with any diligence for any actual or potential bona fide business transaction with such third party related to the subject matter of this Agreement (including an acquisition, divestiture, merger, consolidation, asset sale, financing or public offering).

## IX. MISCELLANEOUS

9.1 Assignment.

(a) Subject to the restrictions set forth below, (i) either Party may assign or delegate this Agreement, in whole or in part, without the prior written consent of the other Party in connection with a merger, acquisition, consolidation, reorganization or sale of all or substantially all of the assets of a Party (whether by operation of law or otherwise), with written notice of such assignment to the other Party within thirty (30) days after the effective date of such assignment, (ii) in the event either Party sells or otherwise transfers (whether by sale of assets, merger or otherwise) one or more lines of products or services licensed under this Agreement (each a "**Divested Product Line**") to a third party ("**Product Line Acquirer**"), such Party may assign the rights and license granted to such Party in Article II or Article III (as applicable) hereunder to such Product Line Acquirer;*provided, however*, the rights and licenses granted to the Product Line Acquirer shall not extend to any products or services of another entity including from the Product Line Acquirer, and (iii) in the event a Party divests itself of a Subsidiary (the "**Divested Subsidiary**") to a third party ("**Divested Subsidiary Acquirer**"), upon written notice to the other Party, such Party may assign the rights and license granted to such Party in Article II or Article III (as applicable) hereunder to such Divested Subsidiary; *provided, however*, the rights and licenses granted to the Divested Subsidiary shall not extend to any products or services transferred into the Divested Subsidiary from another entity including from the Divested Subsidiary Acquirer. Except as set forth herein above, neither Party may assign this Agreement (or any of its rights or obligations under this Agreement) without the prior written consent of the other Party, which consent shall not be unreasonably withheld. Except as set forth herein above, any attempted assignment or delegation of this Agreement or any of such rights or obligations by any Party without the prior written consent of the other Party shall be void and of no effect. Any purported assignment or transfer in violation of this Section 9.1 shall be null and void ab initio.

(b) Each Party agrees that all of the licenses granted by it hereunder shall run with the applicable Intellectual Property Rights licensed by such Party hereunder ("**Intellectual Property Rights Obligations**") that are assigned or otherwise transferred to a third party. Each Party shall ensure that any assignee, transferee or successor to any of such Intellectual Property Rights (including the acquiring or surviving entity in connection with any acquisition or other change of control of either Party), or any other entity (such as an exclusive licensee) that obtains any proprietary or enforcement rights with respect to any such Intellectual Property Rights, is notified in advance of such assignment, transfer or grant, to acquire such Intellectual Property Rights subject to any and all applicable Intellectual Property Rights Obligations (including the obligation to provide such notice to any subsequent assignee, transferee, successor or grantee).

9.2 Binding Effect. This Agreement shall be binding upon, and shall be enforceable by and inure solely to the benefit of, the Parties and their respective successors and permitted assigns. Nothing in this Agreement, express or implied, is intended to or shall confer upon any Person (other than the Parties and their permitted successors and assigns) any power, right, privilege or remedy of any nature whatsoever under or by reason of this Agreement.

9.3 Notices. All notices and other communications hereunder shall be in writing and shall be deemed duly delivered: (a) four (4) Business Days after being sent by registered or certified mail, return receipt requested, postage prepaid; (b) one (1) Business Day after being sent for next Business Day delivery, fees prepaid, via a reputable nationwide overnight courier service; (c) if sent by email transmission prior to 6:00 p.m. recipient's local time, upon transmission when receipt is confirmed; or (d) if sent by email transmission after 6:00 p.m. recipient's local time, the Business Day following the date of transmission when receipt is confirmed:

9.4 Entire Agreement. This Agreement, including any schedules and amendments hereto and thereto, and the other agreements and documents referred to herein and therein, shall together constitute the entire agreement between the Parties with respect to the subject matter hereof and thereof and shall supersede all prior negotiations, agreements and understandings, both written and oral, between the Parties with respect to such subject matter hereof and thereof.

9.5 Amendment and Waiver.

(a) This Agreement may be amended or supplemented in any and all respects and any provision of this Agreement may be waived*provided, however,* that any such waiver shall be binding upon a Party, only if such waiver is set forth in a writing executed by such waiving Party bound thereby, and any such amendment or supplement shall be effective only if set forth in a writing executed by each of the Parties; and any such waiver, amendment or supplement shall not be applicable or have any effect except in the specific instance in which it is given. No course of dealing between or among any Persons having any interest in this Agreement shall be deemed effective to modify, amend, supplement or discharge any part of this Agreement or any rights or obligations of any Party under or by reason of this Agreement.

(b) Notwithstanding the foregoing, no failure on the part of any Party to exercise any power, right, privilege or remedy under this Agreement, and no delay on the part of any Party in exercising any power, right, privilege or remedy under this Agreement, shall operate as a waiver of such power, right, privilege or remedy; and no single or partial exercise of any such power, right, privilege or remedy shall preclude any other or further exercise thereof or of any other power, right, privilege or remedy. The rights and remedies hereunder are cumulative and not exclusive of any rights or remedies that any Party would otherwise have. Any waiver, permit, consent or approval of any kind or character of any breach or default under this Agreement or any such waiver of any provision of this Agreement must satisfy the conditions set forth in Section 9.5(a) and shall be effective only to the extent in such writing specifically set forth.

9.6 Severability. Any term or provision of this Agreement which is invalid or unenforceable in any situation in any jurisdiction shall, as to that jurisdiction, be ineffective to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms and provisions of this Agreement in any other jurisdiction or the validity or enforceability of the offending term or provision in any other situation or in any other jurisdiction. If any provision of this Agreement is so broad as to be unenforceable, such provision shall be interpreted to be only so broad as is enforceable. If a final judgment of a court of competent jurisdiction declares that any term or provision of this Agreement is invalid or unenforceable, the Parties agree that the court making such determination shall have the power to limit such term or provision, to delete specific words or phrases or to replace such term or provision with a term or provision that is valid and enforceable and that comes closest to expressing the intention of the invalid or unenforceable term or provision, and this Agreement shall be valid and enforceable as so modified. In the event such court does not exercise the power granted to it in the prior sentence, the Parties agree to replace such invalid or unenforceable term or provision with a valid and enforceable term or provision that will achieve, to the extent possible, the economic, business and other purposes of such invalid or unenforceable term or provision.

9.7 Disputes.

(a) All disputes and other controversies arising out of or relating to this Agreement or the breach, termination or validity thereof, including all issues relating to a Person's ownership of or right to use any Intellectual Property Rights under this Agreement (each, a "**Dispute**"), shall be finally resolved in accordance with the procedures set forth in this Section 9.7.

(b) At such time as a Dispute arises, any Party may deliver notice of such Dispute in accordance with Section 9.3 (a "**Dispute Notice**"). Upon delivery of a Dispute Notice, the Dispute (unless concerning a Material Issue) will be referred to the designated representatives of the Parties set forth in Schedule 9.7(b) (the "**First-Level Negotiators**") for good faith discussion and negotiations for a period of thirty (30) days from the date of receipt by a Party of the Dispute Notice (such period, including any extension thereof mutually agreed to by the Parties in writing, the "**First-Level Negotiation Period**"); *provided* that (i) if the Dispute concerns a Material Issue or (ii) the First-Level Negotiators are unable to resolve the Dispute to each Party's satisfaction during the First-Level Negotiation Period, the Dispute will be referred to the senior management of the Parties (the "**Second-Level Negotiators**") for good faith discussion and negotiations for a period of thirty (30) days from the date of receipt by a Party of the Dispute Notice regarding the Material Issue or the expiration of the First-Level Negotiation Period, as applicable (such period, including any extension thereof mutually agreed to by the Parties in writing, the "**Second-Level Negotiation Period**"). The Parties shall use commercially reasonable efforts to resolve any Dispute during the First-Level Negotiation Period and Second-Level Negotiation Period, as applicable. Any resolution by the First-Level Negotiators or Second-Level Negotiators that is reduced to writing and executed by the First-Level Negotiators or Second-Level Negotiators, as applicable, shall be final and binding on the Parties. If, and only if, the Second-Level Negotiators do not reach a mutually acceptable written resolution of the Dispute by the end of the Second-Level Negotiation Period, without limiting any right of a Party to terminate this Agreement pursuant to Article V, either Party may seek resolution of the Dispute through the courts pursuant to Section 9.8.

(c) All offers, promises, conduct and statements, whether oral or written, made in the course of the Negotiation Period by any of the Parties or their agents, employees, experts or attorneys are confidential, privileged and inadmissible for any purpose, including impeachment, in any court proceeding involving the Parties; *provided* that evidence that is otherwise admissible or discoverable shall not be rendered inadmissible ornon-disclosable as a result of its use in the negotiation.

9.8 Governing Law; Specific Performance; Forum.

(a) This Agreement and the consummation of the transactions contemplated hereby, and any Dispute or Action (whether at law, in contract, in tort or otherwise) arising out of or relating to this Agreement and the consummation of the transactions contemplated hereby, or the negotiation, validity, interpretation, performance, breach or termination of this Agreement and the consummation of the transactions contemplated hereby, shall be governed by and construed in accordance with the internal law of the State of Delaware, regardless of the law that might otherwise govern under applicable principles of conflicts of law thereof.

(b) Except as otherwise provided herein, any and all remedies herein expressly conferred upon a Party shall be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by law or equity upon such Party, and the exercise by a Party of any one remedy shall not preclude the exercise of any other remedy. Nothing in this Agreement shall be deemed a waiver by any Party of any right to specific performance or injunctive relief. The Parties understand and agree that the covenants and agreements on each of their parts herein contained are uniquely related to the desire of the Parties and their respective Affiliates to consummate the transactions contemplated hereby, that the transactions contemplated hereby are a unique business opportunity at a unique time for each of WDC and Spinco and their respective Affiliates, and further agree that irreparable damage would occur in the event that any provision of this Agreement were not performed in accordance with its specific terms, and further agree that, although monetary damages may be available for the breach of such covenants and agreements, monetary damages would be an inadequate remedy therefor. It is accordingly agreed that, in addition to any other remedy that may be available to it, including monetary damages, each of the Parties shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement exclusively in the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or, if the Delaware Court of Chancery declines to accept jurisdiction over a particular matter, any state or federal court within the State of Delaware).

(c) Each of the Parties further agrees that no Party shall be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Section 9.8 and each Party waives any objection to the imposition of such relief or any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument. In addition, each of the Parties irrevocably agrees that any legal action or proceeding with respect to this Agreement and the rights and obligations arising hereunder, or for recognition and enforcement of any judgment in respect of this Agreement and the rights and obligations arising hereunder, brought by the other Party or its respective successors or assigns, shall be brought and determined exclusively in the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or, if the Delaware Court of Chancery declines to accept jurisdiction over a particular matter, any state or federal court within the State of Delaware). Each of the Parties hereby irrevocably submits with regard to any such action or proceeding for itself and in respect of its property, generally and unconditionally, to the personal jurisdiction of the aforesaid courts and agrees that it will not bring any action relating to this Agreement or any of the transactions contemplated by this Agreement in any court other than the aforesaid courts. Each of the Parties hereby irrevocably waives, and agrees not to assert, by way of motion, as a defense, counterclaim or otherwise, in any action or proceeding with respect to this Agreement: (i) any claim that it is not personally subject to the jurisdiction of the above named courts for any reason other than the failure to serve in accordance with this Section 9.8; (ii) any claim that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise); and (iii) to the fullest extent permitted by applicable Law, any claim that: (x) the suit, action or proceeding in such court is brought in an inconvenient forum; (y) the venue of such suit, action or proceeding is improper; or (z) this Agreement, or the subject matter hereof, may not be enforced in or by such courts. In the event that any suit or action is instituted to enforce any provision in this Agreement, the prevailing party in such Dispute shall be entitled to recover from the losing party all fees, costs and expenses of enforcing any right of such prevailing party under or with respect to this Agreement, including, without limitation, such reasonable fees and expenses of attorneys and accountants,

which shall include, without limitation, all fees, costs and expenses of appeals. The Parties agree that service of any court paper may be made in any manner as may be provided under the applicable Laws or court rules governing service of process in such court. The Parties agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable Law.

9.9 Waiver of Jury Trial. EACH OF THE PARTIES IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION OR LEGAL PROCEEDING (WHETHER AT LAW, IN CONTRACT, IN TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT OR THE TRANSACTIONS CONTEMPLATED HEREBY.

9.10 Construction; Interpretation.

(a) For purposes of this Agreement, whenever the context requires: (i) the singular number shall include the plural, and vice versa; (ii) the masculine gender shall include the feminine and neuter genders; (iii) the feminine gender shall include the masculine and neuter genders; and (iv) the neuter gender shall include masculine and feminine genders.

(b) The Parties agree that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be applied in the construction or interpretation of this Agreement.

(c) As used in this Agreement, the words “include” and “including,” and variations thereof, shall not be deemed to be terms of limitation, but rather shall be deemed to be followed by the words “without limitation.”

(d) As used in this Agreement, the words “hereof,” “herein,” “hereto” and “hereunder” and words of similar import shall refer to this Agreement as a whole and not to any particular provision of this Agreement.

(e) The measure of a period of one (1) month or year for purposes of this Agreement will be the date of the following month or year corresponding to the starting date; and, if no corresponding date exists, then the end date of such period being measured will be the next actual date of the following month or year (for example, one month following February 18 is March 18 and one month following March 31 is May 1).

(f) As used in this Agreement, the word “extent” in the phrase “to the extent” shall mean the degree to which a subject or other thing extends, and such phrase shall not mean simply “if.”

(g) As used in this Agreement, the word “will” shall be deemed to have the same meaning and effect as the word “shall.”

(h) As used in this Agreement, the terms “or,” “any” or “either” are not exclusive and shall be deemed to be “and/or.”

(i) As used in this Agreement, references to "written" or "in writing" include in electronic form.

(j) As used in this Agreement, references to the "date hereof" are to the date of this Agreement.

(k) Except as otherwise indicated, all references in this Agreement to "Sections," "Articles" and "Schedules" are intended to refer to Sections or Articles of this Agreement and Schedules to this Agreement.

(l) As used in this Agreement, the terms "or," "any" or "either" are not exclusive.

(m) Except as otherwise indicated, all references in this Agreement to "Sections" and "Schedules" are intended to refer to Sections of this Agreement and Schedules to this Agreement.

(n) The section and other headings and subheadings contained in this Agreement are for convenience of reference only, shall not be deemed to be a part of this Agreement and shall not be referred to in connection with the construction, meaning or interpretation of this Agreement. The preamble and the recitals set forth at the beginning of this Agreement are incorporated by reference into and made a part of this Agreement.

(o) Any payment to be made pursuant hereto shall be made in U.S. dollars and by wire transfer of immediately available funds.

(p) All references to statutes shall include all regulations promulgated thereunder, and all references to statutes and related regulations shall include all amendments of the same and any successor or replacement statutes and regulations.

9.11 Counterparts. This Agreement may be executed in several counterparts, each of which shall be deemed an original and all of which together shall constitute one and the same instrument and shall become effective when counterparts have been signed by each of the Parties and delivered to the other Party, it being understood that all Parties need not sign the same counterpart. This Agreement may be executed and delivered by facsimile transmission, by electronic mail in "portable document format" (".pdf") form or by any other electronic means intended to preserve the original graphic and pictorial appearance of a document, or by combination of such means. The exchange of a fully executed Agreement (in counterparts or otherwise) by facsimile or electronic transmission shall be treated in all manner and respects as an original agreement and shall be considered to have the same binding legal effects as if it were the original signed version thereof delivered in person. At the request of any Party, the other Party shall re-execute original forms thereof and deliver them to the requesting Party. No Party shall raise the use of a facsimile machine or other electronic means to deliver a signature or the fact that any signature was transmitted or communicated through the use of a facsimile machine or other electronic means as a defense to the formation of a contract and each such Party forever waives any such defense.

9.12 No Third-Party Rights. Except as specifically provided in the SDA or any Ancillary Agreement, except for the provisions of Article VII with respect to indemnification of the Indemnified Parties, which is intended to benefit and be enforceable by the Persons specified therein as the Indemnified Parties, this Agreement is solely for the benefit of the Parties and their respective successors and permitted assigns and is not intended, and shall not be deemed, to (a) create any agreement of employment with any person, (b) confer on third parties (including any employees of the Parties and their respective Groups) any remedy, claim, reimbursement, claim of action or other right in addition to those existing without reference to this Agreement, or (c) otherwise create any third-party beneficiary hereto.

9.13 Ancillary Agreement. The Parties hereby acknowledge and agree that nothing in this Agreement (including any breach hereof) shall affect any obligation of any Party under the SDA or the other Ancillary Agreements.

9.14 Early Termination. This Agreement shall terminate (with absolutely no surviving rights or obligations with respect to either Party) without further action at any time before the Distribution upon termination of the SDA. If so terminated, no Party shall have any Liability of any kind to the other Party or any other Person on account of this Agreement, except as provided in the SDA, it being understood that this Section 9.14 shall not be deemed to limit or modify the provisions of Section 9.8 of the SDA (Termination).

9.15 Survival.

(a) The covenants in this Agreement that by their terms are to be performed following the Separation Time will survive each of the Internal Restructuring and the Distribution and will remain in full force and effect in accordance with their terms.

(b) The rights and obligations of the Parties set forth in the following provisions of this Agreement shall survive any termination or expiration of this Agreement (except pursuant to Section 9.14 (Early Termination)): Article I (Definitions), Section 2.11 (Effects of Termination), Section 3.11 (Effects of Termination), Section 6.2 (Disclaimer of Warranties), Article VII (Indemnification), Article VIII (Confidentiality) and Article IX (Miscellaneous).

(c) In the event that WDC terminates this Agreement pursuant to Article V in response to a material uncured breach of this Agreement by Spinco, (i) the licenses and rights granted by WDC under Section 2.1(a), Section 2.1(c) and Section 2.1(d) shall immediately terminate and (ii) the licenses and rights granted by Spinco under Section 3.1(a) and Section 3.1(c) survive in accordance with their terms as set forth in this Agreement.

(d) In the event that Spinco terminates this Agreement pursuant to Article V in response to a material uncured breach of this Agreement by WDC, (i) the licenses and rights granted by Spinco under Section 3.1(a) and Section 3.1(c) shall immediately terminate and (ii) the licenses and rights granted by WDC under Section 2.1(a), Section 2.1(c) and Section 2.1(d) survive in accordance with their terms as set forth in this Agreement.

(e) Additionally, each Party acknowledges and agrees that any termination or expiration of this Agreement shall not release a Party from any liability or obligation that already has accrued as of the effective date of such termination or expiration nor not constitute a waiver or release of, or otherwise be deemed to adversely affect, any rights, remedies or claims which a Party may have hereunder, at law, in equity or otherwise, or which may arise out of or in connection with such termination or expiration.

## ARTICLE II

## REGISTRATION RIGHTS

2.1 Registration.

(a) Request. Any Holder(s) of Registrable Securities (collectively, the "Initiating Holder") shall have the right (including, for the avoidance of doubt, in connection with its rights pursuant to Section 2.7) to request that Spinco file a Registration Statement with the SEC on the appropriate registration form for all or part of the Registrable Securities held by such Initiating Holder by delivering a written request to Spinco specifying the number of shares of Registrable Securities such Initiating Holder wishes to Register (a "Demand Registration"). Spinco shall (i) within five (5) days of the receipt of such request, give written notice of such Demand Registration to all Holders of Registrable Securities (the "Spinco Notice"), (ii) use its reasonable best efforts to prepare and file a Registration Statement as expeditiously as possible in respect of such Demand Registration and in any event within thirty (30) days of receipt of the request, and (iii) use its reasonable best efforts to cause such Registration Statement to become effective as expeditiously as possible. Spinco shall include in such Registration all Registrable Securities that the Holders request to be included within the ten (10) days following their receipt of the Spinco Notice.

(b) Limitations of Demand Registrations. There shall be no limitation on the number of Demand Registrations pursuant to Section 2.1(a); provided, however, that the Holder(s) may not require Spinco to effect a Demand Registration within sixty (60) days after the effective date of a previous registration by Spinco, other than a Shelf Registration, effected pursuant to this Section 2.1 (it being understood that the Distribution Registration Statement shall not be treated as a Demand Registration). In the event that any Person shall have received rights to Demand Registrations pursuant to Section 2.7 or Section 4.4, and such Person shall have made a Demand Registration request, such request shall be treated as having been made by the Holder(s). The Registrable Securities requested to be Registered pursuant to Section 2.1(a) must represent (i) an aggregate offering price of Registrable Securities that is reasonably expected to equal at least $10,000,000 (or its equivalent if the Registrable Securities are to be offered in an Exchange Offer) or (ii) all of the remaining Registrable Securities owned by the requesting Holder and its Affiliates.

(c) Effective Registration. Spinco shall be deemed to have effected a Registration for purposes of Section 2.1(a) if the Registration Statement is declared effective by the SEC or becomes effective upon filing with the SEC, and remains effective until the earlier of (i) the date when all Registrable Securities thereunder have been sold and (ii) ninety (90) days from the effective date of the Registration Statement (the "Registration Period"). No Registration shall be deemed to have been effective if the conditions to closing specified in the underwriting agreement or dealer-manager agreement, if any, entered into in connection with such Registration are not satisfied by reason of any member of the Spinco Group. If, during the Registration Period, such Registration is interfered with by any stop order, injunction or other order or requirement of the SEC or other Governmental Authority or the need to update or supplement the Registration Statement, the Registration Period shall be extended on a day-for-day basis for any period the Holder is unable to complete an offering as a result of such stop order, injunction or other order or requirement of the SEC or other Governmental Authority.

(d) Underwritten Offering; Exchange Offer. If the Initiating Holder so indicates at the time of its request pursuant to Section 2.1(a), such offering of Registrable Securities shall be in the form of an Underwritten Offering or an Exchange Offer and Spinco shall include such information in the Spinco Notice. In the event that the Initiating Holder intends to Sell the Registrable Securities by means of an Underwritten Offering or Exchange Offer, the right of any Holder to include Registrable Securities in such Registration shall be conditioned upon such Holder's participation in such Underwritten Offering or Exchange Offer and the inclusion of such Holder's Registrable Securities in the Underwritten Offering or Exchange Offer.

(e) Priority of Securities in an Underwritten Offering. If the managing underwriter or underwriters of a proposed Underwritten Offering, including an Underwritten Offering from a Shelf Registration, pursuant to this Section 2.1 informs the Holders with Registrable Securities in the proposed Underwritten Offering in writing that, in its or their opinion, the number of Registrable Securities requested to be included in such Underwritten Offering exceeds the number that can be sold in such Underwritten Offering without being likely to have an adverse effect on the price, timing or distribution of the Registrable Securities offered or the market for the Registrable Securities offered, then the number of Registrable Securities to be included in such Underwritten Offering shall be reduced to such number that can be sold without such adverse effect and the Registrable Securities to be included in such Underwritten Offering shall be: (i) first, Registrable Securities requested by WDC to be included in such Underwritten

Offering; (ii) second, Registrable Securities requested by all other Holders to be included in such Underwritten Offering on a pro rata basis calculated based on the number of shares requested to be registered; and (iii) third, all other Registrable Securities requested and otherwise eligible to be included in such Underwritten Offering (including Registrable Securities to be sold for the account of Spinco) on a pro rata basis calculated based on the number of shares requested to be registered. In the event the Initiating Holder notifies Spinco that such Registration Statement shall be abandoned or withdrawn, such Holder shall not be deemed to have requested a Demand Registration pursuant to Section 2.1(a), and Spinco shall not be deemed to have made a Demand Registration request pursuant to Section 2.1(a) and Section 2.1(c).

(f) Shelf Registration. At any time after the date hereof when Spinco is eligible to Register the applicable Registrable Securities on Form S-3 (or a successor form) and the Holder may request Demand Registrations, the requesting Holders may request Spinco to effect a Demand Registration as a Shelf Registration. There shall be no limitations on the number of Underwritten Offerings pursuant to a Shelf Registration. Any Holder of Registrable Securities included on a Shelf Registration shall have the right to request that Spinco cooperate in a shelf takedown at any time, including an Underwritten Offering, by delivering a written request thereof to Spinco specifying the number of shares of Registrable Securities such Holder wishes to include in the shelf takedown ("Takedown Notice"). Spinco shall (i) within five (5) days of the receipt of a Takedown Notice for an Underwritten Offering, give written notice of such Takedown Notice to all Holders of Registrable Securities included on such Shelf Registration ("Spinco Takedown Notice"), and (ii) take all actions reasonably requested by such Holder, including the filing of a Prospectus supplement and the other actions described in Section 2.4, in accordance with the intended method of distribution set forth in the Takedown Notice as expeditiously as possible. If the takedown is an Underwritten Offering, Spinco shall include in such Underwritten Offering all Registrable Securities that that the Holders request to be included within the two (2) days following their receipt of the Spinco Takedown Notice. If the takedown is an Underwritten Offering, the Registrable Securities requested to be included in a shelf takedown must represent (i) an aggregate offering price of Registrable Securities that is reasonably expected to equal at least $10,000,000 or (ii) all of the remaining Registrable Securities owned by the requesting Holder and its Affiliates. Notwithstanding anything else to the contrary in this Agreement, the requirement to deliver a Takedown Notice and the piggyback rights described in this Section 2.1(f) shall not apply to an Underwritten Offering that constitutes a block trade.

(g) SEC Form. Except as set forth in the next sentence, Spinco shall use its reasonable best efforts to cause Demand Registrations to be Registered on Form S-3 (or any successor form), and if Spinco is not then eligible under the Securities Act to use FormS-3, Demand Registrations shall be Registered on Form S-1 (or any successor form) or Form S-4 (in the case of an Exchange Offer). If a Demand Registration is a Convertible or Exchange Registration, Spinco shall effect such Registration on the appropriate Form under the Securities Act for such Registrations. Spinco shall use its reasonable best efforts to become eligible to use Form S-3 and, after becoming eligible to use FormS-3, shall use its reasonable best efforts to remain so eligible. All Demand Registrations shall comply with applicable requirements of the Securities Act and, together with each Prospectus included, filed or otherwise furnished by Spinco in connection therewith, shall not contain any untrue statement of material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading.

2.2 Piggyback Registrations.

(a) Participation. If Spinco proposes to file a Registration Statement under the Securities Act with respect to any offering of Spinco Common Stock for its own account and/or for the account of any other Persons (other than a Registration (i) under Section 2.1 hereof, (ii) pursuant to a Registration Statement on Form S-8 or Form S-4 or similar form that relates to a transaction subject to Rule 145 under the Securities Act, (iii) pursuant to any form that does not include substantially the same information as would be required to be included in a Registration Statement covering the Sale of Registrable Securities, (iv) in connection with any dividend reinvestment or similar plan, (v) for the sole purpose of offering securities to another entity or its security holders in connection with the acquisition of assets or securities of such entity or any similar transaction or (vi) in which the only Spinco Common Stock being Registered is Spinco Common Stock issuable upon conversion of debt securities that are also being Registered) (a "Spinco Public Sale"), then, as soon as practicable (but in no event less than fifteen (15) days prior to the proposed date of filing such Registration Statement), Spinco shall give written notice of such proposed filing to each Holder, and such notice shall offer such Holders the opportunity to Register under such Registration Statement such number of Registrable Securities as each such Holder may request in writing (a "Piggyback Registration"). Subject to Section 2.2(a) and Section 2.2(c), Spinco shall include in such Registration Statement all such Registrable Securities that are requested to be included therein within fifteen (15) days after the receipt of any such notice; provided, however, that if, at any time after giving written notice of its intention to Register any securities and prior to the effective date of the Registration Statement filed in connection with such Registration, Spinco shall determine for any reason not to Register or to delay Registration of such securities, Spinco may, at its election, give written notice of such determination to each such Holder and, thereupon, (i) in the case of a determination not to Register, shall be relieved of its obligation to Register any Registrable Securities in connection with such Registration, without prejudice, however, to the rights of any Holder to request that such Registration be effected as a Demand Registration under Section 2.1, and (ii) in the case of a determination to delay Registration, shall be permitted to delay Registering any Registrable Securities for the same period as the delay in Registering such other shares of Spinco Common Stock. No Registration effected under this Section 2.2 shall relieve Spinco of its obligation to effect any Demand Registration under Section 2.1. If the offering pursuant to a Registration Statement pursuant to this Section 2.2 is to be an Underwritten Offering, then each Holder making a request for a Piggyback Registration pursuant to this Section 2.2(a) shall, and Spinco shall use reasonable best efforts to coordinate arrangements with the underwriters so that each such Holder may, participate in such Underwritten Offering. If the offering pursuant to such Registration Statement is to be on any other basis, then each Holder making a request for a Piggyback Registration pursuant to this Section 2.2(a) shall, and Spinco shall use reasonable best efforts to coordinate arrangements so that each such Holder may, participate in such offering on such basis. Spinco's filing of a Shelf Registration shall not be deemed to be a Spinco Public Sale; provided, however, that the proposal to file any Prospectus supplement filed pursuant to a Shelf Registration with respect to an offering of Spinco Common Stock for its own account and/or for the account of any other Persons will be a Spinco Public Sale unless such offering qualifies for an exemption from the Spinco Public Sale definition in this Section 2.2(a); provided, further that if Spinco files a Shelf Registration for its own account and/or for the account of any other Persons, Spinco agrees that it shall use its reasonable best efforts to include in such Registration Statement such disclosures as may be required by Rule 430B under the Securities Act in order to ensure that the Holders may be added to such Shelf Registration at a later time through the filing of a Prospectus supplement rather than a post-effective amendment.

(b) Right to Withdraw. Each Holder shall have the right to withdraw such Holder's request for inclusion of its Registrable Securities in any Underwritten Offering pursuant to this Section 2.2 at any time prior to the execution of an underwriting agreement with respect thereto by giving written notice to Spinco of such Holder's request to withdraw and, subject to the preceding clause, each Holder shall be permitted to withdraw all or part of such Holder's Registrable Securities from a Piggyback Registration at any time prior to the effective date thereof.

(c) Priority of Piggyback Registration. If the managing underwriter or underwriters of any proposed Underwritten Offering of a class of Registrable Securities included in a Piggyback Registration informs Spinco and the Holders in writing that, in its or their opinion, the number of securities of such class which such Holder and any other Persons intend to include in such Underwritten Offering exceeds the number which can be sold in such Underwritten Offering without being likely to have an adverse effect on the price, timing or distribution of the securities offered or the market for the securities offered, then the securities to be included in such Underwritten Offering shall be reduced to such number that can be sold without such adverse effect and the securities to be included in the Underwritten Offering shall be (i) first, all securities of Spinco or any other Persons for whom Spinco is effecting the Underwritten Offering, as the case may be, proposes to Sell; (ii) second, Registrable Securities requested by WDC to be included in such Underwritten Offering; (iii) third, Registrable Securities requested by all other Holders to be included in such Underwritten Offering on a pro rata basis calculated based on the number of shares requested to be registered; and (iv) fourth, all other securities requested and otherwise eligible to be included in such Underwritten Offering (including securities to be sold for the account of Spinco) on a pro rata basis calculated based on the number of shares requested to be registered.

2.3 Selection of Underwriter(s), Etc. In any Underwritten Offering pursuant to Section 2.1 or Section 2.2 that is not a Spinco Public Sale, WDC, in the event WDC is participating in such Underwritten Offering, or the Holders of a majority of the outstanding Registrable Securities being included in the Underwritten Offering or Exchange Offer, in the event WDC is not participating in such Underwritten Offering or Exchange Offer, shall select the underwriter(s), dealer-manager(s), financial printer, solicitation and/or exchange agent (if any) and Holder's counsel for such Underwritten Offering or Exchange Offer. In any Spinco Public Sale, Spinco shall select the underwriter(s), dealer-manager(s), financial printer, solicitation and/or exchange agent (if any) and WDC, in the event WDC is participating in such Underwritten Offering or Exchange Offer, or the Holders of a majority of the outstanding Registrable Securities being included in the Spinco Public Sale, in the event WDC is not participating in such Underwritten Offering or Exchange Offer, shall select counsel to the Holder(s).

(xiv) not later than the effective date of the applicable Registration Statement, provide a CUSIP number for all Registrable Securities and provide the applicable transfer agent with printed certificates for the Registrable Securities which are in a form eligible for deposit with The Depository Trust Company; provided that Spinco may satisfy its obligations hereunder without issuing physical stock certificates through the use of the Depository Trust Company's Direct Registration System;

(xv) obtain for delivery to and addressed to each selling Holder and to the underwriter or underwriters or dealer-managers, if any, opinions from outside counsel and the general counsel for Spinco, in each case dated the effective date of the Registration Statement or, in the event of an Underwritten Offering, the date of the closing under the underwriting agreement or, in the event of an Exchange Offer, the date of the closing under the dealer-manager agreement or similar agreement or otherwise, and in each such case in customary form and content for the type of Underwritten Offering or Exchange Offer, as applicable;

(xvi) in the case of an Underwritten Offering or Exchange Offer, obtain for delivery to and addressed to Spinco and the underwriter or underwriters or dealer-managers and, to the extent requested, each participating Holder, a comfort letter from Spinco's or other applicable independent certified public accountants in customary form and content for the type of Underwritten Offering or Exchange Offer, dated the date of execution of the underwriting agreement or dealer-manager agreement, or, if none, the date of commencement of the Exchange Offer, and brought down to the closing, whether under the underwriting agreement or dealer-manager agreement, if applicable, or otherwise;

(xvii) in the case of an Exchange Offer that does not involve a dealer-manager, provide to each participating Holder such customary written representations and warranties or other covenants or agreements as may be requested by any participating Holder comparable to those that would be included in an underwriting agreement or dealer-manager agreement;

(xviii) use its reasonable best efforts to comply with all applicable rules and regulations of the SEC and make generally available to its security holders, as soon as reasonably practicable, but no later than ninety (90) days after the end of the twelve (12)-month period beginning with the first day of Spinco's first quarter commencing after the effective date of the applicable Registration Statement, an earnings statement satisfying the provisions of Section 11(a) of the Securities Act and the rules and regulations promulgated thereunder and covering the period of at least twelve (12) months, but not more than eighteen (18) months, beginning with the first month after the effective date of the Registration Statement;

(xix) provide and cause to be maintained a transfer agent and registrar for all Registrable Securities covered by the applicable Registration Statement from and after a date not later than the effective date of such Registration Statement;

(xx) cause all Registrable Securities covered by the applicable Registration Statement to be listed on each securities exchange on which any of Spinco's securities are then listed or quoted and on each inter-dealer quotation system on which any of Spinco's securities are then quoted;

(xxi) provide (A) each Holder participating in the Registration, (B) the underwriters (which term, for purposes of this Agreement, shall include a Person deemed to be an underwriter within the meaning of Section 2(11) of the Securities Act), if any, of the Registrable Securities to be Registered, (C) the Sale or placement agent therefor, if any, (D) the dealer-manager therefor, (E) counsel for such underwriters or agent or dealer-manager, and (F) any attorney, accountant or other agent or representative retained by such Holder or any such underwriter or dealer-manager, as selected by such Holder, the opportunity to participate in the preparation of such Registration Statement, each Prospectus included therein or filed with the SEC, and each amendment or supplement thereto, and to require the insertion therein of material, furnished to Spinco in writing, which in the reasonable judgment of such Holder(s) and their counsel should be included; and for a reasonable period prior to the filing of such Registration Statement, upon receipt of such confidentiality agreements as Spinco may reasonably request, make available upon reasonable notice at reasonable times and for reasonable periods for inspection by the parties referred to in (A) through (F) above, all pertinent financial and other records, pertinent corporate and other documents and properties of Spinco that are available to Spinco, and cause all of Spinco's officers, directors and employees and the independent public accountants who have certified its financial statements to make themselves available at reasonable times and for reasonable periods to discuss the business of Spinco and to supply all information available to Spinco reasonably requested by any such Person in connection with such Registration Statement as shall be necessary to enable them to exercise their due diligence responsibility, subject to the foregoing;

(xxii) to cause the executive officers of Spinco to participate in customary "road show" presentations that may be reasonably requested by the managing underwriter or underwriters or dealer-managers in any Underwritten Offering or Exchange Offer and otherwise to facilitate, cooperate with, and participate in each proposed offering contemplated herein and customary selling efforts related thereto; and

(xxiii) take all other customary steps reasonably necessary to effect the Registration, offering and Sale of the Registrable Securities.

(b) As a condition precedent to any Registration hereunder, Spinco may require each Holder as to which any Registration is being effected to furnish to Spinco such information regarding the distribution of such securities and such other information relating to such Holder, its ownership of Registrable Securities and other matters as Spinco may from time to time reasonably request in writing. Each such Holder agrees to furnish such information to Spinco and to cooperate with Spinco as reasonably necessary to enable Spinco to comply with the provisions of this Agreement.

(c) WDC agrees, and any other Holder agrees by acquisition of such Registrable Securities, that, upon receipt of any written notice from Spinco of the occurrence of any event of the kind described in Section 2.4(a)(vi), such Holder will forthwith discontinue the Sale of Registrable Securities pursuant to such Registration Statement until such Holder's receipt of the copies of the supplemented or amended Prospectus contemplated by Section 2.4(a)(vi), or until such Holder is advised in writing by Spinco that the use of the Prospectus may be resumed, and if so directed by Spinco, such Holder will deliver to Spinco (at Spinco's expense) all copies, other than permanent file copies then in such Holder's possession, of the Prospectus covering such Registrable Securities current at the time of receipt of such notice. In the event Spinco shall give any such notice, the period during which the applicable Registration Statement is required to be maintained effective shall be extended by the number of days during the period from and including the date of the giving of such notice to and including the date when each seller of Registrable Securities covered by such Registration Statement either receives the copies of the supplemented or amended Prospectus contemplated by Section 2.4(a)(vi) or is advised in writing by Spinco that the use of the Prospectus may be resumed.

2.5 Holdback Agreements. To the extent requested in writing by the managing underwriter or underwriters of any Underwritten Offering, Spinco agrees not to, and shall exercise reasonable best efforts to obtain agreements (in the underwriters' customary form) from its directors, executive officers and beneficial owners of five percent (5%) or more of Spinco Common Stock not to, directly or indirectly offer, Sell, pledge, contract to Sell (including any short Sale), grant any option to purchase or otherwise Sell any equity securities of Spinco or enter into any hedging transaction relating to any equity securities of Spinco during the ninety (90) days beginning on pricing date of such Underwritten Offering (except as part of such Underwritten Offering or any Distribution or pursuant to registrations on Form S-8 or S-4 or any successor forms thereto) unless the managing underwriter or underwriters otherwise agree to a shorter period.

2.6 Underwritten Offerings; Exchange Offers. If requested by the managing underwriters for any Underwritten Offering or dealer-managers for any Exchange Offer, Spinco shall enter into an underwriting agreement or dealer-manager agreement with such underwriters or dealer-managers for such offering; provided, however, that no Holder shall be required to make any representations or warranties to Spinco or the underwriters or dealer-managers (other than representations and warranties regarding such Holder and such Holder's intended method of distribution) or to undertake any indemnification obligations to Spinco or the underwriters or dealer-managers with respect thereto, except as otherwise provided in Section 2.9 hereof.

2.7 Convertible or Exchange Registration; Registration Rights with Participating Investors.

(a) If any Holder of Registrable Securities offers any options, rights, warrants or other securities issued by it or any other Person that are offered with, convertible into or exercisable or exchangeable for any Registrable Securities, the Registrable Securities underlying such options, rights, warrants or other securities shall be eligible for Registration pursuant to Section 2.1 and Section 2.2 hereof (a "Convertible or Exchange Registration").

(b) If one or more members of the WDC Group decides to engage, directly or indirectly, in an Exchange with one or more Participating Investors, Spinco shall, upon WDC's request, enter into a registration rights agreement with the Participating Investors in connection with such Exchange, as applicable, on terms and conditions consistent with this Agreement (other than the voting provisions contained in Article III hereof) and reasonably satisfactory to Spinco and the WDC Group.

2.8 Registration Expenses Paid By Spinco. In the case of any Registration of Registrable Securities required pursuant to this Agreement (including any Registration that is delayed or withdrawn) or proposed Underwritten Offering pursuant to this Agreement, Spinco shall pay all Registration Expenses regardless of whether the Registration Statement becomes effective or the Underwritten Offering is completed.

2.9 Indemnification.

(a) Indemnification by Spinco. Spinco agrees to indemnify and hold harmless, to the fullest extent permitted by law, each Holder, such Holder's Affiliates and its and their respective officers, directors, employees, advisors, and agents and each Person who controls (within the meaning of the Securities Act or the Exchange Act) such Persons (collectively, the "Holder Indemnified Parties") from and against any and all losses, claims, damages, liabilities (or actions in respect thereof, whether or not such Holder Indemnified Party is a party thereto) and expenses, joint or several (including reasonable costs of investigation and legal expenses) (each, a "Loss" and collectively "Losses") arising out of or based upon (i) any untrue or alleged untrue statement of a material fact contained in any Registration Statement under which the Sale of such Registrable Securities was Registered under the Securities Act (including any final or preliminary Prospectus contained therein or any amendment thereof or supplement thereto or any documents incorporated by reference therein), or any such statement made in any free writing prospectus (as defined in Rule 405 under the Securities Act) that Spinco has filed or is required to file pursuant to Rule 433(d) under the Securities Act, or (ii) any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, preliminary Prospectus or free writing prospectus, in light of the circumstances under which they were made) not misleading; provided, however, that Spinco shall not be liable to any particular Holder Indemnified Party in any such case to the extent that any such Loss arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission made in any such Registration Statement in reliance upon and in conformity with written information furnished to Spinco by such Holder Indemnified Party expressly for use in the preparation thereof. This indemnity shall be in addition to any liability Spinco may otherwise have. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of such Holder or any Holder Indemnified Party and shall survive the transfer of such securities by such Holder.

(b) Indemnification by the Selling Holder. Each selling Holder agrees (severally and not jointly) to indemnify and hold harmless, to the fullest extent permitted by law, Spinco and its directors, officers, employees, advisors, agents and each Person who controls Spinco (within the meaning of the Securities Act and the Exchange Act) (collectively, the "Spinco Indemnified Parties" and, together with the Holder Indemnified Parties, the "Indemnified Parties") from and against any Losses arising out of or based upon (i) any untrue or alleged untrue statement of a material fact contained in any Registration Statement under which the Sale of such Registrable Securities was Registered under the Securities Act (including any final or preliminary Prospectus contained therein or any amendment thereof or supplement thereto or any documents incorporated by reference therein), or any such statement made in any free writing prospectus that Spinco has filed or is required to file pursuant to Rule 433(d) under the Securities Act, or (ii) any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein (in the case of a Prospectus, preliminary Prospectus or free writing prospectus, in light of the circumstances under which they were made) not misleading to the extent, but, in each case (i) or (ii), only to the extent, that such untrue statement or omission is contained in any information furnished in writing by such selling Holder to Spinco specifically for inclusion in such Registration Statement, Prospectus, preliminary Prospectus or free writing prospectus. In no event shall the liability of any selling Holder hereunder be greater in amount than the dollar amount of the net proceeds received by such Holder under the Sale of the Registrable Securities giving rise to such indemnification obligation. This indemnity shall be in addition to any liability the selling Holder may otherwise have. Such indemnity shall remain in full force and effect regardless of any investigation made by or on behalf of Spinco or any Spinco Indemnified Party.

(c) Conduct of Indemnification Proceedings. Any Person entitled to indemnification hereunder will (i) give prompt written notice to the indemnifying party of any claim with respect to which it seeks indemnification (*provided* that any delay or failure to so notify the indemnifying party shall relieve the indemnifying party of its obligations hereunder only to the extent that it is materially prejudiced by reason of such delay or failure) and (ii) permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the applicable Indemnified Party; provided, however, that any Person entitled to indemnification hereunder shall have the right to select and employ separate counsel and to participate in the defense of such claim, but the fees and expenses of such counsel shall be at the expense of such Person unless (i) the indemnifying party has agreed in writing to pay such fees or expenses, (ii) the indemnifying party shall have failed to assume the defense of such claim within a reasonable time after receipt of notice of such claim from the Person entitled to indemnification hereunder and employ counsel reasonably satisfactory to such Person, (iii) the applicable Indemnified Party has reasonably concluded (based on advice of counsel) that there may be legal defenses available to it or other Indemnified Parties that are different from or in addition to those available to the indemnifying party, or (iv) in the reasonable judgment of any such Person, based upon advice of its counsel, a conflict of interest may exist between such Person and the indemnifying party with respect to such claims (in which case, if the Person notifies the indemnifying party in writing that such Person elects to employ separate counsel at the expense of the indemnifying party, the indemnifying party shall not have the right to assume the defense of such claim on behalf of such Person). If such defense is not assumed by the indemnifying party, the indemnifying party will not be subject to any liability for any settlement made without its consent, but such consent may not be unreasonably withheld, conditioned or delayed. If the indemnifying party assumes the defense, the indemnifying party shall not have the right to settle such action without the consent of the applicable Indemnified Party, which consent may not be unreasonably withheld, conditioned or delayed. No indemnifying party shall consent to entry of any judgment or enter into any settlement that does not include as an unconditional term thereof the giving by the claimant or

plaintiff to such Indemnified Party of an unconditional release from all liability in respect to such claim or litigation. It is understood that the indemnifying party or parties shall not, in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the reasonable fees, disbursements and other charges of more than one separate firm admitted to practice in such jurisdiction at any one time from all such Indemnified Party or Indemnified Parties unless (x) the employment of more than one counsel has been authorized in writing by the indemnifying party, (y) an applicable Indemnified Party has reasonably concluded (based on advice of counsel) that there may be legal defenses available to it that are different from or in addition to those available to the other Indemnified Parties or (z) a conflict or potential conflict exists or may exist (based on advice of counsel to an applicable Indemnified Party) between such Indemnified Party and the other Indemnified Parties, in each of which cases the indemnifying party shall be obligated to pay the reasonable fees and expenses of such additional counsel or counsels.

(d) Contribution. If for any reason the indemnification provided for inSection 2.9(a) or Section 2.9(b) is unavailable to an Indemnified Party or insufficient to hold it harmless as contemplated by Section 2.9(a) or Section 2.9(b), then the indemnifying party shall contribute to the amount paid or payable by the Indemnified Party as a result of such Loss in such proportion as is appropriate to reflect the relative fault of the indemnifying party on the one hand and the Indemnified Party on the other hand. The relative fault shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the indemnifying party or the Indemnified Party and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such untrue statement or omission. Notwithstanding anything in this Section 2.9(d) to the contrary, no indemnifying party (other than Spinco) shall be required pursuant to this Section 2.9(d) to contribute any amount in excess of the amount by which the net proceeds received by such indemnifying party from the Sale of Registrable Securities in the offering to which the Losses of the Indemnified Parties relate (before deducting expenses, if any) exceeds the amount of any damages which such indemnifying party has otherwise been required to pay by reason of such untrue statement or omission. The parties hereto agree that it would not be just and equitable if contribution pursuant to this Section 2.9(d) were determined by pro rata allocation or by any other method of allocation that does not take account of the equitable considerations referred to in this Section 2.9(d). No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any Person who was not guilty of such fraudulent misrepresentation. The amount paid or payable by an Indemnified Party hereunder shall be deemed to include, for purposes of this Section 2.9(d), any legal or other expenses reasonably incurred by such Indemnified Party in connection with investigating, preparing to defend or defending against or appearing as a third party witness in respect of, or otherwise incurred in connection with, any such loss, claim, damage, expense, liability, action, investigation or proceeding. If indemnification is available under this Section 2.9, the indemnifying parties shall indemnify each Indemnified Party to the fullest extent provided inSection 2.9(a) and Section 2.9(b) hereof without regard to the relative fault of said indemnifying parties or Indemnified Party.

2.10 Reporting Requirements; Rule 144. Until the expiration or termination of this Agreement in accordance with its terms, Spinco shall be and remain in compliance with the periodic filing requirements imposed under the SEC's rules and regulations, including the Exchange Act, and any other applicable laws or rules, and shall timely file such information, documents and reports as the SEC may require or prescribe under Section 13 or 15(d) (whichever is applicable) of the Exchange Act. If Spinco is not required to file such reports, it will, upon the request of any Holder, make publicly available such necessary information for so long as necessary to permit Sales pursuant to Rule 144 or Regulation S under the Securities Act, and it will take such further action as any Holder may reasonably request, all to the extent required from time to time to enable such Holder to Sell Registrable Securities without Registration under the Securities Act within the limitation of the exemptions provided by (a) Rule 144 or Regulation S under the Securities Act, as such Rules may be amended from time to time, or (b) any rule or regulation hereafter adopted by the SEC. From and after the date hereof through the first anniversary of the date upon which no Holder owns any Registrable Securities, Spinco shall forthwith upon request furnish any Holder (i) a written statement by Spinco as to whether it has complied with such requirements and, if not, the specifics thereof, (ii) a copy of the most recent annual or quarterly report of Spinco, and (iii) such other reports and documents filed by Spinco with the SEC as such Holder may reasonably request in availing itself of an exemption for the Sale of Registrable Securities without registration under the Securities Act.

2.11 Other Registration Rights. Spinco shall not grant to any Persons the right to request Spinco to Register any equity securities of Spinco, or any securities convertible or exchangeable into or exercisable for such securities, whether pursuant to "demand," "piggyback," or other rights, unless such rights are subject and subordinate to the rights of the Holders under this Agreement.

## VOTING RESTRICTIONS

3.1 Voting of Spinco Common Stock.

(a) From the date of the Distribution until the earlier of (x) the date that the WDC Group ceases to own any Retained Shares and (y) the termination of this Agreement, WDC shall, and shall cause each member of the WDC Group to (in each case, to the extent that they own any Retained Shares), be present, in person or by proxy, at each and every Spinco stockholder meeting, and otherwise to cause all Retained Shares owned by them to be counted as present for purposes of establishing a quorum at any such meeting, and to vote or consent on any matter (including waivers of contractual or statutory rights), or cause to be voted or consented on any such matter, all such Retained Shares in proportion to the votes cast by the other holders of Spinco Common Stock on such matter.

(b) WDC hereby revokes, and shall cause each member of the WDC Group (to the extent that they own any Retained Shares) to revoke, any and all previous proxies granted by them with respect to the Retained Shares owned (whether beneficially or of record) by them as of the date of this Agreement. From the date of the Distribution until the earlier of (x) the date that the WDC Group ceases to own any Retained Shares and (y) the termination of this Agreement, WDC hereby grants to, and shall cause each member of the WDC Group (to the extent that they own any Retained Shares) to grant to, Spinco or its designees (determined in Spinco's sole discretion) an irrevocable proxy, with full power of substitution and resubstitution, which shall be deemed coupled with an interest sufficient in law to support an irrevocable proxy to Spinco

or its designees (determined in Spinco's sole discretion), to vote, with respect to any matter (including waivers of contractual or statutory rights), all Retained Shares owned (whether beneficially or of record) by them, in proportion to the votes cast by the other holders of Spinco Common Stock on such matter; provided that (i) such proxy shall automatically be revoked as to a particular Retained Share upon any Sale of such Retained Share from a member of the WDC Group to a Person other than a member of the WDC Group and (ii) nothing in this Section 3.1 shall limit or prohibit any such Sale.

4.3 Entire Agreement. This Agreement including any exhibits and amendments hereto, and the other agreements and documents referred to herein and therein, shall together constitute the entire agreement between WDC and Spinco with respect to the subject matter hereof and thereof and shall supersede all prior negotiations, agreements and understandings, both written and oral, between WDC and Spinco with respect to such subject matter hereof.

4.4 Successors, Assigns and Transferees.

(a) The provisions of this Agreement and the obligations and rights hereunder shall be binding upon, inure to the benefit of and be enforceable by (and against) the parties and their respective successors and permitted assigns. Spinco may assign this Agreement at any time in connection with a Sale or acquisition of Spinco, whether by merger, consolidation, Sale of all or substantially all of Spinco's assets, or similar transaction, without the consent of the Holders; provided that the successor or acquiring Person agrees in writing to assume all of Spinco's rights and obligations under this Agreement. WDC may assign this Agreement to any member of the WDC Group or at any time in connection with a sale or acquisition of WDC, whether by merger, consolidation, sale of all or substantially all of WDC's assets, or similar transaction, without the consent of Spinco.

(b) In connection with the Sale of Registrable Securities, WDC may assign its Registration-related rights and obligations under this Agreement relating to such Registrable Securities to the following transferees in such Sale: (i) a member of the WDC Group to which Registrable Securities are Sold, (ii) one or more Participating Investors to which Registrable Securities are Sold, (iii) any other transferee to which Registrable Securities are Sold, if Spinco provides prior written consent to the transfer of such Registration-related rights and obligations along with the Sale of Registrable Securities or (iv) any other transferee that acquires at least five percent (5%) of the number of Registrable Securities beneficially owned by WDC immediately following the completion of the Distribution; provided, that in the case of clauses (i), (ii), (iii) or (iv), (x) Spinco is given written notice prior to or at the time of such Sale stating the name and address of the transferee and identifying the securities with respect to which the Registration-related rights and obligations are being Sold and (y) the transferee executes a counterpart in the form attached hereto as Exhibit A and delivers the same to Spinco (any such transferee in such Sale, a "Transferee"). In connection with the Sale of Registrable Securities, a Transferee or Subsequent Transferee (as defined below) may assign its Registration-related rights and obligations under this Agreement relating to such Registrable Securities to the following subsequent transferees: (A) an Affiliate of such Transferee to which Registrable Securities are Sold, (B) any subsequent transferee to which Registrable Securities are Sold, if Spinco provides prior written consent to the transfer of such Registration-related rights and obligations along with the Sale of Registrable Securities or (C) any other subsequent transferee that acquires at least five percent (5%) of the number of Registrable Securities beneficially owned by WDC immediately following the completion of the Distribution; provided, that in the case of clauses (A), (B) or (C), (x) Spinco is given written notice prior to or at the time of such Sale stating the name and address of the subsequent transferee and identifying the securities with respect to which the Registration-related rights and obligations are being assigned and (y) the subsequent transferee executes a counterpart in the form attached hereto as Exhibit A and delivers the same to Spinco (any such subsequent transferee, a "Subsequent Transferee").

4.5 GOVERNING LAW; NO JURY TRIAL.

(a) This Agreement and any Action (whether at law, in contract, in tort or otherwise) arising out of or relating to this Agreement or the negotiation, validity, interpretation, performance, breach or termination of this Agreement shall be governed by and construed in accordance with the internal law of the State of Delaware, regardless of the law that might otherwise govern under applicable principles of conflicts of law thereof.

(b) Each party hereto shall appoint a representative who shall be responsible for administering this dispute resolution provision (each, an "Appointed Representative"). The Appointed Representatives shall have the authority to resolve any such disputes. Except as otherwise provided in this Agreement, in the event of a controversy, dispute or claim arising out of, in connection with, or in relation to the interpretation, performance, nonperformance, validity, termination or breach of this Agreement or otherwise arising out of, or in any way related to, this Agreement (collectively, the "Agreement Disputes"), the Appointed Representatives shall negotiate in good faith for a reasonable period of time to settle such Agreement Dispute; *provided, however*, that: (i) such reasonable period shall not, unless otherwise agreed to by the parties hereto, exceed thirty (30) calendar days from the time of receipt by a party hereto; and (ii) the relevant employees from the relevant parties hereto shall first have tried to resolve the differences between the parties hereto. Nothing said or disclosed, nor any document produced, in the course of any negotiations, conferences and discussions in connection with efforts to settle an Agreement Dispute that is not otherwise independently discoverable shall be offered or received as evidence or used for impeachment or for any other purpose, but shall be considered as to have been disclosed for settlement purposes. Unless otherwise agreed in writing, the parties hereto will continue to honor all commitments under this Agreement during the course of dispute resolution pursuant to the provisions of this Section 4.5 with respect to all matters not specifically subject to such dispute resolution.

(c) Except as otherwise provided herein, any and all remedies herein expressly conferred upon a party hereto shall be deemed cumulative with and not exclusive of any other remedy conferred hereby, or by law or equity upon such party, and the exercise by a party hereto of any one remedy shall not preclude the exercise of any other remedy. Nothing in this Agreement shall be deemed a waiver by any party hereto of any right to specific performance or injunctive relief. The parties hereto understand and agree that the covenants and agreements on each of their parts herein contained are uniquely related to the desire of the parties hereto and their respective Affiliates to consummate the transactions contemplated herein, that the transactions contemplated herein are a unique business opportunity at a unique time for each of WDC and Spinco and their respective Affiliates, and further agree that irreparable damage would occur in the event that any provision of this Agreement were not performed in accordance with its specific terms, and further agree that, although monetary damages may be available for the breach of such covenants and agreements, monetary damages would be an inadequate remedy therefor. It is accordingly agreed that, in addition to any other remedy that may be available to it, including monetary damages, each of the parties hereto shall be entitled to an injunction or injunctions to prevent breaches of this Agreement and to enforce specifically the terms and provisions of this Agreement exclusively in the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or, if the Delaware Court of Chancery declines to accept jurisdiction over a particular matter, any state or federal court within the State of Delaware). Each of the parties hereto further agrees that no party hereto shall be required to obtain, furnish or post any bond or similar instrument in connection with or as a condition to obtaining any remedy referred to in this Section 4.5 and each party hereto waives any objection to the imposition of such relief or any right it may have to require the obtaining, furnishing or posting of any such bond or similar instrument.

(d) Each of the parties hereto irrevocably agrees that, subject (except in the case of any legal action or proceeding seeking specific performance) to prior compliance with Section 4.5(b), any legal action or proceeding with respect to this Agreement and the rights and obligations arising hereunder, or for recognition and enforcement of any judgment in respect of this Agreement and the rights and obligations arising hereunder, brought by any other party hereto or its successors or assigns, shall be brought and determined exclusively in the Delaware Court of Chancery and any state appellate court therefrom within the State of Delaware (or, if the Delaware Court of Chancery declines to accept jurisdiction over a particular matter, any state or federal court within the State of Delaware). Each of the parties hereto hereby irrevocably submits with regard to any such action or proceeding for itself and in respect of its property, generally and unconditionally, to the personal jurisdiction of the aforesaid courts and agrees that it will not bring any action relating to this Agreement or any of the transactions contemplated by this Agreement in any court other than the aforesaid courts. Each of the parties hereto hereby irrevocably waives, and agrees not to assert, by way of motion, as a defense, counterclaim or otherwise, in any action or proceeding with respect to this Agreement: (i) any claim that it is not personally subject to the jurisdiction of the above named courts for any reason other than the failure to serve in accordance with this Section 4.5; (ii) any claim that it or its property is exempt or immune from jurisdiction of any such court or from any legal process commenced in such courts (whether through service of notice, attachment prior to judgment, attachment in aid of execution of judgment, execution of judgment or otherwise); and (iii) to the fullest extent permitted by the applicable law, any claim that: (x) the suit, action or proceeding in such court is brought in an inconvenient forum; (y) the venue of such suit, action or proceeding is improper; or (z) this Agreement, or the subject matter hereof, may not be enforced in or by such courts (other than by reason of, except in the case of any action or proceeding for specific performance, needing to first comply with the provisions of Section 4.5(b)). In the event that any suit or action is instituted to enforce any provision in this Agreement, the prevailing party in such dispute shall be entitled to recover from the losing party all fees, costs and expenses of enforcing any right of such prevailing party under or with respect to this Agreement, including, without limitation, such reasonable fees and expenses of attorneys and accountants, which shall include, without limitation, all fees, costs and expenses of appeals. The parties hereto agree that service of any court paper may be made in any manner as may be provided under the applicable laws or court rules governing service of process in such court. The parties hereto agree that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by applicable law.

(e) EACH OF THE PARTIES IRREVOCABLY WAIVES ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY ACTION OR LEGAL PROCEEDING (WHETHER AT LAW, IN CONTRACT, IN TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THIS AGREEMENT.

4.6 Headings. The article, section and paragraph headings contained in this Agreement are inserted for the convenience of reference only and are not intended to be a part of or to affect the meaning or interpretation of this Agreement.

4.7 Severability. In the event any one or more of the provisions contained in this Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby. The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions, the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

4.8 Amendment; Waiver.

5.3 Expenses. Each Party shall bear its own expenses in connection with the negotiation, execution and delivery of the Master Operative Documents.

5.4 Undertaking as to Affiliate Obligations. Each Party shall cause all covenants, conditions and agreements to be performed, observed or satisfied by each of its Affiliates that is a party to any Master Operative Documents to be fully and faithfully observed, performed and satisfied by such Affiliate, and shall not cause or permit to exist (i) an Event of Default with respect to such Affiliate or (ii) except as otherwise permitted by the FA Operating Agreement, any event of dissolution of Flash Alliance caused by such Affiliate. Nothing in Section 5.1 or in this Section 5.4 shall be construed to create any right in any Person other than the Parties. Without limiting the generality of the foregoing, SanDisk hereby guarantees the obligations of SanDisk Ireland hereunder and under any Master Operative Document to which SanDisk Ireland is a party.

5.5 Continuity and Maintenance of Operations. During the term of this Agreement, each Party agrees on behalf of itself and each of its Affiliates that is a party to any Master Operative Document to use all reasonable efforts consistent with past practice and policies to (i) preserve intact in all material respects its and their present business operations, (ii) keep available the services of its and their key employees as a group, and (iii) preserve its relationships with suppliers, licensors, licensees, and others having business relationships with it or them, each to the extent necessary to allow it and such Affiliates to perform its and their obligations under the Master Operative

Documents and to allow Flash Alliance to conduct its business as contemplated in its most recently approved Business Plan.

5.6 Certain Deliveries and Notices. Each Party shall promptly inform in writing the other Party of (i) any event or occurrences which could be reasonably expected to have a material adverse effect on its or any of its Affiliates' ability to perform its or their obligations under any of the Master Operative Documents or the ability of Flash Alliance to conduct its business as contemplated in its most recently approved Business Plan, or (ii) any breach or failure to satisfy any condition or covenant contained herein or in any other Master Operative Document by such Party or any of its Affiliates.

**6. COVENANTS CONCERNING NAND FLASH MEMORY PRODUCTS BUSINESS**

6.1 New Technology Development.

(a) Immediately after the Effective Date, each Party shall designate three (3) appropriate individuals who will constitute the Common R&D Representatives. The Common R&D Representatives will meet regularly (quarterly) to review, discuss and determine direction of NAND future project plans and SanDisk participation in the Development Work (as defined in the Common R&D Agreement). SanDisk will send, and Toshiba will receive, such number of SanDisk Personnel as are mutually agreed upon, at AMC or other Toshiba facilities during the term of the Common R&D Agreement in order for SanDisk to participate in the Development Work. The Parties have agreed to encourage utilization of tool vendors to perform Development Work where it is effective to do so.

(b) Provided Toshiba continues to develop and advance NAND Flash Memory technology for the benefit of both parties pursuant to the FVC Japan Operative Documents, the FP Operative Documents, the FA Operative Documents and the other Joint Operative Documents, SanDisk agrees to share Toshiba's Common R&D expenditures and shall pay to Toshiba its portion of such Common R&D expenditures as detailed in the Common R&D Agreement.

6.2 Purchased Tools. All tools for the Y4 Facility shall be purchased by Flash Alliance (or a lessor for Flash Alliance's benefit as contemplated by Section 6.12(a)) and all such purchases shall be agreed upon by the Parties. Toshiba shall, from the Toshiba Semiconductor Company headquarters and at its own expense, provide Flash Alliance with tool purchase service and support and negotiate with vendors on Flash Alliance's behalf, and SanDisk shall have the right to participate in such negotiations or other tool purchase activities of Toshiba, at SanDisk's own expense. For such purpose, a joint SanDisk/Toshiba tool procurement team ("Joint Tool Procurement Team") will be formed and each member of the team will have total participation, visibility and responsibility in tool selection and procurement negotiations, including tool evaluation activities of the Joint Procurement Team. Toshiba Semiconductor Company will provide to Flash Alliance the full benefit of its volume purchase agreements in order to maximize efficiency and minimize costs. Immediately after the effective date of this Agreement, the Parties will establish a process that enables equal participation and equal decision making by the Parties in tool evaluation and purchase (depending on SanDisk's ability to participate).

6.3 Technology Transfers.

(a) Toshiba will make available to Flash Alliance its 70 nanometer [***] process technology applicable to the manufacturing and testing of NAND Flash Memory Products ("NAND Process

Technology") on the fastest practicable schedule. All technology transfers will be jointly reviewed and discussed by the Parties and all technology transfers will be made in a mutually satisfactory manner, provided that all process integration for new processes will be led by Toshiba employees at the Yokkaichi Facility to the extent reasonably possible. Toshiba will cause its employees, including its advanced microelectronics center employees, to cooperate in achieving an efficient transition from development module to operating process and volume production. Substantially all tests for 300 millimeter NAND technology will be conducted at the pilot line established at the Y3 Facility or Y4 Facility.

(b) Whenever a technology transfer is required hereunder, Toshiba shall deliver such level of NAND Process Technology to the Y4 Facility as would be normal practice by the Toshiba Semiconductor Company whenever it transfers a technology to a new manufacturing facility or transfers a new or advanced technology to an existing manufacturing facility in order to achieve successful implementation of the newly transferred technology.

(c) A technology transfer hereunder shall be deemed complete when the transferred technology passes a reasonable qualification procedure to be mutually agreed upon by the Parties.

6.4 Start-Up Services for Y4. The Parties acknowledge that either or both of the Parties and Flash Alliance have incurred or will incur costs in connection with developing Flash Alliance and the Y4 Facility and preparing the Y4 Facility for production, including personnel costs, materials costs and other operating expenses, that are properly allocable to Flash Alliance and for which each Party has the obligation ultimately to bear 50% of the responsibility ("Start-Up Costs"). The Parties shall discuss in good faith and agree upon the Start-Up Costs, the allocation to Flash Alliance of Start-Up Costs borne by either Party and the means and timing of each Party, as applicable, being reimbursed or credited for having incurred more than 50% of the Start-Up Costs or of making payments due to having incurred less than 50% of the Start-Up Costs.

6.5 Y4 Facility Ramp-Up Plan.

(a) Equal Participation and Purchase Price Per Unit. The Parties intend to meet demand for increased capacity by equally investing in, and jointly building, and sharing, on equal or substantially equal terms, equal amounts of new capacity for Y4 NAND Flash Memory Products, except as they may otherwise agree as contemplated herein. Where the Parties purchase the same output volume of equivalent Y4 NAND Flash Memory Products, the Parties will pay the same purchase price per unit.

(b) Ramp-Up Plan. The Parties acknowledge that they intend to expand their Y4 NAND Flash Memory Product manufacturing capacity through development of the Y4 Facility according to volumes and timing set forth in Schedule 6.5(b) (including to [***] L/M, the "Ramp-Up Plan"). The Parties will discuss in good faith whether the production capacity of Y4 should be expanded by the Parties toward the Y4 Facility's targeted capacity of approximately [***] L/M.

(c) Ramp-Up Plan Commitments and Changes. The Parties agree as follows concerning the Ramp-Up Plan:

(i) The initial 1,000 L/M in aggregate increases in production capacity of the Y4 Facility identified on theRamp-Up Plan shall be considered firmly committed by each Party (i.e., 500 L/M each) as of the times specified in the Ramp-Up Plan and in accordance with this Section 6.5(c)(i) (the "Minimum RUP Commitment"). The Parties shall agree upon one or more Business Plans that provide for implementing the [***].

6.6 Capacity.

(a) Priority.

(i) SanDisk's manufacturing capacity for, and purchased supply of, NAND Flash Memory Products shall be sourced by SanDisk and its Subsidiaries from, and in, the following priority:

(A) from Flash Partners, to fulfill the capacity allocated to SanDisk, as provided for under the FP Operative Documents,

(B) from Flash Alliance, to fulfill the capacity allocated to SanDisk, as provided for under the FA Operative Documents,

(C) [***]

(D) [***]

(E) from [***] and/or from other third parties (so long as [***], and SanDisk shall have fulfilled its 50% share of the Ramp-Up Plan for the Y3 Facility (the "Y3 Ramp-Up Plan") and its 50% share of the increment of the Ramp-Up Plan set forth in the then-current Business Plan approved by the Parties for the Y4 Facility.) [***]

(ii) [***]

(A) [***]

(B) [***]

(C) [***]

(D) [***]

(E) [***]

(iii) In no event will [***] SanDisk [***] source NAND Flash Memory Products from a source other than Flash Partners if the effect of such sourcing is the diversion of resources or other (intended or collateral) effects which reduce the economic or other efficiency of the Y3 Facility (including not fully executing the Y3 Ramp-Up Plan).

(b) [***]

(c) Technology Transfer. If the Parties mutually agree to secure external manufacturing sources other than the Yokkaichi Facility through joint investment, Flash Alliance and Toshiba, as applicable, will jointly transfer the applicable manufacturing technology and know-how to such source. Flash Alliance and Flash Partners (with respect to 300 millimeter wafers) and FVC Japan (with respect

to 200 millimeter wafers) will conduct all negotiations with the external manufacturing source; *provided*, *however*, the terms and conditions of any agreement shall be subject to prior consultation with and the approval of Toshiba. In connection with any technology transfer to such external source, Toshiba will be reimbursed its mutually agreed transfer costs for assisting in the transfer of manufacturing technology and know-how. If the new capacity secured at such external manufacturing source is requested by only one of the Parties, such Party will pay the transfer costs and be entitled to purchase the full output of NAND Flash Memory Products purchased by FVC Japan, Flash Partners or Flash Alliance, as applicable, from such external manufacturing source. If both Parties request such new external capacity, then FVC Japan, Flash Partners or Flash Alliance, as applicable, will pay the transfer costs to Toshiba. Neither Party shall have the right to grant manufacturing licenses to such external manufacturing source or to disclose or transfer to any such external manufacturing source, manufacturing know-how related to the manufacture of NAND Flash Memory Products, except through FVC Japan, Flash Partners or Flash Alliance.

6.7 Capacity Sharing Arrangement.

(a) Equal right to capacity. Subject to Section 6.5(c), each of the Parties will have the right and obligation, through Flash Alliance, to utilize 50% of the wafers produced at the Y4 Facility based on a measure of equivalent lots out per week with the equivalency being weighed based on the process complexity factors (as calculated by a formula to be mutually determined by the Parties) of the Y4 NAND Flash Memory Products.

(b) Alternative use of allotted capacity.

(i) If a Party is unable to utilize its allotted manufacturing capacity for Y4 NAND Flash Memory Products (such Party, an "Excess Capacity" or "EC Party"), it may do any of the following:

(A) An EC Party may request the other Party to negotiate the terms of transfer of its capacity shortfall to the other Party, which may choose whether to accept such additional capacity and on what terms in its sole discretion.

(B) An EC Party may use its capacity for Embedded NAND Products, as defined in and subject to Section 6.7(c).

(C) An EC Party may use its capacity for Proprietary NAND Flash Memory Products and non-Proprietary NAND Flash Memory Products, in accordance with and subject to Sections 6.7(d) and (e).

If an EC Party is not able to utilize or transfer its allotted capacity pursuant to Section 6.7(b), it shall pay the incremental cost increase to the Party not experiencing a shortfall (or pay to Flash Alliance an under-utilization fee in accordance with a formula to be mutually determined by the Parties).

(ii) If both Parties are EC Parties because demand for both Parties' Y4 NAND Flash Memory Products are significantly below expectations, the Parties will discuss in good faith whether to permit products which are not Y4 NAND Flash Memory Products to be produced at the Y4 Facility; provided that (A) the inability of the Parties so to agree shall not constitute a Deadlock (as defined in the FA Operating Agreement) and (B) the foregoing shall not limit either Party's rights in the remainder of this Section 6.7.

(c) Either Party shall have the right use a portion of its total allocated capacity with respect to the Y4 Facility to run a memory product which is not a Y4 NAND Flash Memory Product (solely because the NAND flash memory array area is equal to or less than [***] of the total die area ("Embedded NAND Product")) so long as such Embedded NAND Product [***]. If a Party exercises its option to run Embedded NAND Products, it must [***]. The conditions stated in Sections 6.7(d) and (e) do not apply to Embedded NAND Products.

(d) Each Party may use a portion of its total allocated capacity to cause to be manufactured NAND Flash Memory Products which are proprietary to that Party ("Proprietary NAND Flash Memory Products") and which need not be shared with the other Party. Proprietary NAND Flash Memory Products may be produced at the Y4 Facility so long as such products [***]. If a Party exercises such option, it must [***]. No such Proprietary NAND Flash Memory Products may be run if doing so [***]. Each Party shall give the other Party at least ninety (90) days' advance written notice of its intention to use a portion of its allocated capacity to manufacture Proprietary NAND Flash Memory Products and the Parties shall refer the matter to the Board of Directors for consultation and planning, with the intention to minimize the impact of such allocation. Such notifying Party will limit the output volume of such Proprietary NAND Flash Memory Products to [***] of such Party's total allocated output at the Y4 Facility unless it receives the consent of the other Party to an increase in such output volume above such limit.

(e) Each Party (the "Originating Party") shall inform the other (the "Non-Originating Party") of the development plans by the Originating Party to develop NAND Flash Memory Products, and the Originating Party and the Non-Originating Party shall each refer such matter to the Coordinating Committee (as defined in the Product Development Agreement). If the Coordinating Committee unanimously decides that such planned development shall be undertaken jointly, then the cost of such joint development shall be borne by each Party in accordance with the Product Development Agreement, and the NAND Flash Memory Products manufactured following such joint development shall be considered non-Proprietary NAND Flash Memory Products for purposes of Section 6.7(d); *provided, however*, the NAND Flash Memory Products set forth in Exhibit A to the Product Development Agreement shall be deemed to be non-Proprietary NAND Flash Memory Products without any action by the Coordinating Committee. Subject to the foregoing, if the Coordinating Committee does not unanimously decide that such planned development shall be undertaken jointly, then the Originating Party may, at its sole discretion, either (i) transfer to the Non-Originating Party the technology, including the items in Exhibit C to the Product Development Agreement relating to such technology, used to manufacture such NAND Flash Memory Products on a royalty-free basis, whereupon such NAND Flash Memory Products shall be considered non-Proprietary NAND Flash Memory Products, or (ii) treat such NAND Flash Memory Products as Proprietary NAND Flash Memory Products for purposes of Section 6.7(d). In the event the Originating Party elects to treat any NAND Flash Memory Products as Proprietary NAND Flash Memory Products in accordance with the preceding sentence, but thereafter the Coordinating Committee unanimously determines that such Proprietary NAND Flash Memory Products should be developed jointly, the Originating Party shall transfer to the other Party the technology used to manufacture such NAND Flash Memory Products on reasonable terms and conditions to be mutually agreed upon by the Parties, whereupon such Proprietary NAND Flash Memory Products shall be treated as non-Proprietary NAND Flash Memory Products.

6.8 Engineering Wafers and Development Expense. Each Party will have full access to all operational and engineering data and reports related to engineering wafers manufactured at Y4.

(a) Engineering wafers and development expenses are further and more completely defined in four categories: Common R&D Development Expenses, Y4 Direct R&D Development Products, Evaluation Wafers, Qualification Wafers (each as defined below).

(i) "Common R&D Development Expenses" means [***]. The Parties agree to set up pilot-line(s) [***]. The Parties confirm their intent that [***]. Notwithstanding the foregoing, the Parties shall meet from time to time [***]. The Parties shall meet at the end of each quarter to determine if any engineering activities performed during the quarter [***], whether agreed in advance or not, [***]. If any activities performed [***] are agreed by the parties to [***].

(ii) [***]

(iii) "Evaluation Wafers" are those wafers manufactured [***]. Both parties are entitled to receive evaluation wafers [***]. The cost of Evaluation Wafers is [***].

(iv) "Qualification Wafers" are those wafers [***]. The Parties will discuss and agree on the appropriate quantity of Qualification Wafers required for each Y4 NAND Flash Memory Product. [***].

(b) [***]

6.9 Creation of Management Committee. The management committee established by the Parties pursuant to the FVC Japan Master Agreement and the FP Master Agreement to facilitate management of the respective operations of FVC Japan and Flash Partners (the "Management Committee") shall do the same for Flash Alliance, as detailed in this Section 6.9.

(a) Authority. The Management Committee shall have the authority to (i) advise Flash Alliance with respect to policy and operating matters common to Toshiba and SanDisk as well as on such other matters as Flash Alliance may refer to the Management Committee from time to time, (ii) hear and seek to resolve any disputes regarding operational matters or alleged breaches of any Master Operative Documents (including dispute resolution), and (iii) take the actions specified to be taken by the Management Committee in this Agreement or any Master Operative Document, including in this Section 6.9 and in Section 6.3.

(b) Members of the Management Committee; Voting; etc.

(i) The Management Committee shall consist of six members (the "Committee Representatives"), three of whom shall be appointed by Toshiba, and three of whom shall be appointed by SanDisk (for such purpose, each of the Parties is referred to in this Section 6.9 as an "Appointing Party"). Each Appointing Party shall be entitled to appoint an alternate Committee Representative to serve in the place of any Committee Representative appointed by such Appointing Party should any such Committee Representative be unable to attend a meeting. Each Party shall be entitled to invite a reasonable numbers of observers to all Management Committee meetings.

(ii) Each Committee Representative or alternate Committee Representative shall serve at the pleasure of the designating Appointing Party and may be removed as such, with or without cause, and his successor designated, by the designating Appointing Party. Each Appointing Party shall have the right to designate a replacement Committee Representative in the event of any vacancy among such Appointing Party's appointees.

(iii) Each Appointing Party shall bear any cost and expense incurred by any Committee Representative or alternate Committee Representative designated by such Appointing Party to serve on the Management Committee, and no Committee Representative or alternate Committee Representative shall be entitled to compensation from Flash Alliance for serving in such capacity.

(iv) Each Appointing Party shall notify the other Appointing Party and Flash Alliance in writing of the name, business address and business telephone and facsimile numbers of each Committee Representative and each alternate Committee Representative that such Appointing Party has been appointed to the Management Committee. Each Appointing Party shall promptly notify the other Appointing Party and Flash Alliance of any change in such Appointing Party's appointments or of any change in any such address or number.

(v) For purposes of any approval or action taken by the Management Committee, each Committee Representative shall have one vote. All of the votes eligible to be cast at any meeting must be voted in favor of any action to be taken by the Management Committee at such meeting.

(vi) At any meeting of the Management Committee, a Committee Representative, in the absence of one or more other Committee Representatives appointed by the same Appointing Party or an alternate Committee Representative, may cast the vote such absent Committee Representatives would otherwise be entitled to cast.

(vii) The quorum necessary for any meeting of the Management Committee shall be those Committee Representatives entitled to cast all of the votes held by the members of the Management Committee. A quorum shall be deemed not to be present at any meeting for which notice was not properly given under Section 6.9(c), unless the Committee Representative or Committee Representatives as to whom such notice was not properly given attend(s) such meeting without protesting the lack of notice or duly execute(s) and deliver(s) a written waiver of notice or a written consent to the holding of such meeting.

(viii) Each appointment by an Appointing Party to the Management Committee shall remain in effect until the Appointing Party making such appointment notifies the other Appointing Party and Flash Alliance in writing of a change in such appointment. The resignation or removal of a Committee Representative shall not invalidate any act of such Committee Representative taken before the giving of such written notice of the removal or resignation of such Committee Representative (or alternate Committee Representative).

(c) Meetings, Notice, etc.

(i) Meetings of the Management Committee shall be held at such location or locations as may be selected by the Management Committee from time to time.

(ii) Regular meetings of the Management Committee shall be held on such dates and at such times as shall be determined by the Management Committee and shall be held as required or as requested by the Board of Directors.

(iii) Notice of any regular meeting or special meeting pursuant to Section 6.9(c)(iv) shall be given to each Committee Representative at least ten (10) Business Days prior to such meeting in the case of a meeting in person or at least five (5) Business Days prior to such

meeting in the case of a meeting by conference telephone or similar communications equipment pursuant to Section 6.9(c)(vi), which notice shall state the purpose or purposes for which such meeting is being called and include any supporting documentation relating to any action to be taken at such meeting.

(iv) Special meetings of the Management Committee may be called by any Committee Representative by notice given in accordance with the notice requirements set forth in this Section 6.9, which notice shall state in reasonable detail the purpose or purposes for which such meeting is being called; *provided*, that, the Committee Representatives appointed by the Appointing Party that is not represented by the Committee Representative calling such special meeting shall be entitled to in good faith select a convenient location for the meeting and to suggest an alternative time or times if the designated time is not convenient for them. Except as set forth in Section 6.9(c)(vi), no action may be taken and no business may be transacted at such special meeting which is not identified in such notice unless (A) such action or business is incidental to the action or business for which the special meeting is called or (B) such action or business does not materially adversely affect the Parties, any of their respective Affiliates which are parties to any of the Master Operative Documents or Flash Alliance. Minutes of each Management Committee meeting shall be sent by facsimile to all Committee Representatives within ten (10) Business Days after such meeting. Material to be presented at any Management Committee meeting shall be sent by facsimile, electronic mail or delivered in hard copy to all Committee Representatives together with the notice described in Section 6.9(c)(vi).

(v) The actions taken by the Management Committee at any meeting, however called and noticed, shall be as valid as though taken at a meeting duly held after regular call and notice if (but not until), either before, at or after the meeting, any Committee Representative as to whom such meeting was improperly held duly executes and delivers a written waiver of notice or a written consent to the holding of such meeting; *provided*, *however*, any Committee Representative who is present at a meeting and does not protest the failure of notice shall be deemed to have received adequate notice thereof. A vote of the Management Committee may be taken only either in a meeting of the members thereof duly called and held or by the execution by the Committee Representatives eligible to cast all the votes on the Management Committee without a meeting of a consent setting forth the action so taken, and identified as a consent of the Committee Representatives pursuant to this Section 6.9.

(vi) Upon the consent of all Committee Representatives, a meeting of the Management Committee may be held by conference telephone or similar communications equipment by means of which all Committee Representatives participating in the meeting can hear and be heard by all other participants, *provided*, that, such communications equipment continues to be operational throughout the meeting. Any Committee Representative may elect to participate in a meeting by conference telephone or similar communications equipment upon sufficient advance notice to permit arrangements therefor to be made. At any meeting, the Management Committee shall consider (A) any items added to the Management Committee agenda for discussion by the Parties and (B) such other matters as the Management Committee decides to review.

(vii) The Management Committee shall, from time to time, elect one of its members to preside at its meetings, which presiding member shall alternate annually if requested by either Party. The Management Committee may establish reasonable rules and regulations to (A) require officers to call meetings and perform other administrative duties, (B) limit the number and participation of observers, if any, and require them to observe confidentiality obligations and (C) otherwise provide for the keeping and distribution of minutes and other internal Management Committee governance matters not inconsistent with the terms of this Agreement.

Each Party will indemnify the other Party and Flash Alliance from any claim by any of such Party's employees, consultants or agents (such Party being the "Employer") (A) based on other than willful misconduct of such Employer, its employees, consultants or agents; or (B) that he or she has rights, or is owed obligations, as an employee of the Party that is not the Employer.

(c) [***]

6.11 Non-solicitation of Employees. So long as the business of Flash Alliance continues, each Party (and each of its respective Affiliates) shall not, without the prior written consent of the other Party, directly recruit or solicit any employee or director of Flash Alliance to leave his or her employment with Flash Alliance prior to the period ending twenty-four (24) months after the FA Termination Date; *provided*, *however*, that placement of employment advertisements or other general solicitation for employees not specifically targeted to the employees or directors of Flash Alliance shall not constitute direct recruitment. In the event of the dissolution and liquidation of Flash Alliance, either Party (or any Affiliate of either Party) may solicit any former employee of such dissolved and liquidated company, but neither Party (nor any of its Affiliates) shall be required to employ any such Person. If all of the FA Shares held by one Party are purchased by

the other Party or its designee, if requested by the acquiring Party the Parties shall reach agreement on a reasonable transition plan (without profit to the seller) in connection with the services provided to Flash Alliance, as applicable, by employees and contractors of the selling Party.

6.12 Financing.

(a) [***]

(b) The Parties currently intend, but are not obligated, to structure the financing for equipment purchases by Flash Alliance necessary to implement the Ramp-Up Plan as follows:

(i) Flash Alliance will enter into equipment lease or loan agreements and pledge the financed equipment as collateral;

(ii) Flash Alliance will secure external financing for approximately 50% of the initial purchase price of its tools and each Party will provide equity capital contributions and loans (on a subordinated basis) for the remaining cash requirements of Flash Alliance necessary to execute the Ramp-Up Plan;

(iii) each Party will severally and not jointly and through separate arrangements guarantee as close as possible to 50% of Flash Alliance's obligations under such lease or loan agreements (any financing separately guaranteed or provided by Toshiba for Flash Alliance or otherwise for investment in the Y4 Facility, "Toshiba Financing", any such financing separately guaranteed or provided by SanDisk for Flash Alliance or otherwise for investment in the Y4 Facility "SanDisk Financing" and the Toshiba Financing and SanDisk Financing, each a "Financing"); and

(iv) the Parties will attempt to obtain the foregoing financing from the same financial institution, but under separate agreements that expressly disclaim any joint and several liability of the Parties.

(c) With respect to any Toshiba Financing or SanDisk Financing, the following shall apply:

(i) [***]

(ii) Unless otherwise expressly agreed by both Parties in writing in each case, all Toshiba Financing and all SanDisk Financing shall create only several obligations of the Parties and no joint and several obligations or liability. Toshiba (with respect to Toshiba Financing) and SanDisk (with respect to SanDisk Financing) hereby indemnifies and holds harmless the other Party and its Indemnified Parties from any claims by any financial institution or other Person that the other Party has any liabilities or obligations with respect to, respectively, any Toshiba Financing or SanDisk Financing (unless joint liability has been agreed pursuant to the first sentence of this Section 6.12(c)(ii)).

(iii) Flash Alliance will use commercially reasonable efforts to comply with the requirements of any financing sources. Flash Alliance will make available to each Party one-half of its assets (with as near as practicable cost, collateral value and type) to secure such Party's Financing (whether external or loans from a Party or its Affiliates).

(d) If the lender under the Financing for either Party (as the "Defaulting Party") takes significant actions to enforce its right in the collateral, then the other Party (as the "Non-Defaulting Party") shall have the right, but not the obligation, to cure the default giving rise to the lender's enforcement action. If the Non-Defaulting Party exercises such cure right, then theNon-Defaulting Party's rights in any subject collateral shall be superior to the Defaulting Party's and the Non-Defaulting Party may exercise one of the following options:

(i) the Non-Defaulting Party (A) shall have a claim against the Defaulting Party for reimbursement of any payments made by theNon-Defaulting Party on the Defaulting Party's behalf (which will be subordinate to the lender's claims and bear interest at a rate 500 basis points in excess of the rate being charged by the lender to the Defaulting Party) and (B) shall have the right, until and unless the Defaulting Party pays in full the obligation to the Non-Defaulting Party under foregoing clause (A), to take over the increment of production of the Y4 Facility represented by the collateral with respect to which the lender took significant actions to enforce its rights; or

(ii) the Non-Defaulting Party shall have the right to terminate the Operating Agreement pursuant to Section 11.6 thereof (Foreclosure Default).

6.13 Other Activities. Except as expressed in Section 6 and in the Common R&D Agreement, neither Party nor any of their respective Affiliates shall: (i) fabricate NAND Flash Memory Integrated Circuits at any location other than the Yokkaichi Facility or any other fabrication facility agreed upon by the Parties in writing; (ii) have any third party fabricate NAND Flash Memory Integrated Circuits; or (iii) have any right to fabricate NAND Flash Memory Integrated Circuits beyond the capacity as limited pursuant to this Section 6, as such capacity limitations may be amended from time to time in accordance with this Section 6. For the avoidance of doubt, nothing contained in the foregoing shall restrict the Parties from engaging in any other activities, including, without limitation, (A) designing any NAND Flash Memory Product; (B) selling any NAND Flash Memory Product to any customer; (C) entering into any equipment purchase or material supply agreements; or (D) entering into any patent licensing arrangement; and nothing in the foregoing shall restrict Toshiba from installing any manufacturing line in the Toshiba Foundry Facility subject to the capacity limitations set forth in Section 6 of the FVC Japan Master Agreement and the FP Master Agreement and as provided herein, as such capacity limitations may be amended from time to time in accordance with this Section 6. For purposes of this Section 6.13, "NAND Flash Memory Integrated Circuits" means ICs included in the definition of NAND Flash Memory Products pursuant to Section 3.2.

6.14 Protection of Intellectual Property. Both Parties recognize that it is important for the success of the Y4 NAND Flash Memory Products business to promote the adoption of such Y4 NAND Flash Memory Products with a wide variety of customers and applications, whether for card use or non-card use, and with such recognition, each Party shall use reasonable efforts to protect and enhance the value of Y4 NAND Flash Memory Products. Further, where feasible, each Party shall share with Flash Alliance internally prepared analyses of competitive products prepared by either Party so as to allow Flash Alliance to respond to such information and remain competitive in the marketplace; *provided*, that neither Party warrants as to the accuracy or completeness of any such analysis so provided.

6.15 [***]

## 7. OTHER AGREEMENTS

To supplement their agreement as expressed in certain of the Master Operative Documents, the Parties agree as set forth in this Section 7. To the extent of any conflict between this Section 7

and any other Master Operative Document referenced in this Section 7, the other Master Operative Document shall prevail.

7.1 Flash Alliance Management.

(a) As contemplated by the FA Operating Agreement, the Y4 Operating Committee's purpose is to give both Parties the ability to influence the day to day operating decisions of Flash Alliance and the Y4 Facility. The Y4 Operating Committee is intended to be a collaborative body with real-time communications, respectful consultation and dispute resolution with the goal of making the Y4 Facility the most competitive (cost and technology) memory fabrication facility in the world.

(b) If the Y4 Operating Committee is unable to decide an issue (by agreement of its two members) such issue shall be referred to the Board of Directors. Special meetings of the Board of Directors may be noticed for issues requiring urgent resolution. The Parties contemplate that while a special meeting of the Board of Directors is being noticed, their respective management teams will discuss any issue that the Y4 Operating Committee could not resolve.

(c) If the Board of Directors is unable to decide an issue (by unanimous agreement), such issue shall be referred to the Management Committee for resolution, which shall be vested with final decision making authority. This Agreement separately provides for procedures if the Management Committee is unable to reach agreement on such issue.

7.2 Y4 Facility.

(a) Building Construction and Facilitization. Toshiba has designed and is constructing and facilitizing the Y4 Facility at its sole cost and expense, and SanDisk shall work with Toshiba to help minimize administrative approval delays. Toshiba will exercise all reasonable efforts to ensure that the construction of the Y4 Facility is completed by [***], *provided* that Toshiba shall have no liability to SanDisk, any SanDisk Affiliate or Flash Alliance if completion is not achieved by such time. The depreciation charges for Y4 will be passed on to Flash Alliance as further described in Section 7.3(d).

(b) With prior coordination with Toshiba and the construction contractors for the Y4 Facility, SanDisk will have reasonable access to the construction site for the Y4 Facility and to all information pertaining to the construction of the Y4 Facility, on condition that SanDisk will be solely responsible for all damage caused by such access.

(c) Land. Neither SanDisk nor Flash Alliance will be charged for the land Toshiba currently owns and makes available for the Y4 Facility. (f) Exclusivity. The Yokkaichi Facility shall be Flash Alliance's exclusive manufacturing source for output of Y4 NAND Flash Memory Products. Flash Alliance may seek external manufacturing sources for output in excess of the Yokkaichi Facility's capacity upon unanimous approval by the Management Committee.

7.4 FA Purchase and Supply Agreements. Flash Alliance and each of the Parties or their respective Affiliates will enter into substantially identical FA Purchase and Supply Agreements providing for specific terms and conditions for the purchase by the Parties of Y4 NAND Flash Memory Products from Flash Alliance, which shall be consistent with the following basic terms:

(b) Purchase Commitment. Except as contemplated in Section 6.5(c)(ii), each Party shall (itself or through Affiliates) purchase one half (based on a measure of equivalent lots out per week with the

equivalency being weighed based on the process complexity factors (as calculated by a formula to be mutually determined by the Parties) of the Y4 NAND Flash Memory Products) of the total L/M of Y4 NAND Flash Memory Products. The foregoing purchase commitment of each Party shall not be subject to reduction unless agreed in writing by the other Party, which may grant or withhold such approval in its sole discretion.

(c) Sales Price for Y4 NAND Flash Memory Products Purchased by the Parties The sales price charged by Flash Alliance to the Parties for wafers manufactured at Y4 shall be the sum of:

The Parties shall use the system at the Y3 Facility for such direct system, provided that the cost necessary for [***] will be borne by SanDisk. Flash Alliance production planning will hold a monthly production planning meeting with representatives of each Party, as further provided in the Purchase and Supply Agreements. At such meetings, the Parties will agree on a production plan for the [***] which plan will be final (and the related forecast will be deemed to be covered by a binding purchase order).

(b) Production Control. Flash Alliance will provide [***] on anon-discriminatory basis to SanDisk [***] with respect to [***], provided that the cost necessary for making such system available or [***] will be borne by SanDisk. Further, SanDisk reserves the right to seek to arrange additional property or business interruption insurance for its own account in respect of Flash Alliance's assets or business. If SanDisk seeks such additional property or business interruption insurance, Toshiba shall cooperate in good faith to provide such information and access as is reasonably necessary for SanDisk to arrange such insurance. If Toshiba makes a recovery from a third party (other than an insurer per the above) in respect of both assets of Flash Alliance and other assets, then Toshiba shall allocate to Flash Alliance a share of the net amount of such recovery in proportion to the losses suffered by Flash Alliance and total losses suffered by Flash Alliance and Toshiba.

12.4 Assertion of Claims.

(a) In the event that a Person (the"Indemnified Party") desires to assert its right to indemnification from a Person (an"Indemnifying Party") required to indemnify such Indemnified Party under this Section 12, the Indemnified Party will give the Indemnifying Party prompt notice of the claim giving rise thereto (a "Claim"), and the Indemnifying Party shall undertake the defense thereof (unless the Claim is asserted against or related to or results from any action or failure to take action by such Indemnifying Party). The

failure to promptly notify the Indemnifying Party hereunder shall not relieve the Indemnifying Party of its obligations hereunder, except to the extent that the Indemnifying Party is actually prejudiced by the failure to so notify promptly.

(b) The Indemnified Party shall not settle or compromise any Claim without the written consent of the Indemnifying Patty unless the Indemnified Patty agrees in writing to· forego any and all claims for indemnification from the Indemnifying Party with respect to such Claim. However, if the Indemnifying Party, within a reasonable time after notice of any such Claim, fails to defend such Claim, the Indemnified Party shall have the right to undertake the defense, compromise or settlement of such Claim on behalf of and for the account and risk of the Indemnifying Party, subject to the right of the Indemnifying Party to assume the defense of such Claim at any time prior to settlement, compromise or final determination thereof

**13. IF THE INDEMNIFYING PARTY HAS UNDERTAKEN THE DEFENSE OF A CLAIM AND (I) IF THERE IS A REASONABLE EXPECTATION THAT (X) A CLAIM MAY MATERIALLY AND ADVERSELY AFFECT THE INDEMNIFIED PARTY OTHER THAN AS A RESULT OF MONEY DAMAGES OR OTHER MONEY PAYMENTS OR (Y) THE INDEMNIFIED PARTY OR SHAREHOLDERS MAY HAVE LEGAL DEFENSES AVAILABLE TO IT OR THEM THAT ARE DIFFERENT FROM OR ADDITIONAL TO THE DEFENSES AVAILABLE TO THE INDEMNIFYING PARTY, OR (II) IF THE INDEMNIFYING PARTY SHALL NOT HAVE EMPLOYED COUNSEL REASONABLY SATISFACTORY TO THE INDEMNIFIED PARTY, THE INDEMNIFIED PARTY SHALL NEVERTHELESS HAVE THE RIGHT, AT THE INDEMNIFYING PARTY'S COST AND EXPENSE, TO DEFEND SUCH CLAIM. (b) Foundry Production. Toshiba shall manufacture BiCS Products at the New Y2 Facility for the JVs as ordered by the JVs pursuant to the Foundry Agreements. Toshiba (from the Yokkaichi Facility) and the JVs shall use their best efforts to achieve the manufacturing capacity set forth in the JV Business Plans, which will include any plans for JV use of cleanroom space in the New Y2 Facility. Wafers produced in the New Y2 Facility will be

sorted between the Parent Parties such that aggregate yield losses will be shared on an equal basis.

(c) Operating Relationship. The Parent Parties shall provide personnel necessary for the manufacture of BiCS Products for and on behalf of the JVs as described in Article 7.

(d) Consideration to be Paid to Toshiba. Toshiba shall be compensated by the JVs as provided in the Foundry Agreements, [***]

9.2 Purchase and Supply Agreements. For the avoidance of doubt, the rights, obligations and procedures for the purchase by Toshiba and SanDisk from FPL, FAL and FFL of JV BiCS Products manufactured in whole or in part at the New Y2 Facility shall be as set forth in the FPL Purchase and Supply Agreements, the FAL Purchase and Supply Agreements and the FFL Purchase and Supply Agreements, respectively.

9.3 Equal Right to JV Production. For the avoidance of doubt, each of the Parent Parties shall have the right and obligation, through the JVs, to utilize 50% of the manufacturing capacity for JV BiCS Products manufactured in whole or in part at the Yokkaichi Facility, on an Equivalent Lot basis, as provided in the JV Master Agreements.

9.4 New Y2 Product Output Allocation. The actual monthly lot output of New Y2 Products shall be allocated among the JVs, Toshiba and SanDisk, as applicable, based on the New Y2 Capacity Ratio; provided, that during any month in which the planned production capacity of New Y2 Products is [***], Toshiba and SanDisk will be allocated output of such New Y2 Products [***].

9.5 Alternative Use of Allotted Capacity. For the avoidance of doubt, any alternative use of a Party's allotted manufacturing capacity for JV BiCS Products within the New Y2 Facility will be as permitted in, and subject to and governed by the terms of, the applicable JV's JV Master Agreement.

11. NEW Y2 INFORMATION AND DATA SHARING

11.1 Management and Operating Reports. Upon the request of either Toshiba or SanDisk, the New Y2 Operating Committee shall provide Toshiba and SanDisk with, simultaneously in Japanese and English, those management and operating reports identified on Schedule 11.1 and as mutually agreed upon from time to time by the Parent Parties. 12. OTHER MODIFICATIONS TO CERTAIN MASTER OPERATIVE DOCUMENTS

To update their agreement as expressed in certain of the Master Operative Documents to, among other things, take into account the New Y2 Facility and to reflect that the installation of tools and utilization of clean room space by each of the JVs is not limited to any one fabrication facility within the Yokkaichi Facility, the Parties agree that the Master Operative Documents are hereby amended as set forth below, and as necessary to give effect to the purpose and intent of this Article 12 whether or not expressly set forth below.

12.1 Defined Terms. Capitalized terms used in the Master Operative Documents that are assigned meanings in Exhibit A to this Agreement are hereby revised to have the respective meanings assigned to them in Exhibit A to this Agreement unless the context otherwise requires.

12.2 JV Master Agreements.

(a) Allocation of Lot Output. Allocation of monthly lot output under the JV Master Agreements is hereby amended as follows:

(i) the actual monthly lot output of Y3 BiCS Products will be allocated between the Parent Parties in the manner set forth in the JVRA as if all of such output were from the Y3 Facility;

(ii) the actual monthly lot output of Y4 BiCS Products will be allocated between the Parent Parties in the manner set forth in the JVRA as if all of such output were from the Y4 Facility; and

(iii) the actual monthly lot output of Y5 BiCS Products will be allocated between the Parent Parties in the manner set forth in the FFL Master Agreement as if all of such output were NAND Flash Memory Product lot output from the Y5 Facility;

in each case, provided, that during any month in which the planned production is [***], output will be allocated between the Parent Parties [***].

(b) Alternative Use of Allotted Capacity. The rights of each Parent Party under the JV Agreements to use a portion of its total allocated capacity in the Y3 Facility, the Y4 Facility and from the JV Space in the Y5 Facility to cause to be manufactured Proprietary NAND Flash Memory Products, subject to the conditions and limitations set forth in the JV Agreements, are hereby extended to the JV Space in the New Y2 Facility.

(c) Engineering Wafers. The rights of the Parent Parties to receive Evaluation Wafers and Qualification Wafers (each as defined in the JV Master Agreements) under the JV Master Agreements apply to Evaluation Wafers and Qualification Wafers manufactured in the New Y2 Facility.

(d) Y3, Y4 and Y5 Capacity Ratios. The capacity ratios used to calculate output and cost allocation for the Y3 Facility and the Y4 Facility as set forth in Schedule 4.1(b)(i) to the JVRA and for the Y5 Facility as set forth in Section 7.4 of FFL Master Agreement are hereby replaced with the capacity ratios initially set forth on Schedule 12.2(d) to this Agreement and updated from time to time by the Parent Parties as mutually agreed.

(e) [***]

12.3 JV Operating Agreements; Management and Operating Reports. The management and operating reports identified on Schedule 5.3 to each JV Operating Agreement will take into account any utilization by FPL, FAL and FFL, as applicable, of the JV Space.

12.4 JV Purchase and Supply Agreements; Foundry Agreements. Article 7 in each of the FFL Purchase and Supply Agreements and in the FFL Foundry Agreement is hereby amended to add the New Y2 Facility to [***] such that "[***]" is replaced with "[***]."

12.5 JV Lease Agreements. All references to the Y3 Facility and the Y4 Facility in the FPL Lease Agreement and the FAL Lease Agreement, respectively, are hereby amended to refer to all of the Yokkaichi Facility.

13. CONFIDENTIALITY AND DISCLOSURE

13.1 Public Announcements. Neither Parent Party shall, nor shall it permit any of its Affiliates to, without the prior written consent of the other Parent Party:

(a) issue any public release, announcement or other document, or otherwise publicly disclose any information or make any public statement, concerning the operations of the New Y2 Facility or production of BiCS Products that refers to the other Parent Party or any of its Affiliates in connection therewith (other than a general reference to affiliation with the JVs) and (i) concerns the financial condition or results of operations of the JVs, other than as required by any applicable Law or accounting standard with respect to the financial disclosure obligations of either Parent Party, or (ii) disparages either Parent Party or the JVs' performance or reflects negatively on either Parent Party's commitment to the New Y2 Facility; or

(b) publicly file all or any part of any New Agreement or the BiCS LDA or any description thereof, or issue or otherwise make publicly available any press release, announcement or other document that contains Confidential Information belonging to the other Parent Party (or its Affiliates) or the JVs, except as may be required by applicable Law (in which case such Parent Party shall (or shall cause the Person required to make such filing to) cooperate with the other Parent Party, to the extent reasonable and practicable, in obtaining any confidential treatment for such filing requested by the other Parent Party).

Each Parent Party shall use commercially reasonable efforts to grant or deny any approval required under this Section 13.1 within five Business Days of receipt of written request by the other Parent Party; provided, however, that a Parent Party's failure to respond within said time period shall not be deemed to constitute such Parent Party's approval or consent.

13.2 Non-Disclosure Obligations.

(a) For a period of [***] from the date of receipt of each item of Confidential Information disclosed by one Party (the "Disclosing Party") under any New Agreement, the other Party (the "Receiving Party") shall safeguard such item of Confidential Information, shall keep it in confidence, and shall use reasonable efforts, consistent with those used in the protection of its own confidential information, to prevent its disclosure of such Confidential Information to third parties.

(b) Notwithstanding the foregoing Section 13.2(a), the Receiving Party shall not be obligated by this Section 13.2 with respect to information that: (i) is already known to the Receiving Party at the time of its receipt from the Disclosing Party as reasonably evidenced by its written records; (ii) is or becomes publicly available without breach of this Agreement by the Receiving Party; (iii) is made available to a third party by the Disclosing Party without

restriction on disclosure; (iv) is rightfully received by the Receiving Party from a third party without restriction and without breach of this Agreement; (v) is independently developed by the Receiving Party as reasonably evidenced by its written records contemporaneous with such development; (vi) is disclosed with the prior written consent of the Disclosing Party, provided, that each recipient from the Receiving Party shall execute a confidentiality agreement prohibiting further disclosure of the Confidential Information, under terms no less restrictive that those provided in this Agreement; (vii) is required to be disclosed by the order of a Governmental Authority, provided, that the Receiving Party shall give the Disclosing Party prompt notice of such request so that the Disclosing Party has an opportunity to defend, limit or protect such disclosure; or (viii) is required to be disclosed by applicable securities or other Laws, provided, that SanDisk shall, prior to any such disclosure required by the U.S. Securities and Exchange Commission, provide Toshiba with notice which includes a copy of the proposed disclosure and consider in good faith Toshiba's timely input with respect to such disclosure.

(c) The Receiving Party shall use its reasonable best efforts to limit dissemination of the Disclosing Party's Confidential Information to such of its employees who have a need to know such information for the purpose for which such information was disclosed. The Receiving Party understands that disclosure or dissemination of the Disclosing Party's Confidential Information not expressly authorized hereunder would cause irreparable injury to the Receiving Party, for which monetary damages would not be an adequate remedy and would entitle the Disclosing Party to equitable relief in addition to any remedies the Disclosing Party may have hereunder or at law.

(d) For purposes of the confidentiality obligations in the Existing Agreements and the New Agreements, information shall not be considered to have been made available to a third party by the Disclosing Party without restriction on disclosure if such information was only made available to such third party as a result of an inadvertent or unintentional disclosure of such information by the Disclosing Party. In the event that the Disclosing Party's disclosure of Confidential Information to the Receiving Party is inadvertent or unintended and the Disclosing Party, upon becoming aware of such inadvertent or unintended disclosure, promptly notifies the Receiving Party in writing that such disclosure was inadvertent or unintended, the Receiving Party shall promptly (and in any event in less than **[***]**) destroy all such Confidential Information. In addition, if the Receiving Party reasonably believes that the Disclosing Party's disclosure of Confidential Information to the Receiving Party was inadvertent or unintended, the Receiving Party shall promptly notify the Disclosing Party of such belief and, if requested by the Disclosing Party, promptly (and in any event in less than [***]) destroy all such Confidential Information. If requested by the Disclosing Party, the Receiving Party shall certify in writing that all such Confidential Information has been destroyed.

(e) Nothing in this Agreement shall be construed as granting or conferring any rights, licenses or relationships by the transmission of the Confidential Information.

13.3 Ownership and Return of Information. All Confidential Information disclosed hereunder shall remain the property of the Disclosing Party. Upon request by the Disclosing Party, the Receiving Party shall return all Confidential Information of the Disclosing Party,

including any and all copies thereof, or certify in writing that all such Confidential Information had been destroyed.

14. TERM AND TERMINATION

14.1 Term. This Agreement shall continue in full force and effect until the latest of the termination of (a) the FPL Master Agreement, (b) the FAL Master Agreement and (c) the FFL Master Agreement, unless earlier terminated as hereinafter provided. The term of this Agreement may be extended by mutual agreement of both Parent Parties.

14.2 Termination. Notwithstanding the foregoing Section 14.1, this Agreement may be terminated:

(a) by the mutual written agreement of the Parties, in which case this Agreement will terminate on the date mutually agreed by the Parties;

(b) by either Parent Party upon [***] written notice to the other Parent Party, if (i) (A) the other Parent Party has failed to make (or authorize the JVs to make) the investment necessary to implement its share of the Minimum Commitment [***] or (B) has failed to pay [***], and (ii) the terminating Parent Party is not itself in material breach of any material Master Operative Document; or

(c) by either Parent Party, upon written notice to the other Parent Party, if the other Parent Party (i) makes an assignment of all or substantially all its assets for the benefit of creditors, (ii) has filed a voluntary petition in bankruptcy or insolvency or any other legal action or document seeking reorganization, readjustment or arrangement of its business under any Law relating to bankruptcy or insolvency, or (iii) is adjudicated to be bankrupt or insolvent under any such Law, or has a receiver appointed over all or substantially all of its property, by a competent Governmental Authority; in which case of (i), (ii) or (iii), this Agreement will terminate on the 30th day after such notice of termination is given.

14.3 Termination for Material Breach. The Parent Parties agree and acknowledge that in the event of a final determination by an arbitral tribunal under Section 17.4 that a Parent Party has committed or is committing a continuing material breach of any ofSections [***]of this Agreement that [***] (any such breach, a "Material Breach"), and the breaching Parent Party fails to cure such breach within [***] after such determination, then thenon-breaching Parent Party shall have as a remedy for Material Breach the termination of this Agreement, in addition to all other legal and equitable remedies available to such Parent Party. In the event that a Parent Party expressly asserts in writing a Material Breach, the dispute shall proceed as specified in Section 17.4, provided, however, that

(a) no matters other than the existence of such Material Breach (and counterclaims and defenses directly related to the conduct or circumstances underlying the asserted Material Breach) shall be submitted to or determined by the arbitral tribunal;

(b) the Parent Parties shall use their respective reasonable best efforts to complete and finalize the Terms of Reference within [***] following such assertion of Material Breach; and

(c) the Parent Parties shall instruct the arbitral tribunal, with the full assistance and cooperation of the Parent Parties, to endeavor to submit its draft award on the existence of the Material Breach to the Court of Arbitration of the ICC for approval within [***] following the effective date of the Terms of Reference, provided, that any failure to issue an award in such time period shall not be considered a defense or objection to the enforcement of such an award.

The Parent Parties agree to attempt in good faith to resolve any potential claim for Material Breach.

14.4 Termination in Good Faith. Termination of any Master Operative Document by any party thereto may be done only in good faith.

14.5 Survival.

(a) The provisions of Sections 4.5(c), 7.6 and 12.2(e)(i) (except with respect to the New Y2 Facility), Articles 13 and 17, this Article 14 and Exhibit A shall survive any termination or expiration of this Agreement.

(b) So long as (and only for so long as) the Parent Parties have BiCS Products manufacturing capacity in the JVs, the provisions of Article 1, Sections 3.1(c), 3.1(d), 3.2(a) (except with respect to the New Y2 Facility), 3.3(a), 3.3(c), 3.4(b) (except with respect to New Y2 Products), 3.4(c) (except with respect to New Y2 Products), 4.2 (except with respect to the New Y2 Facility), 4.3 and 4.4 (except with respect to the New Y2 Facility) and Articles 5, 10 (excluding Section 10.2 and, with respect to the New Y2 Facility, Section 10.3), Sections 12.1, 12.2(a), 12.3 and 12.5, and Articles 15 and 16 shall also survive any termination or expiration of this Agreement.

14.6 Restructuring Costs.

(a) In the event this Agreement is terminated, the Parent Parties will exercise best efforts to plan such termination in advance with the goal of minimizing related costs. With respect to Toshiba employees and SanDisk employees working at the New Y2 Facility, (A) in the case of those that are Toshiba employees, Toshiba will use its best efforts to retrain or relocate such individuals to other Toshiba facilities, and (B) in the case of those that are SanDisk employees, SanDisk will use its best efforts to retrain or relocate such individuals to other SanDisk facilities, each to the maximum extent possible.

(b) The Parties agree that in the event of such a SanDisk exit from the New Y2 Facility, [***]

(c) Upon any termination of this Agreement, the Parties shall meet and discuss in good faith an estimate of the Restructuring Costs anticipated to be incurred by Toshiba. [***]

14.7 Effect on Other Collaborations. Unless otherwise expressly provided herein, termination of this Agreement shall not affect any surviving rights or obligations of either Parent Party set forth in the Joint Operative Documents. For avoidance of doubt, the BiCS LDA and the Patent Cross License (in each case, including the licenses provided thereunder) shall continue in full force and effect following the termination of this Agreement until its termination or expiration in accordance with its terms.

15. REPRESENTATIONS AND WARRANTIES

Each Parent Party hereby represents and warrants to the other Parent Party as follows:

15.1 Organization and Standing. It is duly organized and validly existing and, where applicable, in good standing under the laws of the jurisdiction in which it is organized.

15.2 Authority; Enforceability. It has the requisite power and authority to enter into the New Agreements, to execute any certificates or other instruments to be executed by it in connection therewith and otherwise carry out the transactions contemplated by the New Agreements. All proceedings required to be taken by it to authorize the execution, delivery and performance of the New Agreements, and any such certificates and instruments, have been properly taken. This Agreement has been duly and validly executed and delivered by it and constitutes a valid and binding obligation of it, enforceable against it in accordance with its terms except as enforceability may be limited by bankruptcy, insolvency, fraudulent conveyance or similar laws affecting the enforcement of creditors' rights generally or the availability of equitable remedies (regardless of whether enforceability is considered in a proceeding at law or in equity).

15.3 No Conflict. The execution, delivery and performance of the New Agreements and the BiCS LDA by it and its Affiliates do not and will not (a) breach, violate or conflict with any provision of its charter documents as amended to date, or (b) conflict with or violate any Law applicable to it. No consent, approval or authorization of, or filing with, any Governmental Authority, or any other Person, is required to be made or obtained by it in connection with the execution, delivery and performance by it of any New Agreement or the consummation by it of the transactions contemplated thereby.

15.4 Proceedings. There are no actions, claims, investigations or proceedings pending, or to its knowledge threatened, by or before any Governmental Authority that, if adversely determined, would have a material adverse effect on it or on the conduct of the business of any of the JVs as contemplated in the Master Operative Documents or on its ability to perform any material obligation under any Master Operative Document.

15.5 Litigation; Decrees. There are no Actions pending, or, to its knowledge, threatened that (a) are reasonably likely, based on information known to it as of the date hereof, to have a material adverse effect on the conduct of the business of any of the JVs as contemplated by the Master Operative Documents or BiCS LDA or (b) relate to any of the transactions contemplated by the Master Operative Documents or BiCS LDA in a manner which is material to its, any of its Affiliates' or any of the JVs' ability to carry out the transactions contemplated hereby and thereby or which could have a material adverse effect on the conduct of the business of any of the JVs as contemplated in the Master Operative Documents or BiCS LDA. There is no judgment, order, writ or decree that substantially restrains its ability to consummate the transactions contemplated by the New Agreements or the BiCS LDA.

15.6 Compliance with Other Instruments. Neither it nor any of its Affiliates that is party to any New Agreement is in default in any material respect in the performance of any material obligation, agreement, instrument or undertaking to which such Person is a party or by which such Person or any of its properties is bound. There is no such obligation, agreement, instrument or undertaking to which it or any of its Affiliates is a party or by which any of its Affiliates or any of its or their properties is bound, in each case that is reasonably likely to have a material adverse effect on the Parties' production of BiCS Products as contemplated by the Master Operative Documents.

15.7 Patents and Proprietary Rights. To its knowledge, it owns or possesses sufficient legal rights to all patents, utility models, trademarks, service marks, trade names, copyrights, applications for any of the foregoing, mask works, software, trade secrets, licenses, information and proprietary rights and processes (collectively, "Intellectual Property") necessary (a) to carry out its or any of its Affiliates' obligations under the Master Operative Documents and (b) for the conduct of the business of any of the JVs as contemplated in the Master Operative Documents, without any conflict with or infringement of the rights of others, except as will not have a material adverse effect on either (a) or (b) above. It has not received any communications alleging that its Intellectual Property violates, or by its or any of its Affiliates entering into the transactions contemplated by the Master Operative Documents, would violate the Intellectual Property of any other Person or entity, which violation could reasonably be expected to have a material adverse effect on either (a) or (b) above.

15.8 Compliance with Laws. It and each of its Affiliates has complied and is complying in all material respects with all Laws, except where the failure to so comply would not have a material adverse effect on its or any of its Affiliates ability to perform its or their obligations under the Master Operative Documents or on the production of BiCS Products as contemplated by the Master Operative Documents.

15.9 Patent Cross Licenses. [***]

16. COST TRANSPARENCY

As to costs charged to SanDisk and related to JV operations or joint development, Toshiba shall endeavor in good faith to (a) provide an appropriate level of transparency to

reasonably demonstrate Toshiba's compliance with the terms of the Master Operative Documents and (b) increase transparency, on a going-forward basis, as compared to periods prior to the date of this Agreement, in each case in a manner consistent with the good faith protection of Toshiba's proprietary information and the efficient operation of the JVs and joint development activities.

This Y6 FACILITY AGREEMENT (this "Agreement") is made as of December 12, 2017, by and among Toshiba Memory Corporation, a Japanese corporation ("TMC"), Western Digital Corporation, a Delaware corporation ("WD") (together with TMC, the "Parent Parties"), SanDisk LLC, a Delaware limited liability company ("SanDisk LLC"), SanDisk (Cayman) Limited, a company organized under the laws of the Cayman Islands ("SanDisk Cayman"), SanDisk (Ireland) Limited, a company organized under the laws of the Republic of Ireland ("SanDisk Ireland"), SanDisk Flash B.V., a company organized under the laws of The Netherlands ("SanDisk Flash," and collectively with SanDisk LLC, SanDisk Cayman and SanDisk Ireland, "SanDisk"), Flash Partners, Ltd., a Japanese *tokurei yugen kaisha* ("FPL"), Flash Alliance, Ltd., a Japanese *tokurei yugen kaisha* ("FAL"), and Flash Forward, Ltd., a Japanese *godo kaisha* ("FFL," and collectively with TMC, WD, SanDisk, FPL and FAL, the "Parties").

WHEREAS, Toshiba Corporation ("Toshiba") and TMC claim that, effective as of April 1, 2017, Toshiba completed a corporate demerger by operation of law that transferred to TMC, Toshiba's wholly-owned Subsidiary, substantially all of the assets and liabilities of Toshiba's memory business, and that TMC has assumed Toshiba's position as a party to the Master Operative Documents (as defined in Exhibit A);

WHEREAS, following the execution of the Settlement Agreement, Toshiba intends to transfer certain other assets and liabilities related to Toshiba's memory business to TMC, including Toshiba's equity ownership interests in FPL, FAL, and FFL;

WHEREAS, on even date herewith, WD, Toshiba, TMC, SanDisk, and the JVs entered into the Undertaking (as defined in Exhibit A) which sets forth, among other things, certain rights and obligations of the parties thereto with respect to WD's participation in activities related to the Collaboration (as defined therein), including those contemplated by the Master Operative Documents;

WHEREAS, FPL, FAL and FFL (collectively, with any future joint venture operations mutually agreed between TMC and WD, the "JVs" and, each, a "JV") are engaged in the manufacture of NAND Flash Memory Products and BiCS Products;

WHEREAS, TMC plans to build and facilitize the Y6 Facility (as defined in Exhibit A) primarily for use in converting existing production capacity into capacity for the production of BiCS Products, and the Parties intend that the JVs acquire such BiCS Products and invest in tools for the manufacture of such BiCS Products in accordance with the production framework established in the New Y2 Agreement;

WHEREAS, TMC has begun and will continue to unilaterally implement a portion of the Phase I Investment (as defined in Exhibit A), with the resulting capacity to be Toshiba Capacity (such unilateral implementation, which constitutes in part a Yokkaichi Unilateral BiCS

Expansion, and in part a BiCS Conversion and BiCS Technology Transition on Toshiba Capacity, the "Phase I Implementation");

WHEREAS, the Parties desire to set forth the terms and conditions of the construction and use of the Y6 Facility;

WHEREAS, WD and TMC are concurrently entering into the WD-TMC PCLA; and

WHEREAS, some or all of the Parties, among others, are concurrently entering into this Agreement, the Amendment to the FPL Commitment and Extension Agreement, the FAL Commitment and Extension Agreement, the FFL Commitment and Extension Agreement, the Patent Indemnification Termination Agreement, the Amended JMDY Agreement and the Y6 MCEIA (each as defined in Exhibit A, and collectively, the "New Agreements");

NOW, THEREFORE, the Parties hereby agree as follows:

1. FRAMEWORK

1.1 New Y2 Production Framework. The Parties acknowledge and agree that the terms and conditions set forth in Article 1 of the New Y2 Agreement apply to the manufacture of BiCS Products in the Y6 Facility; provided, however, to the extent any provision of Article 1 of the New Y2 Agreement expressly conflicts with any provision in this Agreement, the provision in this Agreement shall control as to such conflict.

2. Y6 FACILITY AND CONSTRUCTION

2.1 Purpose of Y6. The Parties acknowledge and agree that (a) the primary purpose of the Y6 Facility is the installation of tools that, as operated by TMC in conjunction with other Yokkaichi Facility tools, enable the Parties to convert their then-existing production capacity for NAND Flash Memory Products (including NAND capacity in the JVs and Toshiba Capacity) into production capacity for BiCS Products ("BiCS Conversion") and (b) the Y6 Facility may also be used by the Parties for (i) transitions of their then-existing production capacity for a given BiCS Product to production capacity for another technology node of such BiCS Product ("BiCS Technology Transitions"), and BiCS Expansions (as defined in Exhibit A), (ii) the manufacture of other products (including supporting capacity expansions and technology transitions of such other products) and (iii) the development of new technologies or products, in each case of (ii) and (iii), as mutually agreed between the Parent Parties from time to time.

2.2 First JV Wafer Out. The Parties target Y6 Facility cleanroom readiness to occur [***] with respect to wafer capacity from the implementation of the Minimum Commitment, with a First JV Wafer Out Date targeted [***].

2.3 Rights and Responsibilities in Construction.

(a) TMC. TMC shall (i) direct the design, construction and facilitization of the Y6 Facility and (ii) exercise commercially reasonable efforts to ensure that the Y6 Facility is (A) insurable, (B) designed and constructed to mutually acceptable high levels of risk control

standards and (C) completed on a schedule consistent with achieving the First JV Wafer Out Date provided for in Section 2.2. TMC shall maintain the Y6 Facility at mutually acceptable high levels of risk control standards in accordance with current practice.

(b) WD. In connection with the construction and facilitization of the Y6 Facility, (i) WD shall (and the Parent Parties shall cause the JVs to) assist TMC in minimizing the time required to obtain required administrative approvals, and (ii) WD and its agents shall have (with prior coordination with TMC and the construction coordinators for the Y6 Facility) reasonable access to the Y6 Facility construction site and to all appropriate information pertaining to the construction of the Y6 Facility and necessary for WD to participate in the JV operations in the Y6 Facility; provided, that WD shall be solely responsible for all damage caused by such access.

2.4 Phases of Construction. The shell of the Y6 Facility shall be built in two phases of substantially similar size, and the cleanroom within each such phase shall be built in two phases of substantially similar size (i.e., a total of four phases). [***]

2.5 Construction Costs and Related Costs.

(a) Building Depreciation Prepayment. Each of the Parent Parties agrees to prepay 6,750,000,000 Japanese Yen to FFL as a prepayment for the Y6 building depreciation (such prepayment amount, the "Building Depreciation Prepayment") [***]. The Building Depreciation Prepayment shall be made [***] within 30 days after the date hereof; [***].

(b) Start-Up Costs. The Parties acknowledge that one or more of the Parties have incurred or will incur actual costs in connection with constructing the Y6 Facility and preparing the Y6 Facility for production during the period prior to the start of volume production at the Y6 Facility (the "Start-Up Period"), including such actual costs incurred by TMC in connection with the Phase I Implementation, and personnel costs, materials costs and other operating expenses, for which each Parent Party has the obligation ultimately to bear 50% ("Start-Up Costs"). The Parent Parties shall discuss in good faith and agree upon the Start-Up Costs borne by the Parties and the means and timing by which each Party, as applicable, shall be reimbursed or credited for having incurred more than 50% of the Start-Up Costs or shall make payments due for having incurred less than 50% of theStart-Up Costs; provided, that the determination and allocation of Start-Up Costs and the means and timing of reimbursement shall be in a manner substantially similar to that utilized in connection with the start-up costs of the New Y2 Facility. Start-Up Costs will be excluded from Y6 Manufacturing Costs.

(c) Land Costs. [***]

2.6 Incentives. [***]

2.7 Insurance. TMC shall maintain or arrange property insurance covering the JV assets in the Y6 Facility and business interruption insurance in respect of the business conducted at the Y6 Facility, the scope and amounts of which shall be consistent with existing practices at the Yokkaichi Facility and as required by any lender or carrier to secure such coverage. This coverage shall provide basically full replacement value of all JV equipment installed in the Y6 Facility, subject to valuation as part of TMC's annual insurance policy renewal, and shall name the applicable JV as a beneficiary in respect of assets owned or leased by it and Y6 employee expenses covered by business interruption insurance. On an annual basis, or when requested by either Party, the Y6 Operating Committee shall discuss and review the current insurance coverage and/or the need for any additional property or business interruption insurance in respect of the JV assets in and operations of the Y6 Facility. Further, WD reserves the right to seek to arrange additional property or business interruption insurance for its own account in respect of such assets or operations, and TMC shall cooperate in good faith to provide such information and access as is reasonably necessary for WD to arrange such insurance. If TMC makes a recovery from a third party (other than an insurer per the above) in respect of both assets in the Y6 Facility and other assets, then TMC shall allocate to the applicable JVs a share of the net amount of such recovery in proportion to the losses suffered by such JVs and total losses suffered by such JVs and TMC.

3. PRODUCTS; RIGHTS TO CLEANROOM SPACE; TOOLS

3.1 BiCS Products.

(a) The JVs may produce BiCS Products at the Y6 Facility.

(b) BiCS Products manufactured at the Yokkaichi Facility and that are identified [***] as Y6 lots are referred to as "Y6 BiCS Products." "JV Y6 BiCS Products" are Y6 BiCS Products allocated to a JV under the applicable JV's JV Master Agreement. "Y6 Unilateral BiCS Products" are Y6 BiCS Products allocated to [***]. Subject to the foregoing priority granted to the JVs, nothing in this Agreement shall in any way limit TMC's ability to implement BiCS Conversions or BiCS Technology Transitions within the Toshiba Capacity, which shall be made in TMC's sole discretion. For the avoidance of doubt, any BiCS Conversion or BiCS Technology Transition involving the use of the New Y2 Facility or the Y6 Facility shall be managed as a technology transition by the Operating Committees in accordance with the JV Agreements and past practices at the Yokkaichi Facility.

4.5 Failure to Invest.

(a) Minimum Commitment. If WD fails for any reason to make (or authorize the JVs to make) the investment necessary to implement its 50% share of the Minimum Commitment [***], then [***]

(b) Ramp-Up Commitment. If a Parent Party fails for any reason to make (or authorize the JVs to make) the investment necessary to implement its 50% share of a Ramp-Up Commitment, then the other Parent Party (so long as it has made and authorized the investment necessary to implement its 50% share of the Minimum Commitment) may [***].

The Parent Parties will discuss in good faith WD's participation in BiCS Expansions, BiCS Conversions and BiCS Technology Transitions at TMC's fabrication facility under construction in Iwate, Japan (the "Iwate Facility"). Without limiting Sections 4.3 and 4.4, [***], the terms for any BiCS Expansion, BiCS Conversion or BiCS Technology Transition at the Iwate Facility (including with respect to cost allocations) shall, except as set forth below, be substantially the same as the terms that apply to the manufacture of BiCS Products at the Yokkaichi Facility under the Master Operative Documents. The parties acknowledge and agree that the foregoing terms shall be reasonably adjusted if the Parent Parties' respective investment levels in the Iwate Facility [***]. Some terms may be subject to

good faith discussions regarding reasonable adjustments from the terms that apply to the manufacture of BiCS Products at the Yokkaichi Facility given the site-specific attributes of the Iwate Facility. WD's participation in any BiCS Expansion, BiCS Conversion or BiCS Technology Transition at the Iwate Facility shall be subject to the Parent Parties' agreement on one or more written definitive agreements that set forth the terms and conditions applicable to WD's participation in the Iwate Facility, including those described in this Section 4.7.

14.3 Ownership and Return of Information. All Confidential Information disclosed hereunder shall remain the property of the Disclosing Party. Upon request by the Disclosing Party, the Receiving Party shall return all Confidential Information of the Disclosing Party, including any and all copies thereof, or certify in writing that all such Confidential Information had been destroyed.

have the meaning ascribed to such terms in the New Y2 Agreement or, if not defined therein, in the FFL Master Agreement.

(b) Treatment of Ambiguities. The Parties acknowledge that each Party has participated in the drafting of this Agreement, and that any rule of construction to the effect that ambiguities are to be resolved against the drafting party shall not be applied in the construction or interpretation of this Agreement.

(c) References; Construction. Unless otherwise indicated herein, with respect to any reference made in this Agreement to a Section, Article, Schedule or Exhibit, such reference shall be to a section or article of, or a schedule or exhibit to, this Agreement. The article and section headings contained in this Agreement and the recitals at the beginning of this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement or any other agreement. Any reference made in this Agreement to a statute or statutory provision shall mean such statute or statutory provision as it has been amended through the date as of which the particular portion of the Agreement is to take effect, or to any successor statute or statutory provision relating to the same subject as the statutory provision so referred to in this Agreement, and to any then applicable rules or regulations promulgated thereunder. Whenever the words "include," "includes" or "including" are used in this Agreement, they shall be deemed, unless the context clearly indicates to the contrary, to be followed by the words "but (is/are) not limited to." (e) Other Clarifications. Unless the context clearly indicates the contrary, any reference in this Agreement to (i) actions by, or events relating to, TMC and occurring prior to April 1, 2017 shall refer to actions by, or events relating to, Toshiba, and (ii) rights, obligations, or allocations ascribed to WD hereby, but which are set forth in a Master Operative Document to which WD is not a party, shall refer to the corresponding rights, obligations, or allocations of the applicable SanDisk party to such Master Operative Document, as if WD were named *in lieu* of such applicable SanDisk party. For the avoidance of doubt, (A) nothing herein shall be deemed an assignment or transfer to WD of any rights or allocations ascribed to a SanDisk party in any Master Operative Document and (B) subclause (A) does not alter any rights or obligations of any Party pursuant to the Undertaking.

To the extent permitted by applicable law, the Parties waive any provision of Law that renders any provision of this Agreement invalid, illegal or unenforceable in any respect. In addition, nothing in this Agreement shall constitute or be used as an admission in any arbitration, litigation, or other proceeding regarding the interpretation of any other agreement.

The Parties acknowledge and agree that (a) the K1 Facility may be used for the installation of tools in connection with implementing K1 Capacity Transfers and (b) the K1 Facility may also be used by the Parties for (i) BiCS Expansions, the conversion of their then-existing production capacity for NAND Flash Memory Products (including NAND capacity in the JVs and Toshiba Capacity) into production capacity for BiCS Products ("BiCS Conversion"), and transitions of their then-existing production capacity for a given BiCS Product to production capacity for another technology node of such BiCS Product ("BiCS Technology Transitions"), (ii) the manufacture of other products (including supporting capacity expansions and technology transitions of such other products) and (iii) the development of new technologies or products, in each case of (ii) and (iii), as mutually agreed between the Parent Parties from time to time. [***]

2.2 First JV Wafer Out. The Parties target K1 Facility cleanroom readiness to occur in [***] with respect to wafer capacity from the implementation of the K1 Minimum Commitment, with a First JV Wafer Out Date targeted [***].

2.3 Rights and Responsibilities in Construction.

(a) Toshiba Memory. Toshiba Memory shall (i) direct the design, construction and facilitization of the K1 Facility and (ii) exercise commercially reasonable efforts to ensure that the K1 Facility is (A) insurable, (B) designed and constructed to mutually acceptable high levels of risk control standards and (C) completed on a schedule consistent with achieving the First JV Wafer Out Date provided for in Section 2.2. Toshiba Memory shall maintain the K1 Facility at mutually acceptable high levels of risk control standards in accordance with current practice.

(b) WD. In connection with the construction and facilitization of the K1 Facility, (i) WD shall (and the Parent Parties shall cause the JVs to) assist Toshiba Memory in minimizing the time required to obtain required administrative approvals, and (ii) WD and its agents shall have (with prior coordination with Toshiba Memory and the construction coordinators for the K1 Facility) reasonable access to the K1 Facility construction site and to all appropriate information pertaining to the construction of the K1 Facility and necessary for WD to participate in the JV operations in the K1 Facility; provided, that WD shall be solely responsible for all damage caused by such access.

2.4 Phases of Construction. The shell of the K1 Facility shall be built in one (1) phase, and the cleanroom shall be built in four (4) phases of substantially similar size. [***]

2.5 Construction Costs and Related Costs.

(a) Building Depreciation Prepayment. Prior to each Payment Due Date set forth inSchedule 2.5(a)(i) or if such Payment Due Date is not a Business Day, the Business Day immediately preceding such Payment Due Date [***] WD and TMI shall pay to FFL the Payment Amount set forth for such Payment Due Date in Schedule 2.5(a)(i) (each, a "Building Depreciation Prepayment") [***]

(b) Start-Up Costs. The Parties acknowledge that one or more of the Parties have incurred or will incur actual costs in connection with constructing the K1 Facility and preparing the K1 Facility for production during the period prior to the start of volume production at the K1 Facility, including personnel costs, materials costs and other operating expenses, for which each Parent Party has the obligation ultimately to bear 50% ("Start-Up Costs"). This coverage shall provide basically full replacement value of all JV equipment installed in the K1 Facility, subject to valuation as part of Toshiba Memory's annual insurance policy renewal, and shall name the applicable JV as a beneficiary in respect of assets owned or leased by it and K1 employee expenses covered by business interruption insurance. On an annual basis, or when requested by either Party, the K1 Operating Committee shall discuss and review the current insurance coverage and/or the need for any additional property or business interruption insurance in respect of the JV assets in and operations of the K1 Facility. Further, WD reserves the right to seek to arrange additional property or business interruption insurance for its own account in respect of such assets or operations, and Toshiba Memory shall cooperate in good faith to provide such information and access as is reasonably necessary for WD to arrange such insurance. If Toshiba Memory makes a recovery from a third party (other than an insurer per the above) in respect of both assets in the K1 Facility and other assets, then Toshiba Memory shall allocate to the applicable JVs a share of the net amount of such recovery in proportion to the losses suffered by such JVs and total losses suffered by such JVs and Toshiba Memory.

Unless otherwise indicated herein, with respect to any reference made in this Agreement to a Section, Article, Schedule or Exhibit, such reference shall be to a section or article of, or a schedule or exhibit to, this Agreement. The article and section headings contained in this Agreement and the recitals at the beginning of this Agreement are for reference purposes only and shall not affect in any way the meaning or interpretation of this Agreement or any other agreement. Toshiba shall have the right, in its sole discretion, to make decisions related to and to manage the investment and financing plan, schedule and loading plan relating to, and the operation of, Toshiba's [***], including manufacturing and production efficiencies and losses in the production of Toshiba [***]; provided (i) that any such decisions do not adversely affect the cost of, ramp of, or tool acquisition by Flash Forward and/or a Party effecting a Unilateral Expansion, and (ii) that Toshiba shall ensure that no adverse effect on the wafer cost [***] results from any such decision or management by Toshiba. If Toshiba desires to use any tool [***] in the production of Toshiba [***] Toshiba shall request the consent of the applicable tool owner for the use of such tool, and such consent shall not be unreasonably withheld or delayed. [***].

(d) [***]. SanDisk shall have sole discretion and responsibility with respect to procurement of additional tools for production of SanDisk [***]. If SanDisk desires to use any tool [***] in the production of [***], SanDisk shall request the consent of the applicable tool owner for the use of such tool, and such consent shall not be unreasonably withheld or delayed. [***].

(e) Use of non-Flash Forward tools by Flash Forward If Flash Forward desires to use any tool of either SanDisk or Toshiba in the production of R/W, Flash Forward shall request the consent of the applicable tool owner for the use of such tool and such consent shall not be unreasonably withheld or delayed. Flash Forward's use of such

tool shall be subject to appropriate cost allocation, usage limitations and steps to minimize any potential contamination risk and effect on capacity.

(f) Tool Layout. Upon SanDisk's reasonable request, Toshiba shall provide a tool layout plan for the Y5 Facility related to: (x) Flash Forward, (y) any SanDisk Unilateral Expansion capacity and (z) SanDisk R/W. Toshiba shall provide SanDisk with appropriate information regarding Toshiba non-JV tools to reasonably demonstrate to the mutual satisfaction of the Parties that any space or capacity allocation is consistent with this Agreement.

6.2 Technology Transfers.

(g) Process Technology.

(i) The Parties will jointly make available to Flash Forward the process technology developed under the JMDY Agreement, the Product Development Agreement or the Common R&D Agreement and applicable to the manufacturing and testing of NAND Flash Memory Products and R/W ("Process Technology") on a mutually agreed schedule.

All process integration for new process originating from AMC will be led by Toshiba employees, to the extent reasonably possible. Toshiba and SanDisk will cause their respective employees to cooperate in achieving an efficient transition from development module to operating process and volume production.

(iii) The transfer of Process Technology to JV Space shall be deemed complete when the transferred Process Technology passes a reasonable qualification procedure to be mutually agreed upon by the Parties.

(iv) [***]

(v) [***]

(vi) Non-JV Space Process Technology. The manner of Process Technology transfer from JMDY to a Party'sNon-JV Space and the conditions associated therewith shall be determined by such Party in its sole discretion; provided, that such Party shall exercise due care and shall comply with all Yokkaichi Facility or otherwise applicable safety and production regulations in effecting such transfer of Process Technology.

6.3 Ramp-Up. The Parties shall expand Y5 Facility NAND Flash Memory Product manufacturing capacity through development of Phase I and Phase II of the Y5 Facility as follows:

(a) Minimum Commitments.

(i) [***]. The initial [***] L/M in aggregate increases in production capacity of the Y5 Facility shall be considered firmly committed by each Party (*i.e.*, [***] L/M each) as described below [***]. Toshiba shall specify the timing and manner of implementation of [***] and the details shall be reflected in one or more Business Plans that provide for implementing [***]. If SanDisk [***] fails for any reason to make the investment necessary to implement its [***]

share of the [***] then Toshiba (so long as it makes the investment necessary to implement its [***] share of [***] shall have the right [***] either to maintain this Agreement in effect [***] or [***] in which case (A) [***] and (B) [***] shall apply.

(ii) [***]. If Toshiba gives notice to SanDisk of [***] to proceed with Phase II, the following terms and conditions shall apply with respect to the ramp-up in Phase II. The initial [***] in aggregate increases in production capacity of Phase II of the Y5 Facility shall be considered [***] as described below [***] shall specify the timing and manner of implementation of [***] and the details shall be reflected in one or more Business Plans that provide for implementing [***]. If SanDisk [***] fails for any reason to make the investment necessary to implement [***] Toshiba (so long as it makes the investment necessary to implement [***] share of [***] shall have the right, [***] to: (A) maintain this Agreement in effect [***]; (B) maintain this Agreement in effect with respect [***]; or (C) in the event that SanDisk's [***] in Phase I is [***] or less at the time of such failure to [***], in which case (1) [***] and (2) [***] shall apply.

(iii) Costs of Non-Investment. If [***], then it shall reimburse [***] the costs due to cancellation of any purchase orders the Parties have agreed to place for [***] to the extent such costs cannot be reducted or mitigated [***] commercially reasonable efforts to mitigate the Costs to the fullest extent possible. To the extent [***] alternative use ("Alternative Use") of Equipment, [***] unable to negotiate a termination of an Equipment purchase order and must acquire such Equipment (and will not make Alternative Use of it), [***] will promptly liquidate in one or more arm's length transactions ("Third Party Sale") such Equipment and the positive difference between the cost of such Equipment (including the out-of-pocket costs of conducting the Third Party Sale, such as costs related tode-installing Equipment, compensating a sales broker, delivering the Equipment to the purchaser thereof, etc.) and the proceeds of such Third Party Sale shall constitute Costs. [***] using commercially reasonable efforts to effect a Third Party Sale, the liquidation value of any given Equipment may be small compared to the purchase price for such Equipment given the specialized nature of the Equipment and limited secondary market for wafer manufacture equipment. To the extent [***] is in a commercially reasonable manner able to make Alternative Use or a Third Party Sale of any Equipment at any time after [***] paid the Costs arising from or related to such Equipment, [***] notify [***] of such Alternative Use or Third Party Sale and shall reimburse [***] for the full amount of the Costs paid by [***] with respect to such Equipment. If the net proceeds on the sale of any item of Equipment exceeds the cost thereof, such profit shall reduce amounts otherwise payable [***] under this Section 6.3.

(b) Failure to Invest as Committed in Investment Plan or Business Plan

(i) Investment Plan. After the [***] has been fulfilled by the Parties, once the Parties agree in the form of an Investment Plan (as defined below) approved by the Board of Executive Officers of Flash Forward to make investments to fulfill any given increment of capacity expansion for Flash Forward, if either Party, as the Non-Investing Party, then fails for any reason to make the investment necessary to implement its [***] share of such committed increment of the capacity expansion, then the other Party, [***] as applicable. The term "Investment Plan" shall mean a proposed increment of capacity expansion as set forth in the Business Plan or subsequent mutual agreement between the Parties and presented to the Board of Executive Officers of Flash Forward in accordance with Section 6.3(c).

(ii) Business Plan. Business Plans and proposals with respect to the adoption of new Business Plans shall describe JV Space capacity expansions to be effected by SanDisk and Toshiba through Flash Forward on a [***] basis. In the event that SanDisk does not approve an Investment Plan providing [***]. Accordingly, the Parties shall cooperate in good faith to agree on and implement the Business Plan in a timely manner in accordance with Section 3.4 of the Operating Agreement. In the event of a failure to either (A) agree on the capacity expansions in a Business Plan or (B) implement any specific capacity expansion set forth in the Business Plan, then the Board of Executive Officers of the Company shall meet and discuss the applicable capacity expansion. If the Board of Executive Officers fails to agree on a solution, then any Member may bring the matter to the attention of the Vice President, Memory Division of Toshiba, and the Chief Operating Officer of SanDisk (the "Designated Individuals"), who will attempt to find a resolution. If the matter has not been resolved within thirty (30) days of referral to the Designated Individuals, the matter will be referred to the Management Representatives for agreement on a final resolution. Any agreement of the Management Representatives on a final resolution will be final and binding and shall be implemented by the Company. In the event that no agreement on a final resolution is reached by the Management Representatives within thirty (30) days after submission of the matter to them, the matter shall be submitted to arbitration in accordance with [***]. The remedies set forth in this Section 6.3(b)(ii) shall constitute the exclusive remedies with respect to [***] in the context of a Business Plan, and no Deadlock shall arise from such failure.

(c) General Rule; Proposed NAND Capacity Expansions.

(i) General Rule. After the Parties have fulfilled their respective [***] in Phase I or Phase II, as applicable, if either Party desires to (A) further expand the production capacity of the Y5 Facility, expand or accelerate any capacity increase provided for in a then-agreed Business Plan or otherwise increase the number [***] or (B) otherwise expand its aggregate manufacturing capacity [***], then in each of (A) and (B) above, such Party will [***] to the other Party and will propose to the other Party a plan to make such desired expansion on a 50/50 basis with reasonable terms [***].

(ii) Expansions within Y5. Expansions of JV NAND Space production may be proposed by either Party in the form of a Proposal and, if and to the extent agreed, shall in due course be reflected in a Business Plan or amendment thereto. If no agreement with respect to joint implementation of the full amount of a proposed expansion of Y5 Facility production capacity beyond any capacity increase provided for in a then-agreed Business Plan is reached within [***] following a Party's written Proposal of such expansion, the proposing Party may [***]:

(A) If [***] is the proposing Party, it shall have the right to [***]

(B) If [***] is the proposing Party, it shall have the right to [***]

(iii) Other Facility Expansions. If no agreement with respect to a proposed expansion in a facility [***] is reached during [***] day period beginning on the day a Proposal is received by the non-proposing Party, then SanDisk and Toshiba shall cause the chief executive officer of SanDisk and the chief executive officer of Toshiba Semiconductor Company to meet face-to-face at Toshiba's headquarters, no later than the [***] day following receipt of the Proposal by the non-proposing Party, to develop and agree upon a solution [***]. If no resolution is reached within [***] days after the face-to-face meeting, then (x) with respect to the Y5 Facility, the Parties will continue to

pursue the ramp-up on the terms set forth in [***], (y) the proposing Party will [***]:

(A) If SanDisk is the proposing Party, it shall have the right [***]; and

(B) If Toshiba is the proposing Party, it shall have the right to [***].

6.4 Ramp Up of JV R/W Space in Phase II. If positive verification [***]

(a) is made prior to [***].

(b) is not made prior to [***].

6.5 Capacity.

(a) Priority.

(i) SanDisk's manufacturing capacity for, and purchased supply of, NAND Flash Memory Products shall be sourced by SanDisk and its Subsidiaries from, and in, the following priority:

(A) from Flash Partners, to fulfill the capacity allocated to SanDisk, as provided for under the FP Operative Documents,

(B) from Flash Alliance, to fulfill the capacity allocated to SanDisk, as provided for under the FA Operative Documents,

(C) from Flash Forward, to fulfill the capacity allocated to SanDisk, as provided for under FF Operative Documents,

(D) from unilateral capacity in Y5 acquired by SanDisk through one or more Unilateral Expansions, and

(E) [***].

(ii) [***]:

(A) from [***], to fulfill the capacity allocated to Toshiba, as provided for under [***]

(B) from [***], to fulfill the capacity allocated to Toshiba, as provided for under [***]

(C) from [***], to fulfill the capacity allocated to Toshiba, as provided for under [***]

(D) [***], and

(E) from [***] and/or from other third parties (so long as [***], SanDisk shall have fulfilled its fifty percent (50%) share of the Ramp-Up Plan for the Y3 Facility (the "Y3 Ramp-Up Plan") and Y4 Facility (the "Y4 Ramp-Up Plan") and its fifty percent (50%) share of (x) the Phase I Minimum RUP Commitment and, (y) if Phase II is constructed, the Phase II Minimum RUP Commitment).

(iii) In no event will [***] SanDisk [***] source NAND Flash Memory Products [***] from a source other than Flash Partners or Flash Alliance if the effect of such sourcing is the diversion of resources or other (intended or collateral) effects which reduce the economic or other efficiency of the Y3 or Y4 Facility; provided, that sourcing by Toshiba from the Toshiba Capacity (as defined in the JVRA and including, for the avoidance of doubt, any Toshiba Unilateral Expansion Space) shall not be deemed such a diversion of resources or other reduction in efficiency.

(b) [***]

(c) Transfer of Technology to External Manufacturing Source. If the Parties mutually agree to secure external manufacturing sources other than the Yokkaichi Facility through joint investment, Flash Forward and Toshiba, as applicable, will jointly transfer the applicable manufacturing technology and know-how to such source. Flash Forward, Flash Alliance and Flash Partners will conduct all negotiations with the external manufacturing source; *provided*, *however*, the terms and conditions of any agreement shall be subject to prior consultation with and the approval of Toshiba. In connection with any technology transfer to such external source, Toshiba will be reimbursed its mutually agreed transfer costs for assisting in the transfer of manufacturing technology and know-how. If the new capacity secured at such external manufacturing source is requested by only one of the Parties, such Party will pay the transfer costs and be entitled to purchase the full output of Flash Forward products purchased by Flash Alliance, Flash Partners or Flash Forward, as applicable, from such external manufacturing source. If both Parties request such new external capacity, then Flash Alliance, Flash Partners or Flash Forward, as applicable, will pay the transfer costs to Toshiba. Unless otherwise agreed by the Parties in writing, neither Party shall have the right to grant manufacturing licenses to such external manufacturing source or to disclose or transfer to any such external manufacturing source, manufacturing know-how related to the manufacture of Flash Forward products, except through Flash Alliance, Flash Partners or Flash Forward.

6.6 Capacity Sharing Arrangement.

(a) Equal right to Joint Venture capacity. Each of the Parties will have the right and obligation, through Flash Forward, to utilize fifty percent (50%) of the JV Space products, on an Equivalent Lot basis. The actual monthly NAND Flash Memory Product lot output from the Y5 Facility shall be allocated between Toshiba and SanDisk, as applicable, based on the Y5 NAND Capacity Ratio.

(b) Alternative use of allotted capacity.

(i) If a Party is unable to utilize its allotted manufacturing capacity for JV Y5 NAND Flash Memory Products (such Party, an "Excess Capacity" or "EC Party"), it may do any of the following:

(A) An EC Party may request the other Party to negotiate the terms of transfer of its capacity shortfall to the other Party, which may choose whether to accept such additional capacity and on what terms in its sole discretion.

(B) An EC Party may use its capacity for Embedded NAND Products, as defined in and subject to Section 6.6(c).

(C) An EC Party may use its capacity for Proprietary NAND Flash Memory Products and non-Proprietary NAND Flash Memory Products, in accordance with and subject to Sections 6.6(d) and (e).

(D) An EC Party may produce less than one hundred percent (100%) of its total Equivalent Lot capacity, provided its allocation of costs in this case will be done in accordance with Section 7.4(a)(i) ("EC Compensation").

(ii) If both Parties are EC Parties because demand for both Parties' JV Y5 NAND Flash Memory Products are significantly below expectations, the Parties will discuss in good faith whether to permit products which are not JV Y5 NAND Flash Memory Products to be produced in the JV Space; provided that (A) the inability of the Parties to so agree shall not constitute a Deadlock (as defined in the FF Operating Agreement) and (B) the foregoing shall not limit either Party's rights in the remainder of this Section 6.6.

(c) Either Party shall have the right to use a portion of its total allocated capacity with respect to the JV Space to run a memory product which is not a JV Y5 NAND Flash Memory Product (solely because the NAND flash memory array area is equal to or less than [***] of the total die area ("Embedded NAND Product")) so long as such Embedded NAND Product [***]. If a Party exercises its option to run Embedded NAND Products, it must [***]. No such products may be run if doing so [***]. The conditions stated in Sections 6.6(d) and (e) do not apply to Embedded NAND Products.

(d) Each Party may use a portion of its total allocated capacity from the JV Space to cause to be manufactured NAND Flash Memory Products which are proprietary to that Party ("Proprietary NAND Flash Memory Products") and which need not be shared with the other Party. Proprietary NAND Flash Memory Products may be produced in the JV Space so long as such products [***]. If a Party exercises such option, it must [***]. No such Proprietary NAND Flash Memory Products may be run if doing so [***]. Each Party shall give the other Party at least ninety (90) days' advance written notice of its intention to use a portion of its allocated capacity to manufacture Proprietary NAND Flash Memory Products and the Parties shall refer the matter to the Board of Executive Officers (as defined in the FF Operating Agreement) for consultation and planning, with the intention to minimize the impact of such allocation. Such notifying Party will limit the output volume of such Proprietary NAND Flash Memory Products to [***] unless it receives the consent of the other Party to an increase in such output volume above such limit.

(e) Each Party (the "Originating Party") shall inform the other (the "Non-Originating Party") of the development plans by the Originating Party to develop NAND Flash Memory Products, and the Originating Party and the Non-Originating Party shall each refer such matter to the Coordinating Committee (as defined in the Product Development Agreement). If the Coordinating Committee unanimously decides that such planned development shall be undertaken jointly, then the cost of such joint development shall be borne by each Party in accordance with the Product Development Agreement or JMDY Agreement, as applicable, and the NAND Flash Memory Products manufactured following such joint development shall be considered non-Proprietary NAND Flash Memory Products for purposes of Section 6.6(d);*provided*, *however*, the NAND Flash Memory Products set forth in Exhibit A to the Product Development Agreement shall be deemed to benon-Proprietary NAND Flash Memory Products without any action by the Coordinating Committee. Subject to the foregoing, if the Coordinating Committee does not unanimously decide that such planned development shall be undertaken jointly, then the Originating Party may, at its sole discretion, either (i) transfer to the Non-Originating Party the technology, including the items in Exhibit C to the Product Development Agreement relating to such technology, used to manufacture such NAND Flash Memory Products on a royalty-free basis, whereupon such NAND Flash Memory Products shall be considered non-Proprietary NAND Flash Memory Products, or (ii) treat such NAND Flash Memory Products as Proprietary NAND Flash Memory Products for purposes of Section 6.6(d). In the event the Originating Party elects to treat any NAND Flash Memory Products as Proprietary NAND Flash Memory Products in accordance with the preceding sentence, but thereafter the Coordinating Committee unanimously determines that such Proprietary NAND Flash Memory Products should be developed jointly, the Originating Party shall transfer to the other Party the technology used to

manufacture such NAND Flash Memory Products on reasonable terms and conditions to be mutually agreed upon by the Parties, whereupon such Proprietary NAND Flash Memory Products shall be treated as non-Proprietary NAND Flash Memory Products.

6.7 SanDisk Reservation Option.

(a) Ramp Flexibility. When [***] initiates one or more [***], such that the total capacity of [***] will be [***] than [***] in Y5 [***] may execute one or more [***] under the following conditions [***]

(i) [***]. The [***] Party will commit to utilize or release to [***] all or a portion of its Phase I space as set forth below [***] capacity as adjusted [***] for any space that has been released by[***]::

(A) The [***] Party will commit to utilize or release [***] all or a portion of its Phase I space at the time of, and for the inclusion in, an annual or amended Business Plan, taking into account the results of [***], available resources, and the time required to effect the necessary ramp-up, among other relevant factors; provided, that neither Party shall have any right to [***] of the Parties to agree with respect to [***]; provided, further, that the [***] shall commit to utilize or release all or a portion of the [***] Phase I space [***] no later than [***] prior to the Phase II building target completion date as set forth in the Phase II Construction Plan Notice (as defined below); provided, that no further [***] shall apply in Phase I. Toshiba may issue a notice of its intention to pursue Phase II construction (a "Phase II Construction Plan Notice") [***] such notice shall include the target building completion date for Phase II. If and to the extent that, on the date when the [***] delivers [***] with respect to the [***] required for it [***] as adjusted for any [***] that has been [***] by the [***] Party, the [***] in Phase I [***] such [***] space of the [***] Party shall be deemed [***].

(B) The [***] Party will complete the ramp [***] space no later than [***] after the [***] Party fully [***], unadjusted for any [***] by the [***] Party; provided, however, that the [***] shall be [***] by that [***] between the Parties' start and completion of [***].

(ii) Phase II Ramp. The [***] Party will commit to utilize or release to [***] all or a portion of its [***] prior to the date on which the [***] Party [***] which will result in [***], and no further [***] shall apply in Phase II. The [***] Party will complete its [***] no later than [***] after the [***] Party fully [***].

(iii) In the event that any of the events that trigger [***] by the [***] Party to commit or release [***], as applicable, pursuant to [***] above is unreasonably [***], then the [***] Party may [***] commit to or release such [***], as applicable,[***]; provided, that no such right of the [***] Party [***]arise in the case where [***] by reason of the [***] Party's [***] space subject the [***].

(iv) [***]. Prior to implementing any [***], the [***] Party must first propose such [***] for implementation pursuant to [***]. Solely in the event that [***] refuses to consent to such [***] and/or the [***] does not agree with the [***] Party on the [***] may the [***] Party proceed [***]. Unless otherwise agreed by the Parties, only the [***] Party shall have the right [***] by placing [***] space in the applicable phase that the [***] Party has committed to utilize [***]. At the end of either the Phase I [***] or the Phase II [***], as applicable, any [***] space [***] subject to the general rules [***].

(v) Operational Efficiencies. Within the framework provided by the FF Operative Documents, the Parties shall cooperate to ensure that there is no significant adverse effect on [***] as a result of the [***] Party's exercise of [***]; provided, that the [***] corresponding to the applicable [***] shall not in and of itself constitute [***].

(b) Reservation [***]. During the term of each of the Phase I [***] and Phase II [***], the [***] Party shall make [***] for such [***] quarter or portion thereof. The Parties shall cause [***] the other provisions of this Agreement, other than the [***], the [***] per unit of the same product and same design rule shall be the same for both Parties. The obligation for the Phase I [***]shall be required only until the earlier to occur of [***] production capacity is included in the [***] and producing wafers, provided that the next [***] will be prioritized into this space [***] which the [***] Party has released [***], provided that the [***] will only terminate as to that [***] that is released to [***]. The obligation for the Phase II [***] shall be required only until the Phase II [***] has expired. [***].

(c) Procedure for Catch-Up Expansions. When a [***] Party expands into its [***] and the [***] Party is not simultaneously [***], upon approval by the Board of Executive Officers of Flash Forward, Flash Forward will make [***] on behalf of the [***] Party equal to the proposed expansion by the [***] Party and, upon the consent of the [***] Party, the [***] Party will [***] and Flash Forward will [***] amount of [***] Party's [***] capacity [***], provided that (i) both Parties mutually agree on the Purchased Capacity [***] and (ii) such Purchased Capacity is purchased by [***] from the [***] Party at the [***] and any other costs for installation, hook up and facilitization. [***] amount and [***] of the Purchased Capacity will transfer from [***] Party [***] over a period and at a [***].

(d) Consideration of Release. Upon [***] request prior to the date that [***] prior to the expected completion of Phase II clean-room space construction and facilitization, [***] shall [***] with respect to its release to [***] of some or all of [***] then-unutilized Phase I [***] for [***] expansion in Phase I, where (i) other than the Phase I [***], the [***] could only next expand into Phase II [***] has reasonable assurance that it can timely continue its ramp in Phase II, provided, that any such release shall be [***] after considering the foregoing factors and that in no event shall [***] in Phase II [***] of total Phase II [***].

6.8 Engineering Wafers and Development Expense. Each Party will have full access to all operational and engineering data and reports related to engineering wafers manufactured in the JV Space.

(a) Engineering wafers and development expenses are defined in five (5) categories: Common R&D Development Expenses, Y5 Direct R&D Development Products, JMDY Development Expenses, Evaluation Wafers and Qualification Wafers (each as defined below); *provided*, *however*, that if there are any development expenses not falling in these categories and such expenses are not to be charged under the JMDY Agreement or the Product Development Agreement, such expenses shall be appropriately paid or borne between the Parties.

(i) "Common R&D Development Expenses" means those expenses approved in accordance with [***] that are associated with activities mainly done [***] for the purpose of development of fundamental semiconductor technology. For the avoidance of doubt, in no event shall [***] allocated any costs attributed to [***] unless the project that generated such [***] was on the [***], such expenses are explicitly approved [***], or as otherwise mutually agreed by the Parties (in such case [***] of a project that generated such costs).

(ii) [***] are those products developed [***] for the purpose of joint product development. R&D costs for [***] shall be allocated to the Parties in accordance with [***]. If similar products have also been manufactured [***] (not including [***]), the R&D costs for such products shall be shared among [***] in accordance with applicable [***].

(iii) "[***] Expenses" are those development expenses incurred in accordance with [***] for the purpose of product development. R&D costs for [***] Expenses shall be allocated to the Parties in accordance with [***].

(iv) "Evaluation Wafers" are those wafers manufactured [***] for the purpose of [***]. Both Parties are entitled to receive Evaluation Wafers [***]; *however*, the Party responsible for completion of [***] has the right to receive [***] necessary to perform the [***]. The cost of Evaluation Wafers is [***] intended to be shared [***] by the Parties and is therefore included [***] Product manufacturing cost and is subsequently part of the [***].

(v) "Qualification Wafers" are those wafers manufactured in the JV Space for the purpose of [***]. The Parties will discuss and agree on the appropriate quantity of Qualification Wafers required for each JV Y5 NAND Flash Memory Product. Each Party shall have the right to receive such quantity of Qualification Wafers [***]. For such Qualification Wafers, [***] will charge the receiving Party pursuant to [***] and the [***], as applicable, a price per wafer equal [***] set forth in the [***]. The Parties intend that the [***] for Qualification Wafers shall not [***] the [***] of production lots in the Y5 Facility. It is understood that by the Parties that each Party's Qualification Wafers shall come from [***] capacity of lots in the JV Space.

(b) It is the intent of the Parties that Qualification Wafers manufactured in the JV Space will be allocated [***] between the Parties. [***] will charge the receiving Party, pursuant to the [***] and the FF [***], as applicable, a price per wafer equal to the [***] set forth in the [***].

6.9 Management Representatives. Each Party shall designate a person (each a "Management Representative") and the two so designated shall have the authority to (a) advise Flash Forward with respect to policy and operating matters common to Toshiba and SanDisk as well as on such other matters as Flash Forward may refer to the Management Representatives from time to time, (b) hear and seek to resolve any disputes regarding operational matters or alleged breaches of any Master Operative Documents (including dispute resolution), and (c) take the actions specified to be taken by the Management Representatives in this Agreement or any Master Operative Document.

6.10 FF Management Structure and Headcount.

(a) Flash Forward Headcount Plan and Working Group.

(i) The Parties will meet and mutually agree on an overall headcount plan for [***], which will incorporate [***] (the "FF Headcount Plan").

(ii) Each Party is committed to provide (itself or through its Affiliates) [***] of the engineers (other than line engineers), including, but not limited to, device, integration, process and test, included in the FF Headcount Plan ("Engineers"). In addition, Toshiba will use its reasonable best efforts to provide [***] and the Parties will mutually agree on the number of [***]. SanDisk will provide an execution status for the FF Headcount Plan and, in case of any shortage [***] from the number agreed in the FF Headcount Plan, an improvement plan to fulfill such [***] In no case will [***] to SanDisk, Toshiba (including if it

is unable to provide all Engineers not provided by SanDisk or to provide all necessary non-engineers), or Affiliates of SanDisk or Toshiba.

(iii) The Parties shall establish a working group with equal representation from each Party for the purpose of discussing integration of SanDisk-provided Engineers into the Toshiba Y5 Facility organization with respect to the JV Space, organization structure, updates on SanDisk's and Toshiba's respective hiring of Engineers, and related matters (the "Headcount Working Group"). SanDisk and Toshiba should prepare updates to the FF Headcount Plan through the Headcount Working Group. The Parties acknowledge their general intent to deploy [***] engineering organization at all levels, subject to taking into account the capabilities of the individuals and the needs of the particular position. The Headcount Working Group will meet as and for so long as its members consider necessary. Deployment and positions of Engineers and any other SanDisk personnel at the Y5 Facility and issues and concerns related thereto shall be handled through the Y5 Operating Committee (as defined in the FF Operating Agreement), and the agenda for meetings of the Y5 Operating Committee shall include review and assessment of such issues if requested by either Party.

(iv) Recognizing that Japanese language skills will be necessary for Engineers working at the Y5 Facility, SanDisk shall seek to minimize the number of its Engineers seconded to Flash Forward who are not highly proficient in Japanese and for those who are not Japanese speakers SanDisk shall ensure they receive some language training in Japanese at SanDisk's cost before being sent to work at the Y5 Facility.

(b) With respect to the SanDisk-seconded Engineers (including any seconded from SanDisk Affiliates) and any other SanDisk employees seconded to the Y5 Facility pursuant to the FF Headcount Plan or further agreement with Toshiba (collectively, the "SanDisk Team"), the Parties agree as follows:

(i) Members of the SanDisk Team who are Engineers shall be integrated by Toshiba at the Yokkaichi Facility and shall work together with Toshiba Engineers to seek to ensure the optimal operation of the Y5 Facility from a cost and technology perspective. To the extent any SanDisk Team member who is an Engineer reasonably follows the properly issued directions of such person's manager at the Y5 Facility and contributes to the success of the Y5 Facility's operations that support Flash Forward to the degree that would be reasonably expected of a Toshiba Engineer in his or her position, [***] member shall be charged to [***]. With respect to such costs, [***] shall reimburse [***] for salaries, bonuses and benefits (other than stock options or other similar equity incentive compensation but including expatriation benefits) in an amount [***].

(ii) Members of the SanDisk Team who are not Engineers ("Non-Engineer SanDisk Team Members") shall work with their respective counterparts at the Yokkaichi Facility to facilitate SanDisk's access to the operations of the Y5 Facility as follows. Non-Engineer SanDisk Team Members who support the operations of Flash Forward or the manufacturing of NAND Flash Memory Products shall have full access to the Y5 Facility other than the Toshiba Non-JV Space, and information related to the operations of the Y5 Facility other than the Toshiba Non-JV Space, and reasonable access to other information relevant to Flash Forward or the operations of the Y5 Facility. [***].

(iii) Each member of the SanDisk Team may, at all times and in such SanDisk Team member's sole discretion, raise issues with the Y5 Operating Committee (as provided in the FF Operating Agreement) and may communicate with

SanDisk as otherwise contemplated by the Master Operative Documents. If the Y5 Operating Committee is unable to agree on the resolution of an issue raised by a member of the SanDisk Team, it shall be referred to the Board of Executive Officers.

(iv) Office space used in connection with the JV Space shall be made available for the [***] on a non-discriminatory basis as compared to [***]. The members of the [***] shall be provided with secure and confidential private data and voice linkages [***], consistent with the practice of the Parties in connection with Flash Partners and Flash Alliance).

(v) [***].

(vi) Either or both of [***] shall be entitled to condition the [***] onto its premises on such [***] member's execution of a nondisclosure and visitor requirements document in the forms to be mutually agreed by the Parties.

(vii) SanDisk shall ensure that SanDisk Y5 personnel (including Y5 Engineers) (A) comply with the written safety and security regulations, the other written policies and direct instructions of Toshiba related to site security and information security, as well as any otherwise applicable safety and production regulations (copies of the written Toshiba regulations and policies will be provided to SanDisk upon the request of SanDisk or upon the amendment of such regulations or policies) while such SanDisk Y5 personnel are in Toshiba's facilities and (B) in their operation of the [***] exercise due care and act with the degree of prudence that would be reasonably expected of a Toshiba Engineer in an analogous position. Toshiba will provide safety and security training in Japanese to senior managers of SanDisk at Y5 to ensure that SanDisk Y5 personnel have the right to access [***]. The training of the senior managers shall be in Yokkaichi. The senior managers of SanDisk Y5 personnel will be responsible for providing or delegating, to other SanDisk personnel, in English or Japanese, the safety and security training to other SanDisk Y5 personnel.

(viii) All members of the SanDisk Team will remain employees of SanDisk. Each Party will indemnify the other Party and Flash Forward from any claim by any of such Party's employees, consultants or agents (such Party being the "Employer") (A) based on other than willful misconduct of such Employer, its employees, consultants or agents; or (B) that he or she has rights, or is owed obligations, as an employee of the Party that is not the Employer.

(c) [***] members (including employees [***] or any of its Affiliates) who are not located at the [***] who are not located at the [***], are requested by [***] to provide engineering services, their time shall be charged to [***] at mutually agreed rates using the same principle as provided in [***], plus travel expenses.

6.11 Non-solicitation of Employees. So long as the business of Flash Forward continues, each Party (and each of its respective Affiliates) shall not, without the prior written consent of the other Party, directly recruit or solicit (a) any employee or director of Flash Forward or (b) any employee of the other Party involved in the Flash Forward business to leave his or her employment with Flash Forward or such other Party prior to the period ending twenty-four (24) months after the FF Termination Date; *provided*, *however*, that placement of employment advertisements or other general solicitation for employees not specifically targeted to the employees or directors of Flash Forward or such other Party shall not constitute direct recruitment. In the event of the dissolution and liquidation of Flash Forward, either Party (or any Affiliate of either Party) may solicit any former employee of such dissolved and liquidated company, but neither Party (nor any of its Affiliates) shall be required to employ any

such Person. If all of the FF Interests held by one Party are purchased by the other Party or its designee, if requested by the acquiring Party, the Parties shall reach agreement on a reasonable transition plan (without profit to the seller) in connection with the services provided to Flash Forward, as applicable, by employees and contractors of the selling Party.

6.12 Financing.

(a) [***]. Neither Party will be obligated to make any assurance or guarantee [***]; however, [***] will use its reasonable best efforts to assist [***], to the extent reasonably requested by [***], in securing financing on favorable terms. If either Party is unable to obtain financing, the Parties will meet to discuss in good faith a resolution to such Party's inability to obtain financing. For the avoidance of doubt, [***], and all loans to Flash Forward by the Parties will be shared 50/50.

(b) The Parties currently intend, but are not obligated, to structure the financing for equipment purchases by Flash Forward necessary to effect the ramp-up as follows:

(i) Flash Forward will enter into equipment lease or loan agreements and pledge the financed equipment as collateral;

(ii) Flash Forward will secure external financing for approximately [***] of the initial purchase price of its tools and each Party will provide equity capital contributions and loans (on a subordinated basis) for the remaining cash requirements of Flash Forward necessary to effect the ramp-up;

(iii) each Party will severally and not jointly and through separate arrangements guarantee as close as possible to fifty percent (50%) of Flash Forward's obligations under such lease or loan agreements (any financing separately guaranteed or provided by Toshiba for Flash Forward or otherwise for investment in the Y5 Facility, "Toshiba Financing", any such financing separately guaranteed or provided by SanDisk for Flash Forward or otherwise for investment in the Y5 Facility "SanDisk Financing" and the Toshiba Financing and SanDisk Financing, each a "Financing"); and

(iv) the Parties will attempt to obtain the foregoing financing from the same financial institution, but under separate agreements that expressly disclaim any joint and several liability of the Parties.

(c) With respect to any Toshiba Financing or SanDisk Financing, the following shall apply:

(i) The terms and conditions of any Toshiba Financing shall be subject to the prior written approval of SanDisk and the terms of any SanDisk Financing shall be subject to the prior written approval of Toshiba, in each case after review of final drafts of all documents evidencing such Financings. The foregoing approval of either Party shall (A) not be unreasonably withheld, delayed or conditioned by such Party, and (B) not subject such approving Party to any liability or obligations with respect to such financing.

(ii) Unless otherwise expressly agreed by both Parties in writing in each case, all Toshiba Financing and all SanDisk Financing shall create only several obligations of the Parties and no joint and several obligations or liability. Toshiba (with respect to Toshiba Financing) and SanDisk (with respect to SanDisk Financing) hereby indemnifies and holds harmless the other Party and its Indemnified Parties from any claims by any financial institution or other Person that the other Party has any liabilities or obligations with respect to, respectively, any Toshiba Financing or SanDisk Financing (unless joint

liability has been agreed pursuant to the first sentence of this Section 6.12(c)(ii)).

(iii) Flash Forward will use commercially reasonable efforts to comply with the requirements of any financing sources. Flash Forward will make available to each Party one-half of its assets (with as near as practicable cost, collateral value and type) to secure such Party's Financing (whether external or loans from a Party or its Affiliates).

(d) If the lender under the Financing for either Party (as the "Defaulting Party") takes significant actions to enforce its right in the collateral, then the other Party (as the "Non-Defaulting Party") shall have the right, but not the obligation, to cure the default giving rise to the lender's enforcement action. If the Non-Defaulting Party exercises such cure right, then theNon-Defaulting Party's rights in any subject collateral shall be superior to the Defaulting Party's and the Non-Defaulting Party may exercise one of the following options:

(i) the Non-Defaulting Party (A) shall have a claim against the Defaulting Party for reimbursement of any payments made by theNon-Defaulting Party on the Defaulting Party's behalf (which will be subordinate to the lender's claims and bear interest at a rate 500 basis points in excess of the rate being charged by the lender to the Defaulting Party) and (B) shall have the right, until and unless the Defaulting Party pays in full the obligation to the Non-Defaulting Party under foregoing clause (A), to take over the increment of production of the Y5 Facility represented by the collateral with respect to which the lender took significant actions to enforce its rights; or

(ii) the Non-Defaulting Party shall have the right to terminate the Operating Agreement pursuant to Section 11.6 thereof (foreclosure default).

6.13 Other Activities. Except as expressed in this Section 6 and in the JMDY Agreement and the JVRA, neither Party nor any of their respective Affiliates shall: (a) fabricate NAND Flash Memory Integrated Circuits or R/W at any location other than the Yokkaichi Facility or any other fabrication facility agreed upon by the Parties in writing; (b) have any third party fabricate NAND Flash Memory Integrated Circuits or R/W; or (c) have any right to fabricate NAND Flash Memory Integrated Circuits or R/W beyond the capacity as limited pursuant to this Section 6. For the avoidance of doubt, nothing contained in the foregoing shall restrict the Parties from engaging in any other activities, including, without limitation, (i) designing any NAND Flash Memory Product or R/W; (ii) selling any NAND Flash Memory Product or R/W to any customer; (iii) entering into any equipment purchase or material supply agreements; or (iv) entering into any patent licensing arrangement. For purposes of this Section 6.13, "NAND Flash Memory Integrated Circuits" means ICs included in the definition of NAND Flash Memory Products pursuant to Section 3.2.

6.14 Protection of Intellectual Property. Both Parties recognize that it is important for the success of the Y5 NAND Flash Memory Products business to promote the adoption of such Y5 NAND Flash Memory Products with a wide variety of customers and applications, whether for card use or non-card use, and with such recognition, each Party shall use reasonable efforts to protect and enhance the value of Y5 NAND Flash Memory Products.

## 7. Start-Up and Production Costs

7.1 Start-Up Services for Y5. The Parties acknowledge that either or both of the Parties and Flash Forward have incurred or will incur costs in connection with developing Flash Forward and the Y5 Facility and preparing the Y5 Facility for production, including personnel costs, materials costs and other operating expenses, for which

each Party has the obligation ultimately to bear fifty percent (50%) of the responsibility ("Start-Up Costs"). The Parties shall discuss in good faith and agree upon the Start-Up Costs borne by either Party and the means and timing of each Party, as applicable, being reimbursed or credited for having incurred more than fifty percent (50%) of the Start-Up Costs or of making payments due to having incurred less than fifty percent (50%) of the Start-Up Costs; *provided*, that the determination and allocation of Start-Up Costs and the means and timing of reimbursement shall be in a manner substantially similar to that utilized in connection with the start-up costs of the Y4 Facility.

7.2 Equal Participation and Purchase Price Per Unit Generally. The Parties intend to meet demand for increased capacity by equally investing in, and jointly building, and sharing, on equal or substantially equal terms, equal amounts of new capacity for Y5 NAND Flash Memory Products, except as otherwise provided herein. So long as each Party's Threshold NAND Capacity Ratio (as defined below) is greater than or equal to [***], each Party will pay [***] of the same product and same design rule.

7.3 Adjustment Payment. If either Party's Threshold NAND Capacity Ratio falls below [***].

7.6 Cost and Methodology. In all events, Y5 manufacturing cost and wafer cost methodology will be in accordance with Toshiba's past practice and accounting system.

## 8. Other Agreements

To supplement their agreement as expressed in certain of the Master Operative Documents, the Parties agree as set forth in this Section 8. To the extent of any conflict between this Section 8 and any other Master Operative Document referenced in this Section 8, the other Master Operative Document shall prevail.

8.1 Flash Forward Management.

(a) As contemplated by the FF Operating Agreement, the Y5 Operating Committee's purpose is to give both Parties the ability to influence the day to day operating decisions of Flash Forward and the Y5 Facility. The Y5 Operating Committee is intended to be a collaborative body with real-time communications, respectful consultation and dispute resolution with the goal of making the Y5 Facility the most competitive (cost and technology) memory fabrication facility in the world.

(b) If the Y5 Operating Committee is unable to decide an issue (by agreement of its two members) such issue shall be referred to the Board of Executive Officers. Special meetings of the Board of Executive Officers may be noticed for issues requiring urgent resolution. The Parties contemplate that while a special meeting of the Board of Executive Officers is being noticed, their respective management teams will discuss any issue that the Y5 Operating Committee could not resolve.

(c) If the Board of Executive Officers is unable to decide an issue (by unanimous agreement), such issue shall be referred to the Management Representatives for resolution, which shall be vested with final decision making authority. This Agreement separately provides for procedures if the Management Representatives is unable to reach agreement on such issue.

8.2 Y5 Facility.

(a) Site Preparation, Building Construction and Facilitization.

(i) Toshiba will design, construct and facilitize the Y5 Facility. SanDisk shall work with Toshiba to help minimize administrative approval delays. Toshiba shall exercise all commercially reasonable efforts to ensure that Y5 Facility is (A) insurable, (B) designed and constructed to mutually acceptable high levels of risk standards, and (C) is completed [***]; *provided*, that Toshiba shall have no liability to SanDisk, any Affiliate of SanDisk or Flash Forward if completion is not achieved by such time. The depreciation for the Y5 Facility will be charged in accordance with Section 8.3(d).

(ii) With prior coordination with Toshiba and the construction contractors for the Y5 Facility, SanDisk will have reasonable access to the construction site for the Y5 Facility and to all information pertaining to the construction of the Y5 Facility, on condition that SanDisk will be solely responsible for all damage caused by such access.

(iii) Building Depreciation Prepayment and Shortened Depreciation Schedule for [***]:

(A) Each of the Parties agrees to [***], in a manner to be mutually agreed.

(B) If [***], the Parties agree to [***].

(b) Land. With respect to the land purchased by Toshiba related to the establishment of the Y5 Facility, SanDisk will pay to Toshiba on a quarterly basis during the term of this Agreement compensation for [***] for the actual aggregate purchase price of such land [***]. For purposes of this Section 8.2, [***]. Annual depreciation of the Y5 Facility shall be calculated in accordance with Section 8.3(d). To the extent appropriate, these charges will be invoiced under the FF Foundry Agreement, as

provided at Section 8.3 below. For any portion of the Y5 Capacity Ratio that is not subject to the FF Foundry Agreement, such charges shall be invoiced directly.

(c) Incentives. Government incentives (financial or otherwise) attributable to the assets or operations of Flash Forward and the Y5 Facility will be shared by the Parties in accordance with the Y5 Capacity Ratio at the time such incentives are realized. The Parties will discuss such incentives and the sharing thereof based on the type of incentives.

8.3 FF Foundry Agreement. Flash Forward and Toshiba shall enter into the FF Foundry Agreement at the Closing. In the event SanDisk owns or leases manufacturing equipment located in the Y5 Facility as a result of [***], SanDisk and Toshiba will enter into a foundry agreement with terms substantially similar to the FF Foundry Agreement. The FF Foundry Agreement provides for ordering procedures, prices, delivery, cost reporting and other specific terms and conditions for the manufacture by Toshiba and supply to Flash Forward of Y5 NAND Flash Memory Products, which shall be consistent with the following basic terms:

(a) Facilities, Equipment and Raw Materials. The manufacturing facilities will be located at the Y5 Facility and die sort will be located [***] or such other place as the Parties may agree upon. Flash Forward and Toshiba will enter into an exclusive lease agreement with respect to the Y5 Facility and Flash Forward's manufacturing equipment located in the Y5 Facility to be used in the manufacture of Y5 NAND Flash Memory Products by Toshiba. Toshiba shall be responsible for obtaining the raw materials and services to be used in the manufacture of Y5 NAND Flash Memory Products. Raw materials shall be procured in accordance with that certain RMPA.

(b) Production. Toshiba will manufacture Y5 NAND Flash Memory Products at the Y5 Facility for Flash Forward ordered by Toshiba and SanDisk under the terms and conditions of the FF Purchase and Supply Agreements. (c) Operating Relationship. The Parties shall provide personnel necessary for the manufacturing of the Y5 NAND Flash Memory Products as described in Section 6.10.

(d) Consideration to be Paid to Toshiba. Toshiba will be compensated by Flash Forward as provided in the FF Foundry Agreement [***].

(e) No Duplication of Costs or Expenses. It is the intent of the Parties that any payments made by SanDisk under or pursuant to any Master Operative Documents, FA Operative Documents, FP Operative Documents or Joint Operative Documents shall not be duplicative and SanDisk shall in no event be required to pay or contribute more than once for any service, product or development work provided under such agreements, if such service, product or development work is provided under more than one agreement. In addition, if SanDisk makes a direct payment for any service, product or development work provided under any such agreement, the cost incurred by Toshiba (from the Yokkaichi Facility), Flash Alliance, Flash Partners or Flash Forward, as the case may be, in connection with the provision of such service, product or development work shall not be included in the applicable wafer price charged to SanDisk.

(f) Exclusivity. The Yokkaichi Facility shall be Flash Forward's exclusive manufacturing source for output of Y5 NAND Flash Memory Products. Flash Forward may seek external manufacturing sources for output in excess of the Yokkaichi Facility's capacity upon agreement by the Management Representatives.

8.4 FF Purchase and Supply Agreements. Flash Forward and each of the Parties or their respective Affiliates will enter into substantially identical FF Purchase and Supply Agreements providing for specific terms and conditions for the purchase by the Parties of Y5 NAND Flash Memory Products from Flash Forward, which shall be consistent with the following basic terms:

In the event that R/W comes to be produced in the Y5 Facility, the Parties shall negotiate in good faith with respect to adopting modified documentation concerning such production, including, in the event of production in the JV R/W Space, (a) a foundry agreement indicating ordering procedures, prices, delivery, cost reporting and other specific terms and conditions for the manufacture by Toshiba and supply to Flash Forward of R/W, and (b) agreements governing the Parties' respective purchases of R/W from Flash Forward, taking into account the differences between the production process of R/W and that of NAND Flash Memory Products, among other factors.

8.6 Other Matters.

(a) Forecasts/Production Planning. Each Party will submit forecasts, [***] as further provided in the FF Purchase and Supply Agreements. The Parties shall use the system at the Yokkaichi Facility for such direct forecast submission, provided that the cost necessary for [***] shall be borne by SanDisk. Each Party shall be provided the same access to Y5 data relating to Flash Forward data and such Party's non-JV data, including data used for output forecasts, as the Parties receive with respect to Y4 data

relating to Flash Alliance. Flash Forward production planning will hold a monthly production planning meeting with representatives of each Party, as further provided in the FF Purchase and Supply Agreements. At such meetings, the Parties will agree on a production plan for the [***] which plan will be final (and the related forecast will be deemed to be covered by a binding purchase order).

(b) Production Control. Flash Forward will provide each Party [***] on anon-discriminatory basis [***] with respect to [***] provided that the cost necessary for making such system available to SanDisk will be borne by SanDisk. Each Party shall be provided the same access to Y5 data relating to Flash Forward data and such Party's non-JV data, including data used for tool/process analysis, as the Parties receive with respect to Y4 data relating to Flash Alliance. Management and operating reports related to Flash Forward or Flash Forward's business as mutually agreed from time to time will be simultaneously made available in Japanese and English to each Party. Upon request, Toshiba employees will explain such reports to SanDisk's employees and respond to questions from SanDisk's employees, but Toshiba will not be responsible for SanDisk's failure to understand such reports.

(d) Insurance. Toshiba shall maintain or arrange property insurance covering assets owned or leased by Flash Forward, and business interruption insurance in respect of the business of Flash Forward, the scope and amounts of which shall be consistent with Toshiba's practices at the Yokkaichi Facility and as required by any lender. This coverage shall provide basically full replacement value of all Flash Forward owned and leased equipment, subject to valuation as part of Toshiba's annual insurance policy renewal, and shall name Flash Forward as a beneficiary in respect of assets owned or leased by it and Flash Forward's employee expenses covered by business interruption insurance. On an annual basis, or when requested by either Party, the Y5 Operating Committee shall discuss and review the current insurance coverage and/or the need for any additional property or business interruption insurance in respect of Flash Forward's assets or business. Further, SanDisk reserves the right to seek to arrange additional property or business interruption insurance for its own account in respect of Flash Forward's assets or business, and shall be responsible for the maintenance of insurance with respect to equipment used in the SanDisk R/W Space and any SanDisk Unilateral Expansion Space, and Toshiba shall cooperate in good faith to provide such information and access as is reasonably necessary for SanDisk to arrange such insurance. If Toshiba makes a recovery from a third party (other than an insurer per the above) in respect of both assets of Flash Forward and other assets, then Toshiba shall allocate to Flash Forward a share of the net amount of such recovery in proportion to the losses suffered by Flash Forward and total losses suffered by Flash Forward and Toshiba.

(iii) provides that the rights of the Permissible Assignee under such agreement may not be transferred without the prior written consent of each Member and that any such Transfer without such consents shall be null and void;

(iv) may not be amended, nor any provision thereof waived, in a manner that would cause it not to be a Permissible Assignment Agreement, without the prior written consent of the non-assigning Member;

(v) provides that the assigning Member is authorized to Transfer its entire interest in the Company pursuant to Section 9.1(a) free and clear of any interest of the Permissible Assignee and without any liability on the part of the transferee thereunder to the Permissible Assignee; and

(b) such Person executes a counterpart of this Agreement and such other instrument or instruments as the Company and a non-transferring Member may reasonably deem appropriate to affirm that the representations and warranties contained in the Master Agreement are true and correct with respect to such Person and that such Person agrees to

be bound as a Member by this Agreement and all of the covenants and agreements herein; and

(c) if requested by the Company, an opinion of counsel, a purchaser representation letter or other appropriate documentation is furnished to the Company establishing that the grant or Transfer, as applicable, of Interests to the new Member will comply with the Companies Act.

Except to the extent required by law, the Company shall have no obligation to recognize or to furnish information or make distributions to any new Member or any transferee of a Member who does not become a Member in accordance with Section 9.1 (Restrictions on Transfer of Interests) or this Section 9.2.

9.3 Withdrawal Prohibited. Except as otherwise expressly permitted by this Agreement or the Master Agreement, (i) no Member may withdraw from the Company and (ii) no Member may effect or cause a termination or dissolution of the Company without the prior written consent of all other Members (which consent may be withheld in such other Member's sole discretion).

9.4 Purchase of Additional Interest. 10.2 Further Assurances. Following the Closing, each Member shall, and shall cause its Affiliates and the Company to take all reasonable actions necessary or appropriate to effectuate the transactions contemplated by this Agreement, and to obtain (and cooperate with the other Member in obtaining) any Governmental Action or third party consent required to be obtained or made by it in connection with the transactions contemplated by this Agreement; provided, that no Burdensome Condition shall be made to exist with respect to such Member or any of its Affiliates in connection therewith.

10.3 Dispute Resolution; Deadlock.

(a) The Members shall endeavor to settle, through their respective designees to the Board of Executive Officers, any disputes which may arise between them, including without limitation, failure by the Board of Executive Officers to reach agreement (or failure to take a vote) on any matter requiring Executive Officers approval pursuant to Section 5.1(d) (Matters Requiring the Approval of the Board of Executive Officers). The Members shall attempt to resolve the issue or proposed action in question, to the extent practicable, in a manner consistent with the Company's most recently approved Business Plan, unless the issue in dispute is the adoption of a new Business Plan, in which case,

except as provided for in Section 6.3 of the Master Agreement, the provisions of Sections 10.3(c), (e) and (f) shall apply.

(b) If (i) the Members are unable to agree on any matter requiring the approval of the Members pursuant to Section 4.1(a) (Matters Requiring the Approval of the Members), (ii) the Board of Executive Officers is unable to agree on any matter requiring the approval of the Board of Executive Officers pursuant to Section 5.1(d) (Matters Requiring the Approval of the Board of Executive Officers) (other than the approval of any Business Plan, with respect to which the failure to agree shall be governed by Sections 10.3(c), (e) and (f)) or (iii) the Members or the Board of Executive Officers are otherwise unable to resolve a dispute on any other item (other than the approval of any Business Plan, with respect to which the failure to agree shall be governed by Sections 10.3(c), (e) and (f)), then any Member may bring the matter to the attention of the General Manager Memory Division, Semiconductor Company of Toshiba, and the Chief Operating Officer of SanDisk (the "Designated Individuals"), who will attempt to find a resolution. If the matter has not been resolved within thirty (30) days of referral to the Designated Individuals, the matter will be referred to the Management Representatives for a final decision, which decision will be final and binding on the Company and the Members with respect to any matter specified in Sections 10.3(b)(i) and (ii) above. If an agreement is reached by the Management Representatives, the mutually agreed resolution shall be implemented by the Company. Should no solution be agreed upon within thirty (30) days after submission of the matter to the Management Representatives with respect to the matters specified in (iii) above, such matter shall be submitted to arbitration in accordance with Section 2.5 of the Appendix A. Should no solution be agreed upon within sixty (60) days after submission of the matter to the Management Representatives with respect to the matters specified in Sections 10.3(b)(i) and (ii) above, then the action for which approval was requested will not occur, unless it is already included in the most recently approved Business Plan, subject to Section 6.5 of the Master Agreement.

(c) Except as provided below and subject to Section 6.3 of the Master Agreement, if by [***] of any calendar year during the term of this Agreement, commencing [***], the Board of Executive Officers and the Members have not approved and agreed upon a Business Plan for the upcoming Fiscal Year, then any Member may refer the dispute to the Management Representatives for a decision, which decision shall be final and binding on the Company and the Members. If a decision is reached by agreement of the Management Representatives, such decision shall be implemented by the Company. Should no decision be reached within ninety (90) days after submission of the matter to the Management Representatives, and unless the Members have agreed to continue operations under the most recently approved Business Plan until a new Business Plan is approved, then within ten (10) Business Days thereafter any Member may elect by written notice to all other Members to declare a deadlock ("Deadlock"), except with respect to any issue where the Master Agreement expressly prohibits declaration of a Deadlock.

(d) If demand for both Members' NAND Flash Memory Products is significantly below expectations, they shall address the matter as contemplated in Section 6.6(b)(ii) of the Master Agreement.

(e) Within thirty (30) days after a Member has notified the other Member of a Deadlock, either Member (the 'Initiating Member") may submit to the other Member (the "Responding Member") a written irrevocable notice (the "Deadlock Dissolution Notice") to the effect that the Initiating Member offers to sell to the Responding Member or its designee the Initiating Member's Interests for a cash payment, by wire transfer of

immediately available Japanese Yen, in an amount equal to the [***] as of the date of such transaction multiplied by the Initiating Member's Percentage as of such date.

(f) The Responding Member may accept such offer by written response to the Initiating Member within forty-five (45) days of receipt of the Deadlock Dissolution Notice indicating that the Responding Member elects to purchase the Interests of the Initiating Member. If the Responding Member declines to exercise its right to purchase the Interests of the Initiating Member pursuant to this Section 10.3 or fails to respond to such Deadlock Dissolution Notice (or if both Members submit Deadlock Dissolution Notices), the Company shall be dissolved pursuant to Section 11.1(d) (Events of Dissolution), at the end of a one-year period for the wind-down of operations commencing with the receipt of the Deadlock Dissolution Notice by the Responding Member. During such one-year period, the Company's business shall be conducted in accordance with the most recently approved Business Plan except that additional capital expenditures will not be made except as required for line maintenance.

10.4 Remedies Upon Event of Default; Termination on Breach. If there has occurred and is continuing an Event of Default with respect to a Member (upon such occurrence, such Member is referred to herein as the "Defaulting Member") in addition to all other remedies available to the Company or the other Member (the "Nondefaulting Member"), whether under any of the FF Operative Documents or other agreements or by law, the Nondefaulting Member shall have the option to take one or more of the following actions:

(a) give written notice to the Defaulting Member of its intention to acquire all of the Interests of the Defaulting Member for a cash payment, by wire transfer of immediately available Japanese Yen, in an amount equal to the [***] as of the date of such transaction multiplied by the Defaulting Member's Percentage as of such date; and/or

(b) elect to dissolve the Company pursuant to Section 11.3 (Dissolution Upon Event of Default), in which case the affairs of the Company shall be wound up and the Company shall be dissolved in accordance with Section 11 (Dissolution).

10.5 Mechanics of Sale.

(a) The closing of any purchase and sale of Interests pursuant to Section 10.3 (Dispute Resolution; Deadlock), 10.4 (Remedies Upon Event of Default; Termination on Breach) or 11.5 (Dissolution Upon Notice) shall take place not later than the thirtieth (30th) Business Day after notice of the purchase is given, as the case may be, except that such period shall be extended as necessary in order to comply with any Governmental Rule. The purchasing Member shall pay for the Interests being acquired by wire transfer of immediately available funds in Japanese Yen to an account specified by the selling Member. The selling Member shall execute all documents necessary to effect the conveyance of its Interests, free and clear of all Liens, to the purchasing Member. In addition, the Members shall enter into an indemnity and release agreement, in a form reasonably satisfactory to each Member, indemnifying and holding harmless the selling Member and its Affiliates for liabilities or claims made after the date of the purchase and sale under any guarantees or other agreements supporting the obligations of the Company which may have been extended by the selling Member or any of its Affiliates. The Members shall also reach agreement on a reasonable transition plan of up to six (6) months in connection with services provided to the Company by members of the SanDisk Team assigned to the Company by the Selling Member.

(b) If a Member elects to acquire all of the Interests of the other Member pursuant to Section 10.3 (Dispute Resolution; Deadlock), 10.4 (Remedies Upon Event of Default; Termination on Breach) or 11.5 (Dissolution Upon Notice), such Member shall be obligated to take all actions required of it to consummate the applicable purchase and sale on the date determined pursuant to this Section 10.5 (Mechanics of Sale). If any Member has the right to purchase the Interests of any other Member, such Member shall have the right to assign such right to purchase to any other Person.

**11. Dissolution**

(b) the agreement of the Members to dissolve the Company pursuant to Section 11.2 (Dissolution by Agreement);

(c) the election of the Nondefaulting Member pursuant to Section 11.3 (Dissolution Upon Event of Default);

(d) the first anniversary of the receipt by either Member of a Deadlock Dissolution Notice submitted with respect to a failure of the Members to approve and agree upon a Business Plan pursuant to Section 10.3 (Dispute Resolution; Deadlock) if either (i) the Responding Member declines to exercise its right to purchase the Interests of the Initiating Member or fails to respond to such Deadlock Dissolution Notice, or (ii) both Members submit Deadlock Dissolution Notices with respect to such failure to agree;

(e) **[**Intentionally omitted.**]**

(f) the bankruptcy, dissolution, expulsion or incapacity of a Member or the occurrence of any other event which terminates the membership of a Member in the Company ("Bankruptcy Event"); or

(g) the election of the Notifying Party to dissolve the Company pursuant to Section 11.5 (Dissolution Upon Notice) unless the Notified Party elects to purchase the Interests of the Notifying Party pursuant to Section 11.5 (Dissolution Upon Notice).

11.2 Dissolution by Agreement. The Company may be dissolved at any time by the unanimous written consent of the Members.

11.3 Dissolution Upon Event of Default. During the occurrence and continuation of an Event of Default (other than a Bankruptcy Event) with respect to a Member, the Nondefaulting Member may elect, by written notice to the Defaulting Member, to dissolve the Company, in which event the Company shall be dissolved and the Members shall take all actions necessary to wind up the affairs of the Company in accordance with Section 11.7 (Winding Up). This Section 11.3 shall not be construed to limit the rights of the Nondefaulting Member under Section 10.4 (Remedies Upon Event of Default) or to seek damages from the Defaulting Member or any other Person for the breach of its obligations under any of the FF Operative Documents.

11.4 **[**Intentionally omitted.**]**

11.6 Financing Defaults.

(a) If pursuant to Section 6.3(a)(i) of the Master Agreement either Party, as the Investing Party, exercises its election to terminate this Agreement, the Members shall cooperate in good faith to effect the purchase by Toshiba (or its designated Affiliate) and sale by SanDisk of all of SanDisk's Interests, at a price equal to SanDisk's percentage Interest of the outstanding Interests in the Company multiplied by the [***] as of the date such transaction is closed (with estimated [***] as agreed by the Members in good faith paid on the closing of such transaction and any true-up payment made by the appropriate Party promptly after determination of the actual [***] as of the closing of such purchase and sale transaction).

11.7 Winding Up.

(a) Upon the dissolution of the Company, the Members shall proceed as promptly as practicable to (i) wind-up the affairs of the Company and cause the Company to satisfy the Company's liabilities, (ii) dispose of the Company's assets as quickly as possible consistent with obtaining the full fair market value of the Company, preferably, to the extent it is commercially practicable to do so, by selling the Company as a going concern (provided, however, no Member shall be under any obligation to extend the terms of any FF Operative Document or to offer to enter into any other agreement with a prospective purchaser of the Company for the purchase or sale of goods or services or the use of facilities or any other business arrangement), and (iii) distribute any net proceeds to the Members in accordance with Section 11.8 hereof and applicable Law. In connection with a sale of the Company's assets under clause (ii), each Member or any of their respective Affiliates shall have a right of first offer to acquire the Company's tangible personal property in the liquidation process and may also acquire such property through participation at auction except in the event of a dissolution pursuant to Section 11.3 (Dissolution Upon Event of Default), in which event the Defaulting Member and its Affiliates shall not have such right of first offer to acquire the Company's tangible personal property. Each of the Members shall be furnished with a statement setting forth the assets and liabilities of the Company as of the date of the complete liquidation of the

Company. The Accountants shall review the final accounting and shall render their opinion with respect thereto.

(b) During the period of winding-up, the Company shall continue to operate and all the provisions of this Agreement shall remain in effect, except as otherwise expressly provided herein. The Company shall notify all known creditors and claimants of the dissolution of the Company in accordance with applicable law.

11.8 Liquidation Proceeds.

(a) In the case of the dissolution and liquidation of the Company, the Company may make a distribution in kind. Any cash and all distributions in kind that are to be distributed shall be distributed to the Members, on a pro rata basis based upon the respective Percentages of the Members as of the date of such distribution.

(b) Unless otherwise agreed by the Members, and to the extent permitted under any agreements with third parties, all assets to be distributed upon the dissolution and liquidation of the Company shall be distributed as follows:

(i) first, to creditors, including Members who are creditors, to the extent permitted by law, in satisfaction of liabilities of the Company, other than for distributions to Members pursuant to Section 6.2 (Distributions); and

(ii) second, to the Members on a pro rata basis based upon the respective Percentages of the Members as of the date of such distribution.

For purposes of this Section 11.8, instruments of transfer and other documents reasonably requested by the distributee shall be executed by the Company or the other Member, or both.

(c) Any distribution made pursuant to this Section 11.8 shall be made as soon as practicable under and in accordance with applicable Japanese law.

**12. Indemnification and Insurance**

12.1 Indemnification.

(a) Subject to Section 12.1(c), the Company shall indemnify each Person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (including an action by or in the right of a Member or the Company), by reason of the fact that such Person is or was a Member or is or was or has agreed to become an Executive Officer or is or was serving or has agreed to serve at the request of the Company as an Executive Officer, officer, employee or agent of the Company or of another partnership, corporation, joint venture, trust or other enterprise, arising from any action alleged to have been taken in any such capacity or by reason of any liability or obligation of the Company, against any and all losses, damages, liabilities, costs, charges, expenses (including interest, penalties and reasonable attorneys' fees and expenses), judgments, fines and amounts paid in settlement (collectively, "Losses") actually and reasonably incurred by him or on his behalf in connection with such action, suit or proceeding and any appeal therefrom. Without limiting the generality of the foregoing, any of such Losses shall be deemed to arise out of a Company liability or obligation if it arises out of or is based upon the conduct of the business of the Company (or any of its Subsidiaries) or the ownership of the property of the Company (or any of its Subsidiaries).

(b) The indemnification provided under this Section 12.1 shall inure to the benefit of the successors, heirs and personal representatives of any Person entitled to the benefit of such indemnification. Such indemnification shall be a contract right and shall include the right to be paid advances of reasonable expenses incurred by any such Person in connection with such action, suit or proceeding.

(c) The indemnification provided under this Section 12.1 shall not inure to the benefit of any Person in respect of Losses to the extent that such Losses (i) arise out of or are based upon the gross negligence or willful misconduct of such Person or (ii) constitute a tax, levy or similar governmental charge not imposed upon the Company (or any of its Subsidiaries) or on their respective properties. The indemnification provided under this Section 12.1 shall also not be available to any Person in respect of any Losses if a judgment or other final adjudication adverse to such Person establishes (x) that such Person's acts were committed in bad faith or were the result of active and deliberate dishonesty and were material to the cause of action so adjudicated or (y) that such Person gained in fact a financial profit or other advantage to which such Person was not legally entitled. It is understood and agreed that, for the purposes of this Section 12.1, Losses shall be deemed not to arise out of or be based upon the gross negligence or willful misconduct of a Person solely because it arises out of or is based upon the gross negligence, willful misconduct, bad faith or active and deliberate dishonesty of an Executive Officer, officer or employee of such Person if at the time of such gross negligence, willful misconduct, bad faith or active and deliberate dishonesty, such Executive Officer, officer or employee was also a member of the SanDisk Team or an Executive Officer acting in his capacity as such.

(d) The termination of any action, suit or proceeding by judgment, order, settlement, conviction or upon a plea of nolo contendere or its equivalent shall not, of itself, create a presumption that the indemnified Person did not meet the standard set forth in Section 12.1(c) (Indemnification).

12.2 Insurance. The Company may, to the fullest extent permitted by law, purchase and maintain insurance against any liability that may be asserted against any Person entitled to indemnity pursuant to Section 12.1.

12.3 Indemnification by the Members.

(a) Each Member agrees to, and does hereby, indemnify and hold harmless the Company and the other Member from and against any and all Losses arising out of, or based upon, the gross negligence or willful misconduct of such Member under this Agreement or such Member exceeding its authority under this Agreement.

(b) The provisions of this Section 12.3 shall survive each of the termination of this Agreement, the dissolution of the Company and the withdrawal of any Member.

12.4 Assertion of Claims.

(a) In the event that a Person (the "Indemnified Party") desires to assert its right to indemnification from a Person (an "Indemnifying Party") required to indemnify such Indemnified Party under this Section 12, the Indemnified Party will give the Indemnifying Party prompt notice of the claim giving rise thereto (a "Claim"), and the Indemnifying Party shall undertake the defense thereof (unless the Claim is asserted against or related to or results from any action or failure to take action by such Indemnifying Party). The failure to promptly notify the Indemnifying Party hereunder

shall not relieve the Indemnifying Party of its obligations hereunder, except to the extent that the Indemnifying Party is actually prejudiced by the failure to so notify promptly.

(b) The Indemnified Party shall not settle or compromise any Claim without the written consent of the Indemnifying Party unless the Indemnified Party agrees in writing to forego any and all claims for indemnification from the Indemnifying Party with respect to such Claim. However, if the Indemnifying Party, within a reasonable time after notice of any such Claim, fails to defend such Claim, the Indemnified Party shall have the right to undertake the defense, compromise or settlement of such Claim on behalf of and for the account and risk of the Indemnifying Party, subject to the right of the Indemnifying Party to assume the defense of such Claim at any time prior to settlement, compromise or final determination thereof.

(c) IF THE INDEMNIFYING PARTY HAS UNDERTAKEN THE DEFENSE OF A CLAIM AND (I) IF THERE IS A REASONABLE EXPECTATION THAT (X) A CLAIM MAY MATERIALLY AND ADVERSELY AFFECT THE INDEMNIFIED PARTY OTHER THAN AS A RESULT OF MONEY DAMAGES OR OTHER MONEY PAYMENTS OR (Y) THE INDEMNIFIED PARTY OR MEMBERS MAY HAVE LEGAL DEFENSES AVAILABLE TO IT OR THEM THAT ARE DIFFERENT FROM OR ADDITIONAL TO THE DEFENSES AVAILABLE TO THE INDEMNIFYING PARTY, OR (II) IF THE INDEMNIFYING PARTY SHALL NOT HAVE EMPLOYED COUNSEL REASONABLY SATISFACTORY TO THE INDEMNIFIED PARTY, THE INDEMNIFIED PARTY SHALL NEVERTHELESS HAVE THE RIGHT, AT THE INDEMNIFYING PARTY'S COST AND EXPENSE, TO DEFEND SUCH CLAIM.

**13. Miscellaneous**

13.1 Governing Law. Notwithstanding anything to the contrary in Appendix A, this Agreement shall in all respects be governed by and construed in accordance with the laws of Japan, without regard to the conflict of laws principles.

13.2 Effectiveness. This Agreement shall be effective as of the date first written above and shall remain in effect until the Termination Date. Sections 1, 7, 11.7, 11.8 and 13 shall survive the termination of this Agreement.

IN WITNESS WHEREOF, this Agreement has been executed and delivered each party as of the date first above written.

The Parties agree that unless otherwise expressly stated herein (A) the FVC Japan Operative Documents shall not affect the interpretation of this Agreement or the governance or operation of Flash Partners or the Y3 Facility and (B) the FP Operative Documents shall not affect the interpretation of the FVC Japan Master Agreement or the governance operation of FVC Japan or the FVC Japan Equipment. The Parties further

acknowledge that their agreement concerning the relationship between the FVC Japan Operative Documents and FP Operative Documents is stated in a letter agreement between Toshiba and SanDisk, dated as of the date hereof (which is not itself either an FVC Japan Operative Document or FP Operative Document).

3. PURPOSE OF FLASH PARTNERS

3.1 Purpose. The Parties acknowledge and agree that the purpose of the Master Operative Documents and Flash Partners is the manufacture, including by subcontract to Toshiba pursuant to the FP Foundry Agreement, and sale to the Parties of NAND Flash Memory Products manufactured at the facility of the Flash Partners known by the Parties as "Y3" (the "Y3 Facility"), which is a part of the Yokkaichi Facility (defined in Appendix A).

3.2 NAND Flash Memory Products. "NAND Flash Memory Products" are NAND (both binary and MLC Flash Memory) Flash Memory Integrated Circuits ("ICs"), excluding any products with process design rules generally greater than .25 microns. Embedded IC's incorporating NAND Flash Memory Products shall be considered to constitute "NAND Flash Memory Products" if the main function and value of such IC is flash memory, but shall not be considered to constitute "NAND Flash Memory Products" if the main function and value of such IC is logic. For the purpose of the foregoing, the "main function and value" of any product shall be considered to be flash memory if (x) the total NAND flash memory array area is greater than [***] of the total die area or (y) the product is a cut-down or derivative of a standard NAND Flash Memory Product.

3.3 Products.

(a) NAND Flash Memory Products manufactured at the Y3 Facility are referred to as "Y3 NAND Flash Memory Products," NAND Flash Memory Products manufactured for FVC Japan using the FVC Japan Equipment are referred to as "FVC Japan NAND Flash Memory Products" and NAND Flash Memory Products manufactured at the Toshiba Foundry Facility (defined in Appendix A) are referred to as "Toshiba Foundry NAND Flash Memory Products".

(b) Each Party shall be permitted to market and sell all NAND Flash Memory Products to any third party in any form, including chips, packaged devices, wafers, die and cards.

(a) It and each of its Affiliates that is a party to any Master Operative Document is duly organized, validly existing and in good standing under the laws of its

jurisdiction of organization or incorporation and has the power and authority to carry on its business as conducted on the date hereof, to own or hold under lease its properties and to enter into and perform its obligations under each Master Operative Document to which it is a party.

(b) It and each of its Affiliates that is a party to any Master Operative Document is duly qualified to own or lease its properties and generally to conduct its business as currently, or proposed under the Master Operative Documents to be, conducted in each jurisdiction necessary for purposes of the transactions contemplated by the Master Operative Documents, except where failure to so qualify would not have a material adverse effect on either Party or Flash Partners.

4.2 Authorization; No Conflict.

(a) It and each of its Affiliates has duly authorized by all necessary action (i) the execution, delivery and performance of each Master Operative Document to which it or any of its Affiliates is a party and (ii) the exercise of its rights as a holder of units (shusshi mochibun) of Flash Partners (the "FP Units") to approve the execution, delivery and performance by Flash Partners of each Master Operative Document to which it is a party and for which the approval of the holders of FP Units is required.

(b) Its and each of its Affiliates' execution and delivery of each Master Operative Document to which it is a party, its and each of its Affiliates' consummation of the transactions contemplated thereby and its and each of its Affiliates' compliance therewith does not and will not (i) require any approval of its or any of such Affiliates' stockholders or any approval or consent of any trustee or holder of any of its or any of such Affiliates' Indebtedness or obligations, (ii) contravene any Governmental Rule applicable to or binding on it or any of such Affiliates or any of its or their properties if such contravention would have a material adverse effect on it or any of such Affiliates or on its or their ability to perform any of its or any of such Affiliates' obligations under any Master Operative Document, (iii) contravene or result in any breach of, or constitute any default, with or without the passage of time, the giving of notice or both, under its charter or by-laws, or contravene or result in any breach of or constitute any default under, or result in the creation of any Lien (other than Permitted Liens) upon any of its or any of such Affiliates property or the property of Flash Partners under, any material indenture, mortgage, chattel mortgage, deed of trust, conditional sales contract, loan or credit agreement, non-compete agreement, license agreement, partnership or joint venture agreement or other material agreement or document to which it or any of such Affiliates is a party or by which it or any of such Affiliates or any of its or their properties is or is intended to be bound or by which Flash Partners or any of its properties is or is intended to be bound, (iv) require any negotiation with, or notice to, any labor union or violate, or require any procedure to be followed under, any collective bargaining or other agreement with employees or (v) require any Governmental Action (other than immaterial Governmental Actions such as routine qualifications to do business intended to be obtained as needed or Governmental Actions needed in connection

with the construction and operation of the Y3 Facility), except, in each case described in clauses (i) through (v) above, such as have been duly obtained, made, taken or otherwise accomplished and which are in full force and effect. All consents and approvals of any Governmental Authority (other than immaterial Governmental Actions such as routine qualifications to do business intended to be obtained as needed or Governmental Actions needed in connection with the operation of the Y3 Facility) or other third Person necessary or advisable for such Party or any of its Affiliates to consummate in all material respects the transactions contemplated by the Master Operative Documents have been obtained. No Burdensome Condition exists with respect to such Party, any of its Affiliates or Flash Partners in connection with the transactions contemplated by the Master Operative Documents.

4.3 Enforceability.

(a) It has duly executed and delivered this Agreement and, upon the execution and delivery of this Agreement by the other Party, this Agreement will constitute its legal, valid and binding obligation, enforceable against it in accordance with its terms except as enforceability may be limited by bankruptcy, insolvency, fraudulent conveyance or similar laws affecting the enforcement of creditors' rights generally or the availability of equitable remedies (regardless of whether enforceability is considered in a proceeding at law or in equity).

(b) It and each of its Affiliates have duly executed and delivered each other Master Operative Document to which it or any such Affiliate is a party and, upon the execution and delivery of each such other Master Operative Document by each other party thereto, each such other Master Operative Document will constitute its legal, valid and binding obligation, enforceable against it or its Affiliates in accordance with its terms except as enforceability may be limited by bankruptcy, insolvency, fraudulent conveyance or similar laws affecting the enforcement of creditors' rights generally or the availability of equitable remedies (regardless of whether enforceability is considered in a proceeding at law or in equity).

4.4 Proceedings. There are no actions, claims, investigations or proceedings pending, or to its knowledge threatened, by or before any Governmental Authority that, if adversely determined, would have a material adverse effect on it or any of its Affiliates that is a party to any Master Operative Document or, on the conduct of the business of Flash Partners following the Closing as contemplated in the Master Operative Documents or on it or any of its Affiliates' ability to perform any material obligation under any Master Operative Document.

4.5 Litigation; Decrees. Except as set forth in Schedule 4.5, there are no lawsuits, arbitrations or other legal proceedings pending, or to its knowledge threatened, by or against or affecting it or any of its Affiliates or any of their respective properties that (i) are reasonably likely, based on information known to it as of the date hereof, to have a material adverse effect on the conduct of the business of Flash Partners following the Closing as contemplated by the Master Operative Documents or (ii) relate to any of the transactions contemplated by the Master

Operative Documents in a manner which is material to it, any of its Affiliates' or Flash Partners ability of it to carry out the transactions contemplated hereby and in the FP Operative Documents or which could have a material adverse effect on the conduct of the business of Flash Partners following the Closing as contemplated in the Master Operative Documents.

4.6 Compliance with Other Instruments. Neither it nor any of its Affiliates that is a party to any Master Operative Document is in default in any material respect in the performance of any material obligation, agreement, instrument or undertaking to which it or any of its Affiliates is a party or by which it or any of its Affiliates or any of its of their properties is bound, and there is no such obligation, agreement, instrument or undertaking to which it or any of its Affiliates is a party or by which it or any of its Affiliates or any of its or their properties is bound, in each case which is reasonably likely to have a material adverse effect on the conduct of the business of Flash Partners following the Closing as contemplated by the Master Operative Documents.

4.7 Patents and Proprietary Rights. Except as set forth in Schedule 4.7, to its knowledge, it owns or possesses sufficient legal rights to all patents, utility models, trademarks, service marks, trade names, copyrights, applications for any of the foregoing, mask works, software, trade secrets, licenses, information and proprietary rights and processes (collectively, "Intellectual Property") necessary (i) to carry out its or any of its Affiliates' obligations under the Master Operative Documents and (ii) for the conduct of the business of Flash Partners following the Closing as contemplated in the Master Operative Documents, without any conflict with or infringement of the rights of others, except as will not have a material adverse effect on either (i) or (ii) above. Except with respect to items referenced in Schedule 4.7, it has not received any communications alleging that its Intellectual Property violates, or by its or any of its Affiliates entering into the transactions contemplated by the Master Operative Documents, would violate the Intellectual Property of any other Person or entity, which violation could reasonably be expected to have a material adverse effect on either (i) or (ii) above.

4.8 Compliance with Laws. It and each of its Affiliates has complied and is complying in all material respects with all laws, statutes, permit requirements, licensing requirements, rules and regulations and judicial or administrative decisions, except where the failure to so comply would not have a material adverse effect on its or any of its Affiliates ability to perform its or their obligations hereunder or under any other Master Operative Document or on the conduct of the business of Flash Partners following the Closing as contemplated by the Master Operative Documents.

4.9 Patent Cross Licenses. Except as set forth on Schedule 4.9, with respect to (a) Toshiba, there are no patent cross licenses between it and any third party that would require Flash Partners to make any payment pursuant to Section 10 of the Cross License Agreement, and (b) SanDisk, there are no patent cross licenses between it and any third party that would require Flash Partners to make any payment pursuant to Section 8 of the Cross License Agreement.

5. COVENANTS

5.1 Covenants of the Parties. Each Party agrees that, during the term of this Agreement:

(a) Performance of Obligations. It and each of its Affiliates shall fully and faithfully carry out (i) all its obligations under each Master Operative Document to which it or any Affiliate is a party, and (ii) once agreed, each applicable Business Plan (as defined in the FP Operating Agreement).

(b) Ownership Interest. Except as otherwise expressly permitted by the FP Operating Agreement and this Agreement, it shall not Transfer or permit any of its Affiliates to Transfer all or any portion of its FP Units (or all or any portion of its interest in any Affiliate through which it beneficially owns its FP Units), to any Person without the consent of the other Party.

5.2 Public Announcements.

(a) At or following the Closing, neither Party shall, nor shall it permit any of its Affiliates to, without the prior written consent of the other Party:

(i) issue any public release, announcement or other document, or otherwise publicly disclose any information or make any public statement, concerning the operations of Flash Partners or that refers to the other Party or any of its Affiliates in connection therewith (other than a general reference to affiliation with Flash Partners) that (A) concerns the financial condition or results of operations of Flash Partners other than as required by any Governmental Rule, Japanese GAAP, Japanese GAAS, US GAAP or US GAAS, with respect to the financial disclosure obligations of either Party or (B) disparages either Party, or Flash Partners' performance or reflects negatively on either Party's commitment to either of Flash Partners; or

(ii) other than as may be required in connection with filings required to be made with Governmental Authorities with respect to the transactions contemplated by the FP Operative Documents pursuant to the Japanese Foreign Exchange and Foreign Trade Law and related regulations, (A) publicly file all or any part of any Master Operative Document or any description thereof or (B) issue or otherwise make publicly available any press release, announcement or other document that contains Confidential Information belonging to the other Party (or its Affiliates) or Flash Partners, except as may be required by any applicable Governmental Rule, in which case such Party shall (or shall cause the Person required to make such filing to) cooperate with the other Party, to the extent reasonable and practicable, in obtaining any confidential treatment for such filing requested by the other Party.

(b) Each Party shall use commercially reasonable efforts to grant or deny any approval required under this Section 5.2 within five (5) days of receipt of written request by the other Party; provided, however, a Party's failure to respond within said time period shall not be deemed to constitute such Party's approval or consent.

5.3 Expenses. Each Party shall bear its own expenses in connection with the negotiation, execution and delivery of the Master Operative Documents.

5.4 Undertaking as to Affiliate Obligations. Each Party shall cause all covenants, conditions and agreements to be performed, observed or satisfied by each of its Affiliates that is a party to any Master Operative Documents to be fully and faithfully observed, performed and satisfied by such Affiliate, and shall not cause or permit to exist (i) an Event of Default with respect to such Affiliate or (ii) except as otherwise permitted by the FP Operating Agreement, any event of dissolution of Flash Partners caused by such Affiliate. Nothing in Section 5.1 or in this Section 5.4 shall be construed to create any right in any Person other than the Parties. Without limiting the generality of the foregoing, SanDisk hereby guarantees the obligations of SanDisk International hereunder and under any Master Operative Document to which SanDisk International is a party.

5.5 Continuity and Maintenance of Operations. During the term of this Agreement, each Party agrees on behalf of itself and each of its Affiliates that is a party to any Master Operative Document to use all reasonable efforts consistent with past practice and policies to (i) preserve intact in all material respects its and their present business operations, (ii) keep available the services of its and their key employees as a group, and (iii) preserve its relationships with suppliers, licensors, licensees, and others having business relationships with it or them, each to the extent necessary to allow it and such Affiliates to perform its and their obligations under the Master Operative Documents and to allow Flash Partners to conduct its business as contemplated in its most recently approved Business Plan.

5.6 Certain Deliveries and Notices. Each Party shall promptly inform in writing the other Party of (i) any event or occurrences which could be reasonably expected to have a material adverse effect on its or any of its Affiliates' ability to perform its or their obligations under any of the Master Operative Documents or the ability of Flash Partners to conduct its business as contemplated in its most recently approved Business Plan, or (ii) any breach or failure to satisfy any condition or covenant contained herein or in any other Master Operative Document by such Party or any of its Affiliates.

6. COVENANTS CONCERNING NAND FLASH MEMORY PRODUCTS BUSINESS

6.1 Technology Transfers.

(a) Toshiba will make available to Flash Partners its 90 nanometer [***] process technology applicable to the manufacturing and testing of NAND Flash Memory Products ("NAND Process Technology") on the fastest practicable

schedule. All process integration for new processes will be led by Toshiba employees at the Yokkaichi Facility to the extent reasonably possible. Toshiba will cause its employees, including its advanced microelectronics center

employees, to cooperate in achieving an efficient transition from development module to operating process and volume production. Flash Partners will establish a pilot line where (unless impracticable) substantially all tests for 300 millimeter NAND technology will be conducted.

(b) Whenever a technology transfer is required hereunder, Toshiba shall deliver such level of NAND Process Technology to the Y3 Facility as would be normal practice by the Toshiba Semiconductor Company whenever it transfers a technology to a new manufacturing facility or transfers a new or advanced technology to an existing manufacturing facility in order to achieve successful implementation of the newly transferred technology.

(c) A technology transfer hereunder shall be deemed complete when the transferred technology passes a reasonable qualification procedure to be mutually agreed upon by the Parties.

(d) [***]

(e) [***]

6.2 Start-Up Services for Y3. The Parties acknowledge that either or both of the Parties and Flash Partners have incurred or will incur costs in connection with developing Flash Partners and the Y3 Facility and preparing the Y3 Facility for production, including personnel costs, materials costs and other operating expenses, that are properly allocable to Flash Partners and for which each Party has the obligation ultimately to bear 50% of the responsibility ("Start-Up Costs"). The Parties shall discuss in good faith and agree upon theStart-Up Costs, the allocation to Flash Partners ofStart-Up Costs borne by either Party and the means and timing of each Party being reimbursed or credited for having incurred more than 50% of the Start-Up Costs or of making payments due to having incurred less than 50% of the Start-Up Costs.

6.3 Y3 Facility Ramp-Up Plan.

(a) Equal Participation and Purchase Price Per Unit. The Parties intend to meet demand for increased capacity by equally investing in, and jointly building, and sharing, on equal or substantially equal terms, equal amounts of new capacity for Y3 NAND Flash Memory Products, except as they may otherwise agree as contemplated herein. [***]

(b) Ramp-Up Plan. The Parties acknowledge that they intend to expand their Y3 NAND Flash Memory Product manufacturing capacity through development of the Y3 Facility according to volumes and timing set forth in Schedule 6.3(b) (including to [***] L/M, the "Ramp-Up Plan"). The Parties will discuss in good

faith whether the production capacity of Y3 should be expanded by the Parties toward the Y3 Facility's targeted capacity of approximately [***] L/M.

(c) Ramp-Up Plan Commitments and Changes. The Parties agree as follows concerning theRamp-Up Plan:

(i) The initial 600 L/M in aggregate increases in production capacity of the Y3 Facility identified on theRamp-Up Plan shall be considered firmly committed by each Party (i.e., 300 L/M each) as of the times specified in the Ramp-Up Plan and in accordance with this Section 6.3(c)(i) (the "Minimum RUP Commitment"). The Parties shall agree upon one or more Business Plans that provide for implementing the Minimum RUP Commitment. [***]

6.4 Capacity.

(a) Priority.

(i) SanDisk's manufacturing capacity for, and purchased supply of, NAND Flash Memory Products shall be sourced by SanDisk and its Subsidiaries from, and in, the following priority:

(A) from Flash Partners,

(B) [***]

(C) [***]

(D) from [***] and/or from other third parties (so long as [***], and SanDisk shall have fulfilled its 50% share of the Ramp-Up Plan for the Y3 Facility).

(ii) [***]

(iii) In no event will [***] SanDisk [***] source NAND Flash Memory Products from a source other than Flash Partners if the effect of such sourcing is the diversion of resources or other (intended or collateral) effects which reduce the economic or other efficiency of the Y3 Facility (including not fully executing the Ramp-Up Plan).

(b) [***]

(c) Technology Transfer. If the Parties mutually agree to secure external manufacturing sources other than the Yokkaichi Facility through joint investment, Flash Partners and Toshiba, as applicable, will jointly transfer the applicable manufacturing technology and know-how to such source. Flash Partners (with respect to 300 millimeter wafers) and FVC Japan (with respect to 200 millimeter wafers) will conduct all negotiations with the external manufacturing source; provided, however, the terms and conditions of any agreement shall be subject to prior consultation with and the approval of Toshiba. In connection with any technology transfer to such external source, Toshiba will be reimbursed its mutually agreed transfer costs for assisting in the transfer of manufacturing technology and know-how. If the new capacity secured at such external manufacturing source is requested by only one of the Parties, such Party will pay the transfer costs and be entitled to purchase the full output of NAND Flash Memory Products purchased by FVC Japan or Flash Partners, as applicable, from such external manufacturing source. If both Parties request such new external capacity, then FVC Japan or Flash Partners, as applicable, will pay the transfer costs to Toshiba. Neither Party shall have the right to grant manufacturing licenses to such external manufacturing source or to disclose or transfer to any such external manufacturing source, manufacturing know-how related to the manufacture of NAND Flash Memory Products, except through FVC Japan or Flash Partners.

6.5 Capacity Sharing Arrangement.

(a) Equal right to capacity. Subject to Section 6.3(c), each of the Parties will have the right and obligation, through Flash Partners, to utilize 50% of the wafers produced

at the Y3 Facility based on a measure of equivalent lots out per week with the equivalency being weighed based on the process complexity factors (as calculated by a formula to be mutually determined by the Parties) of the Y3 NAND Flash Memory Products.

(b) Alternative use of allotted capacity.

(i) If a Party is unable to utilize its allotted manufacturing capacity for Y3 NAND Flash Memory Products (such Party, an "Excess Capacity" or "EC Party"), it may do any of the following:

(A) An EC Party may request the other Party to negotiate the terms of transfer of its capacity shortfall to the other Party, which may choose whether to accept such additional capacity and on what terms in its sole discretion.

(B) An EC Party may use its capacity for Embedded NAND Products, as defined in and subject to Section 6.5(c).

(C) An EC Party may use its capacity for Proprietary NAND Flash Memory Products and non-Proprietary NAND Flash Memory Products, in accordance with and subject to Sections 6.5(d) and (e).

If an EC Party is not able to utilize or transfer its allotted capacity pursuant to Section 6.5(b), it shall pay the incremental cost increase to the Party not experiencing a shortfall (or pay to Flash Partners an under-utilization fee in accordance with a formula to be mutually determined by the Parties).

(ii) If both Parties are EC Parties because demand for both Parties' Y3 NAND Flash Memory Products are significantly below expectations, the Parties will discuss in good faith whether to permit products which are not Y3 NAND Flash Memory Products to be produced at the Y3 Facility; provided that (A) the inability of the Parties so to agree shall not constitute a Deadlock (as defined in the FP Operating Agreement) and (B) the foregoing shall not limit either Party's rights in the remainder of this Section 6.5.

(c) Either Party shall have the right use a portion of its total allocated capacity with respect to the Y3 Facility to run a memory product which is not a Y3 NAND Flash Memory Product (solely because the NAND flash memory array area is equal to or less than [***] of the total die area ("Embedded NAND Product")) so long as such Embedded NAND Product [***]. If a Party exercises its option to run Embedded NAND Products, it must [***]. The conditions stated in Sections 6.5(d) and (e) do not apply to Embedded NAND Products.

(d) Each Party may use a portion of its total allocated capacity to cause to be manufactured NAND Flash Memory Products which are proprietary to that Party ("Proprietary NAND Flash Memory Products") and which need not be shared with the other Party. Proprietary NAND Flash Memory Products may be produced at the Y3 Facility so long as such products [***]. If a Party exercises such option, it must [***]. No such Proprietary NAND Flash Memory Products may be run if doing so [***]. Each Party shall give the other Party at least ninety (90) days' advance written notice of its intention to use a portion of its allocated capacity to manufacture Proprietary NAND Flash Memory Products and the Parties shall refer the matter to the Board of Directors for consultation and planning, with the intention to minimize the impact of such allocation. Such notifying Party will limit the output volume of such Proprietary NAND Flash Memory Products to [***] of such Party's total allocated output at the Y3 Facility unless it receives the consent of the other Party to an increase in such output volume above such limit.

(e) Each Party (the "Originating Party") shall inform the other (the "Non-Originating Party") of the development plans by the Originating Party to develop NAND Flash Memory Products, and the Originating Party and the Non-Originating Party shall each refer such matter to the Coordinating Committee (as defined in the Product Development Agreement). If the Coordinating Committee unanimously decides that such planned development shall be undertaken jointly, then the cost

of such joint development shall be borne by each Party in accordance with the Product Development Agreement, and the NAND Flash Memory Products manufactured following such joint development shall be considered non-Proprietary NAND Flash Memory Products for purposes of Section 6.5(d); provided, however, the NAND Flash Memory Products set forth in Exhibit A to the Product Development Agreement shall be deemed to be non-Proprietary NAND Flash Memory Products without any action by the Coordinating Committee. Subject to the foregoing, if the Coordinating Committee does not unanimously decide that such planned development shall be undertaken jointly, then the Originating Party may, at its sole discretion, either (i) transfer to the Non-Originating Party the technology, including the items in Exhibit C to the Product Development Agreement relating to such technology, used to manufacture such NAND Flash Memory Products on a royalty-free basis, whereupon such NAND Flash Memory Products shall be considered non-Proprietary NAND Flash Memory Products, or (ii) treat such NAND Flash Memory Products as Proprietary NAND Flash Memory Products for purposes of Section 6.5(d). In the event the Originating Party elects to treat any NAND Flash Memory Products as Proprietary NAND Flash Memory Products in accordance with the preceding sentence, but thereafter the Coordinating Committee unanimously determines that such Proprietary NAND Flash Memory Products should be developed jointly, the Originating Party shall transfer to the other Party the technology used to manufacture such NAND Flash Memory Products on reasonable terms and conditions to be mutually agreed upon by the Parties, whereupon such Proprietary NAND Flash Memory Products shall be treated as non-Proprietary NAND Flash Memory Products.

6.6 Engineering Wafers and Development Expense. Each Party will have full access to all operational and engineering data and reports related to engineering wafers manufactured at Y3.

(a) Engineering wafers and development expenses are further and more completely defined in four categories: Common R&D Development Expenses, Y3 Direct R&D Development Products, Evaluation Wafers, and Qualification Wafers (each as defined below).

(i) “Common R&D Development Expenses” means [***]. The Parties agree to set up pilot-line(s) [***]. The Parties confirm their intent that [***]. Notwithstanding the foregoing, the Parties shall meet from time to time [***]. The Parties shall meet at the end of each quarter to determine if any engineering activities performed during the quarter [***], whether agreed in advance or not [***]. If any activities performed [***] are agreed by the parties to [***].

(ii) [***].

(iii) "Evaluation Wafers" are those wafers manufactured [***]. Both parties are entitled to receive evaluation wafers [***]. The cost of Evaluation Wafers is [***].

(iv) "Qualification Wafers" are those wafers [***]. The Parties will discuss and agree on the appropriate quantity of Qualification Wafers required for each Y3 NAND Flash Memory Product. [***].

(b) [***].

6.7 Creation of Management Committee. The management committee established by the Parties pursuant to the FVC Japan Master Agreement to facilitate management of the operations of FVC Japan (the "Management Committee") shall do the same for Flash Partners, as detailed in this Section 6.7.

(a) Authority. The Management Committee shall have the authority to (i) advise Flash Partners with respect to policy and operating matters common to Toshiba and SanDisk as well as on such other matters as Flash Partners may refer to the Management Committee from time to time, (ii) hear and seek to resolve any disputes regarding operational matters or alleged breaches of any Master Operative Documents (including dispute resolution), and (iii) take the actions specified to be taken by the Management Committee in this Agreement or any Master Operative Document, including in this Section 6.7 and in Section 6.1.

(b) Members of the Management Committee; Voting; etc.

(i) The Management Committee shall consist of six members (the "Committee Representatives"), three of whom shall be appointed by Toshiba, and three of whom shall be appointed by SanDisk (for such purpose, each of the Parties is referred to in this Section 6.7 as an "Appointing Party"). Each Appointing Party shall be entitled to appoint an alternate Committee Representative to serve in the place of any Committee Representative appointed by such Appointing Party should any such Committee Representative be unable to attend a meeting. Each Party shall be entitled to invite a reasonable numbers of observers to all Management Committee meetings.

(ii) Each Committee Representative or alternate Committee Representative shall serve at the pleasure of the designating Appointing Party and may be removed as such, with or without cause, and his successor designated, by the designating Appointing Party. Each Appointing Party shall have the right to designate a replacement Committee Representative in the event of any vacancy among such Appointing Party's appointees.

(iii) Each Appointing Party shall bear any cost and expense incurred by any Committee Representative or alternate Committee Representative designated by such Appointing Party to serve on the Management Committee, and no Committee Representative or alternate Committee

Representative shall be entitled to compensation from Flash Partners for serving in such capacity.

(iv) Each Appointing Party shall notify the other Appointing Party and Flash Partners in writing of the name, business address and business telephone and facsimile numbers of each Committee Representative and each alternate Committee Representative that such Appointing Party has been appointed to the Management Committee. Each Appointing Party shall promptly notify the other Appointing Party and Flash Partners of any change in such Appointing Party's appointments or of any change in any such address or number.

(v) For purposes of any approval or action taken by the Management Committee, each Committee Representative shall have one vote. All of the votes eligible to be cast at any meeting must be voted in favor of any action to be taken by the Management Committee at such meeting.

(vi) At any meeting of the Management Committee, a Committee Representative, in the absence of one or more other Committee Representatives appointed by the same Appointing Party or an alternate Committee Representative, may cast the vote such absent Committee Representatives would otherwise be entitled to cast.

(vii) The quorum necessary for any meeting of the Management Committee shall be those Committee Representatives entitled to cast all of the votes held by the members of the Management Committee. A quorum shall be deemed not to be present at any meeting for which notice was not properly given under Section 6.7(c), unless the Committee Representative or Committee Representatives as to whom such notice was not properly given attend(s) such meeting without protesting the lack of notice or duly execute(s) and deliver(s) a written waiver of notice or a written consent to the holding of such meeting.

(viii) Each appointment by an Appointing Party to the Management Committee shall remain in effect until the Appointing Party making such appointment notifies the other Appointing Party and Flash Partners in writing of a change in such appointment. The resignation or removal of a Committee Representative shall not invalidate any act of such Committee Representative taken before the giving of such written notice of the removal or resignation of such Committee Representative (or alternate Committee Representative).

(c) Meetings, Notice, etc.

(i) Meetings of the Management Committee shall be held at such location or locations as may be selected by the Management Committee from time to time.

(ii) Regular meetings of the Management Committee shall be held on such dates and at such times as shall be determined by the Management Committee and shall be held as required or as requested by the Board of Directors.

(iii) Notice of any regular meeting or special meeting pursuant to Section 6.7(c)(iv) shall be given to each Committee Representative at least ten (10) Business Days prior to such meeting in the case of a meeting in person or at least five (5) Business Days prior to such meeting in the case of a meeting by conference telephone or similar communications equipment pursuant to Section 6.7(c)(vi), which notice shall state the purpose or purposes for which such meeting is being called and include any supporting documentation relating to any action to be taken at such meeting.

(iv) Special meetings of the Management Committee may be called by any Committee Representative by notice given in accordance with the notice requirements set forth in this Section 6.7, which notice shall state in reasonable detail the purpose or purposes for which such meeting is being called; provided, that, the Committee Representatives appointed by the Appointing Party that is not represented by the Committee Representative calling such special meeting shall be entitled to in good faith select a convenient location for the meeting and to suggest an alternative time or times if the designated time is not convenient for them. Except as set forth in Section 6.7(c)(vi), no action may be taken and no business may be transacted at such special meeting which is not identified in such notice unless (A) such action or business is incidental to the action or business for which the special meeting is called or (B) such action or business does not materially adversely affect the Parties, any of their respective Affiliates which are parties to any of the Master Operative Documents or Flash Partners. Minutes of each Management Committee meeting shall be sent by facsimile to all Committee Representatives within ten (10) Business Days after such meeting. Material to be presented at any Management Committee meeting shall be sent by facsimile, electronic mail or delivered in hard copy to all Committee Representatives together with the notice described in Section 6.7(c)(vi).

(v) The actions taken by the Management Committee at any meeting, however called and noticed, shall be as valid as though taken at a meeting duly held after regular call and notice if (but not until), either before, at or after the meeting, any Committee Representative as to whom such meeting was improperly held duly executes and delivers a written waiver of notice or a written consent to the holding of such meeting; provided, however, any Committee Representative who is present at a meeting and does not protest the failure of notice shall be deemed to have received adequate notice thereof. A vote of the Management Committee may be taken only either in a meeting of the members thereof duly called and held or by the execution by the Committee Representatives eligible to cast all

the votes on the Management Committee without a meeting of a consent setting forth the action so taken, and identified as a consent of the Committee Representatives pursuant to this Section 6.7.

(vi) Upon the consent of all Committee Representatives, a meeting of the Management Committee may be held by conference telephone or similar communications equipment by means of which all Committee Representatives participating in the meeting can hear and be heard by all other participants, provided, that, such communications equipment continues to be operational throughout the meeting. Any Committee Representative may elect to participate in a meeting by conference telephone or similar communications equipment upon sufficient advance notice to permit arrangements therefor to be made. At any meeting, the Management Committee shall consider (A) any items added to the Management Committee agenda for discussion by the Parties and (B) such other matters as the Management Committee decides to review.

(vii) The Management Committee shall, from time to time, elect one of its members to preside at its meetings, which presiding member shall alternate annually if requested by either Party. The Management Committee may establish reasonable rules and regulations to (A) require officers to call meetings and perform other administrative duties, (B) limit the number and participation of observers, if any, and require them to observe confidentiality obligations and (C) otherwise provide for the keeping and distribution of minutes and other internal Management Committee governance matters not inconsistent with the terms of this Agreement.

6.8 FP Secondees. SanDisk will have the right (after consultation with Toshiba) to second employees to Flash Partners ("FP Secondees"), provided that the numbers and responsibilities of such FP Secondees will be discussed by the Parties in advance of seconding such employees. [***]:

(a) [***]

(b) [***]

(c) [***]

(d) [***]

(e) [***]

(f) [***]

(g) All FP Secondees will remain employees of SanDisk. Each Party will indemnify the other Party and Flash Partners from any claim by any of such Party's employees, consultants or agents (such Party being the "Employer") (i) based on other than willful misconduct of such Employer, its employees, consultants or

agents; or (ii) that he or she has rights, or is owed obligations, as an employee of the Party that is not the Employer.

6.9 Non-solicitation of Employees. So long as the business of Flash Partners continues, each Party (and each of its respective Affiliates) shall not, without the prior written consent of the other Party, directly recruit or solicit any employee or director of Flash Partners to leave his or her employment with Flash Partners prior to the period ending twenty-four (24) months after the FP Termination Date; provided, however, that placement of employment advertisements or other general solicitation for employees not specifically targeted to the employees or directors of Flash Partners shall not constitute direct recruitment. In the event of the dissolution and liquidation of Flash Partners, either Party (or any Affiliate of either Party) may solicit any former employee of such dissolved and liquidated company, but neither Party (nor any of its Affiliates) shall be required to employ any such Person. If all of the FP Units held by one Party are purchased by the other Party or its designee, if requested by the acquiring Party the Parties shall reach agreement on a reasonable transition plan (without profit to the seller) in connection with the services provided to Flash Partners, as applicable, by employees and contractors of the selling Party.

6.10 Debt and Lease Financing.

(a) [***]

(b) The Parties currently intend, but are not obligated, to structure the financing for equipment purchases by Flash Partners necessary to implement the Ramp-Up Plan as follows:

(i) Flash Partners will enter into equipment lease or loan agreements and pledge the financed equipment as collateral;

(ii) Flash Partners will secure external financing for approximately 50% of the initial purchase price of its tools and each Party will provide equity capital contributions and loans (on a subordinated basis) for the remaining cash requirements of Flash Partners necessary to execute the Ramp-Up Plan;

(iii) each Party will severally and not jointly and through separate arrangements guarantee as close as possible to 50% of Flash Partners' obligations under such lease or loan agreements (any financing separately guaranteed or provided by Toshiba for Flash Partners or otherwise for investment in the Y3 Facility, "Toshiba Financing", any such financing separately guaranteed or provided by SanDisk for Flash Partners or otherwise for investment in the Y3 Facility "SanDisk Financing" and the Toshiba Financing and SanDisk Financing, each a "Financing"); and

(iv) the Parties will attempt to obtain the foregoing financing from the same financial institution, but under separate agreements that expressly disclaim any joint and several liability of the Parties.

(c) With respect to any Toshiba Financing or SanDisk Financing, the following shall apply:

(i) [***].

(ii) Unless otherwise expressly agreed by both Parties in writing in each case, all Toshiba Financing and all SanDisk Financing shall create only several obligations of the Parties and no joint and several obligations or liability. Toshiba (with respect to Toshiba Financing) and SanDisk (with respect to SanDisk Financing) hereby indemnifies and holds harmless the other Party and its Indemnified Parties from any claims by any financial institution or other Person that the other Party has any liabilities or obligations with respect to, respectively, any Toshiba Financing or SanDisk Financing (unless joint liability has been agreed pursuant to the first sentence of this Section 6.10(c)(ii)).

(iii) Flash Partners will use commercially reasonable efforts to comply with the requirements of any financing sources. Flash Partners will make available to each Party one-half of its assets (with as near as practicable cost, collateral value and type) to secure such Party's Financing (whether external or loans from a Party or its Affiliates).

(d) If the lender under the Financing for either Party (as the "Defaulting Party") takes significant actions to enforce its right in the collateral, then the other Party (as the "Non-Defaulting Party") shall have the right, but not the obligation, to cure the default giving rise to the lender's enforcement action. If the Non-Defaulting Party exercises such cure right, then theNon-Defaulting Party's rights in any subject collateral shall be superior to the Defaulting Party's and the Non-Defaulting Party may exercise one of the following options:

(i) the Non-Defaulting Party (A) shall have a claim against the Defaulting Party for reimbursement of any payments made by theNon-Defaulting Party on the Defaulting Party's behalf (which will be subordinate to the lender's claims and bear interest at a rate 500 basis points in excess of the rate being charged by the lender to the Defaulting Party) and (B) shall have the right, until and unless the Defaulting Party pays in full the

obligation to the Non-Defaulting Party under foregoing clause (A), to take over the increment of production of the Y3 Facility represented by the collateral with respect to which the lender took significant actions to enforce its rights; or

(ii) the Non-Defaulting Party shall have the right to terminate the Operating Agreement pursuant to Section 11.6 thereof (Foreclosure Default).

6.11 Other Activities. Except as expressed in Section 5.6 and in the Common R&D Agreement, neither Party nor any of their respective Affiliates shall: (i) fabricate NAND Flash Memory Integrated Circuits at any location other than the Yokkaichi Facility or any other fabrication facility agreed upon by the Parties in writing; (ii) have any third party fabricate NAND Flash Memory Integrated Circuits; or (iii) have any right to fabricate NAND Flash Memory Integrated Circuits beyond the capacity as limited pursuant to this Section 6, as such capacity limitations may be amended from time to time in accordance with this Section 6. For the avoidance of doubt, nothing contained in the foregoing shall restrict the Parties from engaging in any other activities, including, without limitation, (i) designing any NAND Flash Memory Product; (ii) selling any NAND Flash Memory Product to any customer; (iii) entering into any equipment purchase or material supply agreements; or (iv) entering into any patent licensing arrangement; and nothing in the foregoing shall restrict Toshiba from installing any manufacturing line in the Toshiba Foundry Facility subject to the capacity limitations set forth in Section 6 of the FVC Japan Master Agreement and as provided herein, as such capacity limitations may be amended from time to time in accordance with this Section 6. For purposes of this Section 6.11, "NAND Flash Memory Integrated Circuits" means ICs included in the definition of NAND Flash Memory Products pursuant to Section 3.2.

6.12 Protection of Intellectual Property. Both Parties recognize that it is important for the success of the Y3 NAND Flash Memory Products business to promote the adoption of such Y3 NAND Flash Memory Products with a wide variety of customers and applications, whether for card use or non-card use, and with such recognition, each Party shall use reasonable efforts to protect and enhance the value of Y3 NAND Flash Memory Products. Further, where feasible, each Party shall share with Flash Partners internally prepared analyses of competitive products prepared by either Party so as to allow Flash Partners to respond to such information and remain competitive in the marketplace; provided, that neither Party warrants as to the accuracy or completeness of any such analysis so provided.

6.13 Tools.

(a) All tools for the Y3 Facility shall be purchased by Flash Partners (or a lessor for Flash Partners' benefit as contemplated by Section 6.10(a)) and all such purchases shall be agreed upon by the Parties. Toshiba shall, from the Toshiba Semiconductor Company headquarters and at its own expense, provide Flash Partners with tool purchase service support and negotiate with vendors on Flash

Partners' behalf. SanDisk shall have the right to participate in such negotiations or other tool purchase activities of Toshiba, at SanDisk's own expense.

(b) All purchases of replacement tools for Flash Partners, to the extent the procedures or requirements therefor are not set forth in a Master Operative Document, shall be done only by agreement of the Parties.

7. OTHER AGREEMENTS

To supplement their agreement as expressed in certain of the Master Operative Documents, the Parties agree as set forth in this Section 7. To the extent of any conflict between this Section 7 and any other Master Operative Document referenced in this Section 7, the other Master Operative Document shall prevail.

7.1 Flash Partners Management.

(a) As contemplated by the FP Operating Agreement, the Y3 Operating Committee's purpose is to give both Parties the ability to influence the day to day operating decisions of Flash Partners and the Y3 Facility. The Y3 Operating Committee is intended to be a collaborative body with real-time communications, respectful consultation and dispute resolution with the goal of making the Y3 Facility the most competitive (cost and technology) memory fabrication facility in the world.

(b) If the Y3 Operating Committee is unable to decide an issue (by agreement of its two members) such issue shall be referred to the Board of Directors. Special meetings of the Board of Directors may be noticed for issues requiring urgent resolution. The Parties contemplate that while a special meeting of the Board of Directors is being noticed, their respective management teams will discuss any issue that the Y3 Operating Committee could not resolve.

(c) If the Board of Directors is unable to decide an issue (by unanimous agreement), such issue shall be referred to the Management Committee for resolution, which shall be vested with final decision making authority. This Agreement separately provides for procedures if the Management Committee is unable to reach agreement on such issue.

7.2 Y3 Facility. Toshiba has designed and is constructing the Y3 Facility at its sole cost and expense. The Y3 Facility is scheduled to be completed by [***], provided that Toshiba shall have no liability to SanDisk, any SanDisk Affiliate or Flash Partners if completion is not achieved by such time. The depreciation charges for Y3 will be passed on to Flash Partners as further described in Section 7.3(d).

7.3 FP Foundry Agreement. Flash Partners and Toshiba shall enter into the FP Foundry Agreement at the Closing. The FP Foundry Agreement provides for ordering procedures, prices, delivery, cost reporting and other specific terms and conditions for the manufacture by Toshiba and supply to Flash Partners of Y3 NAND Flash Memory Products, which shall be consistent with the following basic terms:

(a) Facilities, Equipment and Raw Materials. The manufacturing facilities will be located at the Y3 Facility and die sort will be located [***] or such other place as the Parties may agree upon. Flash Partners and Toshiba will enter into an exclusive lease agreement with respect to the Y3 Facility and Flash Partners' manufacturing equipment located in the Y3 Facility to be used in the manufacture of Y3 NAND Flash Memory Products by Toshiba. Toshiba shall be responsible for obtaining the raw materials and services to be used in the manufacture of Y3 NAND Flash Memory Products.

(b) Production. Toshiba will manufacture Y3 NAND Flash Memory Products at the Y3 Facility for Flash Partners ordered by Toshiba and SanDisk under the terms and conditions of the FP Purchase and Supply Agreements. Flash Partners and Toshiba (from the Yokkaichi Facility) will use their best efforts to achieve the Ramp-Up Plan manufacturing capacity (the "Y3 Facility Target Capacity"). Wafers will be sorted between the Parties such that aggregate yield losses will be shared on an equal basis.

(c) Operating Relationship. Toshiba shall provide all employees necessary for the manufacturing of the Y3 NAND Flash Memory Products.

(d) Consideration to be Paid to Toshiba. Toshiba will be compensated by Flash Partners as provided in Section 4 of the FP Foundry Agreement.

(e) No Duplication of Costs or Expenses. It is the intent of the Parties that any payments made by SanDisk under or pursuant to any Master Operative Documents or FVC Japan Operative Documents shall not be duplicative and SanDisk shall in no event be required to pay or contribute more than once for any service or product provided under such agreements, if such service is provided under more than one agreement. In addition, if SanDisk makes a direct payment for any service provided under any such agreement, the cost incurred by Toshiba (from the Yokkaichi Facility), FVC Japan or Flash Partners, as the case may be, in connection with the provision of such service shall not be included in the applicable wafer price charged to SanDisk.

(f) Exclusivity. The Yokkaichi Facility shall be Flash Partners' exclusive manufacturing source for output of Y3 NAND Flash Memory Products. Flash Partners may seek external manufacturing sources for output in excess of the Yokkaichi Facility's capacity upon unanimous approval by the Management Committee.

7.4 FP Purchase and Supply Agreements. Flash Partners and each of the Parties or their respective Affiliates will enter into substantially identical FP Purchase and Supply Agreements providing for specific terms and conditions for the purchase by the Parties of Y3 NAND Flash Memory Products from Flash Partners, which shall be consistent with the following basic terms:

(a) Manufacturing. Flash Partners shall manufacture or cause to be manufactured Y3 NAND Flash Memory Products as contemplated by Section 7.3.

(b) Purchase Commitment. Except as contemplated in Section 6.3(c)(ii), each Party shall (itself or through Affiliates) purchase one half (based on a measure of equivalent lots out per week with the equivalency being weighed based on the process complexity factors (as calculated by a formula to be mutually determined by the Parties) of the Y3 NAND Flash Memory Products) of the total L/M of Y3 NAND Flash Memory Products. The foregoing purchase commitment of each Party shall not be subject to reduction unless agreed in writing by the other Party, which may grant or withhold such approval in its sole discretion.

(c) Sales Price for Y3 NAND Flash Memory Products Purchased by the Parties. The sales price charged by Flash Partners to the Parties for wafers manufactured at Y3 shall be the sum of:

[***]

(d) Other Cost Items. Other items related to the manufacture of Y3 NAND Flash Memory Products will be charged on a monthly basis from Flash Partners to the Parties and will include the following:

[***]

7.5 Other Matters.

(a) Forecasts/Production Planning. Each Party will submit forecasts, on a rollingsix-month basis, directly to Flash Partners, as further provided in the Purchase and Supply Agreements. The one-time cost necessary for [***] will be borne by SanDisk, which, together with theone-time production control cost described in Section 7.5(b) is to be approximately [***]. Flash Partners production planning will hold a monthly production planning meeting with representatives of each Party, as further provided in the Purchase and Supply Agreements. At such meetings, the Parties will agree on a production plan for [***] which plan will be final (and the related forecast will be deemed to be covered by a binding purchase order).

(b) Production Control. Flash Partners will provide [***] on a non-discriminatory basis to SanDisk with respect to [***], provided that the actual, one-time cost necessary for establishing a new system to provide [***] to SanDisk will be borne by SanDisk, which, together with theone-time forecast submission system cost described in Section 7.5(a), is estimated to be [***]. Each Party (through the Y3 Management Committee) will have the right to discuss the production schedule, planned wafer starts and [***].

(c) Operating Reports. SanDisk will have full access to any management or operation reports related to Flash Partners or Flash Partners' business through the Y3 Operating Committee (as defined in the FP Operating Agreement). Management and operating reports related to Flash Partners or Flash Partners' business as mutually agreed from time to time will be simultaneously made

available in Japanese and English to each Party. Upon request, Toshiba employees will explain such reports to SanDisk's employees and respond to questions from SanDisk's employees, but Toshiba will not be responsible for SanDisk's failure to understand such reports.

(d) Insurance. Toshiba shall maintain or arrange property insurance covering assets owned or leased by Flash Partners and business interruption insurance in respect of the business of Flash Partners, the scope and amounts of which shall be consistent with Toshiba's practices at the Yokkaichi Facility and as required by any lender. This coverage shall provide basically full replacement value of all Flash Partners owned and leased equipment, subject to valuation as part of Toshiba's annual insurance policy renewal, and shall name Flash Partners as a beneficiary in respect of assets owned or leased by it and Flash Partners' employee expenses covered by business interruption insurance. On an annual basis, or when requested by either Party, the Y3 Operating Committee shall discuss and review the current insurance coverage and/or the need for any additional property or business interruption insurance in respect of Flash Partners' assets or business. Further, SanDisk reserves the right to seek to arrange additional property or business interruption insurance for its own account in respect of Flash Partners' assets or business. If SanDisk seeks such additional property or business interruption insurance, Toshiba shall cooperate in good faith to provide such information and access as is reasonably necessary for SanDisk to arrange such insurance. If Toshiba makes a recovery from a third party (other than an insurer per the above) in respect of both assets of Flash Partners and other assets, then Toshiba shall allocate to Flash Partners a share of the net amount of such recovery in proportion to the losses suffered by Flash Partners and total losses suffered by Flash Partners and Toshiba.

8. TERMINATION

8.1 Termination.

(a) Termination of any Master Operative Document by either Party shall be done only in good faith.

(b) This Agreement shall be terminated automatically upon the earlier of the Transfer of all of a Party's FP Units to the other Party (or its Affiliate) or upon completion of the dissolution and liquidation of Flash Partners pursuant to Section 11

(Dissolution) of the FP Operating Agreement (the date of such Transfer or dissolution and liquidation, the "FP Termination Date").

(c) Upon termination of this Agreement resulting from an event of dissolution of Flash Partners due to the expiration of Flash Partners pursuant to Section 11.1(a) (Expiration) of the FP Operating Agreement:

(i) the Parties shall further amend the Cross License Agreement, as then in effect, to specify that each Party's patents issued or issuing on patent applications entitled to an effective filing date prior to the FP Termination Date are licensed on a royalty-free basis for the duration of such patents. The scope of the licenses as amended pursuant to this Section 8.1(c)(i) shall not be greater than the scope of those granted under the Cross License Agreement, as in effect as of the FP Termination Date.

(ii) Toshiba shall grant to SanDisk, effective upon the FP Termination Date, anon-exclusive, non-transferable (except to Affiliates of SanDisk), non-sub-licensable, fully paid up, royalty-free license to make, have made, use, sell and have sold NAND Flash Memory Products anywhere in the world utilizing the NAND technology transferred to and/or utilized at the Yokkaichi Facility, and SanDisk shall have full access to all such know-how at the Yokkaichi Facility which has been transferred to the Yokkaichi Facility prior to the FP Termination Date.

(d) Upon a termination of this Agreement resulting from (i) an event of dissolution of Flash Partners or (ii) one Party's acquisition of all of the other Party's FP Units (the acquirer thereof referred to hereinafter as the "Acquiring Party" and the seller thereof referred to hereinafter as the "Selling Party") pursuant to Section 11.5 (Dissolution Upon Notice) of the FP Operating Agreement:

(i) Toshiba or the Acquiring Party, as the case may be, will, upon the request, prior to the FP Termination Date, of (A) SanDisk (such request to be made at the time of its notice pursuant to Section 11.5 of the FP Operating Agreement) in the case of the dissolution of Flash Partners or (B) the Selling Party (each, a "Requesting Party"), as the case may be, continue to manufacture NAND Flash Memory Products for the Requesting Party (not to exceed the Requesting Party's capacity allocation available from Flash Partners under this Agreement as of the FP Termination Date (the "Termination Capacity")) for a period of eighteen (18) months following the Termination Date in the following ramp-down manner:

(A) During the first six months following the FP Termination Date: 100% of the Termination Capacity

(B) During the 7th through the 12th month following the FP Termination Date: 75% of the Termination Capacity

(C) During the 13th through the 18th month following the FP Termination Date: 50% of the Termination Capacity.

The scope of the licenses as amended pursuant to this Section 8.1(d)(iii) shall not be greater than the scope of those granted under the Cross License Agreement, as in effect as of FP Termination Date.

(iv) Upon termination of this Agreement resulting from an event of dissolution of Flash Partners caused by Toshiba's election to withdraw from Flash Partners pursuant to the FP Operating Agreement, Toshiba hereby grants to SanDisk, effective upon the FP Termination Date, a non-exclusive, non-transferable (except to Affiliates of SanDisk), non-sub-licensable, fully paid-up, royalty-free license to make, have made, use, sell and have sold NAND Flash Memory Products anywhere in the world utilizing the NAND technology transferred to and/or utilized at the Yokkaichi Facility, and SanDisk shall have full access to all such know-how at the Yokkaichi Facility which has been transferred to the Yokkaichi Facility prior to the FP Termination Date.

(e) Upon termination of this Agreement resulting from an event of dissolution of Flash Partners or Toshiba's acquisition of SanDisk's FP Units pursuant to Section 11.4 (Dissolution By Unilateral Option) of the FP Operating Agreement:

(i) From the Yokkaichi Facility, Toshiba will, upon request of SanDisk given within sixty (60) days of the notice given by SanDisk pursuant to Section 11.4 of the FP Operating Agreement, continue to manufacture products for SanDisk for a period of eighteen (18) months following the FP Termination Date in accordance with the following ramp-down manner; provided, however, such capacity allocation for SanDisk shall not exceed its capacity allocation available from Flash Partners under this Agreement as of the FP Termination Date (the "SanDisk Termination Capacity"):

(A) During the first six months following the FP Termination Date: 100% of the SanDisk Termination Capacity

(B) During the 7th through the 12th month following the FP Termination Date: 75% of the SanDisk Termination Capacity

(C) During the 13th through the 18th month following the FP Termination Date: 50% of the SanDisk Termination Capacity.

(ii) The Parties and their respective Affiliates shall have a perpetual, fully paid-up, royalty-free right to use technology previously transferred to one another during the term of this Agreement.

(iii) The Parties shall further amend the Cross License Agreement to specify that, with respect only to Y3 NAND Flash Memory Products and any other Licensed Products defined in the License Agreement and manufactured with 300mm wafers at any facility, each Party's patents issued or issuing on patent applications entitled to an effective filing date prior to the FP Termination Date are licensed at the royalty rates specified in Schedule 8.1(e) until March 31, 2013; provided, that after such five (5) year period, such license shall be on a royalty free basis and provided, further, that at any time during such five year period, both Parties shall negotiate in good faith for up to one hundred and eighty (180) days as requested by either Party to mutually agree on royalty rates for patents filed by each Party after the FP Termination Date. The scope of the licenses as amended pursuant to this Section 8.1(e)(iii) shall not be greater than the scope of those granted under the Cross License Agreement, as in effect as of the FP Termination Date.

(f) Upon termination of this Agreement resulting from an event of dissolution of Flash Partners or one Party's acquisition of the other Party's FP Units following a Deadlock (as defined in the FP Operating Agreement) pursuant to Section 10.3 (Dispute Resolution; Deadlock) of the FP Operating Agreement:
